JAMIE JERNIGAN - CROSS BY WILSON

- 1 Q: Did you find a knife?
- 2 A: We did not.
- 3 Q: Did you find any beer cans or anything else that might've
- 4 been thrown out of the car, any identification from the ---
- 5 A: We didn't recover anything as far as evidence that we
- 6 thought were relevant or potentially related to the crime; no,
- 7 sir.
- 8 Q: Okay. Nothing that you would think that was relevant to
- 9 the crime?
- 10 A: Yes, sir.
- 11 Q: Were you a part of the processing of the victim's car?
- 12 A: No, sir; I wasn't a part of that process.
- 13 Q: All right. Did you obtain the search warrant to do that
- 14 search?
- 15 A: The processing of the vehicle?
- 16 Q: Yes, sir.
- 17 A: No, sir.
- 18 Q: So, your -- your -- the extent of your involvement then
- 19 would've been the obtaining of this particular search warrant,
- 20 right?
- 21 A: Yes, sir.
- 22 Q: And going, measuring the distance or a timeframe. Do you
- 23 know how many miles it is from -- from Sunny Heights to
- 24 Seacoast?
- 25 A: I'd have to -- I'm not sure; I don't recall.

1 Q: Do you know how many miles it is from Denny's to Sunny
2 Heights?

3 A: I don't recall; no, sir.

4 Q: All right. I don't have any further questions. Thank
5 you, sir.

6 THE COURT: Redirect?

7 MR. SPRATLIN: Briefly, Your Honor.

8 REDIRECT EXAMINATION OF JAMIE JERNIGAN BY MR. SPRATLIN:

9 Q: Detective Jernigan, regarding Cellebrite, did you perform
10 the actual extraction on the phone?

11 A: I did not.

12 Q: So, you're not sure what limits there were to that phone?

13 A: No, sir.

14 Q: And you have no idea what the actual contents were on
15 that phone?

16 A: I do not.

17 Q: That would be a question for whoever performed the
18 Cellebrite?

19 A: It would.

20 Q: Let me show you ---

21 MR. SPRATLIN: Permission to approach, Your Honor?

22 THE COURT: Yes, sir.

23 BY MR. SPRATLIN:

24 Q: What has been marked and introduced into evidence as
25 State's Exhibit Number 2. The part that is circled up here;

1 is that the Sunny Heights area?

2 A: I can't see it. Oh, yes, sir.

3 Q: All right. And from leaving the Denny's Restaurant, it
4 took you eight minutes and 45 seconds to get there?

5 A: Yes, sir.

6 Q: What do you believe, based on your training and
7 experience as an officer -- were you a patrol officer before
8 you were a detective?

9 A: Yes, sir.

10 Q: What's the shortest amount of time that you think you
11 could've done that drive, even if you were in traffic?

12 MR. WILSON: Your Honor?

13 THE COURT: Yes, sir.

14 MR. WILSON: I object to him speculating about what he
15 thinks might be the shortest. He testified that it was eight
16 minutes and 45 seconds.

17 THE COURT: All right. You're asking him to answer a
18 question that he can't know the answer to. So, I'll allow --
19 agree with the objection.

20 BY MR. SPRATLIN:

21 Q: It took you eight minutes and 45 seconds?

22 A: Yes, sir.

23 Q: It didn't take you three minutes?

24 A: No, sir.

25 Q: It didn't take you four minutes?

1 A: No, sir.

2 Q: It didn't take you five minutes?

3 A: No, sir.

4 Q: Six minutes?

5 A: No.

6 Q: It took you eight minutes and 45 seconds?

7 A: Yes, sir.

8 Q: Thank you. No further questions.

9 MR. WILSON: No other questions, Your Honor.

10 THE COURT: All right. Do you wish the witness to be

11 excused?

12 MR. SPRATLIN: I would ask so, Your Honor.

13 MR. WILSON: No objections, Your Honor.

14 THE COURT: All right, sir, you're released from your

15 subpoena and may go back to your regular duties. Thank you.

16 All right. Next witness, Solicitor.

17 MR. SPRATLIN: The state would call Mr. Will Lynch to the

18 stand.

19 THE COURT: All right. Please come around up to the

20 front, sir.

1 MR. LYNCH: Thank you.

2 THE CLERK: Please state your name and spell your name
3 for the Court.

4 MR. LYNCH: Will Lynch, L-Y-N-C-H.

5 DIRECT EXAMINATION OF WILL LYNCH BY MR. SPRATLIN:

6 Q: Mr. Lynch, where were you employed back in July of 2017?

7 A: I was employed with the City of North Myrtle Beach.

8 Q: And what was your job there?

9 A: I was assigned to the Investigations Division.

10 Q: Are you familiar with a device or system or software
11 called Cellebrite?

12 A: Yes, I am.

13 Q: Can you tell the Court briefly what it is?

14 A: Cellebrite is the name of a company that manufactures a
15 couple of devices that are used for the extraction of data
16 from cell phones. And when they originally came on the
17 market, it was the same device basically that when you took
18 your phone to your cell provider, such as T-Mobile or AT&T and
19 you say you wanted to upgrade your phone, they would use that
20 device to actually transfer your contacts from your older
21 phone to a newer phone. So, that's the same device, but they
22 make a device that's a little more -- gets into a little more
23 in depth for law enforcement. So, that's it in a nutshell.

24 Q: How much experience and training do you have with this
25 Cellebrite equipment?

1 A: I've been certified with the use of Cellebrite for
2 approximately ten years. I've testified in court on the use
3 of Cellebrite, and I've probably done up to 500 extractions on
4 different cell phones.

5 Q: I'm sorry. How many extractions did you say you've done?

6 A: Probably up to 500. I was assigned to a drug task force
7 at one time, and we would typically do a lot of extractions on
8 cell phones during that time I was with the drug task force.

9 Q: All right. When you say you've been certified, what does
10 it take to get certified in Cellebrite?

11 A: So, originally, when I was certified the first time, it
12 was through a third-party vendor, and it was a one-week course
13 that was held up in Virginia. And then since then, the
14 company itself, Cellebrite, does their own in-house training
15 and I've been -- I went through another week long class that
16 was actually hosted by Cellebrite here in Myrtle Beach, and
17 then I've done a refresher course as well through Cellebrite.
18 That was an online class.

19 Q: Regarding the extractions that you have done, in your
20 experience with Cellebrite, does it -- does it extract the
21 actual contents of what's on the phone?

22 A: Yes, it does.

23 Q: Does it change or add anything to those contents, to your
24 knowledge?

25 A: No, the way Cellebrite works, it's -- you plug the phone

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - DIRECT BY SPRATLIN

327

1 into basically the machine and then you have a storage device
2 of some sort, and it just basically communicates with the
3 phone saying, hey, give me this or give me that it takes that
4 and puts it on to the storage device. It's basically a one-
5 way street. You can't add stuff to the phone; it just pulls
6 stuff off of the phone.

7 Q: Let me show you what has already been marked for
8 identification purposes as State's Exhibit 88.

9 MR. SPRATLIN: May I approach, Your Honor?

10 THE COURT: Yes, sir.

11 BY MR. SPRATLIN:

12 Q: If you would, just take a look at that item briefly?

13 A: Okay.

14 Q: Is that the search warrant that you used to process or
15 Cellebrite a cell phone in this case?

16 A: Yes, it is.

17 Q: All right. Was that sent to you before you did the
18 extraction on the phone?

19 A: Yes.

20 Q: Is that in every way a fair and accurate copy of the
21 search warrant that you relied upon?

22 A: It is.

23 MR. SPRATLIN: Your Honor, I would tender State's 88 into
24 evidence.

25 THE COURT: Any objection?

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - DIRECT BY SPRATLIN

328

1 MR. WILSON: Subject to cross-examination, Your Honor.

2 THE COURT: All right. But as far as State's 88, do you
3 want to object to it or do you want to ask him some questions
4 about it right now?

5 MR. WILSON: Yes, sir.

6 THE COURT: Go ahead.

7 MR. WILSON: May I -- I think if I'm not mistaken, 88 is
8 the search warrant?

9 THE COURT: Right.

10 MR. WILSON: I object to it, the introduction of the
11 search warrant.

12 THE COURT: All right. Let me see the document, please?

13 MR. SPRATLIN: Your Honor, and I'll offer to remove my
14 tendering of it into evidence. I'll just keep it marked for
15 identification purposes.

16 THE COURT: All right. Very good.

17 MR. SPRATLIN: That'll be sufficient.

18 THE COURT: All right.

19 BY MR. SPRATLIN:

20 Q: Detective Lynch, based on that search warrant that you
21 received, did you actually hook up a cell phone in this case
22 to a Cellebrite machine?

23 A: I did.

24 Q: And were you able to do an extraction on that?

25 A: I was.

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - DIRECT BY SPRATLIN

329

1 Q: Let me show you what's been marked State's Exhibit Number
2 96.

3 MR. SPRATLIN: Permission to approach, Your Honor?

4 THE COURT: Yes, sir.

5 MR. SPRATLIN: Let the record reflect I'm showing the
6 witness what's been marked for identification purposes as
7 State's 96.

8 BY MR. SPRATLIN:

9 Q: Would you take a couple of seconds and look through that?

10 A: All right.

11 Q: Does that appear to be the report that you generated in
12 this case?

13 A: It is not the, obviously, the complete report. It's just
14 parts of the complete report, but the first page of it -- of
15 any report that I generate, basically has the type of cell
16 phone and, of course, it has my name as the examiner on here.
17 It's a -- you have to input your name as the examiner before
18 Cellebrite will actually generate the report. So, this is an
19 accurate representation of the first page and a couple of
20 other pages of my report, yes.

21 Q: All right. Your entire report is fairly voluminous; is
22 that fair to say?

23 A: It is, yeah, depending on what type of cell phone you may
24 have. Some of the newer smart phones that have a large amount
25 of storage, you can generate tens of thousands of pages in

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - DIRECT BY SPRATLIN

330

1 these reports, because it takes the pictures, videos, social
2 media, anything that's really on that phone. Some of the
3 older phones, like a flip phone, it may only get the contacts
4 and a couple of dialed phone numbers. So, it can vary between
5 hundreds of pages to ten-thousands of pages.

6 Q: So, a lot of what you can get depends on the phone?

7 A: Correct.

8 MR. SPRATLIN: Your Honor, I will tender State's 96 into
9 evidence.

10 THE COURT: Objection?

11 MR. WILSON: No objection, subject to cross-examination,
12 Your Honor.

13 THE COURT: All right, sir, so State's 96 is in evidence
14 without objection.

15 STATE'S EXHIBIT NUMBER 96

16 ADMITTED INTO EVIDENCE

17 MR. SPRATLIN: Your Honor, permission of the witness to
18 step down off the stand briefly?

19 THE COURT: Yes, sir.

20 MR. WILSON: May I come forward, Your Honor?

21 THE COURT: Yes, sir, please.

22 BY MR. SPRATLIN:

23 Q: All right. Move it up just a little bit. Is this the
24 first page of your report?

25 A: Yes, it is.

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - DIRECT BY SPRATLIN

331

1 Q: Let me ask you, is the phone number of the phone that
2 you're processing reported anywhere on here?

3 THE COURT: Hold on a second. Very good. Thank you.
4 BY MR. SPRATLIN:

5 Q: Is the phone number on here recorded anywhere on here?

6 A: So, in this particular extraction, when you see this
7 acronym here, MSISDN, this would be the actual phone number to
8 the phone [REDACTED].

9 Q: Let me show you what's been introduced as Exhibit Number
10 23. Let me just ask you, are you familiar with what that
11 document is in general?

12 A: It's a voluntary statement.

13 Q: And that's at the City of North Myrtle Beach?

14 A: Correct.

15 Q: It has already been introduced into evidence as Donnielle
16 Matthews Green's statement, correct?

17 A: Correct.

18 Q: Why would you -- what is the phone number listed on that
19 document by Ms. Green?

20 A: It's the same that's listed here. It is [REDACTED].

21 Q: So, the phone that you processed is the phone number that
22 was given on this voluntary statement?

23 A: That's correct.

24 Q: All right. Could you -- and so, explain to the jury what
25 this is.

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - DIRECT BY SPRATLIN

332

1 A: This appears to be part of the timeline report. When
2 Cellebrite does phone extractions or data extractions, it
3 generally will put it in different categories. It will
4 categorize all the text messages and all the phone calls,
5 browser history, things like that. It puts all those in
6 groups. It also does a sub-report of that group called a
7 timeline report, and what the timeline report does, basically,
8 shows what happened on the phone minute-by-minute, date-by-
9 day. So, if you're looking for a certain date what someone
10 may've done or some type of communication or anything that was
11 done on a phone during a certain date, you would go to the
12 timeline report. And as you can tell, there is text messages
13 and there's also phone numbers. So, this tells me that this
14 is probably part of the timeline report. If it was all text
15 messages or all phone calls, then it would be the categories,
16 the individual categories. So, based on what I'm seeing here,
17 this is part of the timeline report. So, and of course it
18 goes, if you're looking at the dates and times, everything is
19 in chronological order. So, it makes -- if you're looking for
20 a specific event that happened on a specific day, it kind of
21 makes it a little bit easier to go to that day and then you
22 can see what happened on the cell phone that particular day.

23 Q: Let me ask you, the words SMS message, what does that
24 mean?

25 A: That's just a text message; that's all that means, simple

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - DIRECT BY SPRATLIN

333

1 message.

2 Q: Regarding number 2995, it says call log, outgoing. Would
3 July 7, 2017 be the date that it was from?

4 A: Yes; that is correct.

5 Q: And at 4:55:03 a.m. time?

6 A: That's correct.

7 Q: What does the UTC-4 mean?

8 A: So, UTC-4, if you've heard of what they used to call
9 Greenwich Mean Time. It's kind of like a standard zero and
10 depending on where you're at in the world, you can add or
11 subtract to get the time of where you're at. Cellebrite used
12 to put everything in UTC codes. So, this would actually be a
13 different time -- you know, back before say 2012, 2013, this
14 may be a UTC time, but then you'd either have to subtract or
15 add to get the actual east coast time. So, that's all that's
16 saying it's just this is the actual time this phone call took
17 place, and if you wanted to actually know what the UTC time
18 was, you would subtract four hours.

19 Q: So, if you know what a standard time code is, you would
20 actually add four hours?

21 A: Correct. Right.

22 Q: All right. And so, this says to [REDACTED], Big Donny?

23 A: Correct.

24 Q: Big Donny, what would that be?

25 A: That would just be -- this phone number would be a phone

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - DIRECT BY SPRATLIN

334

1 number that the -- the owner of the phone would've included
2 into contacts and that would be just the name for a contact of
3 a person, Big Donny, you know, they could be named Donald
4 something and they just were labeled Big Donny by the user of
5 the phone.

6 Q: And this 00:00:22; what would that mean?

7 A: That means it was a 22-second phone call.

8 Q: Now, let's move on to 2996. You already explained what
9 SMS message. Outgoing, what does that mean?

10 A: It's a text message that the user sent outgoing to this
11 person over here, which again is Big Donny or Donny Big,
12 however they had it in their phone.

13 Q: And what time was that text message sent?

14 A: 5:06 in the morning.

15 Q: And if you could, please read for the jury the contents
16 of that text message?

17 A: The text message states, "He showing off for somebody
18 else.. I told him he ain't no man and called him a bitch.. He
19 says my daddy is a bitch.. So I called you do he could say it
20 to go himself.. He hangs up the phone. The next time I bring
21 this muthafucker to Baltimore to better beat his ass.."

22 Q: Thank you. Let me show you the next page of the excerpt.
23 Scoot it up a little bit more. All right. Let me ask you,
24 regarding Number 260 on your report?

25 A: Okay.

- 1 Q: Does that appear to be a text message?
- 2 A: Yes, it does.
- 3 Q: Does it appear to be outgoing?
- 4 A: Correct.
- 5 Q: What's the date and time on that?
- 6 A: Date and time is May 4th, 2017 at 11:45 a.m.
- 7 Q: And who is that text message to?
- 8 A: To someone named Lafayette or Lafayette.
- 9 Q: And what does that text message say?
- 10 A: It says, "Yep..lol I just get super irritated and when I
- 11 drink I start speaking on things I've been holding back..this
- 12 guy gets mad and then we argue when I tell him to kiss my ass
- 13 and stop lying.."
- 14 Q: Okay. Message Number 261, is that also a text message?
- 15 A: It is.
- 16 Q: And is that also an outgoing?
- 17 A: It is.
- 18 Q: Where is that from?
- 19 A: That is from the same date, 5/4/2017, it's just shortly
- 20 after this one; it's at 11:45 in the morning as well and it's
- 21 to the same person, Lafayette or Lafeyette.
- 22 Q: And what's the contents of that text message?
- 23 A: It says. "He got mad and left at 1am and I was
- 24 contemplating shooting his ass when I got back."
- 25 Q: Let me show you the back page of your report. Could you

1 move it a little bit over that way. All right. Number 266?

2 A: It's an outgoing text message again May 4th, excuse me,
3 yeah, May 4th, 2017, 11:59 a.m., same person. The contents of
4 that text message is, "I tell him all" -- "I tell him all the
5 time if I could kill him and bring him back, his ass would b
6 dying five times a week!! He makes me sick. I know I get on
7 his nerves but that's only because he's not used to a female
8 jumping in his face like I do.. I'm not scared of his ass.
9 Lmao"

10 Q: I'm gonna also get you to read the text message up here,
11 which will be Number 265, although I think it's covered up by
12 the staple.

13 A: Yeah, and this would be just a prior text message. If
14 you look at the time, this was about seven seconds before this
15 one.

16 Q: Yes, sir.

17 A: It's outgoing as well to the same person in the phone
18 that says, "Yo I've been quiet about a lot of things
19 throughout our entire relationship..six years in I just can't
20 find it in me to just shut up..Dennis gets away with a lot I
21 just don't tell anybody the things he does it let him know

5 MR. SPRATLIN: Your Honor, I'd ask to be able to keep the
6 television set up, because I'm gonna be using it again in a
7 couple of minutes.

8 THE COURT: All right. Very good. All right. Very
9 good.

10 BY MR. SPRATLIN:

11 Q: Now, Detective Lynch, in addition to that, and just bear
12 in mind, this is your entire report on that phone?

13 A: Correct.

14 Q: Regarding another phone in this case, did you have a
15 chance to process a phone that was brought to you by Detective
16 Chris Bellamy with the North Myrtle Beach Police Department?

17 A: Yes.

18 Q: Let me show you what's been marked already for
19 identification purposes as State's 87. If you would please
20 just take a couple of seconds to look over that.

21 A: Okay.

22 Q: Does that appear to be the search warrant that you
23 executed on the phone that was recovered from the vehicle
24 during processing?

25 A: Yes.

5 BY MR. SPRATLIN:

6 Q: Let me show you what's been marked as State's Exhibit
7 Number 95. Please take a couple of seconds to look through
8 that.

9 A: All right.

10 Q: Does that appear to be a copy or excerpts of your report
11 that you ran on the phone that was found in the vehicle?

12 A: It does.

13 MR. SPRATLIN: Your Honor, I would tender State's ---

14 MR. OSKIN: 95.

15 MR. SPRATLIN: --- 95 into evidence at this time.

16 MR. WILSON: No objections to 95.

2 BY MR. SPRATLIN:

3 Q: This appears to be the front page of your report; is that
4 right?

5 A: Correct.

6 Q: Let me show you page 18 of that report.

7 (To Mr. Oskin.) Move it further over that way; a little
8 bit more; a little more. All right, pull it up a little bit;
9 a little bit more. All right. That's it.

10 Does this appear to be from the timeline as well?

11 A: It does because again, this has the mixture of text
12 messages and phone calls.

13 Q: Let me ask you about Number 235. Does that appear to be
14 a text message?

15 A: It does. It's a text message that was actually incoming
16 from someone to the -- to the holder of the phone.

17 Q: What time did that text message come in?

18 A: 5:13 a.m.

19 Q: And what day did it come in?

20 A: July 7th, 2017.

21 Q: All right. And again, that's the accurate time or
22 Eastern Standard Time?

23 A: That is correct.

24 Q: Can you tell who that text message was from?

25 A: It's from someone that has been labeled in the phone

1 under contacts as Ant.

2 Q: And can you tell me is that Aunt, A-U-N-T, or Ant, A-N-T.

3 A: It just says A-N-T.

4 Q: Can you tell me the contents of that text message?

5 A: It says, "I still love you regardless of what. So know

6 that shit"

7 Q: Let me ask you about 236; when was that message sent?

8 A: That was ---

9 Q: Or received, I'm sorry?

10 A: --- yeah. It was incoming. It was received about 3

11 minutes, a little less than 3 minutes, 5:16 a.m.

12 Q: All right. And who?

13 A: Again, it's from the same person in contacts is Ant.

14 Q: And what was the contents of that text message?

15 A: The content is, "Just wish it would have ended

16 differently because you know I don't be with the dumb shit..."

17 Q: Let me ask you about Number 237; is that an incoming text

18 message as well?

19 A: Incoming text message as well. It's approximately four

20 minutes after this one at 5:20 a.m. from the same contact,

21 Ant, and it just says "Smh"

22 Q: Number 238?

23 A: 238, incoming text message again, 5:22 a.m. from Ant

24 again, "Call me whenever you get a chance alone..."

25 Q: Number 239?

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - DIRECT BY SPRATLIN

341

1 A: Incoming text message again. It's about 20 seconds
2 afterwards, 5:22 a.m. from the same number and contact, "Love
3 you"

4 Q: Number 240?

5 A: 240, incoming text message, seven minutes, approximately
6 seven minutes, 5:29 a.m., from Ant, same contact, and the
7 content says "I can't even sleep, up thinking"

8 Q: Number 241?

9 A: 241 incoming at 5:44 a.m. same date, July 7th from the
10 same contact, Ant, that says, "I miss you already daddy"

11 Q: Thank you. Please return to the stand.

12 Detective Lynch, the processing of the phone was the
13 essential scope of your involvement in this case; is that
14 correct?

15 A: That's correct.

16 Q: And there's two phones, actually?

17 A: Correct.

18 Q: Okay. I have no further questions. Please answer any
19 questions that Mr. Wilson may have.

20 THE COURT: Cross-examination?

21 MR. WILSON: Thank you, Your Honor. Bear with me just
22 one second, Your Honor.

23 THE COURT: Yes, sir.

24 CROSS-EXAMINATION OF WILL LYNCH BY MR. WILSON:

25 Q: Now, are you still employed with North Myrtle Beach,

1 Myrtle Beach?

2 A: I'm still employed with the city; yes, sir.

3 Q: And now, in order to get a download for Cellebrite, you
4 must have the phone, the personal phone of the individual that
5 you're trying to get the download from, right?

6 A: Yes, sir.

7 Q: So, when you got the search warrant, the search warrant
8 took away the cell phone from the person who owned it, so you
9 could take it and use it to get their information?

10 A: Correct.

11 Q: So, you're in control of all their information that's
12 contained in that phone without question, right?

13 A: Correct.

14 Q: All right. And you -- your job in doing the extraction,
15 is to do what? To get what you think might be helpful to the
16 state, or to get any information that you think might be
17 relevant and helpful in general?

18 A: Yes.

19 Q: Yes what?

20 A: Well, any information that may be helpful in general.

21 Q: Okay. So, in being a law enforcement officer, part of
22 your responsibility is to be fair, right, not just to try to
23 find things that might be negative, but if there is something
24 that might be positive, to find that, too, right?

25 A: Yeah, that -- the machine itself is -- it has no bias.

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - CROSS BY WILSON

343

1 Q: Okay. Well, I'm not talking about the machine now, I'm
2 talking about the person who is operating the machine, because
3 you have to get certain information into the machine and you
4 request what you want from the machine, right?

5 A: Well, the machine actually recognizes the phone.

6 Q: Okay.

7 A: So, it will tell you, hey, this is what kind of phone
8 you're using, and this is what the machine can tell you; this
9 is what I can take off the phone.

10 Q: Okay. Now, what about Facebook accounts, would that --
11 if a person has a Facebook account on their phone, and when
12 you're doing your download, wouldn't you be able to download
13 their Facebook account?

14 A: Sometimes. Again, it depends on the phone, what it can
15 and can't get. It does support some types of Facebook
16 Messenger every now and then. It -- it really depends on the
17 make and model of the phone.

18 Q: Well, let's be more specific. Let's talk specifically
19 about this particular case, because that's what we're
20 interested in. Did you make an attempt to download the
21 Facebook account of Donnielle Matthews in this case?

22 A: I only attempted to download the phone. That's all I
23 did. If there was a Facebook account attached to it and
24 Cellebrite says we can get it, it would've gotten it. I
25 didn't do anything extra or anything less than what the

1 machine actually said it could do.

2 Q: Well, let me ask you this, in doing investigations, isn't
3 it fairly -- nowadays common practice of law enforcement, one
4 of the first things you want to do is look at a person's
5 Facebook account so you can see kind of what they've generally
6 been up to, right?

7 A: Yes, they will do that; that is correct.

8 Q: That's a pretty accepted practice now in law enforcement,
9 and what I'm asking you is did you take the time, the effort,
10 the energy, to look at her Facebook to see what was on there?

11 A: We were not the investigating agency for that, so I was
12 tasked with one task and that was to download the contents of
13 the phone.

14 Q: I understand, but that wasn't my question. My question
15 is did you do it or not?

16 A: No, I did not.

17 Q: Okay. All right. And to your knowledge, nobody else has
18 done it, right?

19 A: To my knowledge, no; I can't answer that.

20 Q: Okay.

21 A: I don't know what they did.

22 Q: All right. Now, let's talk about these -- the solicitor
23 had you get up and read some excerpts from this, what, 500-
24 page download that you did, right?

25 A: Yes, sir.

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - CROSS BY WILSON

345

1 Q: Look at this for me and tell me if this is your
2 Cellebrite report that you gave to the solicitor?

3 A: So, again, if you look at the very first page, in order
4 to generate a report, the examiner has to put their name in
5 there or it will not go any further after that. It's a
6 required field. So, with my name being on the front of this
7 and the date, and then looking at all the pages this would be
8 my report.

9 Q: Okay. That's your entire report?

10 A: Yes.

11 Q: And what you read standing up here, was what, three, four
12 messages from that 500 pages of phone calls; is that right?

13 A: Well, I wouldn't say it's 500 pages of phone calls.

14 Q: How many, how many pages?

15 A: Oh, yeah, it's 500 pages, but I mean, you're talking
16 about pictures, videos, text messages, but yes, I read -- what
17 you're getting at is I read excerpts of this long report; that
18 is correct.

19 Q: But you didn't read the entirety of those excerpts, did
20 you; he had you read just specific ones without the responses
21 or without the questions that were asked which led to those
22 responses?

23 A: That is correct.

24 Q: That is correct. Because there was more in that
25 conversation than what was said by the solicitor. In fact,

1 well, and let me ask you one other thing, because you read
2 that, too. After one reading you said it's LAMO or LOMA; what
3 does that mean anyway?

4 A: Typically, it means laugh my ass off.

5 Q: Okay. So, whatever was being said, was being said with
6 followed by that, which would suggest that it's being said in
7 jest in the first place; wouldn't you agree with that, because
8 that's what that means when you say I'm laughing about what I
9 just told you? Same thing is true when -- you want to answer
10 that first?

11 A: You go right ahead.

12 Q: Go ahead?

13 A: You can take it however you want to. I mean laugh my ass
14 off, obviously laugh my ass off, yes, it could be taken in a
15 not so serious content.

16 Q: Okay. What does LOL mean then?

17 A: Laugh out loud.

18 Q: Laugh out loud, does that mean that you're serious if you
19 say I did such and such LOL; what does that mean?

20 A: LOL means laugh out loud and I can't -- obviously, I
21 can't answer to whether they were being serious or not.

22 Q: All right. Now, you said that there was a message to
23 somebody named Big Donny, right?

24 A: Yes, sir.

25 Q: So, do you know who Big Donny is?

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - CROSS BY WILSON

347

1 A: I have no idea.

2 Q: You know even if he's big?

3 A: I do not.

4 Q: Okay. Let me show you what I have had marked for or what
5 has been marked as Defendant's Exhibits 17, 18, and 19. I ask
6 you to take a look at these for me; see if those are portions
7 of the same excerpts that you read off for the solicitor with
8 the additions that y'all left out?

9 A: These appear to be more pages from the actual complete
10 extraction.

11 Q: Okay. Now, is there any question about whether or not
12 those are a part of what you extracted from the Cellebrite
13 download?

14 A: I mean, obviously I could go into the complete report and
15 match them up, but I take your word for it, that they are from
16 the same report, and they appear to have the same contacts as
17 far as names that were assigned to text messages and phone
18 calls.

19 Q: And they also have the page number of the pages that you
20 provided to the state, right?

21 A: Yes, sir.

22 Q: All right. No. So, now, what I want to do is this, let
23 me have those back.

24 A: Yes, sir.

25 MR. WILSON: Your Honor, I would like to offer

10 Q: All right. Now, the solicitor had you read a portion --

11 MR. WILSON: But Your Honor, if I might, I'd like for him
12 to come down and read this?

13 THE COURT: All right. Just stand next to the microphone
14 right there, please. Right here in front of the court

17 Q: I want you to start and I want you to read what's on 18

19 A: Yes, sir.

20 Q: And you can start out by telling us whose calling and who
21 is responding?

22 A: Okay. You want me to start at the top and just go down?

23 Q: Yes, sir.

24 A: Okay. So, there is an outgoing text message on May 4th,
25 2017 at 11:23 a.m. and it's to a contact that I had previously

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - CROSS BY WILSON

349

1 mentioned, Lafayette or Lafayette, and it just says the
2 content of the text message it says, "Just waking up..Hello."

3 And then right below that it looks like Lafayette has
4 responded, because it's an incoming text message at 11:31 a.m.
5 and it says, "Lol, Heyyy girrrl! I didn't want nothing. I
6 just wanted to start out by saying wyd? Lol!!"

7 And then the next one is an incoming text message from
8 the same person at 11:32, just shortly after that previous one
9 from the same contact and it says, "It sounds like some real
10 important shit is about to come behind it."

11 Another incoming text message again from the same
12 contact, 11:32, just a few seconds after that previous one and
13 it says, "N I knew u wasn't up! Hahahaha!!!"

14 And then there's an outgoing text message about 40
15 seconds later after that previous one to the same contact,
16 Lafayette, it says Lol..about to go to the store..it's
17 supposed to b some kind of storm and Dennis is about to leave
18 so I might as well get up and go now..AND get ready for my
19 lonely weekend"

20 Another outgoing ---

21 Q: What's the date on that?

22 A: Those are all on May 4th, 2017.

23 Q: May 4th.

24 A: Okay. There's another one, same date, outgoing again
25 shortly thereafter, about 30 seconds after that previous one I

State v. Matthews Green - 2017-GS-26-04252
WILL LYNCH - CROSS BY WILSON

350

1 just read to the same contact, Lafayette and it says, "Not too
2 lonely cuz my dog had her puppies so I have a bunch of little
3 guys to kiss and play with lol"

4 There is another outgoing text message right after that
5 previous one to the same contact; this is at 11:34 in the
6 morning on May 4th and the content of that message says,
7 "Didn't go to sleep til after 2am"

8 And then there's an incoming text message from Lafayette
9 at 11:37 a.m. same date, May 4th, and the content of that text
10 message says, "Dang y'all stay getting storms! It's nice over
11 here... lol! Send me pics of the puppies when you get back.
12 He'd better beat the weather. Girl, I was knocked out by 10.
13 And I still didn't want to get up, but I had to let the damn
14 dogs out then the people knocking on the door to let me know I
15 can move the cars back on the driveway. I was like damn man
16 just Hotwire them bitches and move them for me! Lmfao! I was
17 too damn hill and sleepy. But I got my coffee now, and I'm
18 cleaning and going thru clothes"

19 Again, right after that, there is an incoming text
20 message from the same contact, Lafayette, 11:37 a.m., same
21 date, May 4th. It says, "Y you went to bed late" and then
22 they respond with an outgoing text message at 11:41 to
23 Lafayette, "you really didn't feel like getting up huh"
24 Another outgoing text message 11:41 to Lafayette. I'll send
25 you some..and I think I have a video or two.."

351

1 Right after that, there's an outgoing text message at
2 11:41, same date to the same contact, Lafayette, "..but yeah I
3 was up last night being mean" And then there's an incoming
4 text message from the same contact, Lafayette, 11:42 a.m.,
5 same date, "O ok. Lmfao!! Well sounds like the usual! So
6 that means u r doing well! Lol"

7 Then there's an outgoing text message again to the same
8 contact at 11:45 a.m., "Yep..lol I just get super irritated
9 and when I drink I start speaking on things I've been holding
10 back.. this guy gets mad and then we argue when I tell him to
11 kiss my ass and stop lying.."

12 Then there's an outgoing text message again, 11:45 a.m.
13 to the same contact, Lafayette, "He got mad and left at 1am
14 and I was contemplating shooting his ass when I got back"

15 Then there's an incoming text message, 11:49 a.m. from
16 Lafayette, it says, "I know -- "I know oh too well!! Lmfao!
17 As long as u don't kill him bc u gonna miss him if U can't
18 argue with his ass no more! Lol! His black ass shouldn't have
19 left tho! I know he was riding around just mad asf. Lol!"

20 And then there's an outgoing phone call and it says to --
21 the contact is the husband, and that's at 11:52 a.m. And then
22 after that, there's an incoming text message at 11:55 from the
23 same contact, Lafayette, "He gonna have to deal with ur
24 arguments because" because "he caused the shit on hisself. I
25 been working on letting go of the past with Mitch, but

8 too 'comfortable'..."

9 Q: Now, who is that from?

10 A: That's from Lafayette as well.

11 Q: That's from Lafayette?

12 A: Yeah. So, there's an outgoing text message, still the
13 same date, May 4th at 11:58 a.m. to Lafayette, "Yo I've been

23 Right after that is another outgoing text message at
24 11:59 a.m., same date to the same contact, Lafayette. "I tell

2 know I get on his nerves, but that's only because he's not
3 used to a female jumping in his face like I do.. I'm not

5 There's another outgoing text message again, it's now 12
6 o'clock in the afternoon, same date, to the same contact,
7 Lafayette.

8 Q: May 4th?

9 A: May 4th, correct. "I try to chill though, because we'll
10 fight" And then right after that, there's a picture of some
11 sort either she's looking at a picture or she takes a picture
12 or someone takes a picture.

13 And then after that, there is a incoming text message,
14 May 4th, still the same date at 12:06 p.m. from the same
15 contact, Lafayette, "Lol! It's the truth tho! I'm quiet a lot
16 too and it hasn't been that long for me. Lol. But I told him
17 before he put this ring on my finger (and reminded him before
18 we said I DO) that I'm not the same Laffy he met in the
19 beginning me I'm not holding my tongue like I used too and I'm
20 that 'crazy girlfriend or wife' now. It's up to him to accept
21 it or move on. And he accepted it So that's on them. We
22 quiet, but that's not good" because "we will snap and shit is
23 all bad. I'm like u... all these other niggas and bitches may
24 be scared of u but not me. Plus u can never beat someone who
25 holds the key to that damn heart. And like we said before we

1 don't be telling people because" because "they just don't
2 understand. I guess it's growing pains. As long as they
3 showing improvement and handling situations differently over
4 the years then our 'work on these idiots' isn't in vein! Lol!
5 N u right, we get on their nerves too but our shit is just in
6 reaction to things they do or have done."

7 Then there is another incoming text message ---

8 Q: Before you go to that, that last statement that you just
9 read, that's from Lafayette?

10 A: That is from Lafayette; yes, sir.

11 Q: All right. Go ahead. There is another text message
12 right after that one a couple of minutes later, 12:09 p.m.
13 incoming from Lafayette, "And we only overlook stuff to see if
14 they gonna correct there actions or just say fuck it.. we let
15 their actions speak for them so fuck whatever comes out of
16 their mouths. But they have the habit of doing shit and
17 expecting to just 'apologize or make up' for shit and then
18 they think everything is all peachy! No, sir.. not until I get
19 everything off my chest and it could take weeks bc" because
20 "we deal with shit in moderation. Lol!!"

21 Then there's an incoming text message at 12:11 p.m.,
22 right after this one on the same date, May 4th, from a contact
23 by the name of Ghost and it says, "Good afternoon Queen"

24 And there is an outgoing text message right after the
25 previous incoming text message to Lafayette at 12:11 p.m., it

3 relationship, they're gonna b a lot of hard times. Lots of
4 fight, physical or verbal.. but like you said growing pains.
5 We can b really mean to each other sometimes tho.. then we
6 feel bad abd go back to being nice but you know it all comes
7 with the territory..it's ultimately up to us to make it work"

8 And then there's another outgoing text message right
9 after that at 12:12 p.m. to Lafayette, same date, May 4th,
10 "Yes.. he has this thing like it hasn't happened in the past 5
11 minutes all should b forgiven.. he says I'm petty because I
12 don't forget anything lmao"

13 Outgoing text message after that, at 12:13, same date, to
14 Ghost and the reply -- and the message is "Oh really!!"

15 And then there's an outgoing -- another outgoing text
16 message at 12:14 p.m. on the same date to Ghost again and the
17 content says, "Swear to God Imma fight you!!"

18 And then there's another outgoing text message at 12:14,
19 again to Ghost that says, "Hey my Baby"

20 And then there's an incoming text message at 12:25 p.m.,
21 same date, from Ghost it says, "Call me"

22 And there's an outgoing text message at 12:24 to Ghost
23 that says, "NO"

24 And there's an outgoing text message, or excuse me, an
25 outgoing phone call at 12:24. It doesn't -- it just says to

4 Then there is an incoming text message again same date,
5 May 4th, 2017 at 12:38 p.m. from Lafayette that says "Lol!!
6 Same here! And I save certain things for certain times. Lol.
7 We so petty"

8 Then there's an outgoing phone call, same date, May 4th,
9 2017, 12:47 p.m. to the Husband, lasts for 35 seconds.

10 Then there's an outgoing text message at 12:48 p.m. to
11 Lafayette and it says, Lmao!! Yep..I'll hold onto something
12 forever and then BAM..lol"

13 And then there's an incoming text message from Lafayette
14 at 12:51 p.m. again on May 4th that says, Lmao!! Yea we r one
15 in the same!!"

16 Q: Thank you so much. You can take the stand.

17 A: You're welcome.

18 Q: Now, that was -- well, let me ask you this question. Is
19 that a complete record of what occurred as far as phone calls
20 on May 4th of 2017, based on your records that you have?

21 A: Yes, sir.

22 Q: All right. And -- and -- and this was a conversation
23 primarily with somebody named Lafayette?

24 A: That is correct.

25 Q: And you don't know who that is?

WILL LYNCH - CROSS BY WILSON

357

1 A: I do not.

2 Q: All right. But we know that the phone, that the other
3 phone number belonged to Donnielle Matthews?

4 A: Correct.

5 Q: All right. Now, let me ask you this, and I think I
6 broached it with you earlier, and I'm not sure how we ended
7 up. We have these phone records, we have text messages, do we
8 have Facebook or Snapchat or any of those records that existed
9 between this timeframe, it seems between May and July 7th; do
10 we have any of that for that period that you know about?

11 A: If it's not on that phone report, then I don't know about
12 it.

13 Q: Very well. All right. And when you did this download
14 for Cellebrite, that ended your responsibility?

15 A: Yes, sir; that's correct.

16 Q: All right. And, well let me ask you this. Did -- did --
17 did the state, the solicitor's office, whoever, chief
18 investigating officer, did any of them ask you to do a
19 download from Facebook, Snapcat, Instagram, any of those
20 things where people message people back and forth?

21 A: No.

22 Q: But you know that that can be done?

23 A: Yes.

24 Q: But you don't know why it wasn't done in this particular
25 case or if it was done?

358

1 A: I don't know if it was done. So, I can't really say why
2 it wasn't. I don't know if it ---

3 Q: You just can say that you didn't do it?

4 A: Correct. Yes, sir.

5 Q: And you weren't asked to do it?

6 A: That is correct.

7 MR. WILSON: All right. If the Court will bear with me
8 for just one second, please?

9 THE COURT: Yes, sir.

24 A: I believe so, yes.

25 Q: A lot of this is images?

WILL LYNCH - RECROSS BY WILSON

359

1 A: I would have to look at it, but typically, images takes
2 up a lot of pages in an actual printed out report, because
3 they could be shared images that you send through text
4 messages or different things like that.

5 Q: In your experience with Cellebrite, does it -- it doesn't
6 just -- what you asked for, what you tell it to look for,
7 again, it's everything off the phone -- isn't that right --
8 that it can?

9 A: Everything that it can, yeah, I wouldn't say everything,
10 but everything it can, yes.

11 Q: All right. And as far as that goes, if it pulls anything
12 relevant to the case or not?

13 A: Correct, it doesn't know anything about the case, it's
14 just saying, hey, I'm a machine, give me what's on the phone
15 and that's it.

16 Q: So, 381 pages of a report does not mean there's 381 pages
17 of relevant information on this case?

18 A: Correct.

19 Q: Thank you. No further questions.

20 MR. WILSON: Just one follow-up.

21 THE COURT: Yes, sir. Sure. Sure.

- 1 Q: About how long did you date Dennis for?
- 2 A: I would say about four years on and off.
- 3 Q: Beginning in 2008?
- 4 A: Yes.
- 5 Q: Did you ever argue with him, and your relationship just

- 7 A: Yeah.
- 8 Q: Is that just verbally arguing?
- 9 A: Yes.
- 10 Q: Is it common to argue in any relationship depending on --

- 13 Q: All right. Were you ever physically assaulted by him
- 14 during that time?
- 15 A: No.
- 16 Q: Were you ever in fear for your life during that time?
- 17 A: No.
- 18 Q: At some point in your relationship, did Dennis start
- 19 seeing the defendant?
- 20 A: Yes.
- 21 Q: Donnielle Matthews.
- 22 A: Yeah, at the end.
- 23 Q: Okay. To your knowledge did they become romantically or
- 24 sexually involved with one another?
- 25 A: Yes.

- 1 Q: Did that occur while you were still dating him?
- 2 A: Yes.
- 3 Q: Were you living with Dennis at the time that he and the
4 defendant met?
- 5 A: Yes.
- 6 Q: Where were you guys living at?
- 7 A: We were living with his mother.
- 8 Q: Okay. In Horry County?
- 9 A: Yes.
- 10 Q: All right. So, was Dennis cheating on you with the
11 defendant at that time?
- 12 A: Not -- yeah, I think so, at the end, yeah.
- 13 Q: Was that the reason for your breakup?
- 14 A: Yes.
- 15 Q: Was that the sole reason?
- 16 A: There was multiples; she was just one.
- 17 Q: You say multiples, do you mean that ---
- 18 A: Multiple women.
- 19 Q: Okay. That he had cheated on you with; is that what
20 you're saying?
- 21 A: Yes.
- 22 Q: You stated that you never met the defendant?
- 23 A: Yeah, later on when they continued to keep the kids on
24 his three days, I eventually met her after a while.

4 you first met?
- 5 A: Yeah.
- 6 Q: In fact, did you engage or attempt to engage in a three-
7 way partnership with her and Dennis?
- 8 A: Yes.
- 9 Q: Did that involve sexual activities?
- 10 A: Yes.
- 11 Q: Where were you living when that was going on?
- 12 A: I was back at my mom's house that time.
- 13 Q: Okay. Where did they live, that is the defendant and
14 Dennis?
- 15 A: In Cherry Grove at a condo.
- 16 Q: Okay. And would the children still go back and forth
17 between you and Dennis?
- 18 A: Yes.
- 19 Q: Okay. Did that living arrangement change in regards to
20 yourself, the defendant, and Dennis after you lived at your
21 momma's house?
- 22 A: Yes, we moved into an apartment.
- 23 Q: You moved into an apartment with who?
- 24 A: Dennis and Donnielle.
- 25 Q: And where was that apartment at?

- 1 A: In Poplar.
- 2 Q: Okay. About how long did you live in Poplar with the
3 defendant and Dennis?
- 4 A: It lasted like 20 days.
- 5 Q: Okay. During that time together, did Dennis ever

- 7 A: No.
- 8 Q: Did he ever make you fear for your life?
- 9 A: No.
- 10 Q: Did you ever see him argue with the defendant or anything
11 at that time?
- 12 A: They argued; she was loud, you know.

- 21 A: No.

367

- 1 A: Yes.
- 2 Q: And why did you decide to move out?
- 3 A: Because I was usually in the middle, like of their
4 arguments or whatever. Both of them were jealous if I got too
5 close the other one.
- 6 Q: Okay. So, if you were spending too much time with
7 Dennis, the defendant would get upset?
- 8 A: Yes.
- 9 Q: And vice versa?
- 10 A: Yeah.
- 11 Q: And about when was that year-wise?
- 12 A: I want to say maybe 2011, right after Minor 1 was born.
13 Like he was probably a year or two old. So, he was born in
14 2010.
- 15 Q: Okay. And is that your second child?
- 16 A: Yes.
- 17 Q: That's your second child with Dennis?
- 18 A: Yes.
- 19 Q: So, you're telling this jury that the reason for the move
20 is you got tired of being around that?
- 21 A: Yes, and my kids didn't need to see it either.
- 22 Q: You felt like -- did you feel like you were the source of
23 their jealousy?
- 24 A: Yes.
- 25 Q: So, that's why you left the relationship -- is that why

1 you left the relationship at that time?

2 A: Yes.

3 Q: Did you leave the relationship at that time or the
4 previous time because Dennis was ever physically harming you
5 or assaulting you?

6 A: No.

7 Q: If anybody stood up here and said that that was the
8 reason, what would that be?

9 A: A lie.

10 Q: Was anybody ever physically aggressive to you in that

12 A: No.

- 17 A: Yeah.
- 18 Q: Okay. And how long did y'all stay with mom?
- 19 A: Maybe a year, maybe two.
- 20 Q: All right. And during this time -- and what year would

10 A: We did it all. We went to church, we hung out, we, you

14 Q: All right. So, did you work at the strip bar the entire

16 A: Yes, except for when I was pregnant.

17 Q: Okay. So, the only time you didn't work at the strip

21 Q: Okay. Did you know -- do you know when or about when it

5 Q: You lived with them before they got married?

6 A: Yes.

7 Q: Did you have both your kids at that point?

8 A: Yes.

9 Q: All right. And you and both the kids moved in with them?

10 A: Yes.

11 Q: All right. And you stayed there 20 days, 21 days?

12 A: Yeah.

13 Q: All right. Now, during that 21 days, I think you told

14 the solicitor, yeah, they argued, but you never saw any

15 physical contact?

16 A: No.

17 Q: All right. And you said that you didn't have any

18 physical contact?

19 A: No.

20 Q: All right. And that Donnielle was not physical with you

21 in any way?

22 A: No.

23 Q: All right. Now, when y'all were having this threesome

24 kind of deal here, where are the children?

25 A: Asleep.

1 Q: All right.

2 A: Or at my mom's.

3 Q: All right. So, in the daytime, how did y'all explain to
4 these children, who were however old they are ---

5 A: One and two.

6 Q: Okay.

7 MR. OSKIN: Objection.

8 THE COURT: Ask the question, then I'll hear the
9 objection.

10 BY MR. WILSON:

11 Q: My question was how did you explain to the children this
12 relationship?

13 A: I didn't, they were one and two.

14 Q: All right. Now, you ever been in trouble with the law?

15 A: Yes.

16 Q: And when was that?

17 A: Maybe 2015, '14, I'm not sure. It was a while ago.

18 Q: What was that?

19 A: What was it?

20 Q: Yes, ma'am.

21 A: A DUI.

22 Q: All right. But did you have something before that?

23 A: No.

24 Q: You sure?

25 A: Yeah.

1 MR. OSKIN: Your Honor I would object to under Rule 609
2 to anything more than ten ---

3 THE COURT: How about y'all come up here and let me look
4 at it.

5 (REPORTER'S NOTE: Bench conference is held off the record in
6 the presence of but outside the hearing of the jury.)

7 BY MR. WILSON:

8 Q: I had asked you and you said that you didn't have
9 anything except a DUI or something, but that's not really
10 true, right, you did have something else, right?

11 A: When I got pulled over, I got pulled over for a DUI.
12 That came with the resisting arrest.

13 Q: Well ---

14 A: The same time.

15 MR. WILSON: Your Honor, may we approach again?

16 THE COURT: Yes, sir.

17 MR. WILSON: I apologize.

18 (REPORTER'S NOTE: Bench conference is held off the record in
19 the presence of but outside the hearing of the jury.)

20 BY MR. WILSON:

21 Q: Were you arrested for resisting arrest back on July the
22 6th, 2011?

23 A: Yes.

24 Q: Now, let me ask you this. You said that during that 21
25 days that you stayed at Dennis' and -- and Donnielle's house,

State v. Matthews Green - 2017-GS-26-04252
ALETHIA PRICE - CROSS BY WILSON

375

1 that you didn't have any physical contact with any of them in
2 a -- in a threatening manner of sorts, right?
3 A: Yes.
4 Q: But there was arguments?
5 A: Yeah.
6 Q: Right. And arguments were about you?
7 A: Not necessarily, no.
8 Q: Well, I think you told the solicitor that they were
9 jealous of you.
10 A: Right.
11 Q: That both of them were jealous of you and that as a
12 result of that, it put you in the middle between them?
13 A: Right.
14 Q: Right; is that correct?
15 A: Yes.
16 Q: Yeah. And -- and that got to the point with you that you
17 felt like you needed to leave?
18 A: Yes.
19 Q: And then as a result of that, you took the kids and you
20 left?
21 A: Right.
22 Q: Right. Now, the truth is you and Donnielle got along
23 pretty well, right, and Dennis was the one who was jealous,
24 because you had developed a really good relationship with her
25 and y'all were getting along, and he wasn't happy about that?

State v. Matthews Green - 2017-GS-26-04252
ALETHIA PRICE - CROSS BY WILSON

376

- 1 A: Not true.
- 2 Q: So, he was happy that y'all were getting along great?
- 3 A: He had his moments, but mostly, yeah.
- 4 Q: Okay. All right. So, if he was happy, so then if he's
- 5 happy that y'all are getting along great, where is the
- 6 jealousy? Why would there be any jealousy on his part if he's
- 7 happy that y'all are getting along great, because you told the
- 8 solicitor, did you not?
- 9 A: Yeah, because he was. He was jealous of both of us.
- 10 Q: Right. So, he was jealous, right?
- 11 A: Yes.
- 12 Q: Okay. And -- and that jealousy that he had is why you
- 13 moved out, because you didn't want to have to deal with that,
- 14 right?
- 15 A: The jealousy that both of them had is why I moved out.
- 16 Q: All right. All right. But now who invited you into the
- 17 relationship?
- 18 A: Both of them.
- 19 Q: All right. Did they both -- you sat down with both of
- 20 them, and they said, well, look, as a couple, we want you to
- 21 come in and be with us?
- 22 A: Yes.
- 23 Q: All right. And tell me when it was that y'all had that
- 24 conversation?
- 25 A: I don't know, maybe like a month before.

State v. Matthews Green - 2017-GS-26-04252
ALETHIA PRICE - CROSS BY WILSON

377

1 Q: Okay. Tell me about the conversation. Tell me about the
2 conversation that the two of y'all had where -- the three of
3 y'all had where y'all sat down and made the arrangement that
4 you were gonna move in with Dennis and his wife?
5 A: I don't recall. I don't remember that conversation.
6 Q: You don't remember that conversation?
7 A: Huh-uh, (negative response).
8 Q: Do you remember the conversation that you had about --
9 with Dennis and with Donnielle about your wanting to leave or
10 going to leave?
11 A: No, I didn't have that conversation.
12 Q: Okay. How did that come about, you just left?
13 A: Yeah.
14 Q: Okay. So, what did you do, you just come in one day and
15 packed your stuff and take the kids and go?
16 A: Yeah.
17 Q: Is that what you did?
18 A: Uh-huh, (affirmative response).
19 Q: Did you -- did you ever -- did Dennis ever ask you about
20 why you left?
21 A: After the fact.
22 Q: I'm sorry?
23 A: After the fact.
24 Q: After the fact. So, was he upset with you because you
25 left?

State v. Matthews Green - 2017-GS-26-04252
ALETHIA PRICE - CROSS BY WILSON

378

- 1 A: No.
- 2 Q: No. Now during that time, were you still stripping when
3 you moved out?
- 4 A: Yes.
- 5 Q: All right. And where were you stripping?
- 6 A: I think was at Secrets then.
- 7 Q: Is that how you met Dennis?
- 8 A: Yes.
- 9 Q: All right. So, you met him at a strip bar?
- 10 A: Uh-huh, (affirmative response).
- 11 Q: And then the relationship continued and while it
12 continued, you continued to strip at that bar?
- 13 A: Uh-huh, (affirmative response).
- 14 Q: Now, stripping -- now, does that automatically mean that
15 if you strip that you're gonna have sex with people for money?
- 16 A: No.
- 17 Q: It does not?
- 18 A: No.
- 19 Q: All right. So, the two don't go together?
- 20 A: No.
- 21 Q: All right. Now, let me ask you, after you moved out, did
22 you leave your children from time to time with Donnielle to
23 look after?
- 24 A: Yes.
- 25 Q: To take care of?

State v. Matthews Green - 2017-GS-26-04252
ALETHIA PRICE - CROSS BY WILSON

379

1 A: Uh-huh, (affirmative response).

2 Q: In fact, the very weekend that this happened, that this
3 incident occurred, she had possession of your kids?

4 A: Yes.

5 Q: And you and her were getting along famously, right?

6 A: Yes.

7 Q: Y'all had phone conversations about her taking care of
8 the children that very day before, right?

9 A: Yeah, about her taking them to the pool.

10 Q: Right. She was taking them to the pool. In fact, most
11 of the time, when Dennis got the kids, it was Donnielle who
12 actually stayed with them and took care of them?

13 A: Yeah.

14 Q: Yeah. And you didn't have a problem with that all these
15 years, right?

16 A: Yes.

17 Q: Yes, you did have a problem with it?

18 A: Yes.

19 Q: So, you didn't want her to take care of them or be with
20 them?

21 A: I did, I mean, yeah, it was fine, but at the beginning, I
22 definitely didn't want that.

23 Q: Okay. All right. Well, in -- in -- you recall the
24 conversation or text message that you had with Donnielle the
25 day before this happened about taking the children to the pool

1 and how you were gonna get some rest and how much you
2 appreciated the fact that she was taking the time with them,
3 because Dennis is always gone and never with them; do you
4 recall that?

5 A: Yes.

6 Q: Yeah. That happened, didn't it?

7 A: Yeah.

8 Q: Okay. And let me ask you, in the times that -- that
9 Donnielle had possession or custody or however you want to --
10 not custody, possession I guess is a better word, of your
11 children, did you have any issues with trusting her with them?

12 A: Yes.

13 Q: Okay. You did?

14 A: Uh-huh, (affirmative response).

15 Q: So much so that the week that this happened, that you
16 allowed her to have them for the weekend and take them over
17 there and take them to the pool and take them shopping and do
18 all these things with them, and you didn't say a word?

19 A: It was two days after my son's birthday. He wanted to go
20 with his father. So, he went.

21 Q: Okay. All right. Well, did you ever say to Dennis, hey
22 look, I don't want her around my kids?

23 A: Yes.

24 Q: All right. And what did he say to you; he said okay,
25 fine, I'll keep them from around her?

ALETHIA PRICE - CROSS BY WILSON

381

1 A: No, he didn't.
2 Q: No, what did he say?
3 A: He didn't really say much.
4 Q: Right. He just ignored you, didn't he?
5 A: Uh-huh, (affirmative response).
6 Q: Which is what he did all the time, right? He just did
7 what Dennis wanted to do; is there any question about that?
8 A: No.
9 Q: All right. But let's talk about something else. Now,
10 you -- you know Dennis well, right?
11 A: Uh-huh, (affirmative response).
12 Q: Do you know what business he was in?
13 A: Yeah.
14 Q: What -- what business was he in?
15 A: He was a landscaper.
16 Q: He was a landscaper. Who did he work for as a
17 landscaper?
18 A: I can't remember the name; it was in Atlanta.
19 Q: All right. Now, Dennis came down here every Thursday,
20 didn't he?
21 A: Yes.
22 Q: Or every Thursday evening. So, the only time he was
23 available for landscaping work would've been Monday through
24 what?
25 A: Friday.

1 Q: No.

2 A: Or Thursday.

3 Q: Well, did he come here on Thursday afternoons or Thursday
4 evenings?

5 A: At night.

6 Q: So, Monday through Thursday he was a landscaper and he
7 worked for a company landscaping, right?

8 A: Uh-huh, (affirmative response).

9 Q: And did he pay you child support to you for the kids?

10 A: No, he just bought them what they needed.

11 Q: All right. Now, what kind of business was he in when he
12 came here?

13 A: He saw his kids.

14 Q: Was he selling drugs down here?

15 A: I have no idea.

16 Q: Well, now you know that he was involved with drugs in the
17 past; you know that, right?

18 A: No.

19 Q: You don't know that?

20 A: I was seeing him at a landscaping business, and then when
21 he came home, he came and saw his kids; that's it, he left. I
22 didn't see him the whole weekend.

23 Q: I thought you said that you dated Dennis back in 2009 and
24 2010?

25 A: I did.

State v. Matthews Green - 2017-GS-26-04252
ALETHIA PRICE - CROSS BY WILSON

383

- 1 Q: And you don't know that he was convicted back then in
2 2009 or '10 of selling drugs?
- 3 A: He wasn't.
- 4 Q: He wasn't what?
- 5 A: Convicted.
- 6 Q: You deny that?
- 7 A: In 2009 and 2010, he was not convicted of drugs.
- 8 Q: And when was he convicted?
- 9 A: I don't know, before my time, that's for sure.
- 10 Q: Before your time. Okay. So, let's talk about something
11 else then with Dennis. How many cars did Dennis have?
- 12 A: Three.
- 13 Q: Three. What kind of cars were they?
- 14 A: He had a Trailblazer, a Mercedes and a Pontiac, and then
15 he bought a new one closer to ---
- 16 Q: So, he had four?
- 17 A: Uh-huh, (affirmative response).
- 18 Q: And he paid for them how?
- 19 A: He got in a wreck when he bought the Trailblazer. So,
20 that paid for that. I don't know about the rest of the stuff,
21 I wasn't with him then.
- 22 Q: Okay. All right. But he was cutting lawns and he lived
23 in an apartment in Atlanta, right?
- 24 A: Covington, but yeah.
- 25 Q: Yeah. Did you ever go to the apartment in Atlanta?

1 A: No, never.

2 Q: All right. Do you know whether or not Dennis belonged to
3 any gangs?

4 A: No.

5 Q: You don't know or no?

6 A: Not that I know of.

7 Q: Not that you know of. In regards to, again, your
8 relationship with Dennis, did the police come and talk to you
9 immediately after this event occurred?

10 A: No. They talked to the kids at the hospital, but no.

11 Q: When is the first time that anybody approached you about
12 coming to testify?

13 A: I don't know.

14 Q: Well, I mean, somebody had to approach you and ask you to
15 come and testify?

16 A: It's been four years.

17 Q: I'm sorry?

18 A: It's been four years. I don't remember the exact day.

19 Q: I'm not asking you the exact day. So, are you saying
20 that you talked to somebody three or four years ago?

21 A: Yes.

22 Q: Who?

23 A: Seth.

24 Q: All right. Seth, this fellow right here?

25 A: Yes.

385

1 Q: He called you when was this, you said three or four years
2 ago?

3 A: Four, it's almost four in July.

4 Q: Okay. So, he called you. Did anybody from the police
5 department ever come to you before you talked with Seth?

6 A: No.

7 Q: All right. So, that was the first person you talked to.
8 When did you talk to Seth again?

9 A: I guess when your hearing was coming up, I don't know --
10 we've been up here about four or five times already for court.

11 Q: Well, when is the last time that you talked to him other
12 than today?

13 A: When the stand your ground trial.

14 Q: Okay. All right. Now, let me ask you, if at some point
15 in time, you gave them a written statement?

16 A: I did not.

17 Q: You did not?

18 A: Not that I know of.

19 Q: Did you give a voice-recorded statement?

20 A: No.

21 Q: All right. At no point in time in the whole four years
22 did anybody take a written statement from you or a voice
23 recorded statement from you about anything related to this; is
24 that what you're saying?

25 A: Yes.

4 MR. OSKIN: Briefly, Your Honor.

5 THE COURT: All right.

6 REDIRECT EXAMINATION OF ALETHIA PRICE BY MR. OSKIN:

7 Q: Just a few questions, Ms. Price?

8 A: Okay.

9 Q: Let's talk about, you indicated to this jury that you
10 sensed jealousy from both Dennis and the defendant; is that
11 correct?

12 A: Yes.

13 Q: Okay. Did you feel like that jealousy came when you were
14 spending time with just one or the other?

15 A: Yes.

16 Q: Okay. At any point, throughout your relationship with
17 Dennis, did you wish that there was a closer relationship
18 between yourself, Dennis, and your children in common with
19 him?

20 A: Yes.

21 Q: Is that why you would -- is that the reason that you
22 wouldn't want Ms. Donnielle with your kids?

23 A: Yes.

24 Q: You said any of his prior situations would before you --
25 you said you met him in 2007, correct?

- 1 A: 2008.
- 2 Q: Okay. So, if he got convicted of anything drug related

- 4 A: No.
- 5 Q: Okay. You lived with him; was he doing anything -- were
6 there a lot of drugs in the house at any of those times?
- 7 A: No, not at all.
- 8 Q: People coming to your house all hours of the night?
- 9 A: No.
- 10 Q: Did he have any -- did you see him have any violence or
11 anything he was working on or just acting violent?
- 12 A: No.
- 13 Q: Was -- and he never acted violent towards you?
- 14 A: No, never towards me, no.
- 15 Q: Okay. Let's talk about your involvement in this case
16 just briefly. You began -- you stated you were the mother of

- 18 A: Yes.
- 19 Q: As part of the victim's family, you're in contact with
20 the solicitor's office, correct?
- 21 A: Yes.
- 22 Q: And I think you indicated that we met about four years
23 ago, right?
- 24 A: Yeah.
- 25 Q: During that time, did we have meetings with the entire

1 family about Dennis and the situation and his death?

2 A: Yes.

3 Q: So, it makes sense -- wouldn't that make sense to you?

4 A: Yes. I mean, that's what we were here to do.

5 Q: And these meetings we had, was it just you and me or was
6 there a table full of people?

7 A: A table full of people.

8 Q: Okay. And based off of that, is that how you came to be
9 a witness in this case?

10 A: Yes.

11 Q: I didn't tell you what to say or how to answer these
12 questions; that's correct?

13 A: No. Right.

14 MR. OSKIN: Nothing further from the state, Your Honor.

15 MR. WILSON: Nothing further, Your Honor.

16 THE COURT: All right. Do you wish the witness to be
17 excused?

18 MR. OSKIN: The state would subject to maybe a rebuttal
19 witness, Your Honor.

20 MR. WILSON: Your Honor, and I would ask for the Court to
21 allow me to keep her for a later time.

22 THE COURT: All right. All right. So, Ms. Price, you're
23 still under subpoena. You're free to go at this point in

25 MS. PRICE: Okay.

23 A: Initially, no.

24 Q: At some point, did she come to move in with you?

25 A: She did.

- 1 Q: Do you recall when that was?
- 2 A: Around mid-2013. So, close to the summer, I would say.
- 3 Q: So, not long after Dennis moved in?
- 4 A: Correct.
- 5 Q: How long did you all -- now, there's been some questions
6 asked, I just want to make this clear. Were you engaged in
7 any sort of sexual relations with either one of them?
- 8 A: No.
- 9 Q: Okay. All right. Just for clarification, I wanted to
10 make sure what the relationship between y'all was. How long
11 did you, Dennis and Donnielle live together?
- 12 A: Nine, ten months.
- 13 Q: Nine, ten months?
- 14 A: Yes, sir.
- 15 Q: All right. And did you move out or did they move out?
- 16 A: They moved out.
- 17 Q: Why?
- 18 A: They found an apartment in the Covington area. So ---
- 19 Q: So, it wasn't because of any problems or anything like
20 that; it was just they found a place to live on their own?
- 21 A: Correct.
- 22 Q: Even after they moved out, would you continue to see
23 Dennis somewhat regularly?
- 24 A: Yes, sir.
- 25 Q: How often do you think you would see Dennis?

1 A: I would see Dennis -- he would just pop up at the house
2 randomly every couple of weeks.

3 Q: And what about Donnielle, how often would you see her?

4 A: Not very, not very often. I think I saw her more in
5 South Carolina than in Georgia.

6 Q: All right. When you would have -- when you lived with
7 them, that would've been towards the mid of 2014, give or
8 take?

9 A: '13.

10 Q: Well, I know '13 is when y'all started living together?

11 A: Correct.

12 Q: But the nine months you lived together -- was it 2014
13 they moved out or 2013?

14 A: I think it was the end of '13.

15 Q: End of '13?

16 A: Yes, sir.

17 Q: Okay. When you lived with them, did you ever see any
18 sort of violence or aggression on the part of Dennis towards
19 Donnielle?

20 A: No.

21 Q: The times that you would see Donnielle in either Georgia
22 or South Carolina, did you notice any marks or bruises on her?

23 A: No.

24 Q: Did you ever see her with a black eye?

25 A: No.

1 Q: Did you ever see her with any serious injuries?

2 A: No.

3 Q: To your knowledge, to the best of your knowledge, was she
4 ever in the hospital?

5 A: No.

6 Q: When you say you would see Donnielle at family functions
7 or when you said you would see Donnielle in South Carolina,
8 what type of situations would it be that you saw her?

9 A: Just what you said, family functions.

10 Q: Family function, I would assume that, I just wanted to
11 make sure.

12 A: Correct.

13 Q: So, at these family functions, was there any sort of
14 hostility that you saw between Donnielle and anyone?

15 A: No.

16 Q: Thank you, Mr. Campbell. Please answer any questions
17 that Mr. Wilson may have?

18 A: Sure.

19 THE COURT: Cross-examination?

20 CROSS-EXAMINATION OF TAURENCE MAURICE CAMPBELL BY MR. WILSON:

21 Q: Now, my understanding is that you lived with Dennis for
22 several months ---

23 A: Correct.

24 Q: --- according to you, right? And you say you think that
25 they left sometime towards the end of 2013?

1 A: Correct.

2 Q: All right. And you don't know exactly when it was that
3 they moved in, but that it would have been sometime around the
4 middle or so of 2013?

5 A: The beginning. He moved in initially at the beginning of
6 '13.

7 Q: All right. So, he moved in in the beginning?

8 A: Correct.

9 Q: When did Donnielle come in to live with you?

10 A: Towards the middle.

11 Q: Towards the middle?

12 A: Correct.

13 Q: May, June, do you know?

14 A: I don't.

15 Q: Okay. Could it have been June or July for that matter?

16 A: It could have, the middle of the year.

17 Q: You just honestly don't know?

18 A: Right.

19 Q: It was sometime during the that part of the year?

20 A: Correct.

21 Q: And sometime before the end of the year, they were gone?

22 A: Correct.

23 Q: All right. Fair enough. Now, what kind of work was
24 Dennis doing when he came to live with you?

25 A: He wasn't working at the time.

- 1 Q: He wasn't working?
- 2 A: Correct.
- 3 Q: How was he living if he wasn't working?
- 4 A: That's why he left South Carolina, to start finding a
- 5 job. So, he started -- initially he found a job selling Kirby
- 6 vacuum cleaners. He was just ready to make -- to start over,
- 7 have a new beginning. So, that's why he moved in with me.
- 8 Q: All right. So, you say that he found a job selling
- 9 vacuum cleaners?
- 10 A: Correct.
- 11 Q: Who was he -- who was he selling vacuum cleaners for,
- 12 what company?
- 13 A: I have no idea.
- 14 Q: Well, did any of them vacuum cleaners to your house?
- 15 A: He did. I actually bought one from him.
- 16 Q: Okay. What kind of vacuum cleaner was it?
- 17 A: Kirby.
- 18 Q: A what?
- 19 A: Kirby.
- 20 Q: Kirby?
- 21 A: Yes, sir.
- 22 Q: All right. And -- and he sold it to you for how much?
- 23 A: The vacuum cleaner was \$1700.
- 24 Q: \$1700 vacuum cleaner?
- 25 A: Yes, sir.

1 Q: I'm in the wrong business. Listen, you say he sold you a
2 \$1700 vacuum cleaner.
3 A: Correct.
4 Q: And did he sell anybody else any of them vacuum cleaners?
5 A: He was selling. I don't know who they are, but he was
6 going around door to door, knocking on doors, selling vacuum
7 cleaners.
8 Q: Okay. All right. And so, how long had he been living
9 with you before he started selling these top of the line
10 vacuum cleaners?
11 A: A couple weeks.
12 Q: A couple weeks?
13 A: Yes, sir.
14 Q: All right. And did he do any other kind of work other
15 than sell vacuum cleaners?
16 A: He got into landscaping with our cousin.
17 Q: Got into landscaping with your cousin?
18 A: Yes, sir.
19 Q: All right. And now do you do any landscaping?
20 A: I used to.
21 Q: All right. You used to do it for the same cousin?
22 A: No. No. On my own; I had my own company.
23 Q: Okay. Now, Dennis was working for -- what was the name
24 of the individual that he was working for doing landscaping?
25 A: Steven Bromell.

- 6 A: Yes.
- 7 Q: All right. And before he left your house at the end of

- 9 A: He was.
- 10 Q: All right. And up until his death in 2013 until 2017,

9 Q: Yeah?

10 A: I did.

11 Q: All right. How many times would you say you went there?

15 A: Maybe 30.

16 Q: Maybe 30?

17 A: A big company, yes, sir.

20 MR. SPRATLIN: Thank you.

21 DIRECT EXAMINATION OF DR. ERIC EASON BY MR. SPRATLIN:

22 Q: Dr. Eason, what is your occupation?

23 A: I am a physician specializing in forensic pathology. I
24 conduct autopsies on individuals who die suddenly or
25 unexpectedly in order to determine the cause of death.

1 Q: Okay. Does that make you a duly licensed -- I mean, what
2 sort of license do you have?

3 A: I have a medical license in South Carolina and Illinois.

4 Q: All right. You said South Carolina and Illinois?

5 A: That's right.

6 Q: All right. How long have you been licensed in the State
7 of South Carolina?

8 A: Since 1998.

9 Q: And how long have you been licensed in the State of
10 Illinois?

11 A: 2013.

12 Q: What sort of educational background did you have to have
13 for your position?

14 A: I received my degree in Biology from Clemson University;
15 that was in 1994. I then received my medical degree from the
16 Medical University of South Carolina in Charleston; that was
17 in 1998. I then spent a year in Columbia, South Carolina at
18 the University of South Carolina and completed an internship
19 in family medicine. During that year, I decided to transfer
20 into a different specialty of medicine called pathology. And
21 so, when that year was complete, I then moved back to
22 Charleston, South Carolina and from 1999 until 2003, completed
23 my pathology residency training. When that was over, I then
24 moved to Atlanta, Georgia, and through Emory University and
25 Fulton County Medical Examiner's Officer, I completed my

State v. Matthews Green - 2017-GS-26-04252
ERIC EASON - DIRECT BY SPRATLIN

409

1 forensic pathology fellowship and that was from 2003 until
2 2004.

3 Q: Okay. So, fill us if you can, what exactly is forensic
4 pathology?

5 A: It's a subspecialty of pathology. Pathology is a
6 specialty of medicine where the doctors work more behind the
7 scenes. We don't actually see patients, but we will look at
8 body tissues and bodily fluids to help diagnose diseases. A
9 subspecialty of pathology is forensic pathology, in which we
10 will conduct an autopsy on someone who has died, usually
11 suddenly or unexpectedly, or if the death is suspicious and
12 the point of a autopsy is to determine the cause of death and
13 the manner of death.

14 Q: So, basically if someone dies unexpectedly, the typical
15 thing is to do an autopsy to determine why they died?

16 A: That's right.

17 Q: How many autopsies do you believe, in your experience,
18 you have conducted?

19 A: I've conducted around at least 4,000 post-mortem
20 examinations of which most of those were autopsies, so
21 probably at least 3,000 autopsies.

22 Q: Three thousand autopsies, okay. Are you a member of any
23 sort of special groups related to forensic pathology?

24 A: Yes. There's the College of American Pathologists, which
25 is a national organization that consists of doctors like

1 myself, who practice pathology, with a section that focuses on
2 forensic pathology. And then the American Academy of Forensic
3 Sciences includes other branches of forensic science including
4 ballistics and firearms testing, but it also has a forensic
5 pathology branch as well.

6 Q: Were you required to take any examinations or anything
7 for any of these boards?

8 A: Yes. So, I'm board certified in anatomic pathology,
9 clinical pathology, and forensic pathology and that's through
10 the American Board of Pathology. And what happens is you
11 complete the training and apply it to the test and then you
12 take the test and pass it and then you're known as board
13 certified.

14 Q: And did you take that test?

15 A: Yes.

16 Q: And did you pass it?

17 A: Yes.

18 Q: Okay. All right. Have you testified in court
19 previously?

20 A: Yes.

21 Q: Can you estimate about how many times you've testified in
22 court?

23 A: At least 150 times.

24 Q: All right. And in those times you've testified, have you
25 been qualified as an expert witness?

State v. Matthews Green - 2017-GS-26-04252
ERIC EASON - DIRECT BY SPRATLIN

411

1 A: Yes.

2 Q: Are those -- are those courts in the State of South
3 Carolina?

4 A: South Carolina, Illinois, and Georgia.

5 MR. SPRATLIN: Your Honor, at this time, I would tender
6 Dr. Eric Eason into -- as an expert witness in the area of
7 forensic pathology.

8 THE COURT: Do you wish to voir dire the witness or
9 challenge his qualifications?

10 MR. WILSON: I do not, Your Honor, and I would stipulate
11 that he's eminently qualified to testify.

12 THE COURT: All right. So, he's qualified to give his
13 opinion in the field of forensic pathology. You may proceed.

14 MR. SPRATLIN: Thank you, Your Honor.

15 BY MR. SPRATLIN:

16 Q: Dr. Eason, if you can, tell us a little bit what
17 surrogate testimony is?

18 A: Surrogate testimony is what I'm doing currently right
19 now. It's where a pathologist will review an autopsy report,
20 possibly photographs, toxicology report, et cetera, the entire
21 case file on a case and testify for a pathologist who actually
22 did the autopsy, but is currently unavailable to testify for
23 health reasons, or possibly death or retirement, or just may
24 not be available.

25 Q: And do you know who performed the autopsy of Dennis Green

1 in this case?

2 A: Yes, Dr. Proctor.

3 Q: Do you know if Dr. Proctor is available to testify?

4 A: He is not.

5 Q: Have you testified as a surrogate before?

6 A: Yes.

7 Q: How many times do you think you've done that?

8 A: At least 15 times, either me testifying as a surrogate or
9 someone testifying as a surrogate for me.

10 Q: In this case, what all did you review and in reviewing if
11 you agreed with Dr. Proctor's findings?

12 A: I reviewed the autopsy report, the autopsy photographs,
13 and the toxicology report. I also briefly went through the
14 medical records from the first hospital he went to and then
15 the hospital where he was pronounced. I think that's it.

16 Q: Okay. In regards to this case, did Dr. Proctor prepare a
17 report?

18 A: Yes.

19 Q: And you agree with his report?

20 A: Yes.

21 Q: Do you agree with it, in your expert opinion, that Dr.
22 Proctor was correct as to the cause and manner of death?

23 A: Yes.

24 Q: If you can, please tell this Court what the cause death
25 of Dennis Green was?

State v. Matthews Green - 2017-GS-26-04252
ERIC EASON - DIRECT BY SPRATLIN

413

1 A: The cause of death as listed by Dr. Proctor, was stab
2 wounds to chest with massive hemorrhage.

3 Q: And what was that manner of death?

4 A: Manner of death is homicide. Do I need to explain the
5 different types of manner of death?

6 Q: Yes, please?

7 A: Can I do that; sure. So, cause of death is what actually
8 took the individual's life and, as I discussed, it was the
9 stab wounds to the chest. The manner of death is actually the
10 circumstances under which the death occurred. And there are
11 generally five categories for manner of death: natural is
12 death due to disease or old age; accident in which the death
13 was unintentional, preventable, and usually due to trauma or
14 drug toxicity; suicide, in which the death is due to someone's
15 own actions trying to take his or her own life; homicide in
16 which the death is to the action of another individual or
17 individuals; and then the fifth category is called
18 undetermined and that's where we just can't figure it out.

19 Q: Thank you very much for that, Doctor. Regarding Mr.
20 Dennis Green, if you could, and you can feel free to
21 demonstrate on me if you think it would be beneficial. Can
22 you show the jury where the stab wounds were on him?

23 A: Yes.

24 MR. SPRATLIN: Your Honor, may the witness come down?

25 THE COURT: Yes, sir.

1 BY MR. SPRATLIN:

2 Q: I'll offer myself up as exhibit.

3 A: So, there were two stab wounds described in the autopsy
4 report, and they were both on the right chest, and they were
5 located roughly around this part (indicating) ---

6 MR. WILSON: May I approach, Your Honor?

7 THE COURT: Yes, sir, you may. Go ahead.

8 A: You have one wound located roughly right here and then a
9 lower wound that was located right there.

10 BY MR. SPRATLIN:

11 Q: Thank you, sir. Let me go ahead and ask you, in Dr.
12 Proctor's report, was there a typo?

13 A: Yes.

14 Q: What was that typo?

15 A: The pictures showed the wounds on the right chest and the
16 medical records confirmed that, and in his report he said they
17 were on the left chest.

18 Q: Is that something that you've seen in your experience
19 before happens?

20 A: Yes, especially on busy days that can happen.

21 Q: People get their left and right confused?

22 A: All the time.

23 Q: But there were photographs to document this?

24 A: Yes.

25 Q: And those photographs clearly show the right side?

ERIC EASON - DIRECT BY SPRATLIN

415

1 A: Correct.

2 Q: All right. How exactly did those two stab wounds lead to
3 the death of Dennis Green?

4 A: The most superior wound I have that the -- that the wound
5 tract ended up entering into the heart, his right atrium,
6 which is one of the small chambers of the heart. And it also
7 made its way into the inferior vena cava, which is the vein
8 that returns blood back from the lower half of the body. That
9 would've resulted in a lot of blood -- blood loss.

10 The lower stab wound made its way into the liver, but
11 that was not as severe as the first stab wound. It would've
12 caused some injury and some bleeding, but the most superior
13 wound was more lethal.

14 Q: Is it possible he would've survived the lower stab wound?

15 A: It's tough to say. He probably would've had a better
16 chance if that's the only one that he had.

17 Q: But the top one, that would be ---

18 A: Right. It went into the heart and into a large blood
19 vessel. So, that resulted in massive blood loss, yes.

20 Q: In addition to the two stab wounds on the side, was there
21 also any other injuries noted on him?

22 A: Yes, there was a wound on the left thumb that was
23 described -- it's a cut and it was described as a defense
24 wound. And basically in forensic pathology, a defense wound
25 is best described as -- its basic human nature, if someone

State v. Matthews Green - 2017-GS-26-04252
ERIC EASON - DIRECT BY SPRATLIN

416

1 comes at you with a knife to try and grab the knife or block
2 the knife, and so anytime when you have a stab wound case,
3 we're gonna look on the hands or on the feet to see if someone
4 tried to grab the knife or block the knife, and if we find
5 cuts we will consider those defense wounds, because the
6 individual is trying to defend himself by blocking the knife
7 or grabbing the knife.

8 MR. SPRATLIN: Your Honor, I would ask that the witness
9 be able to come off the witness stand one more time to show
10 some exhibits that I have.

11 THE COURT: All right. Very good. You can step down,
12 sir.

13 MR. WILSON: May I, again, Your Honor?

14 THE COURT: Yes, sir, please.

15 BY MR. SPRATLIN:

16 Q: Dr. Eason, let me show you what's been marked and entered
17 by stipulation as State's Exhibit Number 100, a photo from the
18 autopsy of Dennis Green. Can you tell us what we are looking
19 at here?

20 A: That's his left hand and we're looking at his left thumb,
21 and that's a cut consistent with a sharp object, such as a
22 knife. And since it's on the hand and we have an individual
23 who died from stab wounds, this is consistent with a defense
24 wound.

25 Q: Can you tell this from the photo and Dr. Proctor's report

State v. Matthews Green - 2017-GS-26-04252
ERIC EASON - DIRECT BY SPRATLIN

417

1 how severe that cut was?

2 A: No.

3 Q: No. Let me show you what's been entered by stipulation
4 as State's Exhibit Number 101; does that have a scale on that
5 same photo?

6 A: Yes; it's a millimeter scale. I have that the wound
7 measures 2.5 centimeters in width.

8 Q: Thank you. Let me show you what's been entered by
9 stipulation as State's 102; what does that appear to be a
10 photo of?

11 A: That is going to be his right hand.

12 Q: Okay.

13 A: And we have a cut on the right hand as well, which would
14 be consistent with a defense wound.

15 Q: Well, let me ask you, is it possible that could be just
16 dried blood or is that a defense wound?

17 A: I'm pretty sure that's a defense wound.

18 Q: Let me show you what's been marked and entered by
19 stipulation as State's 103?

20 A: I'm not sure what that's showing there. I mean it's his
21 left hand, but I'm not sure; it looks like it's his right
22 hand. I'm not sure what it's trying to demonstrate there.

23 Q: All right. Thank you. Please return to the witness
24 stand. As I stated, to a reasonable degree of medical
25 certainty, what was the cause of Dennis Green's death again?

1 A: I have that the cause of death was -- let me find it.
2 Stab wounds to chest with massive hemorrhage.
3 Q: And the manner of death one more time?
4 A: Homicide.
5 Q: The last thing I'm gonna ask you about is the defendant
6 or the victim's pathology or, excuse me, toxicology report?
7 A: Yes.
8 Q: Is that something that's often relied upon by forensic
9 pathologists to determine cause of death?
10 A: Yes.
11 Q: What, if any, substances as it lists are in the victim's
12 blood at the time of his death?
13 A: I have the blood was obtained from autopsy. It was sent
14 to a private toxicology lab. Testing was run and they found
15 fentanyl at 1.1 nanograms per milliliter. Fentanyl is a
16 powerful opioid pain killer. If you compare that to the
17 medical records, it indicates that that was given to him by
18 the hospital, probably during surgery.
19 Q: Were there any, to your knowledge, alcohol or anything
20 like that found in his system?
21 A: No.
22 Q: At the hospital, if you can recall from the medical
23 records, or even a situation like this, would he have been
24 given lots of blood?
25 A: Probably, yes.

State v. Matthews Green - 2017-GS-26-04252
ERIC EASON - REDIRECT BY SPRATLIN

419

1 Q: And would that possibly have diluted any alcohol?

2 A: Sure, it could have.

3 Q: All right. Thank you, Doctor. I have no further
4 questions. Please answer any questions Mr. Wilson may have.

5 THE COURT: Cross-examination?

6 MR. WILSON: Thank you very much, Your Honor.

7 CROSS-EXAMINATION OF DR. ERIC EASON BY MR. WILSON:

8 Q: Doctor, let me show you exhibit -- State's Exhibit 102.
9 Let me show you that.

10 A: Yes.

11 Q: State's Exhibit 102, can you look at that for me?

12 A: Yes.

13 Q: And in the hand, you will see some red or reddish
14 substance of some -- I'm sorry? Do you see some type of
15 reddish substance?

16 A: Yes.

17 Q: Is that correct?

18 A: That's correct.

19 Q: And you're saying that that's a cut, not blood?

20 A: Well, some of the red stuff is blood. Like that's blood
21 right there. I mean, I'm thinking that's a cut right there.
22 It sure looks like it.

23 Q: Could it be this line in his hand, like this line is in
24 my hand with blood on it?

25 A: It could be.

1 Q: Okay. So, you're not ---
2 A: Oh, I'm sorry.
3 Q: --- go ahead.
4 A: I can't remember what I was gonna say.
5 Q: What I was gonna say was, you're not -- you're not
6 absolutely certain that that's a cut?
7 A: Correct.
8 Q: All right.
9 A: And the report had that the cut was to the left thumb, so
10 I'm not -- maybe he was taking this photograph as a negative
11 photograph is what I'm thinking.
12 Q: Okay.
13 A: To show that there was no cut on his hand.
14 Q: Okay.
15 A: But he just didn't wipe the hand off?
16 Q: All right. Not a problem. Thank you. Now, let me ask
17 you, in regards to this individual, Mr. Green, what was his
18 weight?
19 A: I have that he weighed 225 pounds.
20 Q: And how tall was he or how long was he, I guess at this
21 point?
22 A: Right, 71 inches in length.
23 Q: And that would be what, 5'11"?
24 A: Correct, almost six feet.
25 Q: Almost six-foot. All right. And the solicitor asked you

State v. Matthews Green - 2017-GS-26-04252
ERIC EASON - REDIRECT BY SPRATLIN

421

1 about the fact that there's no -- in the report that you got
2 from the lab shows no alcohol in his system at the time the
3 autopsy was conducted; is that fair?

4 A: Correct.

5 Q: All right. And the -- your explanation for that is that
6 he had blood transfusions while he was in the hospital, which
7 would have diluted that?

8 A: True. I mean, that's not the only explanation. The
9 other explanation would be that he was actually in the
10 hospital for some time. And so, if he was on alcohol when the
11 incident occurred, he would've gone to surgery, and it
12 would've been time for the alcohol to metabolize and
13 disappear.

14 Q: Okay.

15 A: He actually survived for a while.

16 Q: How long would that take?

17 A: It depends on the person. It depends on each person,
18 depends on their liver function. Typically, I think the
19 average is that alcohol tends to -- one drink takes around two
20 hours to clear from the body, but that's gonna be different
21 for every person.

22 Q: So, what if he had three or four over a period of three
23 hours or four hours?

24 A: It's, again, it's gonna depend on how quickly they were
25 taken, whether it was liquor or beer or wine. There's just so

1 many factors.

2 Q: Okay. And it would depend on how much he had to drink?

3 A: That's right.

4 Q: But there is no question that if you get blood

5 transfusions that would or could possibly dilute or even

6 eliminate the amount of blood or -- I'm sorry -- the amount of

7 alcohol that would be in your blood?

8 A: That's right.

9 Q: What about drugs?

10 A: Same thing.

11 Q: Same thing. So, if I had had cocaine in my system or

12 crack or whatever, and I had the blood transfusions, then that

13 would eliminate it from there?

14 A: Perhaps.

15 Q: So, by the time you get to draw my blood at the autopsy,

16 then you wouldn't find it or may not find it?

17 A: Correct.

18 Q: All right. Now, and you said that there was fentanyl

19 found in his system, but that was clearly from the hospital?

20 A: That's the best explanation.

21 Q: The best. Now, the hospital records also showed that

22 they gave him morphine?

23 A: Really?

24 Q: Yeah. Did you know that?

25 A: I did not know that.

State v. Matthews Green - 2017-GS-26-04252
ERIC EASON - REDIRECT BY SPRATLIN

423

1 Q: And did you find any morphine in his system?

2 A: The tox lab did not.

3 Q: Okay. Now, let me ask you if -- the stab wounds that are
4 there, you said that they are -- the report says that they are
5 from left to right; is that a fair statement?

6 A: You mean the direction?

7 Q: Yes, sir.

8 A: All right. They were on the right side of the body, but
9 I think he got his left and rights confused, but wound track
10 direction is based on the actual ---

11 Q: Hold on for one second, I apologize. Okay. Who got
12 there -- who got it confused?

13 A: Proctor -- Dr. Proctor.

14 Q: So, you're saying the report is wrong?

15 A: I'm saying that there were probably some proofreading
16 errors that occurred, yes.

17 Q: All right. Explain that to us, cause I'm a little
18 baffled.

19 A: Well, the photos show the wound is on the right side of
20 the body, but the report is saying that they're on the left.
21 So, I think it was just a mistake that -- that he made.

22 Q: Well, that's a pretty big mistake, wouldn't you agree?

23 A: Well, it happens.

24 Q: When did you -- when did you find that?

25 A: When I was reviewing the photos compared to the autopsy

1 report.

2 Q: Okay. All right. So, you say that was an error. Now,
3 the wounds themselves, I think that there's a place that he
4 talked about this wounds being one, being 2-and-a-half
5 centimeters in length and the other being I think three
6 centimeters in length; is that fair?

7 A: I think the only length of a wound I described was the
8 one to the thumb.

9 Q: No, I'm asking you about the report?

10 A: Oh, the report. Right, there's one to the -- the upper
11 wound I have as 2.5 centimeters in length to the chest. The
12 second stab wound, I have that measured as 3 centimeters.

13 Q: Okay. Now, is there any place in there where they talk
14 about the depth of the wound?

15 A: No.

16 Q: Well, in an autopsy, generally, wouldn't you do that?
17 Wouldn't you say the wound is two-and-a-half centimeters in
18 diameter and three centimeters in depth or whatever the
19 medical term is?

20 A: Sure. When describing a stab wound, you usually measure
21 the length the wound, the width of the wound, and then you try
22 to measure an approximation of the depth, but it's always
23 gonna be an approximation, because the body is very
24 compressible, but you will at least try to approximate how
25 deep the knife would've gone into the body, yes.

State v. Matthews Green - 2017-GS-26-04252
ERIC EASON - REDIRECT BY SPRATLIN

425

1 Q: Okay. And being an expert, having looked at the records,
2 do you have an opinion as to how deep the stab wounds were?

3 A: I cannot form an opinion on that.

4 Q: Okay. If you saw a weapon of some type, would you be
5 able to look at that weapon, based on your reading of the --
6 of the report and of the information that you have available
7 to you, and tell whether that knife would've been consistent
8 or inconsistent with having committed the act?

9 A: I should be able to.

10 Q: All right.

11 MR. WILSON: Your Honor, may I have this marked for
12 identification purposes only?

13 THE COURT: Yes, sir. All right, sir. You might as
14 well, before you do that, come over here and talk to me a
15 minute.

16 (REPORTER'S NOTE: Bench conference is held off the record in
17 the presence of but outside the hearing of the jury.)

18 DEFENDANT'S EXHIBIT NUMBER 20

19 MARKED FOR IDENTIFICATION

20 BY MR. WILSON:

21 Q: All right. Doctor, if I could, let me show you what's
22 marked now as Defense Exhibit, for identification purposes, 20
23 and ask you if you would take a look at that, and you can open
24 it if you need to?

25 THE COURT: You may not show it to the jury.

1 BY MR. WILSON:

2 Q: I just want you to look at it.

3 A: Okay. I'll have to leave it up here, I don't know how to
4 close it; there's a safety on it, I think.

5 Q: Having looked at that, would you say that that's
6 consistent or inconsistent with what you think the wounds are?

7 A: I would say based on the report and the photos, I cannot
8 exclude it as a possibility.

9 Q: Could not exclude it. All right. That's fair. Fair
10 enough. I don't have anything further.

11 THE COURT: Why don't you just leave it there for right
12 now.

13 DR. EASON: Thank you.

14 THE COURT: Before someone hurts themselves.

15 BY MR. WILSON:

16 Q: All right. The other thing I wanted to ask you was, you
17 said that they're basically five delineations or causes that
18 you assign death to, and you named them: natural, accident,
19 suicide, homicide and undetermined. And you determined that
20 this was a homicide; is that fair?

21 A: It is the five manners of death, not cause of death.

22 Q: Manners ---

23 A: And homicide, yes.

24 Q: Okay. And -- and -- and homicide does not mean that --
25 well, you explain to me what it means.

State v. Matthews Green - 2017-GS-26-04252
ERIC EASON - REDIRECT BY SPRATLIN

427

1 A: It just means death due to the actions of another
2 individual or individuals. It does not imply -- it's not
3 murder.

4 Q: Okay.

5 A: Homicide and murder are not the same thing.

6 Q: Okay. All right. All right. Did you find in the report
7 that there was any physical deformity with this individual in
8 any way whatsoever?

9 A: I do not see anything.

10 Q: Based on the report that you have before you, as far as
11 you can tell, he would've been an active, healthy, male prior
12 to the stabbing?

13 A: Probably, yes.

14 Q: All right. I don't think I have anything else. Thank
15 you so much, Doctor.

16 THE COURT: Redirect?

17 MR. SPRATLIN: Just real quickly, one question.

18 REDIRECT EXAMINATION OF DR. ERIC EASON BY MR. SPRATLIN:

19 Q: Mr. Wilson asked you, Doctor, about homicide and murder
20 being two separate things.

21 A: Right.

22 Q: But murder can be a homicide?

23 A: Correct.

24 Q: Thank you.

25 THE COURT: All right. Anything else?

1 MR. WILSON: Nothing further, Your Honor.

2 THE COURT: You wish the witness to be excused?

3 MR. SPRATLIN: I would ask so.

4 THE COURT: All right, sir, you're released from your
5 subpoena; you can go back to your regular duties. Thank you.

6 All right. Solicitor, next witness, please?

7 MR. SPRATLIN: The state would call Officer Greg Lent to
8 the stand.

9 THE COURT: All right. Very good.

10 All right, sir, come right up here and be sworn.

11 THE CLERK: Please raise your right hand and place your

17 MR. LENT: Gregory Lent, L-E-N-T.

18 THE COURT: Go ahead, Solicitor.

19 MR. SPRATLIN: Thank you, Your Honor.

20 DIRECT EXAMINATION OF GREGORY LENT BY MR. SPRATLIN:

21 Q: Mr. Lent, where are you currently employed?

22 A: Horry County Police Department.

23 Q: How long have you been at the Horry County Police
24 Department?

25 A: Since October of 2007, almost 14 years.

State v. Matthews Green - 2017-GS-26-04252
GREG LENT - DIRECT BY SPRATLIN

429

1 Q: Thank you for doing the math for me. Was Horry County
2 Police Department your first experience in law enforcement?

3 A: It was.

4 Q: What did you start out at?

5 A: Patrol officer.

6 Q: And when did you become a detective?

7 A: In the fall of 2012.

8 Q: Fall of 2012. And what's your current title?

9 A: I'm a sergeant, and I supervise the homicide unit for
10 Horry County Police Department.

11 Q: All right. What was your job back in July of 2017?

12 A: I was a senior detective assigned to the homicide unit.

13 Q: What's kind of your job as a senior detective in the
14 homicide unit?

15 A: I was responsible for conducting investigations, any
16 death-related investigations, to include homicides, overdoses,
17 suicides, any unequivocal death. And in my role as senior
18 detective, I acted as a training detective for other
19 detectives newly assigned to the unit, and I helped to
20 supervise the investigations that occurred.

21 Q: At some point in July -- or on July 7th, 2017, did you
22 become involved in a case of the death of Dennis Green?

23 A: I did.

24 Q: Who was that case originally -- or who was the primary on
25 that case?

1 A: Detective Jack Johnson.

2 Q: All right. Were you there to assist Jack Johnson?

3 A: I was.

4 Q: Were you with him on many, many of the steps that he took

5 in the investigation?

6 A: Yes.

7 Q: When you got this case, what is the first thing you did?

8 A: One of the first things that I did was respond to Grand

9 Strand Hospital with Detective Jack Johnson to meet with Ms.

10 Matthews.

11 Q: What was the purpose of -- well, first of all, when was

12 it that you went to Grand Strand to be with them?

13 A: I would have been on July 7th.

14 Q: All right. And what was the purpose of you going to

15 Grand Strand to meet with her?

16 A: To obtain as much information as we could at that time.

17 Q: At the time that you went to meet with her, did you go

18 ahead and take her into custody or what did you do?

19 A: No. From the brief interaction that I had with her, we

20 knew that she had been out the night before. This incident

21 occurred during the early morning hours. She'd been up at the

22 hospital for some time between Seacoast and Grand Strand.

23 So, I had spoken with her and explained to her that we were

24 gonna let her go and get some rest before she came back and

25 spoke to us or before we went and spoke to her. Just, you

431

1 know, she had gone through a traumatic experience, and we
2 wanted to make sure that when we spoke to her that she was
3 rested and calm.

4 Q: So, she -- to your knowledge, did she leave Grand Strand?

5 A: Yes, she did.

6 Q: After you had gone to Grand Strand and spoken with her
7 and she had left, did you have a chance to go and try to speak
8 to the potential witness, Antoinette Vereen?

9 A: Yes.

10 Q: Do you recall the address where Antoinette Vereen lived?

11 A: I believe it was [REDACTED] Sunny Heights.

12 Q: What if I told you it was [REDACTED], would that be possible?

13 A: Yes.

14 Q: All right. I understand. It's been how many years; four
15 years?

16 A: It's been a long time.

17 Q: Okay. When you meet with Antionette Vereen at that
18 residence, was she actually there?

19 A: No, she wasn't.

20 Q: Where was she?

21 A: She was actually at the police department. When I had --
22 when we had gotten out the area of Sunny Heights, we had
23 received a phone call from our supervisor at the time which
24 stated Ms. Vereen was at the M.L. Brown Building in Conway
25 wanting to speak with us.

1 Q: What did you and Detective Johnson do after you received
2 information that she was up at the M.L. Brown?
3 A: We drove back to the M.L. Brown.
4 Q: After -- were you able to meet with her at that time?
5 A: Yes.
6 Q: Okay. After you met with her and talked with her, did
7 you and Detective Johnson have another chance to go out to her
8 address, in regards to figuring out -- I'm sorry, get to
9 figure out far it was away from Seacoast?
10 A: Yes.
11 Q: All right. What did you do to determine how far it was
12 from Ms. Vereen's house to Seacoast Hospital?
13 A: Me and Detective Jack Johnson went to Ms. Vereen's house
14 and drove our car from her house to Seacoast Hospital and
15 timed it?
16 Q: How long did it take you?
17 A: Approximately six minutes.
18 Q: Now, along with Detective Johnson, you were aware of the
19 timeline and the events of this case; is that right?
20 A: Yes.
21 Q: If -- and you've been with Horry County Police Department
22 for 14 years?
23 A: Correct.
24 Q: In that time, have you become familiar with the north
25 Little River Section of Horry County.

1 A: Yes, I was patrol officer up there for a short time.

2 Q: Okay. And you know it's a little bit of ways from North
3 Carolina?

4 A: A little bit.

5 Q: In your time as a patrol officer, is there any way
6 someone could've left Antionette Vereen's house at say 5:05
7 and gotten to Seacoast at 5:19 and left the confines of Horry
8 County?

9 A: No, it would be extremely difficult to do that.

10 Q: Would it even be possible?

11 A: I don't believe that it would.

12 Q: Okay. And is that why you believe the crime occurred --
13 part of the reason why you believed the crime occurred in
14 Horry County?

15 A: That was a part of the reason, yes.

16 Q: What else?

17 A: Well, one of the reasons why believe that that had
18 occurred in Horry County were there were some medic units that
19 had observed Ms. Matthews and her -- and the victim in this
20 case, their car turned onto Highway 9 at head toward Seacoast
21 Hospital. And from a direction that they had turned on the
22 Highway 9 from was heading away from North Carolina, and
23 deeper into Horry County.

24 Q: So, not kind of towards -- not heading from North
25 Carolina.

1 A: They would've been on the other side of Highway 9.

2 Q: There's no way he could've gotten in any other county in
3 the state?

4 A: No.

5 Q: All right. At this point, is it fair to say that the
6 investigation had focused on the defendant as a suspect?

7 A: I would say that it was fair at that point. We were
8 still trying to figure out what had occurred. There were some
9 statements that were provided, things that were said at the
10 hospital that didn't make a whole lot of sense to us that we
11 had looked into and weren't able to find any evidence of. So,
12 at that point, yes, I mean, we started to narrow it down.

13 Q: One of the things that has come up in this case is the
14 North Myrtle Beach Police Department. Were you and Detective
15 Johnson able to obtain the evidence that they had in this
16 case?

17 A: Yes, I do know that we went to the North Myrtle Beach
18 Police Department, and four years ago, I don't remember all
19 the interaction that we had with at that time, but I do
20 remember going to their investigative division and sitting
21 with Detective Jack Johnson and their detectives.

22 Q: Thank you. So, how do you identify Ms. Vereen, I mean,
23 Ms. Green, Matthews Green, as a suspect in this case; did you
24 have a chance to go and speak with her?

25 A: Yes.

1 Q: Where did that interview take place?

2 A: Orangeburg, South Carolina.

3 Q: Why did you have to go to Orangeburg?

4 A: Well, we had attempted to try to speak with Ms. Matthews
5 at the hotel that she was staying at and had sent some
6 detectives there to make contact with her. When they arrived,
7 they were informed that she had checked out and left. We made
8 contact with her mother, who advised us that she was on her
9 way back or had already arrived in Orangeburg, which is where,
10 I believe, her mother stayed. So, we ended up traveling to
11 Orangeburg in order to make contact with Ms. Matthews.

12 Q: Okay. And were you able to make contact with Ms.
13 Matthews?

14 A: Yes.

15 Q: When you had a chance to interview, where did the
16 interview take place?

17 MR. SPRATLIN: Your Honor, if I may, I believe Ms. Hettie
18 Green is having a situation ---

19 THE COURT: All right. Let's -- ladies and gentlemen of
20 the jury, go to the jury room right now.

21 (REPORTER'S NOTE: Jury exits courtroom @ 2:12 p.m.)

22 THE COURT: All right. We're gonna stand down for a few
23 minutes and then resume. All right.

24 MR. SPRATLIN: Yes, Your Honor.

5 MR. SPRATLIN: Yes, sir. I'm just gonna run to the

7 THE COURT: You're gonna have time to do that.

24 Q: Detective, let me kind of refresh myself on where we left

1 correct?

2 A: Correct.

3 Q: And where were you going to interview her at?

4 A: We had asked for assistance from the Orangeburg County
5 Sheriff's Office, I believe, or Orangeburg City.

6 Q: And were you able to get assistance from them?

7 A: Yes. They were able to provide us with an office that
8 had a recorded interview room.

9 Q: So, the interview took place at either the Orangeburg
10 Sheriff or Orangeburg Police Department station?

11 A: Correct.

12 Q: Now, prior to meeting with her and speaking with her, did
13 you or anyone in your presence threaten her in any way?

14 A: No.

15 Q: Did she appear to be in sort of threat or harm when you
16 spoke with her?

17 A: No.

18 Q: Did you or anyone in your presence promise any sort of
19 leniency in exchange for speaking with her?

20 A: No.

21 Q: Any hope of benefit whatsoever that you can recall?

22 A: No.

23 Q: Now, when you spoke with her, this was the next day,
24 correct?

25 A: Yes. It would've been on July 8th.

1 Q: Do you remember approximately what time it was?

2 A: I know it was in the afternoon, late evening. It was
3 still daylight when we first got out there, but I don't
4 remember the distance. Orangeburg is a bit away from here.

5 Q: All right. Did she appear to be under the influence of
6 anything when you spoke with her?

7 A: No.

8 Q: Did she appear to have any trouble understanding your
9 speaking to her?

10 A: No.

11 Q: Did she seem to comprehend what you were saying?

12 A: Absolutely.

13 Q: Before I play the interview, what are some common
14 interview techniques that a detective might use in trying to
15 get a suspect to admit to something?

16 A: Well, there's a number of different things that we do.
17 It just depends on -- it depends on how things go when you
18 first start speaking with the person. One of the things that
19 we do and that was done in this case, you show some type of
20 empathy or sympathy, understanding of a situation a person is
21 in. I have sat -- I have interviewed hundred, hundreds of
22 people and the interviews have consisted of, you know, all
23 sorts of different crimes that have been committed, and it
24 doesn't matter what my opinion is or what I might be speaking
25 to that person about, but I show some understanding and

State v. Matthews Green - 2017-GS-26-04252
GREG LENT - DIRECT BY SPRATLIN

439

1 compassion for the situation that they happen to be in in that
2 moment.

3 Q: Let me just ask you, Detective, if you went into an
4 interview room and basically accused someone of being full of
5 it, would they be more less likely to speak with you?

6 A: It doesn't usually go much further than that, if I were
7 to walk in and say something like that.

8 Q: All right. Prior to speaking with Ms. Matthews, did you
9 advise her of her Miranda rights?

10 A: Yes.

11 Q: Was that done on a form?

12 A: Yes.

13 MR. WILSON: No objections, Your Honor.

14 THE COURT: Permission to approach?

15 THE COURT: Yes, sir.

16 MR. SPRATLIN: Please let the record reflect I'm showing
17 the witness what has been pre-marked as State's Exhibit Number
18 90.

19 BY MR. SPRATLIN:

20 Q: Do you recognize that form?

21 A: I do.

22 Q: What is it?

23 A: This is the form that we use at the Horry County Police
24 Department to advise someone of their Miranda rights.

25 Q: And what exactly does it say? If you just want to read

1 the rights that you advised someone of, that would be fine?

2 A: Okay. I'm gonna do my best. I -- I wish I would've

3 brought my glasses. You have the right to remain silent.

4 Anything you can -- anything you say can and will be used

5 against you in a court of law. You have the right to talk

6 with a lawyer and have them present with you while you are

7 being questioned. If you cannot afford to hire a lawyer, one

8 will be appointed to represent you at no cost to you before

9 any questioning, if you so desire. If you make a statement or

10 answer any questions, you have the right to stop at any time.

11 Q: Thank you.

12 MR. SPRATLIN: If you would, I would tender that into

13 evidence at this time, Your Honor.

14 A: It does.

15 Q: Have certain things had to be deleted or removed for
16 court purposes?

17 A: Correct.

18 Q: Did any of those additions, or any of those deletions,
19 excuse me, did they materially alter the questions you asked
20 or the defendant's responses?

21 A: No.

22 MR. SPRATLIN: Your Honor, I would tender State's 89 into
23 evidence?

13 A: Yes.

15 photographs were taken of the defendant; is that correct?

16 A: Yes.

17 Q: And there were other photos taken as well, correct?

18 A: Correct.

19 Q: Okay. And you were present and saw the defendant on that

7 the defendant that you saw that day?

8 A: They are.

9 Q: Are they in every way a true and accurate and fair copy?

10 A: Yes.

11 MR. SPRATLIN: At this time I would tender state's
12 exhibits into evidence.

13 THE COURT: All right. So, that's 91, 92, 93 ---

23 BY MR. SPRATLIN:

24 Q: Let me ask you, Detective Lent, about State's 92, first,
25 State's Exhibit 92. What is that photo show?

1 A: A small mark on the face of Ms. Matthews.
2 Q: State's 93?
3 A: Again, a small mark.
4 Q: All right.
5 A: I believe it's actually the same mark. This one here has
6 a measuring device with it.
7 Q: State's 91?
8 A: This is a picture of Ms. Matthews lip as she has pulled
9 it down, so we could view the inside of the bottom lip.
10 Q: Do you notice any injury or trauma on that?
11 A: No.
12 Q: State's 94, does this appear to be a larger version of
13 State's 91?
14 A: It does.
15 Q: Just in case we missed any, do you see any injuries on
16 that one?
17 A: No.
18 MR. SPRATLIN: Your Honor, permission to publish to the
19 jury?
20 THE COURT: You may do so.

22 Q: Detective, the woman you spoke to that day in Orangeburg,
23 is she present here in the courtroom?
24 A: Yes.
25 Q: Please point her out and identify an article of clothing

1 she's wearing.

2 A: Ms. Matthews with a multi-colored striped shirt.

3 Q: Thank you, Detective. Please answer any questions Mr.
4 Wilson may have.

5 THE COURT: Cross-examination.

6 MR. WILSON: Thank you very much, Your Honor.

7 CROSS-EXAMINATION OF GREGORY LENT BY MR. WILSON:

8 Q: Detective, let me go back first and ask you, you said
9 that she'd left Horry County and went to Orangeburg, right,
10 that was -- that would have been on the morning of the 7th or
11 sometime of the morning of the 7th; is that fair?

12 A: Sometime on the 7th, yes, between the morning and the
13 afternoon.

14 Q: All right. But you actually had spoken to her and to her
15 mom at the hospital, had you not?

16 A: We had.

17 Q: All right. So, and you were the one who in fact told her
18 it was okay for them to leave the hospital and go to their
19 hotel, right?

20 A: Correct.

21 Q: All right. And the reason you did that was because you
22 were concerned about the number of people that were gathering
23 there at the hospital, right?

24 A: Our concern was more to the effect that Ms. Matthews had
25 -- had been awake all night long.

1 Q: Okay.

2 A: And had gone through this.

3 Q: All right. And -- and so, you were concerned about her,
4 and as a result you asked them to go back to their hotel where
5 she could maybe get some rest?

6 A: Correct.

7 Q: All right. And they left?

8 A: Yes.

9 Q: And later -- what's her name -- Erica Vasquez, does she
10 work with your department?

11 A: She did.

12 Q: All right. And later, Ms. Vasquez or Detective Vasquez
13 or Officer Vasquez from your department, goes to the hotel
14 where they are to inform them that Mr. Green had passed,
15 right?

16 A: Yes. I do know that Ms. Vasquez had gone to the hotel to
17 have a conversation with Ms. Matthews.

18 Q: Okay. So, when you say that they left and went back, it
19 wasn't like she was absconding and running off to hide, you
20 kind of knew that they were leaving, right, and you knew
21 exactly where they were?

22 MR. SPRATLIN: Objection, Your Honor; ask counsel to let
23 the witness answer the question.

24 THE COURT: Go ahead and answer the question.

25 A: Yes, Your Honor.

State v. Matthews Green - 2017-GS-26-04252
GREG LENT - CROSS BY WILSON

447

1 Correct, we told them to leave, and I didn't have an
2 issue with them going back to Orangeburg.

3 Q: Okay. All right. Fair enough.

4 Now, when you go to Orangeburg, you have already obtained
5 an arrest warrant at that point, right?

6 A: We did have an arrest warrant for Ms. Matthews.

7 Q: Had it before you went to Orangeburg. And then you went
8 to Orangeburg, you went to their home, asked her to come to
9 the station, but you didn't tell her she was under arrest,
10 right, at that point?

11 A: We had asked her to go ahead and ride with us to the
12 police station, and she had agreed to do so.

13 Q: Okay. She comes with you, put up any fight, argue with
14 you, give you a hard time?

15 A: No.

16 Q: Gets in the car with you. How many officers did y'all
17 take when you went to get her from her home?

18 A: Well, there was myself and Detective Jack Johnson, and
19 there were a few deputies from Orange [sic] County; there
20 might have been two or three of them.

21 Q: Five or six officers went to get her. She didn't have a
22 gun and try to shoot you, and fight you, beat you up, or give
23 you a hard time in any way whatsoever?

24 A: No, she did not.

25 Q: She got in the car, she went with you, you went down to

1 the station, you asked her if you could talk with her, and she
2 talked with you?
3 A: Correct.
4 Q: Okay. You read her her rights. She indicated she
5 understood those rights?
6 A: She did.
7 Q: And once she said that, then you started to ask her
8 questions, which is what we've seen here for the last couple
9 hours?
10 A: Correct.
11 Q: Fair enough? All right. Now, and -- and -- and to be
12 fair, she has told you over and over she didn't remember every
13 detail of everything; she said that to you, right?
14 A: She did. She did say there were things she couldn't
15 remember.
16 Q: All right. And now, being the good investigator I know
17 you to be, you knew before you even sat down and talked with
18 her that something had happened in that car, right?
19 A: Correct.
20 Q: Right. I mean, you've been doing this for a long time?
21 A: Long enough.
22 Q: All right. And you've handled many, many cases?
23 A: Correct.
24 Q: And -- and -- and so, when you get a case, you can kind
25 of look at the facts and circumstances and you kind of figure

State v. Matthews Green - 2017-GS-26-04252
GREG LENT - CROSS BY WILSON

449

1 out what happened really before the person tells you, right?

2 A: There are times when it occurs that way.

3 Q: Yeah. And that's because you're a good officer and you
4 have a lot of training and a lot of experience, so you're able
5 to fall back on that and figure things out, right?

6 A: At times.

7 Q: All right. And that's what you relied on in this
8 particular case, you saw fingernails scattered all over the
9 place, right? So, when she told you that she took the
10 fingernails off in the hospital, you knew that wasn't true,
11 right?

12 A: There were things that she had told us through the course
13 of her interview that we knew to be incorrect from evidence we
14 had seen through the course of the investigation.

15 Q: Okay. My question was -- my question was, she told you
16 that she took the fingernails off in the hospital, and you
17 knew that that was not true?

18 A: Correct, I knew that was incorrect.

19 Q: That's right; you knew that wasn't true. And she told
20 you that she was in the passenger seat of the car leaving
21 Denny's and you knew that wasn't true, right?

22 A: Yes, we knew that was a lie.

23 Q: All right. So, you had all this information before you
24 ever questioned her, right, this time in Orangeburg I'm
25 talking about?

1 A: Yes.

2 Q: Okay, fair enough. Now, when she is having this
3 conversation with you, I noticed that you move in close to
4 her. At first, you're having difficulty getting any
5 information from her, right, as you were asking her questions,
6 she's responding in some degree, but she's not really giving
7 you what you want, right?

8 A: Correct.

9 Q: All right. So, then what you do is you go over to her
10 and then you put your arms -- well, first you grab her, get
11 close to her in her space and put your arm on her and then,
12 you know, you kind of talk to her, right, on a more intimate
13 and personal level; would you agree with that?

14 A: Well, I would -- what I would agree with is that at one
15 point during that interview, it was evident to me that Ms.
16 Matthews emotions were starting to come up, which is something
17 that we see during the course of these types of interviews. I
18 do know from my experience and training, when that occurs,
19 sometimes human contact, just a slight touch or a rub of the
20 arm can help the person as they're going through those
21 emotions to help them open up and continue to speak to us.

22 Q: Okay. So, my question was, did you move in, touch her,
23 and then get close to her in order to get her to continue to
24 talk?

25 A: Yes.

State v. Matthews Green - 2017-GS-26-04252
GREG LENT - CROSS BY WILSON

451

1 Q: All right. Then, when that wasn't enough, you moved even
2 closer to her and put your arms around her to talk to her,
3 right?

4 A: Well, I don't know if I moved closer or not; I do know
5 that during the course of the investigation or that interview,
6 Ms. Matthews was becoming emotional, and I can't sit there and
7 say that I would be -- I'm a human being. Regardless of what
8 I speak to these people about or what's occurred, I do have
9 some feelings for the people that I am talking with. Some of
10 that is an interview tactic and some of it is just genuine
11 feelings.

12 Q: Okay. All right. And -- and that is when she starts to
13 break down and she starts to tell you what she thinks she
14 remembers happened, right?

15 A: Yes, she tells us what happened.

16 Q: All right. All right. And you tried to get some details
17 from her, but you were not really able to get, like what
18 happened to the knife, or how it ended up -- what was the
19 argument, or what was the fight; did you ever get any of that
20 information?

21 A: Correct. You can see from the interview what we were
22 able to -- what Ms. Matthews did tell us and the things she
23 was not able to tell us.

24 Q: All right. Now, let me ask you if -- you said to the
25 solicitor that you took some pictures of her face, and these

1 were pictures that had been taken the day before by other
2 officers, right; you're aware of that, I'm sure?

3 A: Well, there were pictures that were taken at Orangeburg.
4 I don't know -- I know that she had spoken with officers ---

5 Q: I'm sorry, go ahead?

6 A: --- from North Myrtle Beach, and that was at Seacoast
7 Hospital. She spoke to me and Detective Johnson at Grand
8 Strand shortly before we said, hey, why don't you go back to
9 your hotel and get some rest.

10 Q: Now, you said she actually showed you a picture of her
11 lip, and asked you about that, right?

12 A: No, I think what I had said was that she had showed -- we
13 took a picture of her lip. We had seen photos on her phone of
14 what I thought was a bump on her head, and she said no, that
15 that's where she had burned herself and there was a bruise on
16 her leg or something.

17 Q: Yeah. And when you touched her, you tried to touch her
18 on the shoulder, and she flinched and said that hurts, because
19 -- did she explain to you why that was hurting?

20 A: I don't remember -- I saw on the video where she moved
21 away from me. I don't remember if she said that hurts or not;
22 I think that if she had indicated that there was some amount
23 of great pain, I would've probably stopped and said, well,
24 then we need to get, you know, you need some type of help, or
25 I would have asked her more about that.

1 Q: Did you ask her if that hurt was coming from the fight
2 that had happened in the car?

3 A: Well, again, you're saying that she said that hurt. I
4 don't recall exactly what she said. I do remember her moving
5 away, but I don't know if it was because I was close to her or
6 because she felt some type of physical discomfort.

7 Q: Very well. The video will speak for itself, right?
8 Whatever is there is there.

9 A: Correct.

10 Q: All right. And the jury will have that, and they can
11 look at it. All right. Now, you said that -- let's go back
12 to my question about the photographs. You took pictures of
13 her face again, right, because they had already been taken the
14 day before, right?

15 A: You're asking again ---

16 Q: Yes, I'm asking you?

17 A: I -- I know that there were pictures taken in Orangeburg.

18 Q: Yeah.

19 A: She spoke with officers from North Myrtle Beach Police
20 Department the day before. I did not take any pictures on the
21 7th. I don't know -- you know.

22 Q: Okay. Okay. All right. Now, let's talk about the
23 photos that you did take. You were aware, because she told
24 you, not only about her lip, but she told you about pictures
25 that she had in her phone of bruises that he put on her,

1 right?

2 A: I told her about the pictures I had seen on her phone
3 and, again, it was pictures of bruising and what I thought was
4 a bump on her head, which she corrected me and said no, that
5 was a burn. And the bruising, I don't think she ever really
6 explained it. Never said that that was -- I don't recall her
7 saying that that was from Mr. Green.

8 Q: All right. Let me show you what's marked as Defendant's
9 Exhibit 12, I think this is for ID. Is that a copy of the
10 picture that you saw when you looked at her phone, those
11 bruises on her?

12 A: I don't recall. I remember from watching the video,
13 saying that I had seen some pictures. To tell you if this was
14 the picture that I saw, I don't remember it; it might be, it
15 might not be.

16 Q: Well, you know what, let me ask you this. I'm a little
17 baffled here. You're talking to a lady who you say was in a
18 fight and maybe stabbed somebody, and that person shows you
19 bruises on their phone, and you don't get them or take
20 pictures of them or keep them so that you can have them as
21 evidence?

22 A: Mr. Wilson, I did not say that she had shown me any
23 pictures. I did not say that she had been in a fight. I did
24 say that she had told us she had stabbed somebody. I had
25 brought up some of these injuries, and she kind of waved them

1 off and, as she had them in the interview, said that her and
2 Mr. Green were kind of always engaged in this type of
3 behavior, and she certainly didn't seem to think it was very
4 important while we were speaking to her. She didn't elaborate
5 on it. She definitely didn't say I was -- he was beating me
6 up and that's why I did this. I definitely gave her the
7 opportunity to say to say that. I even had asked her, maybe
8 something had occurred in the car. And again, she -- she
9 never stated that something like that had happened.

10 Q: Now, Officer, you said that you asked her that on the
11 video, what happened in the car, because you're trying to
12 reconstruct what happened, right? That's part of what you
13 want from her, so that you can try to reconstruct what
14 happened, and she's -- you say that for whatever reason, you
15 had her phone, you go through her phone, you find bruises on
16 her, on her phone that she -- I don't know who took, but you
17 don't save them and you don't keep them?

18 A: Her phone was -- I know her phone, I believe it was
19 dumped through the forensic Cellebrite. So, I mean that --
20 that's how we save pictures from your phone. Again, at some
21 point, we had asked her about some scratches; she mentioned a
22 dog jumping up on her. The photos that were published to the
23 jury there, there's a scratch; it might be the size of a
24 fingernails, but I would not call that a significant injury.
25 And the one bump on the head that I asked her about, she very

1 quickly said, oh, no, that was a burn that I had.

2 MR. WILSON: If the Court will bear with me for one
3 second, I'm just trying to ---

4 THE COURT: Yes, sir.

5 BY MR. WILSON:

6 Q: Okay. Now, she's showing you -- I'm now referring to
7 State's Exhibit Number 94. She actually shows you bruising,
8 right, or what she says is bruising; is there any question
9 about that?

10 A: I don't see any injury there on that picture, Mr. Wilson.

11 Q: Well, hold on just a second.

12 A: Sure.

13 Q: Just let me hand you Defendant's -- State's Exhibit 94
14 and ask you to take a look at it. Okay?

15 A: Yes, sir.

16 Q: Now, my question is she told you -- I'm not asking you
17 what you saw -- she told you that her lip was busted, right,
18 that she had gotten injured and her lip was busted, right?

19 A: I don't recall exactly how -- what she said. Obviously,
20 we took a picture, so she mentioned something about her lip.

21 Q: Right. I mean, why else would she be pulling down her
22 lip for her to take a picture if she wasn't saying to you that
23 she was somehow injured with that lip; what sense would that
24 make otherwise?

25 A: Well, I mean, I -- she could tell me that she was -- that

State v. Matthews Green - 2017-GS-26-04252

457

1 that lip had sustained some signs of injury, but I don't see
2 an injury.

3 Q: Fair enough.

4 A: We ---

5 THE COURT: All right. You can finish your answer.

6 A: Not just in this interview, but in many interviews people
7 will tell us, this here happened. We take a picture of it to
8 prove it. Some people will tell us that they had gone to
9 particular place; the best we can, we will go to all these
10 places and confirm that they did not.

11 Q: Okay. You done now?

12 A: Yes, Mr. Wilson.

13 Q: All right. Just let me ask you this. When you're trying
14 to do an investigation, and you're trying to make a
15 determination of what happened, and who did what, isn't it
16 important to gather all of the information that's available to
17 you, including what a defendant might say or suspect might say
18 or what a victim might say, in any kind of a case?

19 A: Yes. And I believe we did that in this case, and had
20 asked Ms. Matthews multiple times about the interaction her
21 and Mr. Green had and the physicality of it. And I mean, I
22 think as you hear in that interview, I mean, she says she's
23 not scared of him.

24 Q: So, why -- why would you tell her in the interview that I
25 saw the bruises, I saw these things in your phone, before --

1 while you're talking to her. You tell her -- you tell her
2 these things, do you not?

3 A: I did.

4 Q: All right.

5 A: I was trying to give her the opportunity that if this was
6 some type of domestic violence situation, if she was in some
7 type of danger -- if a man shot another man in a bar, I would
8 ask him did you have good cause to do it, and that is what I
9 was doing with Mrs. Matthews -- with Ms. Matthews. And at no
10 time, did she turn around and say, well, yes, I was being
11 abused, I did this in order to defend myself.

12 Q: Okay. She told you that they had fights, right? What do
13 you interpret that to mean, fights?

14 A: Well, I mean, I'll use her description of them. She said
15 that they would push each other back and forth, you know, that
16 they were -- I remember her telling me that, you know, her
17 mother or family members would tell her that, you know, y'all
18 need to stop with that. I mean, she had told us that the
19 police had never been called.

20 Q: And -- and -- and you know that Dennis was almost six-
21 foot tall; how tall are you?

22 A: 6'2".

23 Q: 6'2". And he weighed 225. I'm not gonna ask you how
24 much you weigh. But my point is, he was a big fellow, right?

25 A: I suppose. I don't know exactly what his height and

State v. Matthews Green - 2017-GS-26-04252

1 weight was, though.

2 Q: You're sort of a big fellow; you're six-foot tall or a
3 little over?

4 A: Bigger than some; smaller than others.

5 Q: Okay. I'm a big fellow, right? My point simply is, that
6 you knew this. You knew that there was a disparity in the
7 size of these individuals and that she was claiming -- she's
8 claiming at least a busted lip and bruises on her body -- and
9 that was the other thing, when -- when that day when y'all
10 were in Orangeburg, wouldn't you want to say, let us see these
11 bruises on your thighs or on your arms because, obviously,
12 they would be covered up ordinarily, because she has clothing
13 on, right?

14 A: Correct, she had clothing on. It was July, I don't
15 remember what she was wearing; a short sleeve shirt and she
16 had pants or shorts on.

17 Q: Okay. Well, would it help you if I said she had on long
18 black pants with holes in the knees ---

19 A: She very well might have.

20 Q: All right. And -- and so, you wouldn't -- police
21 officers who came up wouldn't have seen the bruises on her
22 legs or thighs at that time, because she had on clothing,
23 right?

24 A: Correct. We did ask her at the very beginning while we
25 gave her her Miranda rights if she was any type of physical

1 discomfort or if she had injuries; she stated no. To us, she
2 actually went through a whole explanation of all her ailments
3 ---

4 Q: All right.

5 A: --- how she is always in some type of pain.

6 Q: Very well. All right. Now, and I'm gonna be done in
7 just a second. I just got a couple more things I want to
8 cover with you. Did you or any other officer to your
9 knowledge, go to -- go to the hospital, that is which would be
10 Grand Strand, and take pictures? Did you do that -- well, let
11 me back up and rephrase that. Did you go to Grand Strand
12 Hospital before you allowed them to leave and go to Orangeburg
13 or back to their hotel, did you take any pictures at Grand
14 Strand Hospital of -- of Ms. Green?

15 A: I don't recall.

16 Q: Do you recall taking any kind of a oral statement from
17 her at Grand Strand Hospital?

18 A: I know I spoke to her. I don't recall what the
19 conversation was. I know my -- my overriding concern was,
20 hey, get out of here and go get some sleep. We could tell
21 that she was obviously had gone through a lot that night.

22 Q: Okay. And -- and -- and at that point, you were already
23 aware of the nails issues and all that stuff; you were aware
24 of the nails -- I say all that stuff -- you were aware of the
25 issue with the nails and them being in the car and her saying

461

1 otherwise?

2 A: At Grand Strand?

3 Q: Yes.

4 A: I don't recall -- I don't remember -- I know after Grand
5 Strand, we went to North Myrtle Beach Police Department. At
6 some point, we became -- we did become aware of that her nails
7 were in the car. Through other statements obtained, we knew
8 that she had her nails -- her nails were on her hands the
9 night prior when they were all out.

10 Q: Okay.

11 A: But I don't -- I don't remember exactly when it was that
12 we were told, hey, the nails were in the car, you know, but I
13 would've known at the hospital that she did not have -- that
14 the nails had been removed.

15 Q: Did you ever see the body of the victim, that is Mr.
16 Green, did you ever go to the hospital or to the morgue or
17 wherever and actually see him?

18 A: I don't remember if I attended the autopsy in this case.
19 I don't think that I would have.

20 Q: Okay.

21 MR. WILSON: If the Court will bear with me just one
22 second, Your Honor?

23 THE COURT: Yes.

24 BY MR. WILSON:

25 Q: I just want to ask you one other thing about this, about

1 at some point when you were asking her about whether she's
2 right-handed or left-handed, and then you asked her to kind of
3 show you where he was stabbed; you were sitting next to her,
4 correct?

5 A: Correct.

6 Q: You recall that, right? And you were sitting, what, to
7 her right or left as y'all were seated?

8 A: I would've been sitting to her left.

9 Q: You'd have been sitting to her left. And what hand did
10 she use to show you how she would do it, if it were that way?

11 A: I believe she used -- I know we just watched the video;
12 it was a little hard for me to see the angle of it. I believe
13 that she used her left hand.

14 Q: She used her left hand?

15 A: I do know that during the course of that interview, you
16 will also hear her talk that she does do other things with her
17 left hand.

18 Q: In fact, she said she can shoot a gun with her left hand?

19 A: She did.

20 Q: Right. That's the other question that I have. Did you
21 take any photographs of her hands when -- now, you took two
22 pictures, I think three that you showed the solicitor a second
23 ago, that you say you took of her face the next day. Did you
24 take pictures of her hands to show any scratches or bruises or
25 whatever might be in her hands or on her hands?

State v. Matthews Green - 2017-GS-26-04252
GREG LENT - CROSS BY WILSON

463

1 A: I don't remember how many pictures were taken at
2 Orangeburg. I know that I have reviewed the ones that were
3 just published to the jury.

4 Q: My question was did you take any pictures of her hands in
5 Orangeburg that day?

6 A: I don't recall taking any pictures, but I, I mean, as we
7 all saw on that video, I was pretty close to her. If I'd have
8 seen some type of injury, I think I would have photographed
9 it.

10 Q: Okay. So, you were close enough to her. In fact, at
11 some point, she actually opened the palm of her hands; did you
12 look at them to see when she did them like that for you? Do
13 you recall that in the video?

14 A: I don't recall it, but I know that if she had done like
15 this or like that or anything else while I was sitting there,
16 if I had seen some -- any injury that I thought was notable, I
17 would have mentioned it and documented it.

18 Q: Okay. Well, so whatever the video says is what it says,
19 right?

20 A: Correct.

21 Q: All right. I don't have any other questions. Thank you,
22 sir.

23 THE COURT: Redirect?

24 MR. SPRATLIN: No redirect, Your Honor.

25 THE COURT: All right. You may step down.

6 MR. SPRATLIN: Your Honor, we would just ask that

5 There are matters of law that I have to take up outside your
6 presence. So, I'll send you home, have you come back tomorrow
7 morning at 9:30 to come into the courtroom. The bailiff will
8 tell you when to actually arrive. Again, the clerk's office
9 will have something for you in the morning. But with that,
10 you're excused until tomorrow morning at 9:30. Leave your
11 pads and pens in your seats.

12 (REPORTER'S NOTE: Jury exits courtroom @ 5:19 p.m. The
13 following takes place outside the presence of the jury.)

14 MOTIONS:

15 THE COURT: All right, Mr. Wilson, I'll be glad to hear
16 from you.

17 MR. WILSON: Your Honor, my motion would be for a
18 directed verdict on the issue of murder. I think that there
19 is certainly some speculation in this case about what
20 happened. There is absolutely, I would say to the Court, no
21 evidence of malice. Now, I grant you that there was a phone
22 call or a text message sent about somebody meeting somebody if
23 they're coming to Baltimore, but that is not, I submit to the
24 Court, malice, and that does not support malice. The only
25 other thing in the record that I would suggest could

1 potentially or possibly be but is not because of the
2 timeframe, is that you could argue, I guess, that well, you
3 know, there was a witness that says he was slapped. And so
4 that could provide malice. The problem for them with that is,
5 at best, it happened 15 to 20 minutes earlier, and there is
6 absolutely nothing -- so there would have been a period when
7 nothing was going on 15 or 20 minutes later before anything
8 happened, at least according to their own timeline. So, I
9 would submit to the Court that that is not sufficient to -- to
10 constitute malice.

11 The other thing is that the state has to also prove that
12 it was an unlawful or felonious kind of a killing. There's no
13 evidence of that. There is no evidence that this was a
14 unlawful killing. In fact, the only thing that the officer
15 says is that she says, according to her story, that he -- yes,
16 he hit me and then says, yeah, I stabbed him. That is not
17 murder. Even if that were true, that wouldn't be murder. If
18 she -- if she's saying I hit him, he hit me, and I stabbed
19 him; even if it happened that way, that would not constitute
20 murder. So, my -- my point is that the state has failed to
21 show both malice and/or a felonious killing, and I think that
22 they have to do both.

23 The third thing, Your Honor, is is that the argument here
24 has been self-defense. They have not disproven any element of
25 self-defense. They have not disproven one single element of

State v. Matthews Green - 2017-GS-26-04252
MOTIONS

467

1 self-defense of the four elements. One, that she was at fault
2 for bringing on the difficulty. But again, the problem for
3 them is this: the only evidence that they got of any
4 difficulty whatsoever at this point is, is that at some point
5 in time during the evening, Ms. -- Ant, whatever her name is,
6 Vereen, says, oh, yeah, when we got in the car, she slapped
7 him. Well, the problem is, nothing happens after that,
8 absolutely nothing. They actually drive to Ms. Vereen's home,
9 drop her off, nothing happens. She even says not a single
10 word or deed was done or spoken the entire time that they were
11 traveling to that house. So, there is -- I would submit to
12 the Court that they've not disproven by any means or by any
13 standard the elements of self-defense, and they certainly have
14 not proven malice or a felonious killing. So, I would ask the
15 Court to grant us a directed verdict as to murder.

16 THE COURT: All right.

17 Solicitor?

18 MR. SPRATLIN: Thank you, Your Honor, the state -- the
19 directed verdict motion, the light is taken in -- the evidence
20 is taken in the light most favorable to the state. The
21 evidence presented in this case, I believe, does show malice.
22 Malice can be shown in many ways; it can be shown either
23 expressed or implied. Implied malice, I believe, can be shown
24 through the circumstances and facts surrounding the killing,
25 as well as the actions of the defendant after the fact.

1 In this case, the defendant, moments before the decedent
2 died, sent a text to her father asking that bodily be harmed
3 -- asking that bodily harm be done to him the next time that
4 her father saw him. Within minutes, mere minutes of that text
5 being sent, the decedent had two stab wounds in his side. The
6 only person able to do that being the defendant. Following
7 the stabbing, the decedent lied repeatedly to law enforcement.
8 The decedent at the hospital initially acted in an aggressive
9 manner towards the officer at the -- at Seacoast Hospital.
10 Furthermore, she continued to show deceit towards any of the
11 other officers that interviewed her. She did not tell any
12 officer the truth, including even to the bitter end, the next
13 day, where she continued to lie and show deceit to Officer
14 Lent until she admitted that she actually stabbed him,
15 although continued to say she did not remember anything else.

16 Regarding the unlawful killing, the killing of another
17 unlawfully, there's been no reason for this stabbing shown.
18 There is -- the stabbing occurred out of hatred, anger,
19 malice, ill will, jealousy. There has been evidence shown --
20 there's been no evidence shown that the victim brought about
21 his own demise in any way, shape, or form or caused the
22 incident in any way, shape, or form. The evidence shows that
23 the defendant was full of jealousy. The text to her father,
24 showing off for somebody else, shows a jealous intent, shows
25 anger, shows hatred, shows ill will, shows malice, shows an

State v. Matthews Green - 2017-GS-26-04252
MOTIONS

469

1 intentional wrongful, unlawful act.

2 As far as the raising of self-defense, I do concede that
3 the defense has raise self-defense through cross-examination.
4 However, the state has disproven self-defense. There is no
5 evidence of any injury on this woman, other than a scratch on
6 her face, which the officer and security guard from Seacoast
7 Hospital actually state wasn't there when she first came in.

8 Furthermore, there's no reason and no evidence in this
9 record whatsoever to show that she was in any -- that she had
10 any reasonable fear of great bodily injury or death, or that
11 that fear was a reasonable fear. That is an element of self-
12 defense along with bringing about the difficulty, which we do
13 argue the evidence shows that she was at fault for bringing
14 about the difficulty. The lady who testified that was on a
15 date with both of them, Antoinette Vereen, testified that she
16 was upset, she was angry, she punched the victim in the face.
17 That is the definition of bringing about the difficulty. The
18 fact that it occurred mere minutes before he got stabbed does
19 not negate the bringing about the difficulty. We feel we have
20 shown evidence if viewed in the light most favorable to the
21 state, disproves self-defense. We believe that the evidence
22 if viewed in the light most favorable to the state shows that
23 there was -- that this crime was committed with malice
24 aforethought, and that it was an unlawful killing. No
25 justification given. No -- the evidence shows no

1 justification for this murder other than jealous rage, anger,
2 and hatred on the part of this defendant towards her then
3 husband. For those reasons, we would ask the Court to deny
4 the motion for a directed verdict and allow this case to go
5 forward.

6 THE COURT: All right. Any brief reply, Mr. Wilson?

7 MR. WILSON: Yes, sir. Just briefly, and I think, you
8 know, the solicitor -- first of all, lying to the police is
9 not evidence of malice. I mean, because one, it happened
10 after the -- the incident allegedly occurred. So, it could
11 not be evidence of malice because it happened afterwards.
12 That's the first thing.

13 And the second thing, Your Honor, is -- is that the
14 solicitor said, well, there has been no proof of -- of -- of -
15 - of malice, I'm sorry. He says that there's been no proof
16 that this was an unlawful killing. Well, the problem is for
17 him is that it's his burden to prove that there is evidence
18 proving that the killing was in fact unlawful. So, just to
19 say it, does not make it read true. And -- and -- and they've
20 just not -- they have not met those burdens. They've just
21 not.

22 THE COURT: All right, sir. Thank you. All right.
23 First, as to the issue for a directed verdict. In ruling on a
24 motion for directed verdict, the Court is concerned with the
25 existence or non-existence of evidence. I don't judge

State v. Matthews Green - 2017-GS-26-04252
MOTIONS

471

1 credibility or believability. It's only whether or not the
2 evidence exists. It's the jury's job to judge credibility and
3 believability. I look at does the evidence exist and has it
4 been placed in front of the jury. The Court would grant a
5 directed verdict motion when evidence merely raises a
6 suspicion that the accused is guilty. The Court has to view
7 all the evidence in the light and the reasonable inferences
8 therefrom in the light most favorable to the non-moving party,
9 that is the state. The case is submitted to the jury when the
10 -- when there is a, you know, substantial evidence, which
11 reasonably tends to prove the guilt of the accused.

12 Here in dealing with the issue of self-defense, the issue
13 has been brought forth by the opening statement of defense
14 counsel, which is not evidence. Questions by the defense
15 counsel -- but there may be some circumstances which might
16 indicate it, but really there has been no testimony or
17 evidence presented to this point that the defendant acted in
18 self-defense. There is barely an admission from the defendant
19 that she committed the crime in her statements, and no claim
20 in those statements that she acted in self-defense.

21 Now, the testimony of Ms. Verlène Antoinette Vereen is
22 evidence of the actions of the parties, and there is evidence
23 from that particular witness that could lead the jury to
24 believe malice or ill will. There's a statement from Ms.
25 Vereen, when the parties were at the Dockside that the

1 defendant said she's been through so much, I'm ready to kill
2 him. That's her statement; that's what the defendant said to
3 her. There was testimony through the Cellebrite download
4 through Detective Will Lynch about requests of the defendant
5 to bring physical harm to the victim. She indicates in one of
6 her messages or texts or recordings that she says she tells
7 him all the time, I could kill him.

8 Now, what's the context? That's for the jury. Does the
9 evidence exist? Evidence of malice exists. How it's to be
10 interpreted by the jury? That's for them. But, malice, ill
11 will, on behalf of the defendant towards the victim exists.
12 So, I respectfully deny the request of the defendant for a
13 directed verdict.

14 MR. WILSON: Thank you, Your Honor.

15 MR. SPRATLIN: Thank you, Your Honor.

16 THE COURT: All right. Further motions at this point in

18 MR. WILSON: Nothing further.

19 THE COURT: You'll be ready to proceed with your
20 presentation of evidence in the morning?

21 MR. WILSON: I am ready, Your Honor.

22 THE COURT: And, you know, at some point in time, I need
23 to question your client about her constitutional rights to
24 testify?

25 MR. WILSON: Yes, sir.

8 MR. WILSON: And get it out of the way before the jury

2 MS. MATTHEWS: Yes, sir.

3 THE COURT: We've reached the stage of the trial where
4 you can present your defense. You have the right to claim the
5 protection given to you by the Fifth Amendment of the
6 Constitution of the United States of America, which states in
7 part that no person can be compelled in any criminal case to

12 THE COURT: If you do so, you'll be subject to the rules

9 DIRECT EXAMINATION OF DONNIELLE MATTHEWS BY MR. WILSON:

10 Q: Donnielle, let me start out by asking you, how old are
11 you?

12 A: I'm 36.

13 Q: And tell me a little bit about yourself. Let's start
14 with where you are from, where you were born, and where you
15 were raised?

16 A: I was born and raised in Baltimore, Maryland.

17 Q: All right. And do you have brothers and sisters?

18 A: I have two brothers and one sister.

19 Q: Okay. What about your mother and father; are they still
20 alive?

21 A: Yes.

22 Q: All right. They're both alive?

23 A: Yes.

24 Q: All right. And where do they live now?

25 A: In Baltimore, Maryland.

1 Q: Okay. Now, have you -- when did you first come to South
2 Carolina?
3 A: I think maybe 2011.
4 Q: Okay. And tell us what brought you here; how did you end
5 up coming here to South Carolina?
6 A: I came to visit my grandmother in Orangeburg for the
7 summer, and I guess I got bored there one weekend and wound up
8 gonna to Myrtle Beach.
9 Q: Okay. So, your grandmother lived or lives in Orangeburg,
10 South Carolina?
11 A: Yes.
12 Q: Now, has your grandmother lived there?
13 A: Her whole life.
14 Q: Okay. Now, is that where your mother and/or father are
15 from?
16 A: My mom is from there.
17 Q: Okay. So, your mom is actually from Orangeburg?
18 A: Yes.
19 Q: All right. And your dad is from where?
20 A: Baltimore.
21 Q: All right. So, you ended up being born in Baltimore, but
22 you actually have family here in South Carolina in Orangeburg?
23 A: Yes.
24 Q: All right. And the first time that you came to visit
25 her, your grandmother, was in 2011?

DONNIELLE MATTHEWS GREEN - DIRECT BY WILSON

479

1 A: No, not the first time. We've been coming our whole
2 lives, but as an adult on my own.
3 Q: Okay. All right. So, you've been coming down to spend
4 time with your grandmother from time to time over the years?
5 A: Yes.
6 Q: All right. Now, does your grandmother still live in
7 Orangeburg?
8 A: Yes, she does.
9 Q: Okay. And now, do you live with her now, or have been
10 living with her?
11 A: Yes, now.
12 Q: All right. How long now?
13 A: It'll be four years in August.
14 Q: Okay. So, you live with your grandmother in Orangeburg
15 Just the two of you?
16 A: Yes.
17 Q: Okay. Now, let me ask you if at some point in time,
18 after becoming an adult, if you met Dennis Green?
19 A: That weekend that I said I was in Orangeburg and I came
20 to the beach.
21 Q: All right. And that would've been in 2011?
22 A: 2011.
23 Q: All right. Tell us what -- how you met him; where were
24 you guys at; how did y'all meet?
25 A: We were at a strip club in Myrtle Beach.

1 Q: Okay. And what is the name of the strip club, if you
2 recall, that y'all were at?
3 A: I think it was called Crush.
4 Q: Crush?
5 A: Uh-huh, (affirmative response).
6 Q: All right. So, you met him at the strip club called
7 Crush in Myrtle Beach?
8 A: Yes.
9 Q: All right. And that was around 2011, as best you can
10 recall?
11 A: June 2011.
12 Q: Very well. Now, tell us kind of how the relationship
13 went from there. Once you met him at the club in 2011, just
14 kind of give us a brief history of how your relationship
15 developed with him.
16 A: We exchanged numbers that night. We went to eat
17 breakfast the next day, and we kind of like were together ever
18 since.
19 Q: Okay.
20 A: Even when I went back to Orangeburg, he would come
21 sometimes on the weekend to pick me up and bring me back to
22 Little River and spend the weekend with him, and then he would
23 take me back to Orangeburg. We would still talk. And
24 whenever he was free, he would come to Orangeburg and pick me
25 up and bring me back up here.

481

1 Q: Okay. And -- and -- because you said that started in
2 2011, and how long did that continue before your relationship
3 went further?

4 A: I went back to Baltimore, I think the end of July 2011,
5 and we were still talking. I know he got in an accident or
6 something maybe in August of that year, and I came -- we met
7 in D.C. -- him and some of his friends came to Washington,
8 D.C. in October, and I wound up coming back to Little River
9 with him after that weekend.

10 Q: Okay.

11 A: And I stayed.

12 Q: All right. When you came to Little River with him, tell
13 us kind of where -- when you say you came to Little River with
14 him, at that point, where were y'all staying or where did you
15 stay?

16 A: Hotels.

17 Q: Okay. So, y'all were just staying at hotels around the
18 beach area?

19 A: Uh-huh, (affirmative response).

20 Q: And uh-huh, (affirmative response), you mean yes?

21 A: Yes.

22 Q: Okay. All right. You have to always say yes or no
23 because she has to take down what you're saying?

24 A: Okay. Yes.

25 Q: All right. Now, so after -- after you got to know

1 Dennis, did y'all's relationship continue to grow?

2 A: Yes.

3 Q: Okay. Tell us about that, tell us kind of how it
4 developed?

5 A: Like I say, from the first day that we got together, we
6 were pretty much exclusive.

7 Q: Okay.

8 A: As far -- to my knowledge.

9 Q: All right.

10 A: We wound up, I think, maybe around Thanksgiving of that
11 same year getting a condo in Cherry Grove, and we got engaged
12 like maybe December.

13 Q: Of what year?

14 A: 2011.

15 Q: Okay. All right.

16 A: I think maybe my birthday, January of 2012, was like the
17 first serious -- the first time he put his hands on me. Like
18 he had planned like a dinner or something with his family, and
19 he had stayed out that whole day. I didn't want to go,
20 because he came in late, and I'm like, I'm not ready, you
21 know, you've been gone all day, and he hit me, and we tussled,
22 and so I cried for a little while, and he fussed, and I wound
23 up getting dressed and doing my makeup and going out anyway.

24 Q: That was the first time that he had hit you?

25 A: That was the second time. The first time, we were like

1 out of peaches and he slapped me, and me, I'm just like, oh, I
2 couldn't tell you why I didn't leave and don't come back, but
3 I brushed that off, just like I did the first time. We went
4 out to eat. We out to a bar, like everything was normal. I
5 remember showing his sister and them like, I have scratches on
6 my neck, you know, I have scratches on my face.

7 Q: You said you were showing his sister and them, who are
8 you referring to?

9 A: His sisters, his family ---

10 Q: Who are his sisters?

11 A: --- his relatives. It was Denise, his sister, I was
12 showing. And I was saying -- she was telling me like I could
13 see it through your makeup.

14 MR. OSKIN: Objection to hearsay, Your Honor.

15 THE COURT: Sustained.

16 BY MR. WILSON:

17 Q: Don't tell me what his sister said to you, but you can
18 tell me what you said to the sister.

19 A: I was telling her like we got into it right before we got
20 here, and I was asking if she could see the scratches and cuts
21 and stuff on my face and on my neck and everything.

22 Q: Okay. All right. Now, so, this is now we're in 2012 in
23 your relationship ---

24 A: In January.

25 Q: --- With Dennis; is that fair?

1 A: Yes.

2 Q: Okay. So, let's go on. Tell me -- you told me about
3 these two instances. Go ahead and tell me what happened after
4 -- during 2012 and after in your relationship?

5 A: 2012, too, I think that's when I met that -- in February
6 I met the babies' mom, Alethia.

7 Q: Okay. And Alethia is the lady who testified earlier?

8 A: Yesterday, yes.

9 Q: Okay. You met her you think in 2012?

10 A: It was 2012 in February.

11 Q: Okay. How did you come to meet Alethia?

12 A: I had said to Dennis about because he had -- he would
13 have his children part of the week, and I was saying like his
14 mom and them were telling me like, she doesn't like you, she
15 doesn't want you to be around the children.

16 MR. OSKIN: Objection to hearsay, Your Honor, what the
17 mother is telling her.

18 THE COURT: All right.

19 A: And they were ---

20 THE COURT: Ma'am, you cannot say what other people told
21 you.

22 A: Okay.

23 THE COURT: You can only discuss that you talked to them
24 about.

25 A: Okay.

1 THE COURT: Not their responses.

2 A: Okay.

3 THE COURT: Go ahead.

4 A: Well, we had had a conversation I said about, you know,
5 I'm around her children; you would think that she would try to
6 have a good relationship with me, because her children are in
7 my care. So, he decided, he called her, and she and I spoke
8 and he was like ---

9 MR. OSKIN: Objection.

10 MR. WILSON: She hadn't said ---

11 THE COURT: All right. But just -- gentlemen -- just
12 remember now. Okay?

13 A: Okay.

14 THE COURT: Go ahead.

15 A: She and I spoke, and I said to her, you know, maybe let's
16 go have some drinks or something and sit down and talk, you
17 know, actually have a real face-to-face and get to know each
18 other, because I have your children. She agreed and ---

19 BY MR. WILSON:

20 Q: Let me -- let me talk to you with that a little bit. She
21 agreed to meet with you. Did y'all actually meet?

22 A: Yes, we did.

23 Q: Did you have a discussion?

24 A: Yes, we did.

25 Q: All right. And you can't tell me what that discussion

1 was other than what you said to her, but you can't tell me
2 what she said to you?

3 A: Okay. Like I said, it was about the children. It was
4 just the simple fact of I have your kids, you know.

5 Q: After that time, after having that meeting with her, did
6 you have possession of the children more often?

7 A: Yeah, but that -- because there was an altercation that
8 night.

9 Q: An altercation that night where?

10 A: That she witnessed at -- we went to a bar in North Myrtle
11 Beach. I can't remember the name of it.

12 Q: All right. You said we went to a bar ---

13 A: Her, myself, and Dennis went to a bar in Myrtle Beach --
14 North Myrtle Beach.

15 Q: Okay.

16 A: And ---

17 Q: Now, is this the same night that you had the meeting with
18 her to discuss the children?

19 A: Yes, yes.

20 Q: Very well. Go ahead.

21 A: That was the purpose of us going out was for us to meet
22 and talk and just, like I said, break the ice, so to speak.

23 Q: Very well.

24 A: His boss was there at the landscaping company that he
25 worked for in South Carolina, and he was there with his wife

- 1 and Dennis introduced myself and Alethia to his boss, and you
2 know, saying like where is your wife. He introduced us to
3 her, and we all sat down and we were talking, had some drinks.
4 And I remember a guy had came and was like trying to talk to
5 me and Alethia, and Dennis got mad, and we wound up arguing,
6 because I'm like you don't have to act like that, it's not
7 that serious. He spoke, you know what I mean?
- 8 Q: Right.
- 9 A: And ---
- 10 Q: The guy that came up, did he touch you in any way?
- 11 A: No, he didn't touch anybody, he just was saying, you
12 know, like ---
- 13 Q: Don't tell me what he said.
- 14 A: He didn't touch anybody. He didn't threaten anybody. He
15 wasn't nasty; he just -- he just spoke. You know, people are
16 friendly, sometimes they start drinking, they go -- you're in
17 a bar, people talk.
- 18 Q: Right.
- 19 A: And we wound up arguing.
- 20 Q: When you say we?
- 21 A: Me and Dennis wound up getting into an argument.
- 22 Q: In the club or outside?
- 23 A: Inside of the bar.
- 24 Q: All right.
- 25 A: And Alethia kinda was trying to like, you know, cool it

1 off before it got physical. And we wound up going to the car,
2 he hit me, I'm trying to hit him back, and she's holding me,
3 and I'm crying. She started crying, and is just like trying
4 to console me, you know, like, it's okay, it's all right, you
5 know. And we wound up going back to the condo and by the time
6 we got there, everything was fine, everybody was cool, and all
7 was forgiven.

8 Q: Okay.

9 A: And it went on like that for a while. So, I can't tell
10 you every incident that I -- it was -- it was normal after a
11 while. So, she wound up moving in with us.

12 Q: Okay. Now, let me ask you about that. How long had you
13 and Dennis been together before Alethia moved in with you
14 guys?

15 A: Maybe eight or nine months.

16 Q: Okay. Were y'all married at that point ---

17 A: No.

18 Q: --- or were you still engaged?

19 A: Engaged.

20 Q: You were just engaged?

21 A: Yes.

22 Q: All right. So, Alethia -- how did -- tell me how that
23 came about. How did she come to live with y'all?

24 A: That night that went out to have that conversation, she
25 spent the night. The three of us had sex and she stayed.

1 Q: Okay.

2 A: We went to pick the kids up the next day. The kids saw
3 the three of us together. They were happy, and we -- she
4 stayed, her and the children.

5 Q: How long did she stay in that house with y'all?

6 A: Well, we were still at the condo in Cherry Grove at
7 first. And then it was like a seasonal thing, so maybe March,
8 February, I don't know when the season ends or starts for the
9 beach, but we had to leave. So, we wound up finding the
10 apartment in Longs, and ---

11 Q: Now, when y'all moved to the apartment in Longs, did she
12 move with you?

13 A: Yes.

14 Q: So, she actually left Cherry Grove with you and moved
15 into the Longs apartment with you?

16 A: She actually moved all of her things into the apartment
17 in Longs.

18 Q: Now, and that includes the children?

19 A: Yes.

20 Q: Okay. All right. Go ahead, tell me what happened after
21 she moved in with y'all?

22 A: Well, the day that we were moving in, he was arguing with
23 her about something, and he wound up -- the plan was for the
24 three of us, the adults to be in one room and the children to
25 be in another room, but -- I'm not sure exactly what it was

1 that happened, she said something he didn't like or something,
2 and he wound up telling her like, you know ---
3 Q: You can't tell me what he told her.
4 A: Well, she wound up ---
5 Q: As a result of whatever conversation they had ---
6 A: As a result of that conversation, she wound up moving
7 into the other room.
8 Q: Okay.
9 A: But we still were doing what we were doing, the three of
10 us together, she just ---
11 Q: So, y'all would just -- the three of you would get
12 together when the kids were asleep ---
13 A: Or gone.
14 Q: --- or gone?
15 A: Yeah.
16 Q: All right. All right. And -- and -- and how long would
17 you say she stayed with you guys from the time she moved in
18 when y'all were in Cherry Grove until the time y'all moved to,
19 you said Little River or Longs?
20 A: Longs.
21 Q: Longs.
22 A: Maybe a month.
23 Q: Okay.
24 A: Maybe a month, because if it wasn't the two of them into
25 it, it was him and me into it, and if it ---

4 A: That we had to fight Dennis. That was the ---
5 Q: Explain that?
6 A: --- that was the only problem.
7 Q: All right.
8 A: We got along, the kids were taken care of.
9 Q: Hold on one second. I need you to explain that. You
10 said you had to fight Dennis; what does that mean?
11 A: That means at any time -- you never knew what kind of
12 mood he was in when he came in the house. You never knew what
13 might set him off and he would slap you, punch you, throw you,
14 something. And like I said, she -- she never got in the
15 middle of it when it was me, but when it was the two of them,
16 like I always tried to break it up, or I would, you know, take
17 the kids in the other room, so that they didn't -- because
18 they would -- it would -- he would do it right in front of
19 them. And I don't know, I guess after a while, she got tired
20 of it. I don't know.
21 Q: All right.
22 A: I'm not sure.
23 Q: But after some weeks or a month or so, she actually moved
24 out?
25 A: She moved out. She had told him that she was late, that

1 she thought she was ---

2 Q: You can't -- you can't tell me what she said.

3 A: Something happened.

4 Q: Hold on.

5 A: All right.

6 Q: Hold on. I know you're anxious, but you can't tell me

7 what she said or what he said; just tell me -- so, tell me

8 what happened.

9 A: I guess something happened that or was said that she

10 didn't like, and she said, you know -- I'm sorry.

11 Q: What did she do as a result of the conversation ---

12 A: She ---

13 Q: Listen, listen. As a result of the conversation that

14 they had ---

15 A: Uh-huh, (affirmative response).

16 Q: --- what did she do?

17 A: She called her mom and -- we left. Dennis and me went

18 probably to his mom's house or something, and she called her

19 mom and when we got back home, they were in there packing up

20 her stuff.

21 Q: Okay.

22 A: And I went and there was some things that she had

23 forgotten to pack, and I'm like, do you want to take this with

24 you, you wanna, you know -- and I said to her, I'm like you

25 sure you want to leave? I don't want you to leave. And she's

1 just like Donni, I can't.

2 Q: Okay. You can't ---

3 A: I'm sorry.

4 Q: All right.

5 THE COURT: Why don't you just ask the questions and have
6 her respond rather than just trying to have her tell a story.
7 Okay?

8 MR. WILSON: Your Honor, I apologize. I'm trying not to
9 lead and I ---

10 THE COURT: And I'll give you some leeway there.

11 MR. WILSON: Thank you, Your Honor.

12 BY MR. WILSON:

13 Q: All right. So, as a result of this conversation that
14 they had, she left. She left?

15 A: She moved out.

16 Q: She moved out?

17 A: Yes.

18 Q: Let's -- let's go on. After she moved out, did that
19 improve you and Dennis' relationship? Did it get better or
20 worse or stay the same?

21 A: It didn't change. I mean, it didn't make a difference.

22 Q: Okay. All right.

23 A: Her leaving or being there didn't change anything in our
24 relationship.

25 Q: All right. After she moved out, did you continuously get

1 hit, or were you being hit more or less after she moved out?
2 A: It was the same.
3 Q: Okay. About the same?
4 A: After she moved out, my sister came down.
5 Q: Okay.
6 A: And my sister moved in with us.
7 Q: Okay. Now, what's your sister's name?
8 A: Demetria Matthews.
9 Q: All right. How long did Demetria stay with y'all?
10 A: From maybe April to October or November of 2012.
11 Q: So, five or six months she was there with you and Dennis?
12 A: Yes.
13 Q: Okay. Now, tell me, during the time that Demetria was
14 with y'all, were there still beatings during that time?
15 A: Yes.
16 Q: All right.
17 A: Because we were going out more and, like I said, with the
18 drinking, and that was a person that was an angry drunk, and
19 anything could set him off. Like a guy looked at me or I
20 spoke to somebody or -- and it wouldn't be -- he wouldn't do
21 it at the place where we were at, he would wait till we got
22 home or till we got in the car or on the way home or -- he
23 wouldn't, you know, outright in front of people, just ---
24 Q: So, he didn't beat you in front of people; it was always
25 when you either were alone, the two of you guys were together?

- 1 A: Yes, there was one incident where he -- we were outside
2 and they was a whole lot of people outside, and everybody just
3 stood there like it was normal.
- 4 Q: Let me ask you, did you ever have an occasion to be in
5 the presence of his family members when he either beat you or
6 anyone else?
- 7 A: No.
- 8 Q: All right. All right. Now, tell me about -- so, his
9 family was not around when -- when the beatings were going on.
10 What about with Alethia?
- 11 A: They told me stories about ---
- 12 Q: No, you can't tell me about ---
- 13 A: I'm not saying -- about it happening.
- 14 Q: All right. You didn't see it?
- 15 A: I didn't see it myself.
- 16 Q: That's fair.
- 17 A: But I've heard stories.
- 18 Q: All right. Now, let me go on with you. Do you recall an
19 occasion where Alethia was bringing the children and he was
20 upset about it?
- 21 A: This was after she moved out. I didn't witness that; my
22 sister did.
- 23 Q: Okay.
- 24 A: She came back and told me.
- 25 Q: All right. Don't tell me what your sister said. But as

1 a result -- let's move on to something else. Let me ask you,
2 in regards to Dennis' family, what was your relationship with
3 them?

4 A: We had a good relationship with all of them.

5 Q: Okay. Did you get along with ---

6 A: All of them.

7 Q: All right. Tell me the names of his sisters?

8 A: Denise, Wanda, Robin, and Sabrina.

9 Q: Okay. All right. And of those sisters, were you close
10 to any of them?

11 A: All of them.

12 Q: All of them? Did you get along well with all of them?

13 A: All of them.

14 Q: Ever have any disagreements or fights or arguments with
15 any of them?

16 A: I had an argument with one, and it was -- it was about us
17 letting Alethia live with us.

18 Q: Okay. All right. Which one was that?

19 A: Denise.

20 Q: Denise?

21 A: The oldest one.

22 Q: She didn't want her to live with you?

23 A: No.

24 Q: Okay. All right. Now, did -- did Dennis have brothers?

25 A: He has one brother.

State v. Matthews Green - 2017-GS-26-04252
DONNIELLE MATTHEWS GREEN - DIRECT BY WILSON

497

1 Q: Okay. And did you know his brother or knew his brother?

2 A: Yes.

3 Q: What's his brother's name?

4 A: Cedric.

5 Q: Okay. Did you have any kind of friendly relationship
6 with him?

7 A: We weren't as close as the sisters, but -- I mean, we got
8 along.

9 Q: Okay. Now, he was older or younger than ---

10 A: He was the oldest.

11 Q: Okay. He was the oldest of the children?

12 A: Of the children, yes.

13 Q: Okay. So, he would've been older than Dennis. Where did
14 Dennis fall in line with the other children in terms of age?

15 A: He's the one right before the baby.

16 Q: Okay. When you met Dennis, what kind of work was he
17 doing?

18 A: He wasn't working.

19 Q: He wasn't working?

20 A: No.

21 Q: So, y'all were living in a hotel; who was paying for
22 that?

23 A: Him.

24 Q: All right. And y'all moved out of that into an apartment
25 and a condo; who paid for that?

1 A: Him.

2 Q: All right. Now, did he have vehicles?

3 A: Yes.

4 Q: When you met him, what kind of vehicle did he have?

5 A: When I met him, he was driving, I don't remember what
6 kind of car it was, but him and Alethia were sharing that car.

7 Q: Okay.

8 A: And that was a car he was in when he had the accident.

9 Q: Okay. Now, were you -- at any point in time, did you
10 know Dennis to sell vacuum cleaners?

11 A: No.

12 Q: All right. Has he sold you or brought home to y'all one
13 of those \$1700 vacuum cleaners?

14 A: Not at all, no.

15 Q: All right. Now, let me ask you about these fights and
16 things that -- or beatings, let's use that word, that Dennis
17 gave you. Did you ever have conversations -- and you can't
18 tell me what the conversations was except for your side of it.
19 Did you ever have conversations with Dennis' family members
20 about the fact that he was beating you?

21 A: Yes.

22 Q: All right. Tell me which family members you specifically
23 had conversations with about the fact that he was beating you?

24 A: His mom and his sisters.

25 Q: His mom and his sisters?

499

1 A: Yes.

2 Q: All right. All right. When you say sisters, you said
3 that there were several of them, so which ones specifically?

4 A: Three out of the four of them.

5 Q: I'm sorry?

6 A: I said three of them out of the four.

7 Q: Which three?

8 A: Denise, Robin, and Sabrina.

9 Q: Okay. All right. And did they actually send you text
10 messages and/or Facebook messages acknowledging those
11 beatings?

12 A: Yes.

13 Q: All right. And did you save those messages on your
14 Facebook and text accounts?

15 A: Yes.

16 Q: All right. Let me ask you if -- if at some point in
17 time, the beatings got bad enough that you decided to leave
18 Dennis?

19 A: Yes, I left -- the first time I left was January 2013.

20 Q: Okay. Tell me about that. Tell me about the beating and
21 tell me why you left?

22 A: Well, my sister, we ---

23 Q: You can't tell me what your sister said.

24 A: No. We were arguing, because I said to him, you made my
25 sister leave, and later I did find out that her reason for

1 leaving was because we fought so -- because it was -- she had
2 to breakup so many incidents between us. I don't remember
3 which -- which thing it was that was the final straw that I
4 was just like, I got to go; I'm leaving.

5 Q: So, you left him when -- my question though was when did
6 you leave?

7 A: It was January 2013.

8 Q: Okay. And where did you go?

9 A: I went back home to Baltimore.

10 Q: All right. You went back home to Baltimore. All right.
11 And how long did you stay in Baltimore before you came back,
12 if you did?

13 A: Maybe like eight months.

14 Q: Okay. You stayed away eight months in Baltimore. All
15 right. At some point in time after that seven or eight-month
16 period, what happened to cause you to come back to him?

17 A: My dad was coming to the beach for that week, and like
18 Dennis and I never -- we never stopped talking while I was
19 gone. So, I wound up telling him ---

20 Q: Telling him what?

21 A: --- telling Dennis that we ---

22 Q: Okay. You can't tell me what you -- well, go ahead. You
23 can tell me what you told him.

24 A: I wound up telling Dennis that we were coming down, and
25 he met us when we -- when we pulled up at the hotel. I had

1 given him all the information and everything. He -- he pulled
2 up while -- as soon as I pulled up, and I left with him and we
3 went back to his hotel room.

4 Q: Now, is this in Baltimore?

5 A: This is in Myrtle Beach.

6 Q: This is in Myrtle Beach. So, you and your dad, you said?

7 A: Myself, my dad, my brother, my sister, and my nephew.

8 Q: Okay. Now, why were y'all here?

9 A: We come anyway, like that's something that we've done
10 since we were children.

11 Q: All right. Y'all come to the beach or you go to
12 Orangeburg?

13 A: Both.

14 Q: Both. All right. So, y'all were coming to the beach
15 anyway?

16 A: Yes.

17 Q: And so, you and -- got with Dennis?

18 A: Yeah, and the next day ---

19 Q: That was a yes?

20 A: Yes.

21 Q: Okay. You then got with Dennis. All right. And once
22 you got with him back at that time, what month would this have
23 been?

24 A: Probably August.

25 Q: So, you got with him in August of '13?

1 A: Yes.

2 Q: All right. So, you got back with him like August of '13,
3 and tell me about what happens after that?

4 A: We spent the next two days with my dad and my siblings.
5 And that second night, we were arguing about something. We
6 were drinking, and we were arguing about something in the
7 truck, and I remember I was in his face, and he was like, get
8 out of my face, and he hit me. He swung and he punched me in
9 my mouth. All right, you can see -- I still have the cut on
10 my lip where like it was -- it was literally a hole in my lip,
11 and I was supposed to leave. I wasn't supposed to stay. I
12 was just supposed to be spending the week.

13 Q: You were supposed to go back with your family when they
14 left?

15 A: Yes.

16 Q: Did you go back with them?

17 A: I didn't go back, because my dad was looking for me, and
18 because of the -- the -- my cut on my face, I was hiding from
19 my dad. So, I wound up -- that's how I wound up staying.

20 Q: All right. So, they all went back and you ended up
21 staying, because you had ---

22 A: Yes.

23 Q: --- the injuries. And you didn't want them to see it?

24 A: Yes.

25 Q: All right. So, go ahead, tell us what happened. You and

1 Dennis stayed together then for how long?
2 A: Until ---
3 Q: Well, let me ask you this way. Did you leave again?
4 A: Yeah, I left again that next year.
5 Q: All right. You left again and would that have been 2014
6 or '15?
7 A: That was '14.
8 Q: You left again in 2014?
9 A: Yes.
10 Q: And when you left in 2014, where did you go?
11 A: I went back to Baltimore.
12 Q: All right. And when you go to Orangeburg -- I'm sorry,
13 you went to Orangeburg?
14 A: No, I went to Baltimore.
15 Q: To Baltimore, and who were you living with in Baltimore?
16 A: I probably stayed at my mom's house.
17 Q: Your mom's. Okay. Now, tell me what happened then, how
18 did you end up coming back after 2014?
19 A: I think he came to get me. He came to get me. He ---
20 Q: How long did you stay before he came to get you?
21 A: Maybe three months that time.
22 Q: All right. So, you were gone for maybe three months, he
23 comes to get you, and then you come back with him?
24 A: And by then, he was in Georgia.
25 Q: All right. So, in the interim, he had moved from Longs

1 to Georgia?

2 A: Yes.

3 Q: Okay. So, at that point, when he came and got you, when

4 y'all came back here, y'all went to Georgia?

5 A: Yes.

6 Q: All right. To the Atlanta area?

7 A: In Covington.

8 Q: Covington. All right. So, when -- when you moved to

9 Covington, were y'all living just the two of you alone or were

10 you living with someone else?

11 A: It was just us alone. He was staying at his cousin,

12 Maurice, that testified yesterday, he was staying here. He

13 moved actually in 2013 while I was gone.

14 Q: Okay.

15 A: To his house.

16 Q: Okay.

17 A: In 2013, the end of 2013, I went to Maurice's house with

18 him, and by January, I was gone again.

19 Q: Okay. All right. All right. So, did you ever stay at

20 the house, Maurice's house?

21 A: Yeah, for like a month-and-a-half.

22 Q: A month-and-a-half?

23 A: Uh-huh, (affirmative response).

24 Q: And then you left again?

25 A: And went back to Baltimore.

505

1 Q: And why did you leave this time?
2 A: This time, I didn't want to be at Maurice's house.
3 Q: Okay.
4 A: Number one.
5 Q: Why was that?
6 A: He and his wife were going through a divorce, and, you
7 know, I -- I just didn't want to be there.
8 Q: Okay.
9 A: Family stuff. His mom had, you know -- I just didn't
10 want to be there.
11 Q: It was just family issues going on ---
12 A: And I didn't want to be involved.
13 Q: --- you weren't comfortable?
14 A: I didn't want to be around it. And my grandfather was
15 sick at home back in Baltimore. So, if I'm gonna deal with
16 family drama, it was like, why not my own.
17 Q: Okay. So, now what year would that have been?
18 A: That was in 2014.
19 Q: 2014?
20 A: Yeah.
21 Q: All right. Now, when you left in 2014, you went back to
22 Baltimore again?
23 A: Yes.
24 Q: All right. Is that the last time you left or was there
25 another time in 2016?

1 A: I don't remember. I can't remember.

2 Q: Okay. All right. And now, the apartment that you and
3 Dennis were living in in -- in 2017, that's the same apartment
4 that y'all moved into in 2014?

5 A: Yes.

6 Q: Okay. And y'all stayed there for the three years, right?

7 A: Yes.

8 Q: Now, let me ask you when -- about Dennis' travels. Y'all
9 don't have children?

10 A: No.

11 Q: All right. You don't have children; Dennis has two,
12 right?

13 A: He has three.

14 Q: He has three?

15 A: He has three boys.

16 Q: Three boys. Now, during that time that y'all were living
17 together between 2014 and 2017, tell me about the work habits
18 of Dennis; what kind of work was he doing?

19 A: He was doing landscaping.

20 Q: He was doing landscaping, and he was working for a
21 landscaping company?

22 A: Yes.

23 Q: All right. Now, you know the name of the company?

24 A: Procutters.

25 Q: Procutters?

1 A: Yes.

2 Q: All right. And what was his normal hours?

3 A: Some days he would work 17 hours.

4 Q: All right.

5 A: But it was like Monday through Thursday, because Thursday

6 when he got off, he would come home and eat. I would pack his

7 bag, and he would be on the way to Little River until Sunday.

8 Q: All right. So, he would leave every Thursday night and

9 come back when?

10 A: Sunday evening.

11 Q: Sunday evening?

12 A: Yes.

13 Q: All right. So, you would be alone every weekend from

14 Thursday night till Sunday night?

15 A: I had six pit bulls, so I wasn't alone, but -- yeah, he

16 was not home.

17 Q: Okay. Now, you were aware of Dennis' criminal history,

18 right, with drugs?

19 A: Yeah.

20 Q: When did you become aware of that?

21 A: When we met.

22 Q: I'm sorry?

23 A: The first time that we met.

24 Q: All right. Tell me about that, why do you say the first

25 time you met?

1 A: He just telling stories about different things that had
2 happened, and it was that kind of stuff; drugs, guns.

3 Q: All right. So, you knew from the very beginning what he
4 did?

5 A: Uh-huh, (affirmative response).

6 Q: And now, to your knowledge, did he ever stop doing it
7 during the time that y'all were together?

8 A: Not to my knowledge.

9 Q: All right. Now, let me ask you about -- do you know what
10 his income was from his job?

11 A: He might've made \$700 a week.

12 Q: A week?

13 A: Yes.

14 Q: But y'all had four cars, right?

15 A: Yes.

16 Q: Tell us what the four cars were that you had?

17 A: He had a Trailblazer; he had Pontiac G-6; he had a
18 Mercedes; and he had just gotten an Altima like a couple
19 months before.

20 Q: Okay. All right. And do you know what y'all's rent was
21 at your apartment?

22 A: I don't remember.

23 Q: Were you working?

24 A: No, I was not.

25 Q: Did you ever work during the entire number of years that

1 you guys were together?

2 A: No. He didn't want me to work.

3 Q: He didn't want you to work?

4 A: No.

5 Q: Why? Now, you say you had pit bulls; how many pit bulls

6 did you have?

7 A: There was six of them.

8 Q: All right. Now, who purchased those pit bulls?

9 A: He did.

10 Q: All right. All right. What about y'all's food and stuff

11 like that, I mean, who paid for that?

12 A: Dennis.

13 Q: Now, did you pay car insurance or anything like that for

14 any of those vehicles you had?

15 A: Car insurance, car payments.

16 Q: He paid all of it?

17 A: He paid for everything.

18 Q: All right. Now, let me ask you, in regards to the times

19 that -- that you and Dennis were together, did you have some

20 good times as well?

21 A: Of course.

22 Q: Tell me about that. Tell me about the reasons that you

23 stayed in the relationship after the abuse. Why would you

24 stay?

25 A: Because I loved him. We were happy. And I feel like, I

1 think in my mind, it was like the good outweighed the bad.
2 So, it was like all of the things that I had, and the trips
3 that we would take, and the gifts that were purchased, and ---
4 Q: So, he would buy you things?
5 A: All the time.
6 Q: All right.
7 A: And I think it was to make up for the busted lips and
8 black eyes and me having to hide in the house for the week
9 until something healed. That's why I didn't come up here when
10 he came on the weekend.
11 Q: Now, there is -- there is no question that there were

1 you're an intelligent soundings lady, why would you stay with
2 a man who beat you regularly, gives you black eyes, busted
3 lips, bruises; why would you stay with him?

4 A: I mean, he was, at the time that we were together, the
5 sole provider for my entire existence, pretty much. And like
6 I say, he didn't want me to work, so it got to a point to I
7 was totally and completely dependent on him.

8 Q: Now, let's -- let's focus on Dennis' relationship with
9 his children for a minute. Let's talk about that. During the
10 -- and let's focus maybe on the last three or four years, from
11 2014 -- or '14, after you came back that last time till his
12 death. Tell me about his relationship with the children and
13 your relationship with his children?

14 A: I mean, I love them like they're mine, and I have since
15 they were babies. He had a good relationship with his
16 children. His children, even though they would see him do,
17 you know, hit me, or hit their mom and stuff, they didn't
18 think he was a bad person. You know, like all kids feel like
19 their dad is superman. He had a good relationship with his
20 kids and, I mean, I did, too. Like I say, they were -- I say
21 my babies, my babies. I miss them now, you know.

22 Q: So, you grew to love his children. And tell me about
23 what would happen with the children -- well, let me ask you
24 this way. Did -- and I'll just be specific. Did Alethia, the
25 mother of the children, ever express to you her gratitude for

1 your taking care of the children?

2 A: She has, on several occasions.

3 Q: All right. Did she in fact send you emails and text
4 messages about how much she appreciated it?

5 A: She has.

6 Q: All right. And did you happen to save those text
7 messages and emails?

8 A: I did.

9 Q: I'm sorry?

10 A: I did.

11 Q: Okay. Now, let's -- let's talk for a minute about on a
12 typical weekend when he would get the children. Tell me what
13 would happen when she would either drop them off or that y'all
14 would pick them up; how did that work? Tell me how that
15 worked?

16 A: She would either drop them off or -- I think when she
17 first -- when we were still living in South Carolina, they
18 would take turns. She would drop them off at his mom's house
19 or -- excuse me -- I would go pick them up, or he would go
20 pick them up. And once he moved, he didn't -- once we moved
21 to Georgia, he didn't really have them. Like if I would come
22 up with him, they might be at his mom's house or something
23 like that or at his sister's house or something, but he didn't
24 -- even when we were living there, he didn't have them. He
25 might come pick them up, he might stay for a couple of hours,

1 and then he's gone and it's just me and the boys. That's been
2 from the beginning.

3 Q: And did that pretty much the way it was the entire three,
4 four years leading up to his death?

5 A: Yes.

6 Q: Now, let's -- let's move a little further and let's talk
7 about the night -- or actually the night/morning of July 7th
8 of 2017. You recall that day, I'm sure?

9 A: Yes.

10 Q: Now, tell us -- let's go back. This would've been the
11 week of July 4th; is that correct?

12 A: Yes.

13 Q: All right. Tell us what was happening with your family
14 in regards to that week?

15 A: My mom had come up to Myrtle Beach for 4th of July, and
16 Dennis was already here. I wasn't coming. Minor1 's birthday
17 was the 5th of July, and I had told him, you know, since I
18 didn't come to the beach, just bring them when you come back
19 home Sunday and we would do something then. But my mom wound
20 up coming to Myrtle Beach, and she's texting me. She said why
21 don't you just come here. I had my nephew. So, she was like
22 she wanted to see my nephew; just -- just come on. And then
23 Dennis started calling me like, your mom's here, you might as
24 well come on. I wound up -- I let the two of them talk me
25 into coming to the beach.

1 Q: All right. So, as a result of that, you were not
2 originally planning to come?
3 A: I had no intention of coming up here.
4 Q: And why weren't you coming?
5 A: Because I didn't want to.
6 Q: You just didn't want to come because you know -- you knew
7 your family was here?
8 A: I just didn't want to.
9 Q: Okay.
10 A: I stopped -- after a while, I stopped coming up here,
11 because that's where we would fight. When we would come here,
12 that's when I would have to worry about him getting mad and
13 punching me in the face, and then I got to go back into
14 hiding. And I just started coming up here, because it was
15 just like evil.
16 Q: All right. Now, a lot of these times when Dennis would
17 punch you and stuff, it was when he's been drinking?
18 A: Not all the time; he didn't have to be drinking.
19 Q: All right.
20 A: But that's what, when we came here, there was nothing
21 else to do besides whatever he came up here for. We would
22 wind up going out and it would be some -- I would wind up
23 being beat up eventually.
24 Q: Okay. So, anyway, you did decide ultimately to come to
25 Myrtle Beach. Now, tell me about that. Once you -- what --

1 when did Dennis come to Myrtle Beach during that week?
2 A: He came the week before that. He was here, like he does
3 on Thursdays. So, he left the Thursday before.
4 Q: So, how many days had he been to Myrtle Beach before you
5 came?
6 A: Maybe five or six days before I came.
7 Q: He was already here five or six days before you arrived?
8 A: Yes.
9 Q: And you were in Atlanta the rest of that time?
10 A: Yes.
11 Q: Okay. So, you come down on what day?
12 A: The night of the 3rd.
13 Q: The night of the 3rd. So, you came the day before the
14 July 4th?
15 A: Yes.
16 Q: All right. And you got down here that night. Where did
17 you go to stay?
18 A: I met Dennis at his mom's house, and then we went to --
19 my mom had a condo, so we went and stayed in my mom's condo.
20 Q: Now, did you drive down?
21 A: I drove, yes.
22 Q: From Atlanta?
23 A: Yes.
24 Q: Okay. And so, when you got here, you went straight to
25 Dennis' mom's house?

1 A: I went to meet him at his mom's house.
2 Q: Okay. And was he there when you got there?
3 A: Yeah.
4 Q: All right. And what did y'all do after you got there to
5 his mom's house? You stayed for a while or ---
6 A: No, I didn't go in, we just -- he was in the yard.
7 Q: Okay.
8 A: We put the bags that were in the car that I had in the
9 other car, and we drove the one car to my mom's condo.
10 Q: And you left your car at his house?
11 A: Yes. I left his car at his house.
12 Q: I'm sorry?
13 A: I mean, I left his car at his mom's house.
14 Q: Okay. Whose car did you put the bags in?
15 A: I put the bags in the Altima. I had driven the Mercedes
16 up here.
17 Q: Okay.
18 A: And I -- that was part of the reason I didn't want to
19 come, too, because I didn't want to drive that car.
20 Q: Okay. So, the Mercedes, y'all left at his mom's, got in
21 the Altima that you were driving?
22 A: Yes.
23 Q: Oh, you drove the Mercedes here, but you got in the
24 Altima that he was driving?
25 A: Yes.

1 Q: All right. And then where did y'all go once you got into
2 the Altima, where did y'all go?
3 A: We went to my mom's condo.
4 Q: All right. All right. So, tell me about that. You get
5 to your mom's condo, and this is July 3rd. So, what happens
6 on July 3rd; tell me about that?
7 A: It was that night, so we wound up going -- we talked for
8 a little bit, and we laid down and went to sleep. He got up
9 in the morning like he does.
10 Q: Did y'all have y'all own room?
11 A: No, we stayed at her condo.
12 Q: No, I'm saying did you have your own room in the condo.
13 A: I let my nephew and my little cousin stay in the bedroom.
14 Q: Okay. Where did y'all sleep?
15 A: It was a sofa bed like in the living room.
16 Q: Okay.
17 A: Somewhere.
18 Q: All right. And there were a bunch of people here with
19 your family? Who all came down from your family to this ---
20 A: It was my mom, my grandmother, my nephew, and my little
21 cousin, and myself.
22 Q: Okay. All right. And then Dennis?
23 A: And Dennis.
24 Q: Okay. So, go ahead. This is the night y'all lay down --
25 y'all have anything to drink that night?

1 A: He was drinking anyway, because when he came to the car
2 when he was at his mom's house, he had a -- a Bud Light.
3 Q: Okay.
4 A: And he had Hennessy; he had a bottle of Hennessy in the
5 trunk.
6 Q: Okay. Did y'all get into any argument or disagreement
7 between the time you left his mom's house to the time you got
8 to the motel?
9 A: We fussed at his mom's house, because like I said, I
10 didn't want to drive that car. So, he was mad, but ---
11 Q: But no -- no -- nothing of any serious nature?
12 A: Nothing. It didn't get physical.
13 Q: Okay. So, y'all left there and y'all went to ---
14 A: My mom's.
15 Q: --- the place where your family was staying?
16 A: Yes.
17 Q: And y'all went to bed. What time of night would you say
18 y'all actually ended up at the condo where your family was
19 staying?
20 A: It might have been 11:00 or 12:00 that night. It was
21 late.
22 Q: Okay. And -- and -- and then y'all went to bed. So,
23 then tell me what happened the next morning, which is now it
24 would be what, July 4th?
25 A: Yes.

1 Q: Tell me what happened.

2 A: The next morning, he got up probably like 5:00, 6:00 and
3 he left, and he went back to Little River. I got up and I
4 cooked everybody breakfast. No, we went to eat breakfast that
5 morning of the 4th, and he came back maybe 5:00 or 6:00, 7:00
6 that evening, a little bit before it got dark.

7 Q: So, he left early that morning?

8 A: Yes.

9 Q: Came back late in the evening of July 4th?

10 A: Yes.

11 Q: Do you know where he was during that period?

12 A: He went to Little River.

13 Q: Okay. Go ahead.

14 A: We got in the pool and played around in the pool for a
15 little while. Like I say, when it started getting dark, mom
16 was like, all right, come on y'all, you know.

17 Q: So, we went to the pool; now, who are we speaking of?

18 A: Dennis, my mom, my nephew, my cousin, myself, and my
19 grandmother.

20 Q: All right. So, after he comes back in the evening, y'all
21 all go to the pool and hang out?

22 A: Yes.

23 Q: All right. And this is you say after 7:00 p.m.?

24 A: It was a little bit before 7:00, because around 7:00 is
25 when my mom reminded us, you know, about the fireworks. So,

1 we had to get out of the pool and wash and get dressed and go
2 -- he was taking us like he knew, I guess, the spot. He's
3 from here, so he knew where was a good place to go, and ---
4 Q: A good place to go to watch the fireworks?
5 A: Yes.
6 Q: Sure. All right. So, y'all all gather up to go watch
7 the fireworks?
8 A: Yes.
9 Q: All right. And y'all ride together or in separate cars
10 with your family or did y'all do that?
11 A: Me and Dennis rode together and the children were with my
12 mom and my grandmother.
13 Q: Okay. Now, did you have Dennis' children with you during
14 this time?
15 A: No, I didn't get them until the next day.
16 Q: Okay. We'll come to that in a minute then. All right.
17 So, so y'all go to watch the fireworks, anything happen that
18 eventful at the fireworks?
19 A: No.
20 Q: Okay. Y'all watched the fireworks?
21 A: We had a good time.
22 Q: What time did y'all go back, directly back home after the
23 fireworks or did y'all stop anywhere?
24 A: We stayed out there for a while, and we went back to the
25 condo. I can't tell you what time it was, I don't ---

3 A: Yeah, we're playing the music and dancing and ---
4 Q: Okay.
5 A: --- drinking and we -- we had a good time.
6 Q: All right. So, everything went really well that night.
7 Tell us about the morning of the 5th; what happens then?
8 A: He got up, and I had to drop him off that morning in
9 Little River.
10 Q: Okay. So, now, does he have family in Little River?
11 A: His whole family is in Little River.
12 Q: Okay. So, you dropped him -- you take him to Little River
13 and drop him off?
14 A: I dropped him off at his mom's house.
15 Q: What -- what -- what time of morning would you say that
16 was?
17 A: It was early in the morning like maybe 6:00 or 7:00 in
18 the morning.
19 Q: All right.
20 A: And I promised my momma that morning that I would cook
21 them breakfast.
22 Q: Okay.
23 A: And I had to get my nails done because the baby's --
24 Minor 1 's party was later that afternoon. So?
25 Q: Whose party?

1 A: Minor1 's, that's the baby boy. Dennis' youngest ---
2 Q: Dennis' son's birthday party ---
3 A: Youngest son.
4 Q: --- would have been that afternoon, which would have been
5 July 5th?
6 A: The 5th. Okay. So, I went to the grocery store, because
7 like I said, I promised my momma that I would cook them
8 breakfast. I saw a nail place next to there, and I went in
9 there and I made an appointment for maybe like an hour later;
10 it would take me that long to fix the food. I went back to
11 the condo, cooked them breakfast, I went and got my nails
12 done. I think I talked to Alethia, and I was asking her, you
13 know, what else do you need me to bring out there, and
14 whatever, and she told me the stuff to get from the store.
15 Dennis called me maybe about 4:00 or 5 o'clock to come get him
16 so he could get ready, so we could go. And I went to the
17 store and got the stuff that Alethia said she needed, and we
18 came -- we went to the place that she was having a party. We
19 had a good time; we were skating. I mean, we had a good time
20 that day, too.
21 Q: Were all of Dennis' kids there, all three of them?
22 A: No, just the two boys.
23 Q: The two boys?
24 A: Yes.
25 Q: So, now, tell me about after the party, where did y'all

1 go; did y'all leave -- did you and Dennis leave the party
2 together or ---
3 A: Yeah, we did, but the kids were with us, because like I
4 said, I haven't seen them, I haven't been up here. So,
5 they're like we going with you.
6 Q: Okay. You can't tell me what they said.
7 A: The kids wanted to go with me.
8 Q: All right. The kids, after the party ---
9 A: After the party ---
10 Q: --- the kids left with y'all?
11 A: --- we were in the parking lot. Yeah, they left with us.
12 Q: The kids left with you and Dennis and went back to your
13 condo where you were at?
14 A: To my mom's condo.
15 Q: Okay. Your mom's condo. All right. And that was the
16 boys?
17 A: Yeah.
18 Q: Including the birthday boy?
19 A: Yes.
20 Q: Okay. Now, so y'all get back to the condo, tell me what
21 happens there?
22 A: Like I said, my nephew was there and my little cousin was
23 there. So, the kids, everybody's getting along. I hear -- I
24 remember laughing, because all of them, I hear them saying
25 shut up, you shut up, you know the kids are bickering.

1 Q: They're playing and ---
2 A: So ---
3 Q: Does anything happen between you and Dennis that night or
4 everything goes fine?
5 A: Nothing happened. Everything was fine.
6 Q: All right. Let's go to the morning of the 6th?
7 A: When I woke up on the 6th, he was gone.
8 Q: You woke up and he was gone?
9 A: He was gone.
10 Q: Okay. And what time do you think you woke up that night?
11 A: Maybe about 8:00, because the kids woke me up.
12 Q: Okay. So, you got up, Dennis was gone.
13 A: Uh-huh, (affirmative response).
14 Q: So, tell me what you and the kids did that day or what
15 happened with you that day?
16 A: Went to eat breakfast, me and the kids, my mom, my
17 nephew, my grandmother.
18 Q: Y'all went to eat; did y'all take the kids, too?
19 A: Yes, I had them with me; we went to eat breakfast. I
20 can't -- I don't know where we were at.
21 Q: Okay. All right. So, y'all all went as a family, as a
22 group?
23 A: Yes.
24 Q: Okay. And you had breakfast; what did you do after
25 breakfast, what did you do?

1 A: The children wanted to go to the beach.
2 Q: Okay.
3 A: So, we had to go get swimming trunks and towels and all
4 this stuff, so it was like an adventure that whole day with us
5 and the kids, and going to the market and getting little stuff
6 that they wanted and everything else. We wound up not going
7 to the beach; they wound up getting the pool.
8 Q: Okay. So, when you came back after getting all those
9 bathing suits and items, then they ended up gonna the pool
10 instead of the ocean?
11 A: Yeah.
12 Q: All right. And did that go on for some hours?
13 A: It was a while, because I remember, I was fussing saying
14 I didn't want them to get in the pool, and I called Alethia
15 and she was like no ---
16 Q: You can't tell me what Alethia said.
17 A: Well, we both said no.
18 Q: All right.
19 A: And we wound up letting them get in -- go anyway. And
20 Dennis called and he was reminding me, he said ---
21 Q: Okay. You can't tell me what Dennis said.
22 A: He was reminding me ---
23 Q: No, listen. Hold on. As a result of the conversation
24 with Dennis, what did you do?
25 A: As a result of the conversation, I got the kids together,

1 and I went to meet him at his mom's house, so we could go to
2 the store so I could get something to wear ---
3 Q: Okay.
4 A: --- to go met -- Antoinette?
5 Q: Yes, Antoinette.
6 A: Yes, okay. So, I met him at his mom's house.
7 Q: He took you shopping?
8 A: Yeah.
9 Q: All right.
10 A: We went shopping.
11 Q: And what did you buy, when y'all went shopping what did
12 you buy?
13 A: Minor 1 and me got Converse.
14 Q: I'm sorry?
15 A: We got matching shoes.
16 Q: Your kid ---
17 A: Yeah, for his birthday.
18 Q: --- for his birthday?
19 A: Yeah.
20 Q: He got some Converse and you got some Converse, the two
21 of y'all?
22 A: Uh-huh, (affirmative response).
23 Q: The two of y'all. Same color?
24 A: No. He got black, I got red.
25 Q: All right. And what about the other kids, did they get

2 A: No, Minor2 stayed at Sabrina's house, because he wanted
3 to play the game with her son.

4 Q: Okay. So, y'all go shopping together; you, Dennis, his
5 son?

6 A: Uh-huh, (affirmative response).

7 Q: Anybody else?

8 A: His cousin, Deuce, went.

9 Q: His cousin, Deuce?

10 A: Uh-huh, (affirmative reponse). Yes.

11 Q: Is that Edward Campbell?

12 A: Yes.

13 Q: All right. So, y'all all go shopping. After you finish
14 shopping, where do y'all go?

15 A: We went to pick Minor2 up from Sabrina's house.

16 Q: Okay. That's the other kid?

17 A: Uh-huh, (affirmative response). I mean, yes.

18 Q: All right. And once y'all get him, where do y'all take -
19 -- where do y'all go?

20 A: Well, that's when Dennis started getting agitated because
21 he didn't come straight out the house when he pulled up. So,
22 he was blowing the horn and he's cussing and fussing at him.
23 I'm like, can you give him a, you know, give him a chance to
24 get up, cause she say he started falling asleep. So, I'm like
25 can, you know, give him chance to get up and get his stuff on

1 and come out the door.

2 Q: So, what time of evening are we talking now when y'all

3 went to pick up his second child?

4 A: Maybe about 9:00, because I texted Alethia.

5 Q: At night?

6 A: Yeah.

7 Q: Okay.

8 A: Yes, I had texted Alethia saying, you know, I know it's

9 late, I know it's bedtime, we're on the way, whatever.

10 Q: Okay.

11 A: And ---

12 Q: Now, y'all pick up his child from Sabrina's house.

13 A: Yes.

14 Q: And this is around 9:00 p.m. on the evening of the 6th?

15 A: This is the 6th, yes.

16 Q: All right. Have y'all already made plans to go out that

17 night to see Antionette?

18 A: Yeah, he -- earlier that day, it came up and I'm like all

19 right, you know, my thing was we could wait and do it

20 tomorrow, but for whatever reason, he wanted to do it that

21 night.

22 Q: All right. Let me -- Let me stop you and ask you, now,

23 prior to July the 6th, when is the first time you ever knew

24 anything about Antionette?

25 A: Probably April.

- 1 Q: April?
- 2 A: Maybe March or April, May.
- 3 Q: Okay. And how -- how did you find out something about
- 4 her?
- 5 A: It's actually she couldn't -- it was two girls, two
- 6 light-skinned girls that had dreads. So, I didn't know for
- 7 sure, which one was which. I know her name now, because it
- 8 keeps, you know, I don't -- I didn't -- it was two, and I know

2 A: But come to find out, she was the one that was in South

4 Q: Okay. All right. So, and he told you about both of
5 them?

6 A: Uh-huh, (affirmative response).

7 Q: And so, you were aware that both existed and that ---

8 A: He showed me pictures and everything.

9 Q: You just didn't know them?

10 A: I didn't.

11 Q: Had never met them?

12 A: I don't come outside; I'm home.

13 Q: All right. Now, has he had other women other than these
14 two?

15 A: Yes.

16 Q: All right. I mean, how many would you think, just in the
17 time that you've known him that you know about?

18 A: I couldn't tell you.

19 Q: More than six or eight?

20 A: Yeah.

21 Q: Okay. All right. So, this was not a novelty; this
22 wasn't something unusual?

23 A: I mean, it was -- we met on those type of -- in that,
24 like I say, at the strip club that night that we met, he
25 didn't -- I didn't leave with him, he left with a friend of

1 mine.
2 Q: Okay.
3 A: So, that was -- we started off, you know, him and other
4 women.
5 Q: Okay.
6 A: That was normal.
7 Q: All right. So -- so -- so, you had heard her name or saw
8 her picture or something, but that was the extent of any
9 knowledge you had?
10 A: Yes.
11 Q: The first time you actually met her would've been when
12 you came down here in July and y'all went out the night of the
13 6th?
14 A: Yes. Because that's what I kept telling him ---
15 Q: Or the 7th.
16 A: --- I'll meet her, you know, whenever I decide to come to
17 South Carolina. It just so happened that that -- I came
18 because my mom was here. So, I guess he was like, you know,
19 while you're here, let me get y'all together.
20 Q: All right. Have you met -- have you met other women
21 other than Alethia, that ---
22 A: Yes.
23 Q: All right. Do you have any idea how many that he had?
24 A: I couldn't tell you all of them.
25 Q: More than five or six?

1 A: Absolutely.

2 Q: All right. And -- and so, that night, y'all dropped --

3 after you get the kids, you're gonna take them home and get

4 them to bed; is that what the plan was?

5 A: Well, I was dropping them off to their mom.

6 Q: All right.

7 A: He was rushing because it was like, we got to hurry up

8 and get rid of the kids. We got to get back to the condo, you

9 got to change, you got to -- and he was gonna go pick her up

10 and like he was just, you know, excited, I guess, about me --

11 us meeting.

12 Q: Okay. So, the two -- so, y'all dropped the kids off to

13 their mother, Alethia, and then y'all go back to your condo to

14 get dressed?

15 A: Yes.

16 Q: All right. And -- and, so, what time do you think y'all

17 got back to your condo?

18 A: Maybe 9:30, 10 o'clock.

19 Q: Okay. And so, once you get there, tell me what happens

20 to that point?

21 A: Poured some drinks, we were listening to music. I forgot

22 what I cooked, but I made, you know, something to eat before

23 we started drinking. We were having a good time.

24 Q: Okay.

25 A: Like every other night that we had been together down

1 here.

2 Q: All right. So, that night went well as well?

3 A: Yes.

4 Q: All right. Now, let me ask you, at some point in time,
5 when y'all were starting to -- to get ready to go out, is your
6 mom there?

7 A: Yes.

8 Q: All right. And had y'all been drinking at that point?

9 A: Yes.

10 Q: You as well?

11 A: Yes, I had a drink when I had the kids, because it was
12 like, a day with, you know, ripping and running with them and
13 everything. So, I had taken a drink before I even went to go
14 meet Dennis at mom's house that evening.

15 Q: Because you had four kids all day?

16 A: Yes.

17 Q: All right. And so, let me ask you, after the kids are
18 dropped off and you get back and cook some food, and then you
19 start to get dressed to go out?

20 A: Yes.

21 Q: All right. And -- and -- and it's your understanding at
22 that point, that y'all were going pick up this girl ---

23 A: Yes.

24 Q: --- that Dennis has been seeing and y'all were gonna go
25 out on a date?

1 A: The agreement was that we weren't gonna be out long,
2 because like I said, I, and I kept saying it to him, I have
3 had your children all day, I'm tired, I really don't feel like
4 doing anything, can't I meet this girl tomorrow; can't we do
5 this tomorrow? And then my mom wanted me to get up in the
6 morning and drive her to the airport in Charleston, back to
7 Orangeburg, back to the beach, and it was just a lot of
8 running around that I had done that day and that I would have
9 had to have done the next morning. And I'm just like, can we
10 put this off. You know, once I get my mom out the way and
11 take my nephew, let me nephew go with my mom, I already
12 dropped Minor1 and Minor2 off, like we got Saturday and Sunday,
13 you know, to mess around with your girlfriend.

14 Q: The next morning, which would've been the morning of the
15 7th, you were supposed to take your mom to the airport?

16 A: Yes.

17 Q: And the airport was in Charleston?

18 A: Yes. So, the agreement was that we were not gonna be
19 long because I just kept telling him, like I'm tired, baby,
20 I'm tired. So, we weren't even supposed to be out as long as
21 we were.

22 Q: All right. So, you agree to go; y'all went?

23 A: Yes.

24 Q: Okay. The two of you got dressed and left the condo to
25 go pick up this lady?

535

1 A: Yes.

2 Q: All right. And so now, tell me what happens from that
3 point, you get in the car and you're going to pick her up.
4 Tell me what happens from that point.

5 A: We got to her house and she came outside and he and I
6 were in the car talking about her legs, like she's tall and
7 she had her legs out. And she came to the car and I got out
8 and she reached like, you know, she was getting ready to get
9 in the back seat, and I said to her, I said don't you want to
10 get in the front with them legs, girl, and she smiled, you
11 know. I got in the backseat; she got in the front seat. And
12 he stopped at his mom's house for something.

13 Q: Okay. Now, prior to that point, had there been any anger
14 that day between you and Dennis, any fights, any hostility at
15 all prior to that?

16 A: No. He was irritated because, like I say, when dropping
17 the kids off, he was trying to hurry up, you know, and drop
18 them off so he could get himself situated, I guess, to -- for
19 the date that night.

20 Q: All right. Okay.

21 A: But no, we were fine. Everything was fine.

22 Q: All right. So, let's -- let's -- let's go on. You get
23 to -- you get to this point where y'all are going to pick her
24 up. Y'all are both dressed and you're going to pick her up.
25 You get to her house. And how long do you think it takes you

1 to get from your hotel to her house, a guess, I know you don't
2 know exactly?
3 A: I didn't ---
4 Q: You wasn't paying attention to that?
5 A: No. I couldn't tell you.
6 Q: Very well. So, anyway, you pick her up. And tell me,
7 she gets in the car and where do y'all go from there?
8 A: We went to his mom's house and he got out.
9 Q: Why were you going to his mom's house?
10 A: I have no clue.
11 Q: All right. But he's got his girlfriend and you and him
12 in the car, y'all go to his mom's house. Do y'all get out of
13 the car; that is you and the girlfriend?
14 A: No, just Dennis got out.
15 Q: Okay. So, does he stay long in his mom's house?
16 A: He wasn't long. I don't know if he went inside; I don't
17 know what he did. He pulled around to like the side where we
18 couldn't see. So, I don't know what he -- I don't know what
19 he got out and did.
20 Q: All right. So, anyway, then y'all get back in the -- he
21 gets back in the car and then y'all go where?
22 A: To the Dockside bar.
23 Q: Okay. Now, the Dockside is a bar where, in North Myrtle
24 Beach?
25 A: It's in Little River.

537

1 Q: Little River. So, y'all go there, the three of you?

2 A: Yes.

3 Q: All right. Tell me about that. Tell me what happens
4 when you get to Dockside in Little River?

5 A: We sat down, me and Antoinette sat down at the bar.
6 Dennis asked us what we wanted to drink and we told him. He
7 got our drinks, he got his. He was back and forth like. I
8 think they had pool tables, and some guys that he knew were in
9 there and they all, you know, talking and everything. He
10 played some music on the juke box, and she and I sat beside
11 each other and were talking, and she was saying, you know ---

12 Q: You can't tell me what she said, but y'all talked?

13 A: We were talking about anxiety, and we don't drink, you
14 know, like that. And I said to her, like, well, for all that,
15 we could have just stayed at his mother's house, you know what
16 I mean, and sat in the truck and smoked and watched T.V.
17 Because it was about, his thing was us getting to know each
18 other. That would've been the way for us to get to know each
19 other, not being at the bar, you know, drinking and all of
20 this, because that's not my thing, and we were in agreeance on
21 that.

22 Q: Okay. So, all right. So, how long would you say y'all
23 stayed at Dockside?

24 A: Maybe 45 minutes.

25 Q: Okay. Now, while you're at Dockside, was there any --

1 other than him being agitated about whatever the situation
2 was, was there any argument between y'all ---
3 A: No.
4 Q: --- between you and her or between him and you ---
5 A: No.
6 O: --- at Dockside?
7 A: No.
8 Q: Was everybody getting along fabulously at Dockside?
9 A: (Indicates affirmatively.)
10 Q: All right. You have to say yes ---
11 A: I'm sorry.
12 Q: Were y'all drinking at Dockside?
13 A: Yes.
14 Q: How many drinks do you recall having at Dockside?
15 A: We probably a piece had two drinks.
16 Q: All right. You, Dennis, and ---
17 A: Each one of us.
18 Q: --- the tall girl?
19 A: (Indicates affirmatively.)
20 Q: All right. Yes?
21 A: Yes.
22 Q: All right. Now, let me ask you, y'all stayed at
23 Dockside; do you have any idea how long?
24 A: Maybe 45 minutes ---
25 Q: Okay.

539

- 1 A: --- maybe an hour.
- 2 Q: All right. As you're leaving Dockside, do you run into
3 anybody that y'all know?
- 4 A: We saw Kella, and I think Danielle, and Kella's brother-
5 in-law and some other people. I don't remember who they was
6 because I was just talking to Kella.
- 7 Q: Okay. So, you ran into them as y'all were leaving?
- 8 A: Yes.
- 9 Q: All right. Did y'all have a conversation for a few
10 minutes?
- 11 A: Yeah, we talked.
- 12 Q: All right. After that conversation, did you, Dennis, and
13 the tall girl leave together?
- 14 A: Yes.
- 15 Q: All right. And y'all -- tell me about that when y'all
16 went to the car, who's driving, who's in the front passenger,
17 and who's in the back?
- 18 A: I let her get in the front again.
- 19 Q: All right.
- 20 A: He was fussing because we were talking like, taking too
21 long, I guess, to get in the car, because we were talking or I
22 was talking to Kella. And we -- she got in the front, he was
23 driving, I got in the back.
- 24 Q: Okay. So, y'all, at this point, still is there any
25 untoward hostility?

1 A: No.

2 Q: Okay. Y'all leave the Dockside, and where are going to?

3 Do you know where you're going at this point?

4 A: Thee DollHouse.

5 Q: Okay. You're going to Thee DollHouse. Now, how did --

6 how did -- how was it determined that you were gonna go to

7 Thee DollHouse?

8 A: I don't know whose idea; I'm sure it was his, because it

9 usually is his decision.

10 Q: All right. Now, so y'all go to Thee DollHouse or head

11 out to Thee DollHouse. Do you actually make it there?

12 A: Yes.

13 Q: All right. So, tell us what happened once you got to

14 Thee DollHouse?

15 A: We got our drink -- oh, we got there, I had asked

16 Antoinette about taking a picture. I asked her would any of

17 her other boyfriends be upset if I had taken a picture of her

18 and Dennis and posted it on Facebook, and she was like, you

19 know, no. So ---

20 Q: She didn't want you to take a picture?

21 A: No, she was okay with me taking a picture.

22 Q: Okay. Did you take a picture with her and Dennis?

23 A: Yes, I did, yes.

24 Q: Okay. And did you post it on the internet?

25 A: I didn't post it. I never posted it.

State v. Matthews Green - 2017-GS-26-04252
DONNIELLE MATTHEWS GREEN - DIRECT BY WILSON

541

1 Q: But you took it?

2 A: Yeah, my intentions were to post it, but we wound up --
3 he asked us what we wanted to drink. One of us had to use the
4 bathroom and he's like y'all go together. He does the same
5 thing, no matter if it's me and another female; same thing
6 with me and Alethia, like y'all go together.

7 Q: Okay.

8 A: So ---

9 Q: You and Alethia went to the bathroom together?

10 A: Me and Antionette.

11 Q: I'm sorry, Antoinette, I apologize?

12 A: Yes. So, we went to the bathroom and used the bathroom.
13 I remember there was some other girls in there, like some
14 dancers or something, and we were in there talking to them and
15 laughing and I took -- we -- I still had pictures -- still had
16 the phone and I took pictures then, too.

17 Q: Okay.

18 A: We came out -- by the time we came out, he had found a
19 seat, and we went and sat down. He asked us what we were
20 drinking, got our drinks. We were sitting down talking.
21 Everything was fine.

22 Q: Okay.

23 A: And ---

24 Q: So, how many drinks would you think that you, Dennis, and
25 Antoinette had at Thee DollHouse?

1 A: Probably two or three.

2 Q: Okay. Each of you?

3 A: Uh-huh, (affirmative response). At least, yes.

4 Q: All right. And how long would you say y'all stayed there

5 at Thee DollHouse?

6 A: I don't know, but I know we were there longer than we

7 were at ---

8 Q: Longer than you were at Dockside?

9 A: --- the first place, yes.

10 Q: Okay. Now, at some point you leave Thee DollHouse and

11 you're gonna go where?

12 A: To get something to eat, but I remember I had said to

13 him, I'm like, baby, it's 3 o'clock in the morning or whatever

14 time it was, you know we got to go; you know I got to get up

15 and -- that was whenever he started to get agitated again.

16 Q: Okay.

17 A: Because I had reminded him like, you promised that you

18 wasn't keeping me out all night, because you know I got to get

19 up in the morning.

20 Q: All right. Now, let me ask you, from the time you guys

21 got in the car until you went to Dockside and the time you

22 went to Thee DollHouse, were you and Antoinette getting along

23 good?

24 A: Yes.

25 Q: All right. Did y'all have any personal discussions about

1 anything?

2 A: I think we were still at Thee DollHouse when she told me
3 about her piercings.

4 Q: Okay.

5 A: And but I say, I was like, oh, I want to do that. I want
6 to, you know, so I said, when we get in Denny's, you know,
7 being devilish like show me when we get -- and we got to
8 Denny's and we went straight in the bathroom.

9 Q: Okay.

10 A: And I could tell like he was kind of annoyed.

11 Q: Okay. So, when y'all got in Denny's, she had already
12 told you about the piercings, but you hadn't seen them at that
13 point?

14 A: No, that's why I said when we get -- when we stop, when
15 we get inside of here, show me.

16 Q: Okay. And when y'all got out and went into Denny's, who
17 led the way to the bathroom?

18 A: I don't remember, I just know we were giggling and
19 laughing.

20 Q: Okay. All right. And y'all went straight to the
21 bathroom?

22 A: Yeah, we went straight in the bathroom.

23 Q: All right. And do you know how long y'all were in the
24 bathroom?

25 A: I have no idea. I know he came and knocked on the door.

1 Q: Dennis came and knocked on the door?

2 A: I guess it was Dennis, because when we came out, he was
3 like what the F are y'all doing; you know, what's taking so
4 long.

5 Q: Okay. So, when y'all came back and y'all sit there at
6 the table when you come out?

7 A: Yes.

8 Q: Now, when you and Antoinette came out of the bathroom,
9 are y'all holding hands or hugging?

10 A: Probably, because I know we were hugging and laughing
11 going in, so I would think.

12 Q: Okay. All right. And so, now when y'all at Denny's, you
13 are -- when you originally sit down, you're sitting beside
14 Dennis; is that right?

15 A: Correct.

16 Q: At some point, you moved from beside Dennis over to the
17 other side where Antoinette is sitting?

18 A: Yes.

19 Q: All right. Tell me why that was?

20 A: I don't remember what was said, but he just started -- I
21 could tell, like, that he was in a mood at that point, and was
22 being different, so I moved.

23 Q: Okay. All right. Was he wanting you and Antoinette to
24 get along?

25 A: Yes.

545

1 Q: All right. Was there any plan that you know about for
2 y'all to spend the night together or to ---

3 A: Not that night, because like I said, I wasn't even -- we
4 weren't supposed to be out as long as we were.

5 Q: Okay. So, as y'all are leaving -- as y'all sit there,
6 you move over to the side where Antoinette are, what are y'all
7 doing; tell me kind of what's going on with you and
8 Antoinette?

9 A: I don't know. Like I said, we were in each other's faces
10 and laughing and talking and flirting and, I mean, that was
11 the whole night, so I would assume it was the same thing once
12 we got to Denny's.

13 Q: Let me ask you, who was doing the flirting; were you
14 doing the flirting to her, was she doing the flirting with
15 you, or was it a mutual flirt?

16 A: It was probably mutual, but I am sure she was more in my
17 face than I was in hers.

18 Q: Okay. All right. Now, do you know how long y'all stay
19 at Denny's?

20 A: No.

21 Q: All right. Do y'all actually order a meal at Denny's and
22 eat?

23 A: They got -- I don't know what they got. I know I got a
24 glass of water and they got whatever they got.

25 Q: You only had a glass of water?

1 A: Yes.

2 Q: All right. Were you just not hungry?

3 A: I wasn't. I had eaten before we went out, and then I'm

4 like, I've got food in the house. I just -- I was ready to

5 go.

6 Q: All right.

7 A: I was ready to lay it down, because like I said, I needed

8 to get up at 6:00 in the morning.

9 Q: Okay.

10 A: And he was tired of me reminding him of what time it was

11 and that I needed to go.

12 Q: All right. Now, at some point in time, you sent a text

13 message from Denny's to your father?

14 A: Yes.

15 Q: All right. Tell us about that.

16 A: Again, I don't remember what was said, like what the

17 exchange was, but he said something about me being

18 disrespectful, and I said, you know, you're acting like B-I-T-

19 C-H, and he called me one, and I said your mom is one, and he

20 said, your dad is one. And he doesn't -- what I said to him

21 is something that I say all the time whenever he says that to

22 me, I say your mother, you know, but he's never made that

23 remark about my dad.

24 Q: All right.

25 A: So, I'm like oh, okay. I got my phone, I called my dad.

State v. Matthews Green - 2017-GS-26-04252
DONNIELLE MATTHEWS GREEN - DIRECT BY WILSON

547

1 I said, Daddy -- he answered, I said, Daddy, hold on. And I
2 gave Dennis the phone and he just like mumbled, you know,
3 something and then slid the phone back across the table.
4 Q: Okay.
5 A: So, I texted my dad just to let him know, you know,
6 because I know he was probably like now why did she just call
7 me, you know, that was weird. So, I text him to say, you
8 know, he -- he's showing out, you know. He said this about
9 you, because he doesn't -- that's -- that's -- not something
10 that he would have normally done or said. So, it's like at
11 this point, you -- you're being different. And I just texted
12 my dad to let my dad know that that was why I called him. I
13 didn't want him to think -- you know, because there have been
14 times that I have called them like out of the blue in the
15 middle of the night, and it was me trying to run away from
16 Dennis or me crying saying he hit me or whatever. I just
17 texted him to let him know, you know, like nothing happened.
18 Q: All right. Now, let's talk about that for a minute.
19 Your dad is called Big Donny?
20 A: Yes.
21 Q: Is he big?
22 A: No, he -- he's Big -- my name is Donnielle.
23 Q: All right.
24 A: I'm named after my dad. So, he's Big Donny; I'm Little
25 Donny.

1 Q: How tall would you say your dad is?
2 A: Probably 5'8" maybe. Maybe.
3 Q: And how much does he weigh?
4 A: I couldn't tell you right now.
5 Q: All right. Now, so after y'all leave Denny's, tell us
6 kind of what's going on. You get ready to leave Denny's,
7 you're walking, you leave the store, Denny's. Well, let me
8 back up. Y'all had a waitress that night, correct?
9 A: Yes.
10 Q: Do you remember her at all?
11 A: I know she was white. I don't ---
12 Q: She was a white female?
13 A: Yes.
14 Q: All right. Do you remember the color of her hair or
15 anything else?
16 A: I want to say blonde, but I don't -- I don't remember.
17 Q: That's okay.
18 A: I don't remember.
19 Q: If you don't know, you don't know. All right. But you
20 know you had a waitress?
21 A: Yes.
22 Q: And she waited on y'all the entire time that y'all were
23 at Denny's?
24 A: Yes.
25 Q: And she was back and forth to the table that night?

549

1 A: A lot, yes.

2 Q: Okay. Now, let's talk about when you leave Denny's. So,
3 now you're leaving Denny's, the three of you. Who pays the
4 bill for y'all to leave?

5 A: Dennis.

6 Q: He does. All right. Now, tell me about that. When he
7 gets ready to leave, what does he do?

8 A: What do you mean?

9 Q: Dennis, when he got ready -- when y'all were at Denny's,
10 y'all were all seated. How does it come that all of y'all get
11 up and go out?

12 A: He said let's go. I mean, he got up, he stood up, and he
13 was like -- he stood over top of me, but I think that was
14 because, like I say, he was mad at that point that I had
15 called my dad.

16 Q: All right.

17 A: For him to tell him, like repeat what you said. So, he
18 kind of like, you know, but he's like y'all come on.

19 Q: Well, let me ask you this. Did you intend for your dad
20 to beat him up when he got up there ---

21 A: My father wouldn't ---

22 Q: --- if he ever went to Baltimore?

23 A: No, my dad, like, when I finally spoke to him about it --
24 you know, we're children; that's a grown man. So, that's not
25 even -- that's, no, not at all.

1 Q: Okay. All right. Has your dad ever had any fight with
2 Dennis or argument with Dennis?

3 A: No, they got along fine. They got along fine. So,
4 that's I think why, like I say, when he made that remark, I'm
5 like, that was my thinking, well, say that to him, tell him
6 that, because you don't ---

7 Q: Right.

8 A: --- show him that when you're around him, you know, like,
9 like I say, you're being different now.

10 Q: Okay. Let's move on to y'all leaving Denny's. All
11 right. And the three of you guys walk out of Denny's and tell
12 me what happens as you leave Denny's?

13 A: He pushed the wrong button. He popped -- he pushed ---

14 Q: He?

15 A: Dennis pushed the trunk button instead of the unlock
16 button on the keys, and ---

17 Q: He had one those automatic remotes?

18 A: (Indicates affirmatively.)

19 Q: Yes?

20 A: Yes, it's the lock button, unlock button, trunk button
21 and the panic button, and he always pushed the trunk button
22 instead of the unlock button. So, I would always have to go
23 close the trunk, and that's the same thing he said, Tink,
24 close the truck. I closed the trunk, got in the car, she got
25 in the car, and he got in the car or he was already in the

1 car, and we went to take her home.

2 Q: Okay. So, do y'all make any stops from the time -- let
3 me back up. When y'all get in the car, tell me how that
4 happens?

5 A: I don't understand the question.

6 Q: You said you closed the trunk, then what?

7 A: And then I got in the backseat.

8 Q: Okay.

9 A: Where I had been the entire night.

10 Q: All right.

11 A: She got in the front, and Dennis probably was already in
12 the car.

13 Q: Okay.

14 A: In the driver's seat.

15 Q: All right. And then the three of y'all pulled off. Tell
16 me, did anything happen, was there any physical altercation,
17 anybody hitting anybody, touching anybody, anything untoward
18 happen while y'all were in that car in the parking lot at
19 Denny's?

20 A: No.

21 Q: Did you strike Dennis ---

22 A: No, I did not.

23 Q: --- while were y'all in the parking lot?

24 A: No.

25 Q: All right. Why wouldn't you strike him?

1 A: I would not hit him because he would hit me back.
2 Q: All right.
3 A: And it doesn't matter who was there or where we were or I
4 would never -- I would never swing on him first. Like I just
5 wouldn't.
6 Q: And -- and -- and why wouldn't you?
7 A: Because I would get beat up.
8 Q: All right.
9 A: Or dragged or whatever he felt like he was gonna do.
10 Q: All right. And so, y'all get in the car and the three of
11 y'all head out, right?
12 A: Yes.
13 Q: All right. So, now y'all get to take Antoinette to her
14 home?
15 A: Yes.
16 Q: And when y'all get there, y'all drop her off, she gets
17 out and goes into her house?
18 A: She got out. She got ready to lift the seat up, and she
19 was like are you getting up here, and I said, no, I'm not
20 getting up there with him. And like I say, I'm sitting with
21 my back up against the door and I had my feet behind him and
22 I'm like no, I'm not. I'm not getting up there with him, and
23 she like shrugged her shoulders and put the seat back and said
24 bye and closed the door.
25 Q: Okay. Were there any -- during the drive from -- from

1 Denny's to Antoinette's house, was there any argument, any
2 blows, anything of any kind of tension nature occurring when
3 y'all were driving from Denny's to Antoinette's house?
4 A: No.
5 Q: Okay.
6 A: We were listening to music. She was singing some song
7 that -- no.
8 Q: All right. So, there was music playing in the car and
9 singing as y'all were driving from Denny's to Antoinette's
10 house?
11 A: As we were driving, everywhere that we were, every time
12 we got in the car there was music.
13 Q: Okay. Now, let's talk about what happens after you
14 leave, drop her off. Now, y'all are in the car alone when you
15 drop her off, right?
16 A: Yes.
17 Q: And Dennis is driving, you are in the backseat of the
18 vehicle?
19 A: Yes.
20 Q: Is that correct?
21 A: Yes.
22 Q: All right. Now, tell me how you are seated or positioned
23 in the backseat?
24 A: I have my back up against the door, the window?
25 Q: Which window; do you know which one?

1 A: The passenger side.

2 Q: Okay.

3 A: And had my feet in the seat.

4 Q: Okay. So, your back is to the passenger window; your

5 feet is in the seat of the vehicle?

6 A: Yes.

7 Q: All right. So, as y'all pull off and you're leaving her

8 house, that is how you are positioned?

9 A: Yes.

10 Q: All right. And is that how you were positioned when she

11 was in the car?

12 A: Yes.

13 Q: Okay. So, tell us what happens now that y'all are

14 leaving her house, just the two of you, with you in the back

15 and him driving; tell us what happened?

16 A: He started fussing and calling me names and saying stuff,

17 and I'm like, yeah, yeah, whatever, you know, and I went to

18 reach to get the aux cord so I could plug my phone up ---

19 Q: I'm sorry, I couldn't make out what you were saying?

20 A: I said, I went to reach for my aux cord, the aux cord was

21 plugged up to the radio.

22 Q: The aux cord?

23 A: It's an auxiliary cord.

24 Q: Okay.

25 A: It's a white cord that goes from the radio to your phone

1 and you play the music from your phone, and it plays through
2 the radio in the car.
3 Q: Okay. So, where was that white cord?
4 A: It was plugged up into the radio; it was in the front in
5 the radio?
6 Q: Okay. So, one end of it was plugged into the radio?
7 A: Yes, and the other ---
8 Q: And you were trying to get the second end ---
9 A: Yes, to plug it up to my phone, yes.
10 Q: --- to hook to you phone?
11 A: To plug into my phone, yes.
12 Q: All right. So, tell me what happened.
13 A: So, while I'm -- he's saying whatever he's saying, and
14 I'm like, yeah, yeah, you know, whatever, and I went to reach
15 for the cord. He knew I was about to turn the music on and
16 turn it up loud, like to ignore him, and he grabbed my arm and
17 he hit the brake and pulled me up in the front, and I'm pretty
18 much down on the floor.
19 Q: Hold on one second. So, when you reached from the back
20 to try to get the cord, which is in the ---
21 A: In the radio.
22 Q: --- in the front?
23 A: Yes.
24 Q: He hits the brakes, pulls you forward by your arm?
25 A: Yes.

1 Q: All right. And is he using his right left hand?

2 A: I couldn't tell you.

3 Q: All right. But he pulls you forward and tell me now,
4 once he pulls you forward, that car is hitting brakes, what
5 happens to you; tell me what kind of what happens?

6 A: I just flew forward and my head hit the -- the dashboard,
7 the glove compartment, and I'm -- my head is down on the
8 floor, my shoulders basically down on the floor.

9 Q: Where are your feet?

10 A: My feet are in the back, like toward -- in between the
11 two seats.

12 Q: Okay.

13 A: And he's hitting me and I'm trying to swing. I got one
14 arm free.

15 Q: Where is he hitting you; you say he's hitting you?

16 A: Everywhere that's visible, like my shoulders, my legs,
17 like -- as I'm trying to get up, he hit me in my head,
18 sometimes, any part of my body that was available to be hit.

19 Q: So, when he hit the brakes, are y'all in the middle of
20 the road; are y'all ---

21 A: We stopped in the middle of the street. I guess we were
22 -- when we turned out of wherever she lived, like that street.
23 It wasn't that far from where we just dropped her off at.

24 Q: Okay. And so, now you're face down towards the
25 floorboard; is that correct?

State v. Matthews Green - 2017-GS-26-04252
DONNIELLE MATTHEWS GREEN - DIRECT BY WILSON

557

- 1 A: Yes.
- 2 Q: All right. And do you have any idea how many times he
3 was hitting you?
- 4 A: I have no idea.
- 5 Q: What -- as he was hitting you, tell me what was going on
6 with you?
- 7 A: I was trying to get up. So, like I'm trying to push
8 myself back with my right arm, which is like down on the floor
9 underneath my body, and I'm trying to swing with my left arm,
10 and every time I'd push myself up he would hit me in my head
11 and it would like be black. And I don't even know how long
12 that went on, but I'm reaching, at this point, because I'm
13 trying to look for something, and I guess the knife was in the
14 cupholder and I just took and like get off of me, stop hitting
15 me or ---
- 16 Q: Now, the knife that was in the cupholder, is that a knife
17 that he had given you?
- 18 A: Yes.
- 19 Q: All right. And how long had you had -- how long ago had
20 he given you that knife?
- 21 A: I had it for a while.
- 22 Q: Now, had he given you other knives?
- 23 A: (Indicates affirmatively.)
- 24 Q: You need to say yes?
- 25 A: Yes.

1 Q: Now, how -- how many knives would you say you have in
2 your collection?

3 A: Now, I don't have any.

4 Q: Well, I mean before ---

5 A: A lot. Like every time he would go somewhere, he would
6 -- I don't know.

7 Q: Were you able to get any of your things from the
8 apartment?

9 A: No.

10 Q: All right. Now, let me ask you, as you were reaching and
11 grabbing for something, do you know how you lost your
12 fingernails in the place?

13 A: No.

14 Q: Did you ever actually get the cord and were able to plug
15 it in?

16 A: No, no.

17 Q: What you're saying, was Dennis -- and you can't tell me
18 what he was saying, but let me ask you, was he saying anything
19 to you as he was beating you in the head?

20 A: I don't know what he was saying. Like, I know I'm saying
21 stop, you know. I don't remember.

22 Q: When you asked him to stop beating you in head, did he
23 stop?

24 A: No, no.

25 Q: Do you know anything else you could've done to get him to

1 stop beating you ---

2 A: No.

3 Q: --- at that point?

4 A: No.

5 Q: Do you know any other way that you could've defended
6 yourself other than getting that knife and sticking him with
7 it to keep him from continuing to beat you?

8 A: No.

9 Q: Is that a no?

10 A: No.

11 Q: Did you have any way to get out of that car unmolested by
12 him?

13 A: No.

14 Q: Were you in fear for your own safety and your own well-
15 being while he's beating you in the car?

16 A: Yes.

17 Q: Did you love Dennis?

18 A: Yes.

19 Q: Let me ask you, if there was any other way that you could
20 have avoided that beating than do what you did, would you have
21 done that?

22 A: Yes, just like I did every other time. Every other time,
23 I could get away or I would leave or I would walk away.

24 Q: There was nowhere for you to go on this night?

25 A: No.

1 Q: Let me ask you if -- let's go back and tell me how did --
2 how did it end? Just explain to us -- you told us how it
3 happened. How did it end? How did you finally get up or what
4 happened?

5 A: He was still hitting me after I had I guess poked him
6 with ---

7 Q: I'm sorry, you need to speak up now so we can hear you.

8 A: I said he was still hitting me even after I had swung the
9 knife, and I guess after a while, he realized that he -- he
10 was stabbed and he stopped, and I was able to like get my
11 balance in the back and get up in the front and he was like
12 baby, I can't believe you stabbed me. And I'm crying and I'm
13 saying I'm sorry, you know, I keep telling you to stop hitting
14 me, stop putting your hands on me, and he's apologizing and
15 he's telling me to calm down and ---

16 Q: So, tell me then once he realized he was stabbed, where
17 is the knife? Do you know where the knife is at that point?

18 A: I still had it in my hand.

19 Q: All right. And what happens to the knife?

20 A: He took it, and he -- he's -- this whole time he was
21 apologizing and he's telling me to calm down and saying he's
22 sorry, and I guess I was still like, I guess, in shock but it
23 even -- and then once I saw the blood, I was like panicked,
24 and he ---

25 Q: So, after -- after he was stabbed, he was still able to

1 talk and have a conversation?

2 A: Yes.

3 Q: So, what happened at that point, after he was stabbed and
4 he realized he was stabbed, tell me what happened with the two
5 of you at that point?

6 A: Like I say, he was telling me calm down. He said I
7 needed to take him to the hospital and ---

8 Q: All right. So, and he's asking you to take him to the
9 hospital, and do you do that?

10 A: Yeah, and ---

11 Q: So, how do you get -- how do you get into the driver's
12 seat ---

13 A: I don't remember.

14 Q: --- to take him to the hospital?

15 A: I don't remember.

16 Q: All right. So, now, when -- when -- by the time the
17 stabbing is over and he is saying he recognizes that he's been
18 stabbed, are y'all still in the middle of the road?

19 A: Yeah.

20 Q: So, what happens then? How do you get into the driver's
21 seat to get him to the hospital?

22 A: I don't remember how we -- how were switching seats.

23 Q: All right. You don't know how you switched seats?

24 A: I don't remember.

25 Q: All right.

1 A: I just know that I drove him to the hospital. I don't
2 ---
3 Q: All right. You drove him to the hospital. All right.
4 And now, do you recall how fast you were going trying to get
5 him to the hospital?
6 A: No.
7 Q: All right. Do you know ---
8 A: But ---
9 Q: I'm sorry?
10 A: I don't know. I don't know.
11 Q: All right. What was the nearest hospital to y'all that
12 you knew about?
13 A: I just know there was a hospital on 9, like it was right
14 around the corner. I don't know the name of the hospital.
15 Q: Okay. You ended up at Seacoast. Had you ever been to
16 Seacoast before?
17 A: Probably. I knew that it was there. I knew where we
18 were, so I -- I -- I knew the hospital was right there.
19 Q: So, you took him to Seacoast, which was the nearest
20 hospital for y'all, as best you knew, knowing as little about
21 the area as you do, right?
22 A: Yes.
23 Q: All right. So, when you get to Seacoast, tell me what
24 happens?
25 A: We went in, and he like fell, and when they got him up,

1 he was telling me, he said come on. Come on, Tink, and I went
2 to go follow him, I guess.

3 Q: You can't -- you can't really tell me what Dennis said.

4 A: Well, he reached for me, and then one of the nurses or
5 somebody like, pushed me back and said you can't go in there,
6 and they -- they separated us, I was like ---

7 Q: So, you drove him to the hospital, and both of y'all get
8 out of the car and go into the emergency room at Seacoast,
9 correct?

10 A: Yes.

11 Q: All right. Now, that -- all right. Let me ask you, at
12 Seacoast, do y'all -- did you and Dennis have a conversation
13 between the time of the incident and the time that y'all got
14 to Seacoast; did y'all have a conversation?

15 A: We talked all the way to the hospital.

16 Q: All right. And as a result of that conversation, did
17 y'all have a plan to tell the police?

18 A: Yes.

19 Q: All right. What was the story that you were to tell?

20 A: That he stopped somewhere and I don't know what happened.
21 He stopped at a store or something and I don't know what
22 happened.

23 Q: Okay. All right. And why was that; why were y'all
24 telling a story to the police?

25 A: I guess because he didn't want me to get in trouble. I

1 mean, I guess, because it was like don't say anything and it
2 went from don't say anything to just say this, and I mean -- I
3 don't know.

4 Q: Now, and is that kind of the story that you were telling
5 the police when -- when you had those first three
6 conversations?

7 A: That's why I kept saying about a gas station or stopping
8 at the gas station, because like I said, that was -- that was
9 the agreement, like just say this, and then I just -- I just
10 pretty much stuck with that.

11 Q: Well, let me ask you, were you under the impression that
12 Dennis was gonna die?

13 A: No, I didn't think that -- we had a whole conversation on
14 the way to the hospital, but he kept saying he was okay.

15 Q: Okay. And that night or that morning actually, you
16 didn't find out really until much later in the day that he had
17 actually passed; is that right?

18 A: Yes.

19 Q: You need to say yes for me?

20 A: Yes.

21 Q: All right. And how did you find out -- you were at
22 Seacoast with him, right?

23 A: Yes.

24 Q: And then y'all left Seacoast and went to Grand Strand;

8 A: (Indicates negatively.)

9 Q: You're shaking your head; what does that mean?

10 A: No.

11 Q: No. All right.

12 A: I just remember the second hospital, one of the nurses or
13 somebody came and said that he was stable.

14 Q: Okay. So, they told you at one point that he was stable?

4 A: Inside the car.

6 A: Yes.

7 Q: All right. And that white cord that's attached in
8 State's Exhibit Number 47, is that the white cord that's
9 plugged into the radio that you were reaching for?

10 A: Yes.

11 Q: All right. You'll see a scuff mark on what's marked as

13 struggling in the car?

14 A: Yes, that's on the driver's side it looks like.

17 A: Yes.

18 Q: All ten of them?

19 A: Yes.

20 Q: When you got to the hospital at Seacoast, they weren't

22 A: No.

23 Q: They were there at Denny's, and they weren't there

11 A: Yes.

12 MR. OSKIN: I would object to hearsay at this point, Your

14 THE COURT: Well, he hasn't asked to introduce it yet,
15 and she hadn't said anything. She's just identified it, so...

17 Q: All right. And let me ask you if these conversations
18 that you had with her took place during the time that you were
19 married to Dennis?

20 A: Yes.

21 Q: And were these conversations regarding the children?

22 A: Yes.

23 Q: And your relationship with these children?

24 A: Yes.

25 MR. WILSON: And, Your Honor, I would now offer it ---

1 THE COURT: All right. Any objection from the state?

2 MR. OSKIN: In regards to Defense Exhibit Number 21?

3 THE COURT: Yes, sir.

4 MR. OSKIN: The state would object to hearsay, a
5 statement from an out-of-court opponent -- I mean, declarant,
6 I apologize.

7 THE COURT: All right. Let me -- I'll need to look at
8 them then. Do you have another copy, Mr. Wilson, that he can
9 look at?

10 MR. WILSON: No, sir. That's the only one I have.

11 THE COURT: All right. Hold on, let me look through it
12 and then I'll give it back to you.

13 I tell you what, ladies and gentlemen, how about go to
14 the jury room for a little bit. I need to talk about this
15 outside your presence. Thank you.

16 (REPORTER'S NOTE: Jury exits courtroom @ 11:33 a.m. The
17 following takes place outside the presence of the jury.)

18 THE COURT: I'm gonna have the clerk make two copies of

20 time.

21 MR. OSKIN: Yes, sir, Your Honor.

22 THE COURT: All right.

23 MR. WILSON: Your Honor, while you're doing that, there
24 are two other documents that are in a similar situation. So,

9 Facebook contact with a particular individual on such-and-such
10 a date regarding her relationship with Dennis?

11 THE COURT: Certainly, you can ask her about what she
12 did.

13 MR. WILSON: Yes, sir.

14 THE COURT: Not the response, but what she did,
15 certainly. So, that would be on all three of those documents.

16 MR. WILSON: Yes, sir. Thank you, Your Honor.

23 **BY MR. WILSON:**

24 Q: Let me, if I might, and I think I already actually showed
25 you one of these documents, but let me show you what's now

1 marked for identification purposes in this case and just ask
2 you if you know what that is?
3 A: Yes.
4 Q: I can't hear you.
5 A: Yes.
6 Q: All right. And you recognize what it is?
7 A: Yes.
8 Q: All right. And let me ask you if -- if it's a copy of an
9 email or Facebook contact that you had with an individual?
10 A: Yes.
11 Q: All right. And who is the individual that you had
12 contact with on email, on this particular -- let me show it to
13 you again, which is Defendant's Exhibit 23 for identification?
14 A: Robin
15 Q: I'm sorry?
16 A: Dennis' sister, Robin.
17 Q: Dennis' sister, Robin. All right. And let me show you
18 what's marked as Defendant's Exhibit 22 for identification
19 purposes and ask you if this an email or text message or
20 Facebook message from ---
21 A: That's Sabrina.
22 Q: All right. And is that a message that was sent to you?
23 A: Yes.
24 Q: All right. From Sabrina?
25 A: Yes.

1 Q: And Sabrina is who?

2 A: Dennis' sister.

3 MR. OSKIN: Object to hearsay consistent with your prior
4 ruling.

5 THE COURT: All right. As far as the conversation, she
6 can say that she communicated with that person. I'm gonna
7 allow that, not the contents.

8 MR. WILSON: Yes, sir.

9 MR. OSKIN: Thank you.

10 BY MR. WILSON:

11 Q: And this third document, which is Defendant's, for
12 identification purposes, 21 is from who?

13 A: Those are messages between me and Alethia.

14 Q: I'm sorry. You've got to speak up.

15 A: I said those are messages between me and Alethia.

16 Q: Alethia, who is the mother of the children?

17 A: Yes.

18 Q: All right. And you received all of these here on email
19 or Facebook, right?

20 A: Yes.

21 Q: All right. Now, let me show you this photograph, and
22 just ask -- just tell me first of all if you can identify it?

23 A: That's my leg.

24 MR. WILSON: Your Honor, I handed her what's marked for
25 identification purposes as Defendant's Exhibit Number 12?

1 THE COURT: Thank you.

2 BY MR. WILSON:

3 Q: All right. Now, you said that you can identify that?

4 A: Yes.

5 Q: All right. What is it a picture of?

6 A: Cuts and bruises it looks like on my thigh.

7 Q: On your thigh?

8 A: Yes.

9 Q: Do you know who took this picture?

10 A: I did.

11 Q: Okay.

12 MR. WILSON: Your Honor, I'd offer this as Defendant's

15 MR. OSKIN: No objection from the state, Your Honor.

1 the interview, I showed him some of the bruises on my leg.

2 Q: All right. All right. Did he take pictures of them?

3 A: No, he did not.

4 Q: All right. And your hand. Let me show you what's marked
5 as Defendant's Exhibit Number 5 for identification purposes.

6 THE COURT REPORTER: 5 is in.

7 MR. WILSON: All right. I'm sorry.

8 MR. WILSON:

9 Q: All right. Let me show you what's marked as Defendant's

12 A: That's my hand.

13 Q: All right. And do you notice two marks in your hand?

14 A: Yes.

15 Q: All right. And do you know what those marks are?

16 A: No.

17 Q: Huh?

18 A: No.

19 Q: Do you know how they got there?

20 A: No.

21 Q: And do you know which hand this is?

22 A: My left hand.

23 Q: Okay. Did the police take a picture of your left hand?
24 You didn't take this picture?

25 A: No, I didn't take it.

1 Q: All right. Now, let me ask you again, and I know I've
2 covered this with you, and I will be brief. Did you love
3 Dennis?
4 A: Absolutely.
5 Q: And do you regret all of what has happened to this point?
6 A: Yes, I do.
7 Q: Do you know of any way that you could have avoided doing
8 what you did and not protect yourself?
9 A: No.
10 Q: I don't have any other questions. Thank you.
11 THE COURT: Cross-examination?
12 MR. OSKIN: Thank you, Your Honor.
13 CROSS-EXAMINATION OF DONNIELLE MATTHEWS BY MR. OSKIN:
14 Q: Good afternoon, Ms. Matthews?
15 A: Good afternoon.
16 Q: It's good to get to talk to you. You stated that you
17 were with Dennis since 2012; is that correct?
18 A: '11.
19 Q: 2011?
20 A: Yes.
21 Q: You sat here the entire week and as part of being on
22 trial, you've been able to watch all witnesses and everybody
23 that testifies against you; is that correct?
24 A: Yes.
25 Q: You're able to confront your witnesses. I'm sorry,

State v. Matthews Green - 2017-GS-26-04252
DONNIELLE MATTHEWS GREEN - CROSS BY OSKIN

591

1 that's what you're doing by testifying. It's your right; so
2 you're doing what you're allowed to do, correct?
3 A: Okay. Yes.
4 Q: And you've heard everybody testify?
5 A: Yes.
6 Q: You've heard Maurice testify?
7 A: Yes.
8 Q: You've heard him talk about expensive vacuum cleaners?
9 A: Yes.
10 Q: Like \$2,000 vacuum cleaners?
11 A: Yes.
12 Q: But he said that Dennis sold them?
13 A: Yes.
14 Q: And you're saying never sold vacuums; is that correct?
15 A: Not to my knowledge.
16 Q: Not to your knowledge, or that he didn't?
17 A: Not to my knowledge.
18 Q: Okay. So, Maurice wasn't lying then?
19 MR. WILSON: Your Honor, I object.
20 THE COURT: All right, Solicitor, you can't ask witnesses
21 to comment on the credibility of other witnesses; that's the
22 jury's job to judge credibility and believability.
23 MR. OSKIN: Yes, sir, Your Honor.
24 BY MR. OSKIN:
25 Q: You stated that your family is from Baltimore?

1 A: Yes.

2 Q: Okay. And at one point, you stated that you moved back
3 to Baltimore?

4 A: A few times.

5 Q: Okay. But you kept talking to Dennis each time?

6 A: Yes.

7 Q: You got back together with him each time?

8 A: Yes.

9 Q: Even one time you rode down here with your dad and then
10 stayed with Dennis; is that correct?

11 A: Well, I stayed because, like I said, I was hiding from my
12 dad. So, I couldn't go back home at that time.

13 Q: But your dad drove you dad down here and you went back up
14 with Dennis then?

15 A: Yes.

16 Q: Okay. You stated that you lived in apartments with
17 Dennis throughout the time of your relationship?

18 A: Yes.

19 Q: You also stated that he beat you continuously, nonstop?

20 A: Yes.

21 Q: And no one from any of those other apartments ever felt
22 the need to call the police or get involved, or call on your
23 behalf?

24 A: I don't know; I don't think, no.

25 Q: You stated that you had a lot of dogs. I think you said

1 you had six pit bulls?
2 A: Yes.
3 Q: Pit bulls are strong dogs; is that correct?
4 A: Yes.
5 Q: Are they excitable dogs; they would jump on you?
6 A: Some of them.
7 Q: When they're excited to see you?
8 A: Some of them.
9 Q: When a dog jumps up on you, can that bruise and scratch
10 you?
11 A: Just different scratches from the nails of a dog than
12 they'll be small scratches probably.
13 Q: But you agree with me, they can make markings on you?
14 A: They can make marks.
15 Q: You stated Dennis didn't want you to work?
16 A: Yes.
17 Q: That's not entirely true, is it?
18 A: That's absolutely true.
19 Q: All right. You had never told anybody that it was never
20 your intention to work; you never told anybody that?
21 A: Not that I know of. He didn't want me to work and has
22 said it on occasion.
23 Q: Do you remember making a statement to Williams
24 Investigative Services March 29th of 2018?
25 A: Uh-huh, (affirmative response), yes.

1 Q: Do you remember telling him that you never had any
2 intention of like actually having a real job. I'm not even
3 gonna lie. And when, like I said, me being in these
4 relationship with these guys, they made provisions. Do you
5 remember saying that?

6 A: Yes, and that's true.

7 Q: Does provisions mean like to provide for you?

8 A: Yes.

9 Q: Take care of you?

10 A: Yes.

11 Q: And that's something you chose to allow to happen?

12 A: Yes.

13 Q: And that included your time with Dennis; is that correct?

14 A: Yes.

15 Q: And again, I think you talked about your family and you
16 guys are a close family?

17 A: Yes.

18 Q: You were in contact with them often?

19 A: Yes.

20 Q: You told them about everything you were going through?

21 A: Not everything, no.

22 Q: But your sister lived with you, correct?

23 A: Yes.

24 Q: And she saw it?

25 A: She witnessed it.

- 1 Q: You claim she did?
- 2 A: She'll tell you herself that she did.
- 3 Q: But she never came and got you and made you move -- made
4 you come back home?
- 5 A: She -- that's my baby sister. She wouldn't have been
6 able to make me.
- 7 Q: Sometimes, I'm the oldest of three, sometimes the baby is
8 more mature than the oldest; would you agree with me on that?
- 9 A: Yeah, but I wasn't leaving. I didn't -- I didn't have
10 any intention of leaving.
- 11 Q: You didn't have any intention of leaving?
- 12 A: No.
- 13 Q: Okay. And you loved him?
- 14 A: Yes.
- 15 Q: Bear with me. While we're talking about your family, you
16 know I got to ask about Defense Exhibit Number 15 [sic], but
17 we have a correlating one, where you texted your dad at 5:06
18 a.m. on July 7th, you told your dad, "He's showing off for
19 somebody else.. I told him he ain't no man and called him a
20 bitch.. He says my daddy a bitch.. So I called you do he could
21 say it to go himself.. He hangs up the phone. The next time I
22 bring this" -- "to Baltimore to better beat his ass.."
- 23 A: Uh-huh, (affirmative response).
- 24 Q: You've heard about that text a lot throughout this trial?
- 25 A: Yes.

1 Q: Is that correct? And you sent that at 5:06, correct?

2 A: If that's what the timestamps says. I couldn't tell you

3 what time it was.

4 Q: Okay. And earlier, well let's get there first, I

5 apologize. You went -- this is a lengthy night out on July

6 7th with Antoinette and Dennis?

7 A: Yes.

8 Q: It started -- y'all picked Antoinette up?

9 A: Yes.

10 Q: You sat in the back; you said she had long legs?

11 A: Yes.

12 Q: She does have long legs; she's a little taller than you?

13 A: She's a lot taller than me.

14 Q: I think she's taller than me. So, you sat in the back,

15 and then you went to Ricky's Dockside?

16 A: Yes.

17 Q: Met her, everything was going good?

18 A: Yes.

19 Q: You went to Thee DollHouse?

20 A: Yes.

21 Q: And then she rode with you to the Denny's, the little

22 breakfast house, right?

23 A: Yes.

24 Q: All right. Earlier you said that you didn't want to go

25 to Denny's, that you had -- your momma had to catch a flight

- 1 the next morning; is that correct?
- 2 A: Yes.
- 3 Q: But then you also said as soon as you got to the Denny's,
- 4 you wanted to Antoinette's nipple piercings; is that correct?
- 5 A: Yes, we were talking about that on the way to Denny's.
- 6 Q: Okay. So, you kinda -- you weren't worried about momma
- 7 missing her flight or anything like that?
- 8 A: We were already there, so it wouldn't have made a
- 9 difference. Me seeing her piercings wasn't stopping me from
- 10 ---
- 11 Q: Might as well get something out of it?
- 12 A: I guess, yes.
- 13 Q: Okay. Later when Detective Lent and Mr. Johnson talked
- 14 with you, you didn't tell them anything about Antoinette being
- 15 in that car with you or gonna Denny's with you; is that
- 16 correct?
- 17 A: Correct.
- 18 Q: And again, we've all seen the Denny's video, you've seen
- 19 going in there, and you know that you were there?
- 20 A: Yes.
- 21 Q: It appears that it reaches a point, and I think you've
- 22 testified to it, finishing up with your dad, you called him or
- 23 you were trying to talk to him for like 22 seconds; is that
- 24 correct?
- 25 A: I don't, like I say, I don't know the time or -- it

1 wasn't that long. It was a couple of seconds because I called
2 him, and I handed Dennis the phone.

3 Q: But you didn't text your dad from the table?

4 A: Yeah, I texted him from the table.

5 Q: Okay. And that's timestamped, correct?

6 A: Uh-huh, (affirmative response), yes.

7 Q: And it's timestamped on the Denny's video when you left
8 the Denny's restaurant, correct?

9 A: Yes.

10 Q: Okay. And I think you testified to it, and I get it, you
11 said -- somebody says that, and I'll call your momma a bitch;
12 is that what you said?

13 A: Yes.

14 Q: Okay. And we've talked about some other texts with your
15 friend, Lafayette, a text sent from you; is that correct?

16 A: Yes.

17 Q: Is Lafayette a close friend?

18 A: It's actually one of Dennis' ex-girlfriends.

19 Q: Okay. But someone you've come to ---

20 A: We've got close.

21 Q: Very close?

22 A: After a while.

23 Q: Okay. Do you remember texting her saying, "Yep.. I
24 explained to his mother and mine, that when you get two mean
25 children together and they're tryna have a relationship,

1 they're gonna be a lot of hard times. Lots of fights,

3 b really mean to each other sometimes tho..then we feel bad
4 and go back to being nice but, you know, it all comes with
5 the territory.. it's ultimately up to us to make it work"; do
6 you remember texting that to her?
7 A: I mean, I heard it one of those days when you guys were
8 reading the text out loud.
9 Q: Okay. And that's been since 2017?
10 A: Yeah.
11 Q: Okay. But you described yourself to Lafayette as a mean
12 kid?
13 A: I mean, we joke about that all the time, and call each
14 other mean girls and mean children and stuff like that.
15 Q: And you're certainly not a child, but would you still
16 consider yourself a mean kid?
17 A: That's what -- that's something that we talked about.
18 Q: Okay. You still a mean girl?
19 A: I'm not mean; I don't think I'm mean.
20 Q: Okay. You say it depends on context?
21 A: Yeah, meaning in -- a lot of things have been taken out
22 of context.
23 Q: I hear that.
24 A: In this situation.
25 Q: Okay. And context matters; is that correct?

- 1 A: Absolutely.
- 2 Q: It matters who you're talking to; it matters who you're
3 in front of; and it matter -- is that correct?
- 4 A: Yeah.
- 5 Q: And it matters what situation is going on?
- 6 A: Yes.
- 7 Q: Okay. Would you agree with me that context matters when
8 law enforcement is investigating you or asking you questions?
- 9 A: Yes.
- 10 Q: Okay. Would it be even more of a situation if they're
11 asking you about your husband getting stabbed?
- 12 A: Yes.
- 13 Q: Okay. And law enforcement talked to you a lot, I guess,
14 technically, you're still being asked about this, correct?
- 15 A: Yes.
- 16 Q: All right. The first -- do you remember the first
17 officer -- the first time speaking to officers at Seacoast,
18 Officer Mark Martin that testified?
- 19 A: No.
- 20 Q: Do you remember telling him that Dennis was going to buy
21 cigarettes, and he got stabbed when he did that; do you
22 remember that?
- 23 A: Now seeing the tapes and stuff, but all of that I don't
24 remember. I didn't remember.
- 25 Q: But you remember that was your story, because you said

1 that to Mr. Wilson?

2 A: Yes.

3 Q: Correct?

4 A: Yes.

5 Q: Okay. And that wasn't true?

6 A: No.

7 Q: Okay. When you spoke with Officer Beaudoin, the little

8 guy with glasses, a little nerdy -- he was a little eager when

9 he met you, but it's been a while; you also told him that same

10 story at Grand Strand Hospital, correct? You said, Dennis got

11 stabbed by somebody at the gas station; is that correct?

12 A: That was the story that I said to each person that I

13 spoke to. I couldn't tell you how many of them or ---

14 Q: I gotcha. I'm not asking about that, but so it's safe to

15 say you tell a lot of stories?

16 A: I told that same story, pretty much.

17 Q: Okay. But that ---

18 A: Each time.

19 Q: --- and that wasn't the truth, though?

20 A: No, that was what ---

21 Q: In the context, it wasn't the truth. You'll agree,

22 correct?

23 A: Yeah.

24 Q: Nobody stabbed Dennis at the gas station?

25 A: No.

1 Q: You stabbed Dennis?

2 A: Yes.

3 Q: You stabbed Dennis twice?

4 A: Yes.

5 Q: All right. And to finish up with the context, is it safe
6 to say that you say a lot of stuff you don't mean sometimes?

7 A: Don't we all?

8 Q: But you do that as well; yes or no?

9 A: I have.

10 Q: Okay. And that's a nice way of saying that we all lie,
11 right?

12 A: You said that.

13 Q: And that -- let's talk about the actual stabbing. Your
14 last statement was with Detective Lent and, again, Jack
15 Johnson down in Orangeburg?

16 A: Yes.

17 Q: When you began that conversation, you knew Dennis had
18 died; is that correct?

19 A: Yes.

20 Q: He had died the day previously?

21 A: Yes.

22 Q: And you had been notified, I believe, was it by Erica
23 Vasquez at victim's services or whoever it was?

24 A: No, I saw that on Facebook.

25 Q: Okay. But before that statement even began, you knew he

1 was dead?

2 A: Yes.

3 Q: Okay. And throughout that entire statement, through a
4 lengthy portion of that statement, you claimed that you didn't
5 know what happened?

6 A: I mean, part of that was true, me saying I didn't know.

7 Q: Well, you knew you stabbed him?

8 A: Yeah.

9 Q: Okay. All right.

10 MR. OSKIN: And Court's indulgence, Your Honor?

11 THE COURT: Yes, sir.

12 MR. OSKIN: I apologize, Your Honor.

13 BY MR. OSKIN:

14 Q: And when you told Detective Lent that you had stabbed
15 him, you didn't say anything else about how you came to stab
16 him; that's correct? You said that you kind of forgot all
17 that part; that's correct?

18 A: I did.

19 Q: Okay. And then later, you stated that as you were
20 changing the volume, that's when you were pulled into the
21 front of the vehicle and then had to respond to Dennis by
22 stabbing him; that's correct?

23 A: You mean today?

24 Q: Today, is that the first time you've told that story or
25 is it the second time you've said it a situation like this?

1 A: I don't -- I haven't said it. Just today is my first
2 time actually even saying what actually happened.
3 Q: You didn't say it July of 2020, last year?
4 A: I didn't get up and ---
5 Q: When Mr. Spratlin asked you those same questions, you
6 didn't say that?
7 A: He said ---
8 Q: He might've said ---
9 A: I forgot what he asked me. He said, how did you get into
10 the front seat ---
11 Q: Okay.
12 A: --- and I said I was pulled.
13 Q: Okay. That's what I mean, I apologize. I'm not as --
14 you know, I'm a little different than Mr. Spratlin.
15 A: That was the way he said it.
16 Q: Okay. So, you do remember saying this story last year?
17 A: I remember telling him. He asked me how I got in the
18 front seat, and I said I was pulled.
19 Q: And you never said that to Detective Lent in Orangeburg?
20 A: No.
21 Q: And you never said that to Officer Franklin from North
22 Myrtle Beach at Grand Strand Hospital?
23 A: No.
24 Q: You never said that to Officer Beaudoin?
25 A: No.

1 Q: And you never said that to Mark Martin at Seacoast
2 Hospital.

3 A: No, because then I would've had to admit that my husband
4 put his hands on me.

5 Q: You would have had to admit to it. I understand. And
6 you remember everything in great detail, pretty much
7 throughout your whole relationship with Dennis?

8 A: Most things, yeah.

9 Q: Okay. And you described the night that this all happened
10 as being a great night and everything was cool with you,
11 Antoinette, and Dennis for the most part; is that correct?

12 A: Cool, yeah, we were good, yes.

13 Q: Everything was good. So, you're aware that at 5:16 that
14 same morning, pursuant to State's 95, that Antoinette texted
15 Dennis and said I just wish it could have ended differently,
16 because you know, I don't be with the dumb shit?

17 A: I heard somebody reading those messages here.

18 Q: And she texted it to him at the same time?

19 A: This week. I mean, I'm -- I'm aware of it now.

20 Q: And you've seen the discovery in this matter before the
21 trial today, surely; is that correct?

22 A: Yes.

23 Q: You've seen all of it?

24 A: I mean, I've skimmed through some stuff.

25 Q: Okay. You've seen the photos of the car?

1 A: No.

2 Q: You haven't?

3 A: No.

4 Q: But earlier you told Mr. Wilson that the scuff marks on
5 the car were from where you got pulled in the car?

6 A: I saw the photos in here today. I didn't -- no photos
7 were included in my copy of the discovery.

8 Q: Okay. So, you never saw those photos before?

9 A: No.

10 Q: So, you don't know for sure then, if those scuff marks
11 ---

12 A: I know what my car looks like.

13 Q: Right, but I'm talking about the scuff marks on the door;
14 you don't know if those are from that night, correct?

15 A: That's my first time seeing -- it wasn't there before, I
16 know that.

17 Q: But it's your first time seeing it?

18 A: It's my first time seeing it in those pictures.

19 Q: Okay. Earlier, I believe you stated that you were pulled
20 into the floorboard, you said -- correct me if I'm wrong --
21 you told Mr. Wilson that you were face down in the front of
22 that car? I believe that's what you said.

23 A: Head down.

24 Q: Head down?

25 A: Yes.

- 1 Q: Okay. So, you're looking up at the ceiling, or you're
2 looking down at the ground?
- 3 A: I'm looking over at the, whatever that is.
- 4 Q: Okay. Help me out here, because it's a car. So, let's
5 pretend the driver's side is right here?
- 6 A: Uh-huh, (affirmative response).
- 7 Q: Okay. Are you saying that you're ---
- 8 A: Just like that.
- 9 Q: And you're facing down under like where the glove box is?
- 10 A: Yes.
- 11 Q: Okay. So, you're facing ---
- 12 A: The very direction that you were going in.
- 13 Q: I gotcha, yeah, at that angle there.
- 14 A: Yes.
- 15 Q: Okay. And you stated that that was because he slammed on
16 the brakes?
- 17 A: Yes.
- 18 Q: Okay. But you didn't have any bruises, markings, or
19 anything on your face at the hospital at Seacoast?
- 20 A: I have no idea what was on my face. Like people took
21 pictures. Like I say, my mom said they was something on my
22 face.
- 23 Q: Officers were wearing their bodycams?
- 24 A: I mean, I don't -- how good are those videos?

2 was what or where, so I -- I don't know.

3 Q: And you stated this entire time that you're face down in
4 that car, Dennis from the driver's seat is just pummeling,
5 attacking you, and doing that; is that what you stated
6 earlier?

7 A: That's correct; yes.

8 Q: And so at that point, facedown you grabbed a knife?

9 A: Yeah.

10 Q: Okay. Facedown in a two-door vehicle, you grabbed a
11 knife; is that correct?

12 A: (No audible response.)

13 Q: I'm gonna show you what's been entered in evidence from
14 your attorney as Exhibit Number 20; do you recognize that?

15 A: Yes.

16 Q: I'm gonna move this. What I want you to do, is I want
17 you to take that knife out of that box and just extend the
18 knife so the jury can see. And you're able to return it?

19 A: Uh-huh, (affirmative response).

20 Q: Okay. If you could show me. And you stated that you
21 owned a lot of knives.

22 A: Yes.

23 Q: You stated that Dennis bought you a lot of knives as

- 3 A: That I beat?
- 4 Q: That he beat -- or he beat you is what I'm saying; I
5 apologize. I tripped myself up. You're telling this jury
6 that a man that beat you consistently bought you knives like
7 this one?
- 8 A: Yeah, like that. He bought me guns, too. I don't think
9 he was, I mean ---
- 10 Q: He bought a woman that he beats consistently a gun.
- 11 A: (No audible response.)
- 12 Q: I'm gonna show you Defense Exhibit Number 12. Do you

- 17 A: It was that year, because I remember those -- that

- 19 Q: Okay. If I told you that text was sent on June 7th, 2017
20 at 1:13 p.m. would you believe me?
- 21 A: A text, you said?
- 22 Q: A picture text; you sent the photo of your leg there?
- 23 A: Oh. You said ---
- 24 Q: Would that be correct, on June 7th of 2017?
- 25 A: If that's what the timestamp says.

1 Q: And June 7th is approximately a month before July 7th?

2 A: Yes.

3 Q: And that's the morning that you stabbed Dennis? Yes?

4 A: Yes.

5 Q: He died as a result of those stabbings. You stated

6 earlier that you still love him?

7 A: Yes.

8 Q: Do you miss him?

9 A: Absolutely.

10 Q: You miss the man that beat you daily?

11 A: Yes, I do.

12 Q: You did well with the knife here, so I won't test you on

13 that again. But when you were face down in that car, what

14 hand did you grab that knife with?

15 A: My left hand was the only hand that was free.

16 Q: Okay. And at that time, is that the position you were in

17 when you stabbed Dennis?

18 A: Yes.

19 Q: Yes. And I will demonstrate again, but you -- you got

20 him like that; is that accurate?

21 A: Swinging back behind me, yeah.

22 Q: Okay. Enough to penetrate his right rib cage?

5 A: Yes.

6 Q: It sounds like he was surprised that he got stabbed?

7 A: Yes.

8 Q: You said Dennis was a thing -- if I misquote it, I'm

10 A: Yes.

11 Q: A strong dude, a bad dude -- and I don't mean bad in a

13 own.

14 A: Yes.

15 Q: Anything Dennis was doing, you knew about; that's
16 correct?

17 A: Yes.

18 Q: You knew about any sort of activities he was or wasn't
19 involved in; is that correct?

20 A: I would assume so.

21 Q: Okay. To the extent that you even lied for Dennis -- or
22 you -- I'm sorry. You even told Sergeant Lent in Orangeburg
23 that you weren't quite sure what his business was or what he
24 was doing. But you were worried about his phone at the Grand
25 Strand Hospital; is that correct? The bodycam would indicate

1 that you wanted to get his phone.

2 A: Yes.

3 Q: That's because you wanted to see the text messages that
4 were on it?

5 A: No, I didn't want them to get the phone because ---

6 Q: They would see what's on it?

5 Q: I gotcha. And then you also told Sergeant Lent down in

6 you were trying to keep the police from having that particular

9 A: The people that are buying and selling whatever drugs or
10 whatever, that's the phone that they call instead of calling
11 your regular phone.

12 Q: Okay.

13 A: And that's the phone that, you know, if you got to throw
14 it away, it's cheap and you can go get another one tomorrow.

15 Q: Okay. So, why wouldn't you want the police to get the
16 trap phone, which belonged to Dennis?

4 THE COURT: Go ahead, Mr. Wilson.

5 MR. WILSON: Thank you, Your Honor.

6 DIRECT EXAMINATION OF WHITNEY DANSO BY MR. WILSON:

7 Q: Doctor, if you would, tell us where do you live?

8 A: I live in Fort Mill, South Carolina.

9 Q: All right. And have you always lived there, or is this a
10 relatively new place that you live?

11 A: I relocated back to the area a couple of years ago.

12 Q: Okay. Now, let me ask you, what is your occupation?

13 A: I'm a clinical psychologist.

14 Q: All right. And before I ask you anything else, just kind
15 of tell us what clinical psychologist is and what they do?

16 A: Clinical psychologists serve a number of different of
17 roles, depending on where they work the functions and what's
18 expected of them. Particularly we're involved in
19 psychological assessment; we're involved in therapy treatment
20 planning; sometimes we help manage care teams kind of as a
21 whole to ensure that individuals get what they need.

22 Q: Okay.

23 A: Psychological well-being.

24 Q: Okay. All right. And what positions do you hold
25 currently?

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSO - DIRECT BY WILSON

619

1 A: I am a licensed psychologist in private practice.

2 Q: Okay. And tell us a little bit about your education,
3 your background, and training to this point?

4 A: Yes. So, I went to graduate school at Palo Alto
5 University, which is Palo Alto, California, and from there I
6 graduated with a PhD in clinical psychology. Just prior to
7 graduation, I completed by pre-doc at West Palm VA working
8 with primary care behavioral health, general application with
9 veterans, and what they call the PRC, which had to do with
10 severe mental illness. And then from there, I relocated back
11 to South Carolina, where I started working under Dr. Lois
12 Veronen, and through my training under her I further developed
13 my expertise in trauma and domestic violence.

14 Q: All right. And if you would, tell us kind of what the
15 nature of your expertise are or is?

16 A: Specifically trauma and domestic violence, and that
17 involves assessment and evaluation of trauma as well as
18 treatment planning and providing treatment.

19 Q: And when you say trauma, we're not talking about, excuse
20 me, physical trauma or -- or mental trauma or both?

21 A: It can be both.

22 Q: Okay.

23 A: Everybody responds differently to trauma, and so my job
24 is to look at the changes in functioning after a traumatic
25 event or series of traumatic events and create a plan in order

State v. Matthews Green - 2017-GS-26-04252

620

1 to help the individual address those.

2 Q: Very well. Now, if you would, tell us what a battered
3 woman or battered spouse or batter person syndrome is, if you
4 can.

5 A: So, that is a legal term that was developed to help
6 provide more understanding of what can happen to an individual
7 when they have been abused by a partner that accounts for the
8 changes that happen psychologically.

9 Q: Okay. Now, tell us, are you -- do you belong to any
10 psychological organizations or are you credentialed by any
11 agency or the government?

12 A: I'm not employed by the government, no. I provide
13 testimony ---

14 Q: No, I apologize, I said credentialed?

15 A: So, I am licensed with the State of South Carolina; I'm
16 licensed with the State of North Carolina; and I have a
17 telehealth provider license in Florida.

18 Q: Okay. And in your practice, how many people would you
19 say you see a year on average?

20 A: I probably work with anywhere from 50 to 100 people,
21 depending on ---

22 Q: And how long have you been licensed in doing this?

23 A: My license 20 -- February 2019.

24 Q: Okay. All right. And have you been qualified as an
25 expert in the field of clinical psychology prior to this time?

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSON - DIRECT BY WILSON

621

1 A: Really quick, 2020; I apologize, my dates get mixed up.
2 February 2020 is when my license became active in South
3 Carolina. And I have been qualified previously as an expert.

4 Q: Okay. And qualified as an expert in what field?

5 A: Trauma and domestic violence.

6 Q: I'm sorry; trauma and domestic violence?

7 A: Yes.

8 Q: Very well. And have you testified in a trial in the
9 State of South Carolina?

10 A: Yes.

11 Q: Have you testified in more than one trial?

12 A: This is my second trial.

13 Q: All right. Your third?

14 A: Okay.

15 Q: And let me ask you, if I could, in your practice, how
16 many battered women, or that you've diagnosed as being
17 battered spouses or battered women, would you say you have
18 seen in your practice, or that where you have been associated
19 with another psychologist or psychiatrist and worked with
20 those people?

21 A: The majority of my caseload is those who have been
22 abused, whether it's by a partner or whether by a parent. And
23 so, we're talking probably 85 percent.

24 MR. WILSON: Your Honor, at this time, I would offer this
25 witness as an expert in the field of clinical psychology.

1 MR. SPRATLIN: No objection, Your Honor.

2 THE COURT: All right. Very good. Qualified her to give
3 her opinion in the field of clinical psychology.

4 BY MR. WILSON:

5 Q: What I would ask you first, Doctor, is what is the
6 relationship between a woman who has a history of violence
7 assaults and the diagnosis of posttraumatic stress disorder,
8 if you know, and how that's relevant in this matter?

9 A: Posttraumatic stress disorder is a diagnosis that we give
10 whenever there's first a qualifying event that we count as
11 traumatic, as we have criteria that falls into that, and you
12 have to have either experienced it or a direct witness to it.
13 And then from there, we look at specific criteria that we know
14 time and time again that we see people who have experienced
15 various trauma. With women who have been battered, the
16 repeated experience of being victimized creates a change in
17 the way that they perceive things. And in that, we see a
18 difference in their -- the way they respond sometimes even
19 everyday things. We see changes in their willingness to fight
20 back or how they fight back. We see changes in their
21 functioning overall, whether they're willing to participate
22 socially, whether they are willing to participate
23 academically, whether they're willing to participate career-
24 wise. I can see these changes in functioning because of those
25 traumatic experiences.

623

1 Q: All right. And -- and -- and, Doctor, in regards to
2 physical violence against the woman or battered person, what
3 is normally the purpose of the battering?

4 A: The control.

5 Q: The control?

6 A: Yes.

7 Q: Now, let me ask you specifically about Ms. Matthews
8 Green, did you have an occasion to or occasions to meet with
9 her, to talk with her at some point prior to today?

10 A: Yes.

11 Q: All right. And do you know when or about when it was
12 that you first had contact with her?

13 A: I first had contact with her in my office. I believe it
14 was the end of March we met for two -- we had two meetings in
15 person, and we had one virtually.

16 Q: Okay. And -- and just so for the record, how did you
17 become involved in this case?

18 A: I got a call from your office.

19 Q: Okay. And -- and as a result of that, you met with her?

20 A: Yes.

21 Q: All right. Now, explain to us, I guess, if you would,
22 what procedures you use in order to evaluate a potential
23 battered person or any person, I guess -- I guess, is the
24 right way to answer the question -- ask the question?

25 A: Yes. So, we start with clinical interviews, and

1 specifically looking at developing a timeline and
2 understanding of the person's experiences. And then from
3 there, we bring in different measures depending on what kind
4 of -- what information is gathered during a clinical
5 interview. Typically, that involves objective measure, in
6 this case a personality measure is what we talk about, and
7 then we use specific tools that have been developed to help us
8 guide our understanding of trauma symptoms. And in this case,
9 there are structured interviews that guide questions to make
10 sure that we're collecting information specifically as it
11 relates to the diagnosis of PTSD.

12 Q: Okay. Are there any objective tests that you use that
13 would help you in that evaluation process?

14 A: Yes, there are -- there's several tests that we use.

15 Q: Would you explain to us what tests you would normally use
16 or that you used in this particular case, if you did?

17 A: Yes, so the MMPI, the Minnesota Multiphasic Personality
18 Inventory is the one that I go to first. I use the
19 personality assessment inventory as a backup. And then use
20 the CASP, which is a clinician administered screen for PTSD
21 and life events screener as well to help me get an
22 understanding of trauma that may have happened in addition to
23 whatever else we're talking about. I also use scheduled
24 checklists that talk about intimate partner violence. So,
25 when I'm interviewing someone, it can be really difficult

625

1 because it's usually very emotionally charged, so I'm able to
2 specifically ask questions to get a full picture of what these
3 events may have looked like.

4 Q: Okay. What -- what -- what are the -- what are the
5 reactions then of women who are subject to or who are
6 subjected to physical and emotional abuse at the hands of a
7 friend or an intimate partner?

8 A: The reactions vary. For some women, they shut down
9 completely. We see kind of a freeze response. They turn into
10 a shell of themselves and they make themselves small or try to
11 run away and remove themselves from the situation. Usually
12 that is the initial response that we see, and then over time,
13 we start to see when they try to find ways to prevent it or to
14 stop it, and so maybe that looks like pacifying the abuser.
15 Pacifying the abuser can range anywhere from sexually
16 pacifying the abuser or doing whatever it is they want them to
17 do without any pushback. And in this case, it was at times
18 trying to physically stop him by fighting back.

19 Q: All right. Did you specifically make findings regarding
20 Donnielle?

21 A: Yes, I did.

22 Q: Tell us about that?

23 A: So, I found that she meets diagnostic criteria for
24 posttraumatic stress disorder. She was also evaluated using
25 two cognitive measures, and she reported symptoms that could

1 be symptoms of trauma and stress, and also could have been
2 symptoms of traumatic brain injury. That's why we used
3 cognitive measures as well to try to see if there was any
4 justification of continuing forward with that evaluation.

5 Q: I didn't catch the last part what you just said, I'm
6 sorry.

7 A: That's okay.

8 Q: If you would, just go back for me and kind of repeat the
9 last part of what you just said?

10 A: Yes. So, you were asking about measures, two measures
11 that I used in evaluating Ms. Matthews, I was not able to
12 discuss were two cognitive measures; one specifically looking
13 at memory and the second one looking at cognitive functioning
14 overall, intellectually -- intellectual abilities. And so, we
15 use those measures whenever we -- for multiple reasons, but in
16 this case using it as a reports of repeated head injury. And
17 with repeated head injury, there can be changes and behavior
18 changes and responses. When I spoke with Ms. Matthews, it was
19 clear that no one had ever evaluated her before. She had not
20 ever received any medical care and, given the symptoms that
21 she was reporting, it made sense to also add those measures
22 in.

23 Q: Okay. Now, did you evaluate, I guess, or diagnose the
24 relationship between Donnielle and Dennis?

25 A: Yes.

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSO - DIRECT BY WILSON

627

1 Q: Tell me about that.

2 A: After extensive interviews with Ms. Matthews, it was
3 clear that she had been a victim of domestic violence. She,
4 for lack of clinical words, had held her own a lot of times in
5 these instances. Earlier in her testimony this morning she
6 talked about she ended up hitting back trying to fend off,
7 stop and prevent and that seemed to be the trajectory of the
8 relationship, they we would go through the ebbs and flows of
9 things going really well and then something would set it off
10 and there would be conflict between the two of them that would
11 escalate to the point of her being physically attacked and
12 then whether she'd have to either be able to remove herself or
13 try to defend herself in order for the cycle to get back to
14 that moment of peace.

15 Q: Do you have an opinion as to how the history of her
16 relationship with Dennis influenced her perceptions and
17 reactions?

18 A: Yes.

19 Q: Tell us about that.

20 A: So, from early on -- and this was with my interviews with
21 Ms. Matthews, it was clear that Dennis slowly developed
22 control over different aspects of her life. She describes
23 being told kind of upfront that she's not supposed to work.
24 And the first interaction that she and I discussed, she had
25 with Dennis, resulted in her being taken to the beach, and he

1 later joked about how he intended to drown to her. And so,
2 these were things, these kind of comments were like really
3 made to her after situations where she was told, you know, oh,
4 I had plans to do this to you or I had plans to do that to
5 you. And so, these were things that she kept in the back of
6 her mind, knowing that these situations -- this was his
7 intention even though she may've been able to pacify him or
8 redirect it in some way, or maybe he decided to redirect it in
9 some way. So, those pieces of the relationship, and then the
10 escalating violence. Over time, Ms. Matthews reports that
11 things became increasingly more violent. So, blows started
12 being directed to her head versus like kind of being slapped
13 or smacked. The amount of humiliation being used during these
14 events escalated as well. In front of people, she was being
15 called names, she was, you know, kind of being drug around the
16 ground and this was all normalized within Dennis' family
17 dynamics.

18 Q: Okay. Now, let me ask you what impact did the early
19 history play on Donnielle's reactions and perceptions in the
20 relationship between her and Dennis, specifically, also to the
21 abuse generally, both are in this particular case?

22 A: Just to clarify what you're asking me -- I'm sorry.

23 Q: What I'm asking you, I guess, is what impact did the
24 early history that she and Dennis had, how did that impact on
25 -- on Donnielle's reactions and perceptions during the

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSO - DIRECT BY WILSON

629

1 relationship?

2 A: Okay. So, even before -- I wanted to make sure we touch
3 on, even before her relationship with Dennis, there were --
4 violence was normalized in the area that she grew up. When
5 speaking with Ms. Matthews, it was very clear that she grew
6 with the perception that police were not going to solve
7 homicides in the area she grew up in. And so you have learned
8 to defend yourself, you learn to stand up for yourself, and
9 you keep things kind of within whoever the situation is with.
10 When she was 16 years old, she got into a fight with another
11 16-year-old girl, and the girl pulled a gun on her and tried
12 to hit her in the side of the head with it. And Ms. Matthews
13 was able to grab the gun, the gun discharged, and she was shot
14 in the shoulder. This was normal. To Ms. Matthews, this was
15 a normal experience in her neighborhood. And so, when she
16 entered into a relationship with Dennis, while the violence
17 was -- did not mimic or mirror her experiences of her parents
18 watching them when she was growing up, it was normal in the
19 context of what's to be expected from others, from peers. So,
20 she -- I think she did her best to try to function within
21 that. During our conversation, she talked about how sad she
22 was that on one hand Dennis would say very nice things about
23 her, and on the other hand then he would hit her and brutalize
24 her. So, those pieces played a part.

25 In the last incident that led to Dennis' death, Ms.

1 Matthews talks about being hit in the head repeatedly and not
2 only is being hit in the head repeatedly, you know, and
3 feeling like you're losing your vision is a life-threatening
4 thing, it also plays back into Ms. Matthews' experience of
5 being, you know, hit in the side of the head with a pistol at
6 16, and grabbing it because she's about to get shot with it.
7 So, there's -- there's lots of different layers here that
8 would make sense or justify cognitively how Ms. Matthews was
9 thinking of the situation in the moment.

10 Q: Now, explain to us, if you can or help us understand why
11 after these beatings, she would go leave him and then come
12 back to him repeatedly over an extended period of time?

13 A: Well, as we heard her say earlier this morning and in my
14 interviews as well, she loved him, and that's not uncommon for
15 a victim of domestic violence to love the person that's
16 abusing them. Oftentimes the blame is shifted to themselves.
17 They try to find out -- figure out what can they do to stop
18 it. Maybe if they say this or they do that, that that will be
19 enough to, you know, for the person that very deeply love and
20 care about to stop brutalizing them. There's period of time
21 when things are good, and so a lot of times justification to
22 return to a relationship comes back to, well, this was good
23 this time, so maybe if I go back and I try this approach, or
24 maybe this time when they say it will be different it really
25 will be.

631

1 Q: Why wouldn't a woman or person who is being beaten report
2 it to the police and try to get some help or try to get the
3 police to intervene, why wouldn't they -- why wouldn't the
4 victim do that?

5 A: A lot of it is the same reason we're sitting here
6 listening to her cross-examination where she -- she's being
7 questioned about the validity of the statements that she's
8 making. It's common knowledge that domestic violence victims
9 are not believed; they're dismissed. And those that do push
10 forward and try to ask for help, we're able to give them
11 temporary support; and we can put them in a shelter; we can,
12 you know, we can lock up their abuser for a day or two, but
13 then what happens? They're let out and the victimization
14 begins again. And the chances of the victimization being more
15 severe after something like that is reported is very high.

16 Q: Is that -- is that not reporting similar to women who
17 don't report rape over a long period of time?

18 A: Absolutely.

19 Q: All right. Now, let me ask you after the incident, based
20 on the police report and other information, Donnielle drove
21 Dennis to the hospital to get treatment. Why would she do
22 that?

23 A: From my opinion, Ms. Matthews was not intending to end
24 Dennis' life; she just wanted him to stop hitting her in the
25 head. And so, in the history that she and I talked about,

1 there were several times where if she was able to push back at
2 him hard enough he would stop. And so, almost, it's a shame
3 that I can't speak with Mr. Green because I imagine he also
4 has pretty significant trauma history. And so, he may have
5 been in kind of a state of his own, and if she -- it seems
6 like if she was able to create a break from him, he would
7 stop. And her testimony, where she's talking about how, you
8 know, he's apologizing after she stabs him, going I'm so
9 sorry, I'm so sorry, I'm so sorry. To me, that would reflect
10 and support that idea if she can push back, he'll stop and
11 then ---

12 Q: Let me ask you then, after the incident and they were at
13 the hospital, Donnielle told the police things that were not
14 true?

15 A: Uh-huh, (affirmative response).

16 Q: How -- how do you -- what's your opinion on that; how do
17 you interpret that?

18 A: I have two lines for that, but I want to make sure that
19 I'm able to speak on. One is that in my conversation with Ms.
20 Matthews, Mr. Green coached her on what to say, because
21 neither of them intended for him to die. This was just
22 another incident between the two of them that was going to be
23 kept between the two of them. And so, doing anything other
24 than that, would have been negative for her, because assuming
25 that he was gonna leave the hospital and be well, he would be

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSO - DIRECT BY WILSON

633

1 angry if she went against that -- pact between the two of
2 them.

3 Also, when I watched bodycam footage of Ms. Matthews'
4 interaction with police initially, I -- what I witnessed and
5 what I was able to observe from a clinical perspective, is I
6 watched Ms. Matthews almost kind of tiptoe to see how the
7 police would respond to her. She made statements suggesting
8 that maybe there was -- maybe there was something else, maybe
9 there was something else. And while I don't fault the police
10 officer at all because he was trying to gather facts, he
11 dismissed her, and had he not dismissed her, she may have been
12 much more forthcoming than that. We'd expect with domestic
13 violence victims, you want to first make sure it's safe to
14 share before sharing information about history of
15 victimization, given the fact that it's common knowledge
16 they're not believed.

17 Q: Now, let me ask you in regards to Donnielle, based on
18 your evaluation of her, did she fear Dennis?

19 A: Yes.

20 Q: Can you explain that to us? I mean, how can you love
21 somebody and be afraid of them at the same time; how can that
22 be?

23 A: So, when things are really good, they're really good.
24 And so, there's that kind of free flowing of love and -- and
25 feeling connected and feeling like things are -- the

1 relationship is going well. But when -- when there's
2 agitation or something that signals that at any moment, that's
3 going to switch, you would expect the victim to be kind of
4 fearful of that, and their reaction or their responses might
5 change hoping that if they change those reactions, that will
6 de-escalate the situation. So, fear and love can very much
7 exist at the same time.

8 Q: All right. Doctor, the average -- and I use that word
9 advisedly -- the average person a relationship, if they get
10 beaten and they leave, would they come back ---

11 A: Absolutely.

12 Q: --- or is that ---

13 A: Yes, absolutely. That's one of the biggest issues in
14 trying to intervene in domestic violence situations because
15 it's hard to have a victim remove themselves and stay removed.
16 On average, we -- statistics in the area that I practice in,
17 it's seven hours -- seven hours -- seven times that they leave
18 and come back before they stay ---

19 Q: Seven times?

20 A: --- seven times.

21 Q: Based on your expertise and evaluation, what is the
22 psychological state of a woman who has been previously hit,
23 struck, and abused?

24 A: It's -- it's definitely different than what you would
25 expect of someone who doesn't have that experience. They're

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSO - DIRECT BY WILSON

635

1 more likely to either respond by shutting down, running away,
2 or defending themselves. They're interpreting situations is
3 much more threatening than they may be.

4 Q: Would it be typical or unusual for a battered spouse to
5 want to lie to protect her batterer?

6 A: Absolutely, they love them, and so there's that hope that
7 maybe they will be able to convince them to be different.

8 Q: When you -- and you say that they love them, does that
9 love change after two or three or four or five beatings, or
10 does it get stronger or does it -- and I know it's probably
11 difficult for most of us to fully understand it. So, how --
12 how do we understand, that is the remainder of society, how do
13 we understand the actions and reactions of a battered woman?

14 A: For victims, the experience of being beaten, being
15 abused, happens in what feels like almost in a bubble. And so
16 those situations happen and then once that bubble bursts,
17 there's this kind of honeymoon period. And during that
18 honeymoon period, relationships a lot of times look very
19 similar to a healthy relationship or an average relationship
20 might be a better word. So, there is -- is where everybody --
21 everything looks great on the outside. And so for victims,
22 there's that self-blame; it must be them, it must be them, it
23 must be them. And with Ms. Matthews, that was exactly what
24 she was told repeatedly, it was her mouth that got her in
25 trouble; it was, you know, her -- her willingness to advocate

1 for herself or share her opinion that he would use as a reason
2 why she was being beaten.

3 Q: Okay. Because the batterer is trying to control the
4 victim, the other person ---

5 A: Uh-huh, (affirmative response).

6 Q: --- and so, then in order to control them, you beat them?

7 A: Yes.

8 Q: Kind of like spanking your child for doing wrong?

9 A: When you beat them, you kind of level their self-esteem,
10 so they have no sense of self. You remove their resources,
11 you know, prevent them from working, you isolate them from
12 others, all of which occurred for Ms. Matthews.

13 Q: Now, Doctor, let me show you two documents.

14 A: Okay.

15 Q: And I should've done this earlier and I apologize I
16 didn't do it.

17 MR. WILSON: May I approach, Your Honor?

18 THE COURT: Yes, sir.

19 BY MR. WILSON:

20 Q: Let me show you these two documents and ask you if you
21 recognize both of those?

22 A: Yes.

23 Q: All right. And tell me what they are?

24 A: One is my report, and the second one is my CV.

25 Q: All right.

5 And which one is which?

6 MR. WILSON: Your Honor, her report is labeled

9 MR. WILSON: Yes, sir.

10 THE COURT: Okay.

11 MR. WILSON: And her CV or resume is listed as

13 THE COURT: All right. Are you offering them into
14 evidence?

15 MR. WILSON: I am offering them, yes.

16 THE COURT: Objection?

17 MR. SPRATLIN: Your Honor, I object on the grounds of
18 hearsay to the report. I have no objection to the CV.

19 THE COURT: All right.

20 MR. WILSON: That's fine.

21 THE COURT: Let me look at it.

22 MR. SPRATLIN: Your Honor, should I approach as well?

23 THE COURT: I'm just looking at the document, that's all
24 I'm saying.

25 So, 25 is into evidence without objection.

15 BY MR. WILSON:

16 Q: Now, let me ask you, Dr. Danso, in -- in your
17 conversations with -- with Donnielle, has she expressed
18 remorse for the attack?

19 A: Yes, sir.

20 Q: Explain that to us and what's been going on with that?

21 A: In my interviews with her, never did Ms. Matthews intent
22 to cause any significant harm to Mr. Green; she just wanted
23 him to stop hitting her in the head. She was scared that the
24 next blow would be the last blow that she would feel because
25 it would kill her.

3 A: Yes, I did.

4 Q: How many standardized, if more than one, did you perform?

5 A: Five.

6 Q: Five?

7 A: Yes.

8 Q: All right. And did you provide those tests to an expert
9 for the state?

10 A: Yes.

11 Q: All right. And so, he has those tests, copies of those

17 MR. SPRATLIN: Yes, sir, Your Honor.

18 CROSS-EXAMINATION OF WHITNEY DANSO BY MR. SPRATLIN:

19 Q: Good afternoon, Dr. Danso. How are you?

20 A: I'm fine, how are you?

21 Q: I introduced myself earlier, but I'm Martin Spratlin.
22 I'm gonna have a couple of questions for you.

23 A: Okay.

24 Q: First, going over your training, I think you may have
25 answered some of these questions. You said you've been in

1 clinical practice or licensed, I should say, since -- was it
2 February of 2020?

3 A: Yes, independently licensed.

4 Q: I'm sorry?

5 A: Yes, independently licensed.

6 Q: Independently licensed, so a year and four months?

7 A: Sure.

8 Q: And when -- and you said you had treated maybe 50 to 100
9 people in that time period?

10 A: In that time period, yes. Ten years of clinical practice
11 under supervision.

12 Q: And how many of the 50 to 100 people that you evaluated
13 were for the purposes of court proceedings such as this?

14 A: Ten.

15 Q: Ten? I think you testified to this earlier that this is
16 your second time actually testifying in court?

17 A: Yes.

18 Q: All right. And just to go ahead and get this out of the
19 way, you are paid for your services, correct?

20 A: Yes, I'm paid for my services.

21 Q: All right. So, you are hired by the defense, paid by the
22 defense to prepare an evaluation?

23 A: Yes, but I am a psychologist, which means I report on
24 what I see, not what I'm told.

25 Q: Let's talk about what you see. What you see is what you

State v. Matthews Green - 2017-GS-26-04252

641

1 look at, right?

2 A: Yes.

3 Q: And in this case, what you looked at mostly was what she
4 told you?

5 A: Mostly, yes.

6 Q: Pretty much entirely; isn't that true?

7 A: Sure.

8 Q: So, you didn't look at -- did you look at any medical
9 records?

10 A: I did.

11 Q: Which medical records?

12 A: I looked at the autopsy report of Mr. Green; I looked at
13 her history of counseling that she'd had in the past; that
14 bodycam footage; looked at the messages.

15 Q: Now, let's talk about that counseling in the past. When
16 was that counseling?

17 A: When she was an adolescent.

18 Q: An adolescent. So, well before she met Mr. Green?

19 A: Yes.

20 Q: Okay. And she had a diagnosis from that counseling,
21 didn't she?

22 A: Yes, I believe so. I don't recall it off the top of my
23 head.

24 Q: And this is ten years before she met Mr. Green?

25 A: Uh-huh, (affirmative response).

1 Q: Okay. As you stated, you looked at what Donnielle told
2 you?

3 A: That was a part of it, yes.

4 Q: You took what she said as being the truth?

5 A: Within reason. Forensic interviewing is much different
6 than sitting down for therapy.

7 Q: You didn't confront her with inconsistencies in the
8 statements she previously provided, did you?

9 A: She and I had ten hours of conversation, where things
10 were viewed over and over and over again, so I was able to
11 make clarification on inconsistencies.

12 Q: Okay. The statements she gave to the police officers,
13 did you question her on those inconsistencies?

14 A: Yes, we talked about the inconsistencies.

15 Q: So, the fact that she lied to the first officer that was
16 called onto the scene, you questioned her on that?

17 A: We talked about that, and I watched the videos for that.

18 Q: Okay.

19 A: We talked about her story changed and her fears
20 associated with that.

21 Q: You talked about the second time she lied to the police,
22 didn't you?

23 A: Uh-huh, (affirmative response).

24 Q: The third time?

25 A: I'm sure we did.

- 1 Q: The fourth time?
- 2 A: I know she has had multiple stories.
- 3 Q: Okay. In fact, that fourth time, even when she admitted
- 4 to stabbing Dennis, the day after, she told a different story
- 5 than she told on the stand here?
- 6 A: Uh-huh, (affirmative response).
- 7 Q: Is that true?
- 8 A: Yes, it's not -- what I heard from her in the office is
- 9 exactly what I heard on the stand.
- 10 Q: Okay. And you've met with her, not the day after this
- 11 occurred, right?
- 12 A: No.
- 13 Q: You didn't meet with her the month after this occurred,
- 14 correct?
- 15 A: Correct.
- 16 Q: The year after this occurred?
- 17 A: I met with her four weeks ago.
- 18 Q: Four weeks ago. So, after facing murder charges for four
- 19 years, you met with her?
- 20 A: Uh-huh, (affirmative response).
- 21 Q: Okay.
- 22 A: I'm sure you're aware of why that's the case.
- 23 Q: You met with her four weeks ago?
- 24 A: Yes.
- 25 Q: And you have only been licensed for a year and a half?

1 A: Uh-huh, (affirmative response).

2 THE COURT: Is that a yes or no? The Court Reporter
3 can't take down uh-huh.

4 A: Yes.

5 BY MR. SPRATLIN:

6 Q: And you are here today paid by Mr. Wilson to provide a
7 diagnosis for this defendant?

8 A: Yes.

9 Q: All right. And domestic violence is kind of your bread
10 and butter; isn't that true?

11 A: Domestic violence is where I find that I am most
12 effective, yes.

13 Q: That's where you're most effective?

14 A: Bread and butter would be an understatement. Domestic
15 violence are poor; they're on Medicaid; they can't afford my
16 services. You don't see a high-dollar thing.

17 Q: And as you testified, that's partially because their
18 husbands won't let them work, right?

19 A: That may be the case.

20 Q: Did you review a interview that Donnielle did with
21 William's Investigative Services ---

22 A: No.

23 Q: On March 29th, 2018?

24 A: It's not ringing a bell.

25 Q: Okay. So, you're not aware that she stated to go to the

1 strip club and see, you know, because I never had any
2 intention of actually having a real job. I'm not even gonna
3 lie. And when, like I said, me being in these relationships
4 with these guys, they make provisions. I got to the point,
5 like, I want to do my own thing, you know.

6 A: I heard you read the statement earlier.

7 Q: I'm sorry?

8 A: I heard you read the statement earlier.

9 Q: Well, I didn't actually read it, Mr. Oskin did. If we
10 look alike; I'll take that as a compliment. Trust me. He's
11 about ten years younger.

12 So, is there even a possibility in your mind that
13 Donnielle wasn't not working because Dennis made her not work,
14 but because she didn't want to?

15 A: Ms. Matthews didn't have the opportunity to work given
16 that she never had free access to her vehicle; given that, she
17 was responsible for caring for his children when they were
18 around.

19 Q: That's funny, free access to her vehicle. She testified
20 that she would drive to Horry County by herself?

21 A: At his direction.

22 Q: At his direction?

23 A: Yes.

24 Q: But by herself in a car with the keys; is that correct?

25 A: Uh-huh, (affirmative response).

1 Q: Yes or no?

2 A: Yes.

3 Q: Okay. You said you looked at prior, I think

4 psychological records of the defendant in this case?

5 A: Uh-huh, (affirmative response).

6 Q: Let's ask about some medical records from the injuries

7 that she received; did you look at those?

8 A: I don't think I saw those.

9 Q: Is that because there are none?

10 A: Prior injuries from interactions with Mr. Green?

11 Q: Medical records from any injuries she received?

12 A: No. Of course there is none; she didn't report anything.

13 Q: Of course, there's none. That's convenient, isn't it?

14 And when she starts reporting these domestic violences is when

15 she's facing a murder charge?

16 A: That's not the story she told me.

17 Q: That's not the story she told you, but again, that's her

18 fifth story by my count. Is that correct; yes or no?

19 A: You're the one telling the story here of how many times

20 she's ---

21 Q: I'm just asking?

22 A: --- recounted, I haven't been keeping ---

23 THE COURT: All right. Stop. Both of you.

24 Solicitor, you ask the questions.

25 Ma'am, you answer them directly.

1 BY MR. SPRATLIN:

2 Q: Yes or no, your story -- the story that she told you was
3 the fifth story?

4 A: I don't have a count on how many stories she has off the
5 top of my head.

6 Q: Okay. You spoke about something regarding brain damage;
7 is that right?

8 A: Traumatic brain injury.

9 Q: Traumatic brain injury, excuse me, sorry. I don't mean
10 to use non-scientific terms, but -- so, traumatic brain
11 injury, but you never did an -- you were never able to do
12 anything to show that she even had that?

13 A: No. I was not able to show that.

14 Q: Okay.

15 A: But I think that should be taken into consideration.

16 Q: Taken into consideration even though you don't know she
17 has it?

18 A: No, but she reports extensive trauma to her head.

19 Q: She says she had it, so it must be true?

20 A: No, it's not that it needs to be true, it needs to be
21 evaluated.

22 Q: Aren't you the one that evaluates?

23 A: I'm not a neurologist.

24 Q: Okay. Now, you mentioned that you did not review any
25 medical records showing that she'd been to the hospital or

1 even a doctor's office for any injuries. Did you review
2 police reports from where the neighbors called the police when
3 she got thrown into these walls, she tells you she got thrown
4 into?

5 A: There are no police reports.

6 Q: There are no police reports. That's convenient, isn't
7 it? Yes or no?

8 A: I don't think that's convenience.

9 Q: Okay. There's not a thing to document the abuse that she
10 is saying she suffered other than what she told you?

11 A: I reviewed messages that she had where she talked about
12 where other people were acknowledging that they were aware she
13 was being victimized.

14 Q: You didn't go talk to those people though, did you?

15 A: I didn't have access to those people.

16 Q: Did you try?

17 A: Because it's my understanding that no one has been able
18 to contact them.

19 Q: Okay. You didn't try, though?

20 A: I'm not given that information. My job is to evaluate.

21 Q: Yeah, because your job is not to verify it, it's to
22 evaluate it?

23 A: Yes.

24 Q: All right. Now, that's a very important distinction,
25 isn't it? Would you agree that's a very important

1 distinction?

2 A: Sure.

3 Q: All right. So, your job is not to verify what Ms.
4 Matthews told you?

5 A: My job is to pull all the information together and come
6 to a clinical conclusion about the experiences.

7 Q: Doctor, it's a yes or no question. Your job ---

8 THE COURT: All right. Solicitor, again, ask your
9 questions. If you don't think she responds, you direct that
10 to the Court.

11 MR. SPRATLIN: Yes, sir, Your Honor.

12 THE COURT: Thank you.

13 BY MR. SPRATLIN:

14 Q: Yes or no; did you verify your statement to you?

15 A: I verified with the information I had available as much
16 as I could.

17 Q: No police reports, correct?

18 A: No police reports.

19 Q: No hospital records?

20 A: No.

21 Q: No witness statements?

22 A: No.

23 Q: Ms. Matthews told you and I think stated in court, that
24 her family actually witnessed the abuse; isn't that true?

25 A: Yes.

1 Q: You didn't have access to her family either?

2 A: No. I didn't have time to contact family or all these
3 other people.

4 Q: Didn't have time to contact the family, but had time to
5 make a diagnosis?

6 A: Yes.

7 Q: All right. Now, you talked about an incident that
8 happened back in -- when Ms. Matthews was 16 years old, where
9 she got shot?

10 A: Yes.

11 Q: That also happened, by my count, seven years before she
12 met Mr. Green, isn't that true?

13 A: Yes.

14 Q: All right. Regarding her not intending to end Mr.
15 Green's life, you believe she didn't intend to do it that
16 night, do you?

17 A: I do not believe that was her intention.

18 Q: It's almost as if she wanted to kill him and bring him
19 back to life; isn't that true?

20 A: No.

21 Q: She stabbed him and then took him to the hospital, right?

22 A: Yes.

23 Q: All right. You said under testimony from Mr. Wilson,
24 that it is common for a battered woman to not be honest with
25 the police when they first respond, true?

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSO - CROSS BY SPRATLIN

651

- 1 A: Yes.
- 2 Q: All right. You've seen 50 to 100 people, done ten -- ten
3 court evaluations?
- 4 A: Uh-huh, (affirmative response).
- 5 Q: Is it also common for murderers to not be honest with the
6 police when they show up?
- 7 A: I'm sure.
- 8 Q: You're sure?
- 9 A: I'm sure that's the case. I couldn't speak to that.
- 10 Q: Okay. Okay. You said Ms. Matthews feared Dennis,
11 correct?
- 12 A: Yes.
- 13 Q: And that's, again, from your testimony or her statements
14 to you that she feared Dennis?
- 15 A: Not just her statements, but also the way she reports --
16 her responding, the history and cycles.
- 17 Q: Somebody who fears someone else, would they provoke that
18 person?
- 19 A: It would depend on what stage of the cycle domestic
20 violence we're in.
- 21 Q: Would they punch them in the face in the car?
- 22 A: No. They would not initiate that.
- 23 Q: I'm sorry?
- 24 A: No. I wouldn't expect them to initiate ---
- 25 Q: You wouldn't expect them to punch them in the car. Would

1 they put their finger in their face in a restaurant, like this
2 and say you called my daddy a bitch?

3 A: I could see where that would be -- that would happen.

4 Q: Okay. So, punching them in the face, too far; handing a
5 phone to them saying that daddy -- they called your daddy a
6 bitch is right in that space? Is that a yes?

7 A: They're varying -- there's a varying type difference
8 there between the amount of aggression behind those, agitation
9 behind those two things.

10 Q: Because when you met with Ms. Matthews, she wasn't
11 aggressive?

12 A: No.

13 Q: And she's been charged with murder for four years?

14 A: Uh-huh, (affirmative response).

15 Q: I'm sorry, is that a yes or no?

16 A: Yes.

17 Q: Would you agree that four years is a long time to get
18 your story straight?

19 A: Four years is a long time to sit and wait, yes, for this
20 process to take place.

21 Q: Is four years a long time to get your story straight,
22 Doctor?

23 A: It could be.

24 Q: Could be.

1 just a little bit. Thank you.

2 BY MR. SPRATLIN:

3 Q: I'm gonna ask you some questions about the tests that you
4 did on Ms. Matthews. I want to make sure everybody
5 understands what these are. So, the, I think it's commonly
6 referred to as CAPS test; is that correct?

7 A: Yes.

8 Q: What is that?

9 A: A CAPS is a structured clinical interview to assess
10 trauma symptoms and help leads to diagnosis of PTSD.

11 Q: And that's where you ask questions and the client in this
12 case, Ms. Matthews, answers?

13 A: Yes.

14 Q: Again, that's -- her answers are what you're relying on?

15 A: Yes.

16 Q: All right. Let's ask you about the Minnesota, and I'm
17 gonna butcher this word and I apologize?

18 A: MMPI.

19 Q: Multiphasic Personality Inventory or what we just call it
20 the MMPI, and I think it's the second edition, so it's MMPI-2?

21 A: Yes.

22 Q: All right. That actually is self-administered by the
23 patient, correct?

24 A: It's administered by me in the office, yes, but they
25 answer it independently.

1 Q: But they answer it independently. So, they take that
2 form and go fill it out?

3 A: Uh-huh, (affirmative response).

4 Q: The Personality Assessment Inventory, PAI, that's another
5 similar test where you ask questions, she answers?

6 A: --- PAI, yeah.

7 Q: So, she actually takes that form and goes and fills it
8 out?

9 A: Uh-huh, (affirmative response).

10 Q: The Wechsler Adult Intelligent Skill, WAIS-IV, that's
11 essentially a IQ test?

12 A: Yes.

13 Q: The Wechsler Memory Scale, WMS IV, that's also -- what is
14 that?

15 A: That's a test that looks at memory functioning.

16 Q: Okay.

17 A: Similar to the WAIS that requires direct administration
18 by a psychologist.

19 Q: All right. Let me ask you about Ms. Matthews result on
20 the PAI test. On the second page, I believe that's a list of
21 what my expert tells me are domains; is that correct?

22 A: I'm sorry, what was the last thing you said? The second
23 page is what?

24 Q: The second page is a list of domains; is that correct?

25 A: Yes.

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSON - CROSS BY SPRATLIN

655

- 1 Q: All right. And that carries on to I think the third
2 page, right, or is that something different?
- 3 A: No.
- 4 Q: Subscale profile.
- 5 A: Subscale profile is, yeah, my third page.
- 6 Q: Okay. All right. Going back to the second page. Can
7 you tell this jury what Ms. Matthews scored -- what clinically
8 significant -- what's the correct language -- I beg the
9 Court's indulgence? What domains were clinically significant
10 given the test that you gave to Ms. Matthews?
- 11 A: A number of domains.
- 12 Q: Which ones?
- 13 A: Her anxiety, semantic symptoms, trauma response,
14 depression, paranoia, need to deal with alcohol, aggression,
15 suicidal ideation, difficulty in relationships. She also
16 views herself in an incredibly negative way, so that was also
17 elevated.
- 18 Q: I'm sorry, what was the last one?
- 19 A: She views herself in an incredibly negative way, and that
20 was also elevated.
- 21 Q: So, a lot?
- 22 A: Yeah.
- 23 Q: And when we go to page 4 of that report, additional
24 profile information; is that correct?
- 25 A: Yes.

1 Q: All right. The first one is malingering index, raw value
2 2, T score 71. What does malingering mean?
3 A: Malingering is when somebody lies for gain.
4 Q: Lies for gain?
5 A: Uh-huh, (affirmative response).
6 Q: And Ms. Matthews scored 71 on that?
7 A: Yes.
8 Q: All right. Not a zero?
9 A: Not a zero.
10 Q: Okay. The Hong malingering index -- malingering again
11 means lying for gain, right?
12 A: Uh-huh, (affirmative response).
13 Q: Raw value 209. Ms. Matthews actually scored a 94 on
14 that, right? Yes or no?
15 A: Yes.
16 Q: And that's out of 100?
17 A: So, am I allowed to give you additional information?
18 THE COURT: All right. Ma'am, so let me explain. If the
19 question asks for yes or no, you can say yes or no, but then
20 you may explain your answer.
21 A: Okay. Yes. The reason why Ms. Matthews was given both
22 the MMPI and the PAI is that when you look at it at first
23 glance, she invalidates both of them. I used both measures to
24 match her clinical interview and pull apart her perceptions of
25 herself.

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSO - CROSS BY SPRATLIN

657

- 1 Q: So, you again, when this test didn't work out, went back
2 to what she told you?
- 3 A: No. I went and used two layers of objective measures and
4 took the information as she saw herself and it matches with
5 her descriptions of her experiences.
- 6 Q: Okay. So, you relied again on what she told you?
- 7 A: I relied on a combination of clinical measures in my
8 interviews with Ms. Matthews.
- 9 Q: Exactly. Part of that combination was what she told you?
- 10 A: I'm not quite sure how else to make the diagnosis without
11 the person who is experiencing the symptoms.
- 12 Q: Okay. Let's go to the next item, the Multiscale Feigning
13 Index. Looks like she got an 87 on that one?
- 14 A: Uh-huh, (affirmative response).
- 15 Q: Feigning, what does that mean?
- 16 A: A higher level of experience of symptoms than we would
17 expect.
- 18 Q: Basically exaggerating ---
- 19 A: Uh-huh, (affirmative response).
- 20 Q: --- being dishonest? Yes or no?
- 21 A: Yes, those are also experimental indicators. So ---
- 22 Q: Okay.
- 23 A: --- I wouldn't rely on those too heavily.
- 24 Q: You wouldn't rely on those?
- 25 A: No, not to -- not to make kind of these prose

1 accusations.

2 Q: But you gave her this test so you could tell what was
3 wrong with her?

4 A: What we looked at when we looked at this test were
5 individual reactions and responses, meaning we could ---

6 Q: Okay. Let's talk about the other test you did, the MMPI,
7 the Minnesota Multiphasic Personality Inventory, Number 2. Do
8 have you got a copy of that up there with you?

9 A: I do.

10 Q: Okay. The second page of that report, it says -- and
11 correct me if I'm wrong -- this is an invalid profile because
12 F is greater than 89?

13 A: Yes.

14 Q: All right. What does F stand for?

15 A: F has to do with the number of symptoms that are
16 reported. And so, any good clinician will tell you that you
17 cannot fully rely on just the way that these printouts read.
18 These printouts are meant to speed up the process of scoring.

19 Q: Correct me if I'm wrong; F stands for faking bad?

20 A: That's where it breaks down into multiple levels, so, not
21 necessarily faking bad. She reports more symptoms than we
22 expected of a typical individual.

23 Q: More symptoms than than to be expected?

24 A: Uh-huh, (affirmative response).

25 Q: Exaggerated?

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSO - CROSS BY SPRATLIN

659

1 A: If that's what you'd like to call it.

2 Q: Why?

3 A: That's not how I view that scale; that's not how I was
4 trained.

5 Q: Well, let's talk about that, because the profile validity
6 on the third page says she responded to the MMPI items in an
7 exaggerated manner?

8 A: Yes, but they were endorsed consistently, having matched
9 the PAI profile.

10 Q: So, she consistently exaggerated?

11 A: Ms. Matthews reports a number of symptoms that you would
12 not expect the average individual to experience. Somatic
13 symptoms, she reports a lot of neurological symptoms, she
14 reports trauma symptoms, depression, anxiety, difficulty with
15 work, family relationship difficulties; all of which you would
16 expect in a victim of domestic violence.

17 Q: But just not to the level that she has, right?

18 A: These profiles are not meant to be kind of one and done.
19 They require clinical judgment to be added to them. We never
20 take one measure at face value. We incorporate multiple
21 sources of information, that's the PAI, the MMPI, the CAPS,
22 clinical interviews.

23 Q: Well, let me ask you about taking multiple sources. Two
24 of these, both agree that she's exaggerating or malingering?

25 A: That she reports a large number of symptoms, yes, but it

1 doesn't necessarily say that she's malingering.

2 Q: Page 4 of the PAI does, correct?

3 A: It takes clinical background to be able to interpret
4 these reports.

5 Q: Okay. So, a common person can't understand what
6 malingering means?

7 A: A common person can understand what malingering is, but a
8 common person is not supposed to be using the PAI to make
9 diagnoses that they are not qualified to make.

10 Q: The third page of the MIPP -- or fourth page, excuse me,
11 of MMPI-2, again says, this is invalid profile because F is
12 greater than 89?

13 A: Yes. She reports symptoms that were -- she reported more
14 symptoms than we would expect ten percent of a normative
15 population.

16 Q: What's one -- one potential reason for exaggerations or
17 malingering or whatever it might be is that she was so abused
18 that she is really suffering from all of this; isn't that
19 true?

20 A: Yes.

21 Q: Okay. The other possible explanation could be that she's
22 lying?

23 A: That has to be something that's considered.

24 Q: But you never considered that?

25 A: I did consider that.

State v. Matthews Green - 2017-GS-26-04252
WHITNEY DANSO - REDIRECT BY WILSON

661

1 Q: But you took her at her word?

2 A: No. I pooled all my information together and made an
3 assessment.

4 Q: And your information was probably about 90 percent what
5 she told you, wasn't it?

6 A: No. A portion of my assessment had to do with measures
7 we used to gather information in various ways.

8 Q: Again, the measures you used are these tests? All right.
9 was that a yes or no? I'm sorry.

10 A: Also the CAPS, the life experience checklist ---

11 Q: Life experience checklist, that's just the stuff that
12 she's had happen in her life?

13 A: Uh-huh, (affirmative response).

14 Q: Okay. All right. Let me check with my expert and see if
15 I have any further questions.

16 MR. SPRATLIN: Your Honor, I have no further questions
17 for this witness.

18 THE COURT: All right. Redirect?

19 MR. WILSON: Thank you, Your Honor.

20 REDIRECT EXAMINATION OF WHITNEY DANSO BY MR. WILSON:

21 Q: Dr. Danso, let me ask you, if you have a professional
22 clinical opinion as to whether or not Donnielle was
23 malingering or lying to you; do you have an opinion?

24 A: I do have an opinion.

25 Q: What is your opinion?

1 A: I do not believe she was lying. I believe she's
2 experiencing a number of symptoms which would fit with trauma,
3 would fit with her experiences, and her ongoing anxiety.

4 Q: The solicitor asked you about, I forget what his exact
5 question was, but you responded that you saw emails, which
6 supported that others knew about her being abused; is that
7 true or not true?

8 A: It is true; there were messages back and forth.

9 Q: All right. Is there any question in your mind, based on
10 what you saw in those records that other people knew she was
11 being abused?

12 A: No. I do believe other people knew.

13 Q: He also asked you if Mr. Wilson is paying you to be here.
14 Is that correct; payment that he asked you?

15 A: He did ask me that, yes.

16 Q: Actually, you're being paid by the state, aren't you?

17 THE COURT: Solicitor and Mr. Wilson?

18 MR. WILSON: Yes, sir.

19 THE COURT: Those are matters for the Court, not this
20 jury.

21 MR. WILSON: All right, sir.

22 THE COURT: Thank you.

23 MR. WILSON: All right.

24 BY MR. WILSON:

25 Q: Now, let me ask you -- he asked you about striking --

663

1 whether or not Dennis was struck by -- well, I think he asked
2 you whether you believe that Dennis was struck by Donnielle as
3 she got in the car. And do you recall what your response was?
4 A: I don't remember that being the specific question, but
5 that's not -- not something that she shared with me.
6 Q: Okay. She never told you that she struck him when she
7 got in the car?
8 A: No.
9 Q: All right. And until now, you didn't hear that?
10 A: No. I did not hear that.
11 Q: Let me ask you, would it be typical or would it be
12 unusual for a battered person who is getting in the vehicle
13 with the batterer to strike the batterer before the batterer
14 strikes them?
15 A: No.
16 Q: And why -- why wouldn't they do that?
17 A: Because most people who are being abused, do not want to
18 -- do not want to provoke any violence. They want to enjoy
19 the calm periods of the relationship.
20 Q: I don't have any other questions. Thank you.
21 THE COURT: Anything on those questions?
22 MR. SPRATLIN: Yes, Your Honor.
23 RECROSS-EXAMINATION OF WHITNEY DANSO BY MR. SPRATLIN:

2 A: If we're talking in the context of abuse, yes, that would
3 be my answer. Otherwise ---

4 Q: The messages you saw, those were provided to you by the
5 defense?

6 A: Yes.

7 Q: All right. Didn't go talk to anybody yourself, right?

8 A: No.

9 Q: All right. And you talked about Donnielle having some
10 sort of trauma. Would you agree that stabbing your husband to
11 death in the car would be a trauma?

12 A: Yeah, it would be a trauma.

13 Q: Okay.

14 MR. SPRATLIN: No further questions, Your Honor. Thank
15 you.

16 THE COURT: All right. Mr. Wilson, do you wish the
17 witness to be excused?

18 MR. WILSON: Yes, sir, please.

19 THE COURT: Any objection from the state?

20 MR. SPRATLIN: No, Your Honor.

21 THE COURT: All right, ma'am, you're released from your

23 DR. DANSO: Thank you.

4 Can you call out Amy Jackson, please?

5 All right, ma'am, come all the way around up front right
6 up here to where the clerk's representative is.

7 THE CLERK: Please raise your right hand and place your

9 AMY JACKSON, HAVING BEEN DULY SWORN

10 TESTIFIES AS FOLLOWS:

11 THE CLERK: Please be seated. State your full name and
12 spell your name for the Court.

13 MS. JACKSON: Amy Jackson; A-M-Y, J-A-C-K-S-O-N.

14 THE COURT: All right, Mr. Wilson.

15 MR. WILSON: Thank you, Your Honor.

16 DIRECT EXAMINATION OF AMY JACKSON BY MR. WILSON:

17 Q: Ms. Jackson, if you would, tell us back in 2017 where you
18 were working?

19 A: At Denny's in North Myrtle Beach.

20 Q: You were working at Denny's in North Myrtle Beach?

21 A: Yes.

22 Q: And back on July, morning of July 7th of 2017, were you
23 on duty working at the restaurant?

24 A: Yes.

25 Q: All right. Do you recall on that particular morning,

State v. Matthews Green - 2017-GS-26-04252

666

1 this group coming in with two ladies and a gentleman?

2 A: Yes, I do.

3 Q: Now, can you describe them as best you remember them?

4 A: They had been out -- it was early in the morning, so they
5 had been out drinking; you could tell they had been out and
6 came into to eat.

7 Q: Okay. Physically, can you tell whether one of the women
8 were tall and one was short; both were tall; both were short?

9 A: I don't really recall, no.

10 Q: Okay. All right. So, tell me, during that time, do you
11 know how long or think about how long they were there in the
12 store -- in the restaurant?

13 A: Forty-five minutes.

14 Q: And you served them?

15 A: Yes.

16 Q: And you would've been back and forth to the table with
17 them?

18 A: Yes.

19 Q: All right. And let me ask you, tell me about the
20 interaction between the women that night?

21 A: They were just -- seemed to be -- a little bit about the
22 restaurant before they actually sat down to eat. I think they
23 went to the restroom and just around the restaurant. They
24 were still having a good time it seemed to be.

25 Q: Okay. Were they getting along, the girls?

667

- 1 A: Yeah, it seemed to be.
- 2 Q: Okay. All right. And were they fighting or arguing that
3 night, anybody?
- 4 A: No. He seemed tired and a little bit aggravated and was
5 ready to leave.
- 6 Q: Okay. So, he seemed aggravated ---
- 7 A: Yes.
- 8 Q: --- and ready to leave. But the girls were still -- let
9 me ask you this question. Did you notice any tension at all
10 between the two girls or could you tell what was going on with
11 them?
- 12 A: Not really, no.
- 13 Q: All right. Now, during the time that they were in there,
14 did you hear anybody raise their voice or threaten anybody or
15 curse anybody or be disrespectful in any way to anybody that
16 you know of?
- 17 A: No.
- 18 Q: Okay. Now, when they left Denny's, when they were
19 leaving, did you see them as they left the parking -- the door
20 to go out into the parking lot?
- 21 A: Just vaguely, getting the car. They took a while to get
22 into the car.
- 23 Q: Okay.
- 24 A: That's what I recall.
- 25 Q: All right.

AMY JACKSON - DIRECT BY WILSON

668

1 A: I didn't see anything in the parking lot to ---

2 Q: Okay. All right. But there was no question, while they
3 were in that restaurant, there was no fighting, no arguing, no
4 problems whatsoever that you noticed or heard?

5 A: There didn't seem to be, no.

6 Q: Okay. And then they got up and they all left together?

7 A: Yes.

8 Q: All right. And as they were leaving, did they say
9 anything to you or anything to give you any reason to believe
10 that there was some animosity or hostility going on?

11 A: No.

12 Q: All right. And you said that the two girls went to the
13 bathroom. Do you know how they long they stayed in the
14 bathroom?

15 A: I don't recall.

16 Q: Okay. All right. But they went to the bathroom; did the
17 gentleman go to the bathroom with them?

18 A: I don't remember. I don't recall that, no.

19 Q: It's been four years, right?

20 A: Yes.

21 Q: All right. And you don't remember all the details of
22 everything, but you remember that there was nothing untoward
23 said or going on that you can recall?

24 A: Right.

25 Q: All right. And that they all left together?

AMY JACKSON - DIRECT BY WILSON

669

- 1 A: Right.
- 2 Q: And they all went out to one car and got in?
- 3 A: Correct.
- 4 Q: Now, do you know any of these people?
- 5 A: No. I sure don't.
- 6 Q: All right. Have you met me before today?
- 7 A: No.
- 8 Q: All right. Do you know, did the state ever call you, the
- 9 solicitor's office or the police and ask you for what happened
- 10 that night or what you saw and observed?
- 11 A: Well, the detectives came to my house the next day after
- 12 the incident happened.
- 13 Q: Okay. And did you tell them what you just told us?
- 14 A: Yes.
- 15 Q: All right. And did they get back to you anymore after
- 16 that?
- 17 A: Not until the state contacted me.
- 18 Q: And when was that?
- 19 A: It's been a -- just that I needed to come and appear by
- 20 subpoena. That was about maybe a month ago.
- 21 Q: Okay. So, you got a subpoena from the state?
- 22 A: Correct.
- 23 Q: But you hadn't heard nothing from them from four years
- 24 until now?
- 25 A: No, sir.

3 MR. SPRATLIN: Thank you, Your Honor.

4 CROSS-EXAMINATION OF AMY JACKSON BY MR. SPRATLIN:

5 Q: Good afternoon, Ms. Jackson, how are you?

6 A: Good afternoon. Hello.

7 Q: Do you remember meeting with me and Mr. Oskin?

8 A: I do.

9 Q: All right. And that was about a month ago?

10 A: Correct.

11 Q: Now, you were working at the Denny's parking lot back in
12 -- I mean you were working, I'm sorry, not the Denny's parking
13 lot. You were working the Denny's in North Myrtle Beach back
14 in July of 2017, right?

15 A: Yes.

16 Q: What was your shift?

17 A: 10:00 to 6:00.

18 Q: 10:00 to 6:00, so graveyard?

19 A: Yes.

20 Q: So, I bet you got all kinds of people in the Denny's,
21 didn't you?

22 A: Yes, we did.

23 Q: All right. You also, in addition to being a waiter or
24 waitress at the restaurant, you had to help clean the
25 restaurant, right?

1 A: Right.

2 Q: And so, while these people were in the restaurant eating,
3 you were also cleaning, correct? I'm sorry, you have to
4 answer yes or no?

5 A: Yes.

6 Q: Thank you.

7 A: Right.

8 Q: Thank you, Ms. Jackson. So, it wasn't like you were
9 sitting there watching these people the entire time, were you?

10 A: No, I wasn't.

11 Q: And even when they left and were in the parking lot, you
12 weren't sitting there in the window staring out at them, were
13 you?

14 A: No.

15 Q: All right. In fact, you were not paying attention to the
16 point that you remember telling the police that the -- the
17 really tall one with braids got in the backseat; do you
18 remember that?

19 A: I don't recall.

20 Q: Okay. But it could've been that you told the police
21 that?

22 A: It could've been that, yes.

23 Q: All right. So, you really weren't paying a whole lot of
24 attention to the people at all?

25 A: No, I mean like I said, it was 4 o'clock in the morning.

4 Q: --- but you weren't like spying on them or anything?

6 Q: All right. And you really don't recall a whole lot of
7 that night, do you?

8 A: No, I don't.

9 Q: It's been four years? Yes or no, I'm sorry?

10 A: Yes, that's correct.

11 Q: Thank you. No further questions, Your Honor.

18 Q: All right. And what does that mean?

19 A: I review cases, such as the one we're here today to

State v. Matthews Green - 2017-GS-26-04252
CHRISTOPHER ROBINSON - DIRECT BY WILSON

677

1 A: Yes, sir.

2 Q: If you would, tell us about that?

3 A: Yes, sir. I received my Bachelors of Science Degree in
4 Chemistry from Berry College in Rome, Georgia in May of 1995,
5 and I began my career in the forensic field of the Georgia
6 Bureau of Investigation, where I worked there for ten years as
7 a firearm examiner. I then became the Director of the Crime
8 Lab with the City of Atlanta Police Department and held that
9 position for two-and-a-half years. And now I own my own
10 company, Chris Robinson Forensics for the past 11 years.

11 Q: Okay.

12 A: During my -- hang on. During my career, I've logged over
13 15,000 hours on a comparison microscope and performed over
14 100,000 forensic examinations. I've been to eight armorer's
15 courses. I've been to eight manufacturing plants, and I've
16 currently worked over 11,000 actual cases. I'm certified
17 there as a firearms and ballistics, gunshot residue analysis,
18 blood spatter analysis, shooting and crime scene
19 reconstruction, and wound analysis.

20 Q: And let me ask you with all that vast experience, have
21 you ever testified in court?

22 A: Yes, sir, just a few.

23 Q: All right. Tell us about that?

24 A: Yes, sir. It will be 799 times today.

25 Q: You have testified 799 times?

1 A: As of today.

2 Q: As of today. All right. Have you testified in the
3 courts of the State of South Carolina?

4 A: I have.

5 Q: All right. Have you testified in this very courthouse?

6 A: I have.

7 Q: All right. And how many times would you say you've
8 testified as an expert in this courthouse?

9 A: This my third time.

10 Q: Here?

11 A: In this courthouse.

12 Q: Now, and those three times that you were here testifying,
13 were you qualified as an expert witness in any particular
14 field?

15 A: Yes, sir. I believe it was firearms and ballistics, and
16 I think it may have been possibly reconstruction, I believe
17 so.

18 Q: All right. And have you been qualified in any other
19 states other than South Carolina in the area of reconstruction
20 -- of crime scene reconstruction?

21 A: Yes, sir, I would say around I think it's 25 states, the
22 last count.

23 Q: All right. And you've been doing this now for how long?

24 A: Twenty-three years in July.

25 Q: All right. Now, when you said that you were with the

2 A: Yes, sir.

3 Q: All right. And how long were you with the Georgia Bureau
4 of Investigation?

5 A: Ten years.

6 Q: All right. And what was your title while you were there
7 with them?

8 A: Well, I started off as a Forensic Scientist I, II, III,
9 and then a Senior Forensic Scientist.

10 Q: All right.

11 MR. WILSON: Your Honor, at this time, we'd offer this
12 witness as an expert in the field of crime scene
13 reconstruction

14 THE COURT: Do you wish to voir dire the witness or

16 MR. SPRATLIN: I would ask voir dire a little bit, Your

18 THE COURT: You may do so.

19 VOIR DIRE OF CHRISTOPHER ROBINSON BY MR. SPRATLIN:

20 Q: Mr. Robinson, I may have missed it. How many accident
21 reconstructions have you completed?

22 A: You mean crime scene reconstructions?

23 Q: Crime scene reconstructions, excuse me, yes.

24 A: Actually have been to the actual crime scenes or just do
25 a crime scene reconstruction on cases like this?

State v. Matthews Green - 2017-GS-26-04252
CHRISTOPHER ROBINSON - VOIR DIRE BY SPRATLIN

680

1 Q: Just do a crime scene reconstruction on cases like this?

2 A: I would say around four to 500.

3 Q: Four to 500. All right. Were those in your private
4 enterprise, or were those when you were working for the state?

5 A: It would be both.

6 Q: Both. How many in your private enterprise?

7 A: I would say vast majority of those with my private, so I
8 would probably say around three to three-fifty private out of
9 the 500.

10 Q: And how many times have you been qualified as an expert
11 in crime scene reconstruction?

12 A: I would say about 150 to 200.

13 Q: What type of training and experience have you had
14 specifically in crime scene reconstruction?

15 A: I got trained while at the Georgia Bureau of
16 Investigation, as well as the Henry Lee Institute in
17 Connecticut, where I took basic, intermediate, and advanced
18 crime reconstruction, shooting reconstruction, and crime scene
19 reconstruction courses.

20 MR. SPRATLIN: your Honor, I have no issues with this
21 witnesses qualifications.

22 THE COURT: All right. I'm gonna -- and the field you're
23 offering him in?

24 MR. WILSON: Crime scene reconstruction, Your Honor.

2 MR. WILSON: Thank you very much.

3 CONTINUATION OF DIRECT EXAMINATION OF CHRISTOPHER ROBINSON BY
4 MR. WILSON:

5 Q: Let me ask you, have you testified in court on behalf of
6 the defense in the past?

7 A: Yes, sir; yes.

8 Q: All right. And have you testified in court on behalf of
9 the state in the past?

10 A: Yes, sir. Let me quantify; 520 of the 799 times were for
11 the state. It's a 199 times today for the defense.

12 Q: All right. Now, let me ask you -- well, let me show you
13 this first before I get started.

14 MR. WILSON: May I approach, Your Honor?

15 THE COURT: Yes, sir.

16 BY MR. WILSON:

17 Q: Take a look -- well, let me have her mark it first. Let
18 me show you what's marked as Defendant's Exhibit 26 for
19 identification purposes and ask you to take a look at that and
20 tell me if you can identify what it is?

21 A: Yes, sir, this is a copy of my curriculum vitae.

22 Q: Okay.

23 MR. SPRATLIN: No objection.

24 MR. WILSON: Your Honor, we'd offer what's previously
25 marked as Defendant's Exhibit 26, 26 for ID, as 26.

6 Q: All right. Now, let me ask you if, at some point in
7 time, you became involved in this particular case?

8 A: Yes, sir.

9 Q: All right. And tell us how that occurred?

10 A: I believe it was around between, I think it was five or
11 six months ago you contacted me and asked me if I would be
12 willing to review some material on a case.

13 Q: Okay. And did you agree to do that?

14 A: I did.

15 Q: All right. And are you a paid consultant on this case?

16 A: I am.

17 Q: All right. Now, let me ask you if you would to tell us
18 what material, if any, you reviewed in order to reach any
19 conclusions, if you did, or opinions, if you did, on this
20 particular case?

21 A: Yes, sir. I reviewed the police reports; I reviewed the
22 autopsy report; crime scene photos; autopsy photos; the
23 depositions that had taken place; previous trial transcripts;
24 basically, everything that was contained within the discovery,
25 sir.

3 A: Yes, sir.

4 Q: Did you have an opportunity to view any photos from the
5 autopsy?

6 A: Yes, sir.

7 Q: All right. And did that include some pictures of the
8 hands of the deceased and the victim, Mr. Green?

9 A: Yes, sir.

10 Q: All right. Let me -- let me show you what I have in my
11 hand, which is Defendant's Exhibit 16 and ask you if you would
12 take a look at that?

13 A: Yes, sir. This is the picture of the right hand of Mr.
14 Green.

15 Q: Okay. Now, looking at that, as a crime scene expert,
16 tell me if there's anything noticeable about that to you?

17 A: Yes, sir. There's bruises that are apparent on the
18 knuckles of the hand.

19 Q: On the knuckles of his hand?

20 A: Correct.

21 Q: All right. And which hand would that be?

22 A: His right hand.

23 Q: His right hand. Let me show you what's marked as
24 Defendant's Exhibit 3 and ask you to take a look at that for
25 me.

1 A: This is a closeup of the scratches and abrasions that
2 were observed on the left side or documented on the left side
3 of Ms. Matthews' face.

4 Q: Okay. And let me show you what's marked as Defendant's
5 Exhibit Number 4 in this particular case.

6 A: Again, this is an overall -- it's just zoomed out a
7 little bit further indicating the injuries to the left side of
8 Ms. Matthews' face.

9 Q: Okay. Now, let me also show you what's marked as
10 Defendant's Exhibit Number 5 and tell us what that is.

15 show, point out these?

1 THE COURT: Yes, sir.

2 A: Stay here?

3 THE COURT: Yes, sir. Go ahead.

4 A: The bruises can be seen on the palm area of Ms. Matthews'
5 hand.

6 BY MR. WILSON:

7 Q: All right. And that is -- you can take the stand back
8 again. And that is which hand?

9 A: That's her left hand.

10 Q: That's her left hand. Now, let me ask you, seeing those
11 abrasions in her left hand, what if any significance that had
12 to you and -- and what did you do with that information, if
13 anything?

14 A: In order to cause bruising to a hand like that, whatever
15 was in her hand had to be gripped extremely tightly and it had
16 to have a great deal of pressure to cause that type of
17 bruising on your palm, because you use your hands all the
18 time. So, in order to cause bruising like that, whatever
19 she's gripping, had to be gripped extremely tight, like she
20 was holding it for dear life, if you will.

21 Q: Okay. Let me show you what's marked as Defendant's
22 Exhibit Number 20, and ask you if you've taken a look at that?

23 A: I did.

24 Q: All right. And have you seen that before?

25 A: I have.

1 Q: And did you form any opinion as to whether or not that
2 particular knife, the size and dimensions are consistent with
3 the bruises in her hand?

4 A: Yes, sir; they are. Actually, up on in the index area of
5 a palm or surface, it has this nice little point that you see
6 on this knife, and it can be seen in the palm or surface of
7 her hand, if you overlay the knife with it. So, it is
8 consistent with that type of holding a knife like that in your
9 hand.

10 Q: Thank you. Now, did you form any other opinions and/or
11 conclusions regarding this particular case?

12 A: Yes, sir.

13 Q: Tell us about those?

14 A: Along with the documentation of the bruising that you see
15 on the left side of Ms. Matthews' face, you've already been
16 notified about the fingernails being broken off. A vast
17 majority of the fingernails were found by the police to be
18 located around the driver's side area of the car, which
19 indicates those fingernails to be broken off and in the
20 position that they were in, Ms. Matthews had to be in the
21 front area of the car for those nails to have been broken off
22 in that way. They also indicate there was some kind of
23 serious struggle to snap the fingernails off her hands the way
24 that they were done.

25 Q: Let me show you what's marked as Defendant's Exhibit

State v. Matthews Green - 2017-GS-26-04252

687

1 Number 9. Let's do them one at the time. Let me show you
2 what's marked as Defendant's Exhibit Number 9, and tell us
3 what that is a photo of?

4 A: This is a fingernail that was found in the front area of
5 the car.

6 Q: Okay. Was there anything else noticeable in that photo
7 other than the fingernail?

8 A: Yes, sir. You can clearly see the auxiliary cord that
9 Ms. Matthews mentioned earlier in the trial.

10 Q: Okay. You were in the courtroom when she testified?

11 A: I was.

12 Q: All right. And that cord is in the middle of the floor?

13 A: It is.

14 Q: All right. Let me show you another photograph, which is
15 Defendant's Exhibit Number 8 and ask you if you'll take a look
16 at that and tell us what that is.

17 A: This again is a closeup of another fingernail that's
18 broken off in I believe it's the front area of the vehicle.

19 Q: Okay. And Defendant's Exhibit Number 7?

20 A: This is two separate fingernails in the driver's side
21 floorboard of the vehicle.

22 Q: All right. Let me show you now what's marked as State's
23 Exhibit Number 100 and State's Exhibit Number 101, and take a
24 look at those for me. Tell us if you've seen those
25 photographs before.

1 A: Yes, these are injuries to the left thumb area of Mr.
2 Green.

3 Q: All right. All right. And would you tell us any
4 significance that those injuries would -- would have?

5 A: The injuries indicate that there's a laceration. The
6 depth of the wound is not that great. The length is about
7 three quarters of an inch based on the autopsy report. It's
8 caused by a cutting instrument such as the knife that was used
9 -- reported knife that was used in this situation.

10 Q: All right. Did you have an opportunity to observe the --
11 the wounds that were on Mr. Green's body?

12 A: Yes, sir.

13 Q: All right. And -- and after having observed those wounds
14 and having seen the -- the crime scene material that we've
15 just discussed, did you form any opinion as to how those
16 wounds may have been inflicted?

17 A: Yes, sir.

18 Q: All right. Would you explain that to us and tell us,
19 one, how you came to that conclusion and why you came to that
20 conclusion?

21 A: Can I have the knife back?

22 Q: Yes, sir.

23 A: Based on the autopsy report, the first wound that was on
24 the T5 and T6 area, had a width of one inch. If you look at
25 that blade at the widest point here, it's 1 3/8 inches, which

State v. Matthews Green - 2017-GS-26-04252
CHRISTOPHER ROBINSON - DIRECT BY WILSON

689

1 is 1.375 inches. So, I know that that blade didn't go in any
2 more than an inch on that wound. So, if you come back to this
3 far, it came in about that far into the body, but that wound,
4 based on the dimensions of the wound identified in the autopsy
5 report. Furthermore, the wound is nice and clean, which means
6 it has this nice sharp blade on the front. The serration that
7 you see in the back never touched the body, because when you
8 see serrated wounds, the wound becomes really ragged, so I
9 know the wound could not have went any further than about an
10 inch, based on that particular wound.

11 The second wound was identified as having a width of 1.2
12 inches. Again, the maximum width of this blade is 1.375.
13 Now, I could come in a little bit further with this wound, but
14 again, it did not reach the serrations. This blade is 4 3/4
15 inches long; the width of the wound is only 1.2 inches and 1
16 inch. So, again I would classify these as kind of like, they
17 are stab wounds but they're jab wounds; they're not deep by
18 any means. This is a very sharp knife; it will go in you very
19 easily. So, again these are like stop, get off of me, just
20 like little poke wounds, if you will.

21 Q: Let me ask you, what, if anything, did you observe in the
22 backseat area of the car that might be of interest to you?

23 A: There was a -- like shoe impression on the back seat as
24 if someone were pushing off of the seat with their foot.

25 Q: Okay. And -- and explain to us how that might happen in

1 this particular situation.

2 A: Again, I was in the courtroom. Ms. Matthews said she was
3 pulled to the front during a struggle. The fingernails are
4 breaking off, you know, in any kind of struggle, you start
5 pushing off with everything you have. So, her foot could've
6 impressed itself into the backseat. Again, that's very
7 plausible, sir.

8 Q: And let me ask you, if there is a -- well, let me find
9 it. Well, I'll just ask you. Did you find any scuff marks in
10 the vehicle or in the photos that you observed?

11 A: There appeared to be like marks on the door areas. I
12 mean, I don't know when those occurred. But yeah, there were
13 markings inside the door area of the door handle area as if
14 there may have been part of struggle, but I can't speculate as
15 to when those occurred.

16 Q: Okay. Let me show you what's marked as State's Exhibit
17 Number 66 and ask you if you'd take a look at that for me,
18 please, sir?

19 A: Yes, sir, these are like marks as if someone scratched
20 along the seat and there's what may be apparent blood spatter.

21 Q: Okay. Let me show you what's marked as State's Exhibit
22 Number 60 and show you that and ask you if that has any
23 significance at all to you in your findings.

24 A: Again, this is another picture, I think it may be the one
25 that you've already showed me, I believe. It's one of her

State v. Matthews Green - 2017-GS-26-04252
CHRISTOPHER ROBINSON - DIRECT BY WILSON

691

1 fingernails that's been broken off and it's in the floorboard
2 area.

3 Q: Okay. Now, and let me show you what's marked as State's
4 Exhibit Number 56, which has some striations in the floorboard
5 of the car; do you see those?

6 A: Yes, sir.

7 Q: All right. Tell us what that is indicative of, if
8 anything?

9 A: Again, it's impressions as if someone is pushing off or,
10 you know, but they're shoe impressions. I can't speculate,
11 but as to -- could it be as a result of someone applying a
12 great deal of force or pressure; sure, yes, sir. I mean, it
13 looks like there could be like a fingerprint areas, where
14 they're moving down across the mat area; yes, sir.

15 Q: Let me show you what's marked as State's Exhibit Number
16 45 and you'll see some scuff marks on the edge of that?

17 A: Yes, sir, I do, and then I see the fingernail. Again, I
18 see some blood, and there's a penny as well. But, yes, sir,
19 again, there's marks that are along the actual cushion area of
20 the seats; yes, sir.

21 Q: All right. Now, let me ask you, having gone through the
22 autopsy photographs, having seen the knife, having seen the
23 testimony of Ms. Green in this trial -- and you did say that
24 you sat through her testimony?

25 A: I did.

1 Q: All right. Is your, what you find, consistent or
2 inconsistent with what she says.

3 A: It is forensically plausible that the statement that she
4 gave on the stand today is very plausible based on all the
5 things that we've just talked about, about the fingernails,
6 their location; about the push off on the back seat; about the
7 little jab wounds to the side. I understand they're lethal,
8 but I've just explained to you the depth of the blade. They
9 were shallow in the sense that it only went in not even
10 halfway up the blade.

11 Q: And you're not testifying here today that that's the only
12 possible scenario; you're saying that that's certainly a
13 plausible scenario?

14 A: It is.

15 Q: All right. Well, let me ask you this. Did you find
16 anything, based on listening to her testimony today and what
17 the physical evidence is that you have reviewed, did you find
18 anything inconsistent with what she said?

19 A: On the stand today?

20 Q: Yes, sir.

21 A: No, sir.

22 Q: I don't have any other questions. Answer any questions
23 the solicitor might have for you.

24 THE COURT: Cross-examination?

25 MR. SPRATLIN: Yes, sir, Your Honor. Thank you.

CHRISTOPHER ROBINSON - CROSS BY SPRATLIN

693

1 CROSS-EXAMINATION OF CHRISTOPHER ROBINSON BY MR. SPRATLIN:

2 Q: All right, Mr. Robinson. I believe ---

3 MR. SPRATLIN: May I approach, Your Honor?

4 THE COURT: Yes, sir.

5 BY MR. SPRATLIN:

6 Q: You're aware that this is not actually the murder weapon,
7 right?

8 A: I am.

9 Q: The person who said that this knife was the exact copy of
10 the murder weapon is Ms. Green?

11 A: Correct.

12 Q: Ms. Matthews, the defendant?

13 A: Correct.

14 Q: So, your testimony about the wounds on the autopsy and
15 how the serrated end, the width of the blade, that's all based
16 on this being the murder weapon?

17 A: That would be correct.

18 Q: But this isn't the murder weapon?

19 A: Correct.

20 Q: And in fact, the injuries to the victim were so -- were
21 -- you said you didn't think they were that deep?

22 A: They were not that deep.

23 Q: Okay. It pierced his heart?

24 A: Yes, sir. It did, but it went in -- the one wound only
25 went in -- it made a .394 inch wound to his liver, the hepatic

1 capsule there, but it was .394 inches. It barely nicked the
2 liver and then it touched the atrium, but it only -- again, it
3 only went it to that -- dimensions of that blade.

4 Q: Again, if this is in fact a duplicate of the murder
5 weapon?

6 A: Correct.

7 Q: Which again, all we have to rely on for that is Donnielle
8 Matthews Green?

9 A: Correct. But, we can also say that most tactical blades
10 are 5 inches long. I carry one myself. Most blades are about
11 1 1/2 to 1.65 inches width, but yes, sir, that's correct.

12 Q: Who said it was a tactical blade?

13 A: That is a tactical knife; yes, sir.

14 Q: That is?

15 A: Yes.

16 Q: Who said the murder weapon was a tactical knife?

17 A: She identified that as the blade consistent that was the
18 one given to her.

19 Q: All right. And that brings me back to kind of the stuff
20 that you relied on to form your opinions. Reports from the
21 police department; you relied on those, right?

22 A: Yes, sir.

23 Q: You relied on the photographic evidence from the police
24 department and the autopsy of Dennis Green?

25 A: Yes, sir.

State v. Matthews Green - 2017-GS-26-04252
CHRISTOPHER ROBINSON - CROSS BY SPRATLIN

695

1 Q: You relied on the autopsy report of Dennis Green?

2 A: Yes, sir.

3 Q: You relied on materials obtained within discovery?

4 A: Yes, sir.

5 Q: You relied on a deposition of Ms. Donnielle Matthews?

6 A: Yes, sir.

7 Q: That was the one from Williams Investigating Service that
8 was represented earlier?

9 A: Yes, sir.

10 Q: All right. And that was done in March 29th, 2018?

11 A: Yes, sir.

12 Q: You relied on -- now, let's go ahead and get this
13 straight. You said you relied on previous trial transcripts.
14 There has been no other trial in this case; are you aware of
15 that?

16 A: There were other documents that were presented to me that
17 had transcripts of whatever court proceedings that had went
18 on.

19 Q: Okay. Court -- okay, I'm sorry.

20 A: Okay. Not -- not official trial, I'm sorry, not trial
21 transcripts, yes, sir, I'm sorry. I'm sorry.

22 Q: I wanted to make that clear; there has been no other
23 trial?

24 A: Correct, I'm sorry.

25 Q: This is the trial of Donnielle Matthews Green?

1 A: It is.

2 Q: And you relied on statements provided by various
3 individuals?

4 A: Yes, sir.

5 Q: And what's consistent is her testimony here today -- or
6 what's plausible, excuse me, not inconsistent -- what's
7 plausible is her testimony here today?

8 A: Correct.

9 Q: It certainly wasn't that first statement she told the
10 officers that he got stabbed at a gas station; that wasn't
11 plausible, was it?

12 A: No, sir.

13 Q: Okay. That second statement to that same officer that he
14 got stabbed at a gas station, that wasn't plausible?

15 A: No, sir.

16 Q: No officer worth his salt would believe that, would he?

17 A: No, sir.

18 Q: All right. That third statement to the detective with
19 North Myrtle, that wasn't plausible either, was it?

20 A: No, sir.

21 Q: That fourth statement to Detective Lynch and Detective
22 Johnson, her description of how the events happened, that
23 wasn't really plausible either, was it?

24 A: Correct.

25 Q: But this story, she finally found one that was plausible,

State v. Matthews Green - 2017-GS-26-04252
CHRISTOPHER ROBINSON - CROSS BY SPRATLIN

697

1 didn't she?

2 A: Well, with the fingernails in the car and the way the car
3 is positioned and the blood, yes, sir.

4 Q: The photos that you relied upon for the injuries to Ms.
5 Green or Matthews, excuse me, those were taken at -- are you
6 aware they were taken at Grand Strand Regional Hospital?

7 A: Yes, sir.

8 Q: And they were taken after she was at Seacoast?

9 A: Yes, sir.

10 Q: Were you aware that two witnesses did not identify any
11 injuries on Ms. Green other than the broken fingernails, when
12 she was at Seacoast Hospital?

13 A: I am aware.

14 Q: All right. So, the injury on her cheek, you can't say
15 that was there at Seacoast?

16 A: I cannot say that.

17 Q: And in all respect, she had jagged fingernails at that
18 point, didn't she?

19 A: She did.

20 Q: So, a scratch to her own face just as plausible?

21 A: I agree.

22 Q: That's a plausibility?

23 A: I agree.

24 Q: It's not what happened, but possibly could have happened;
25 I don't know, but it's plausible?

1 A: It is.

2 Q: The bruising to the victim's hand, and you said you
3 noticed it. You have no idea when it got there, do you?

4 A: I do not.

5 Q: Can't say, can't time a bruise?

6 A: I cannot.

7 Q: He was only alive though for several hours after he got
8 stabbed, right?

9 A: Correct.

10 Q: Okay. And that bruise is formed?

11 A: It is.

12 Q: All right, sir. The bruise on Ms. Matthews Green's hand
13 that you recognized, you can't say how that bruise got there,
14 can you?

15 A: I cannot.

16 Q: Plausibly with her story today, but you can't say?

17 A: Correct.

18 Q: All right. The fingernails in the car, you can't say how
19 they got there, correct?

20 A: Well, they're broken off. I mean, I cannot say -- I
21 cannot say exactly how they got there;; no, sir, I cannot.

22 Q: Could've been Ms. Matthews story; could've been a million
23 different stories?

24 A: As long as the nails are broken off, yes, sir.

25 Q: Okay. Even though we have identified that this is not in

State v. Matthews Green - 2017-GS-26-04252
CHRISTOPHER ROBINSON - CROSS BY SPRATLIN

699

1 fact the murder weapon, it's possible if you were gripping the
2 knife the strength that you stated that Ms. Matthews was
3 gripping this knife, that those nails could have been broken
4 off that way?

5 A: Possibly.

6 Q: Possibly. And you said that she was gripping a knife in
7 a manner that was consistent with her being basically holding
8 on for her dear life?

9 A: Yes, sir.

10 Q: Could it have been with jealous rage? Plausible, isn't
11 it?

12 A: It's plausible.

13 Q: You've done a whole lot of law enforcement
14 investigations, correct?

15 A: I have.

16 Q: You've seen anger, you've seen hatred, you've seen
17 jealousy, haven't you?

18 A: Yes, sir.

19 Q: And you've seen the sheer passion, with which people will
20 stab another person?

21 A: I have.

22 Q: And this individual was stabbed in such a manner that it
23 not only pierced through his ribs, it went and pierced his
24 heart or a valve coming off of his heart?

25 A: The valve coming off of his heart; yes, sir.

State v. Matthews Green - 2017-GS-26-04252
CHRISTOPHER ROBINSON - CROSS BY SPRATLIN

700

1 Q: And it pierced his liver or nicked his liver, excuse me,
2 it didn't actually pierce the liver, it nicked it; he probably
3 would have survived that one?
4 A: Correct.
5 Q: And again, not the murder weapon?
6 A: No, sir.
7 Q: The scuff marks that were referenced on the car, that was
8 actually on the passenger side door, wasn't it?
9 A: It was.
10 Q: So, a ways away from the driver's side?
11 A: It would be.
12 Q: But you had already said there was really no way to tell
13 when they got there?
14 A: No, sir.
15 Q: Same thing with any other scuff marks?
16 A: Correct.
17 Q: Same thing really with the footprints?
18 A: That's true. I mean, as long as no one cleans the car or
19 gets rid of that print, it can be there for any length of
20 time, correct.
21 Q: So, if someone was stepping over the seat or stepping
22 onto a seat, it could've gotten there that way?
23 A: Sure.
24 Q: Okay. If someone was stepping up on a seat, it could've
25 gotten that way?

CHRISTOPHER ROBINSON - REDIRECT BY WILSON

701

1 A: Sure.

2 Q: All right. In fact, let me ask you. All right. Let me
3 show you what has been introduced into evidence as State's 75.
4 Does that appear to be a shoe print close to the driver's side
5 of the vehicle?

6 A: Yes, sir. That's on the rear passenger seat right behind
7 the driver, correct.

8 Q: So, right behind the driver. So, let's play around a
9 little bit. So, this is the car, this right here. The seat
10 is right in front of me.

11 A: Okay.

12 Q: And I'm coming up over top.

13 A: Okay.

14 Q: It's that plausible how that footprint got there?

15 A: It could be possible, sure.

16 Q: All right. Thank you.

17 MR. SPRATLIN: Your Honor, permission to publish this to
18 the jury again?

19 THE COURT: Yes, sir.

20 MR. SPRATLIN: All right. Your Honor, I have no further
21 questions.

22 THE COURT: Redirect?

23 REDIRECT EXAMINATION OF CHRISTOPHER ROBINSON BY MR. WILSON:

24 Q: Let me ask you -- he asked you about the shoeprint. If
25 your head is down under the dashboard, and your feet are still

1 in the back seat and you're kicking because you're trying to
2 get away, would that footprint be consistent with somebody
3 who's got their head down trying to get out from under the
4 dashboard?

5 A: Absolutely, in a severe struggle, the legs will be
6 flailing all over the place.

7 Q: All right.

8 MR. SPRATLIN: Your Honor, one follow-up question I have.

9 THE COURT: Yes, sir.

10 RECROSS-EXAMINATION OF CHRISTOPHER ROBINSON BY MR. SPRATLIN:

11 Q: Ms. Matthews Green said she was being pulled up through
12 the two front seats.

13 A: Okay.

14 Q: That foot -- is that correct?

15 A: It is.

16 Q: All right. That footprint we referenced, if this is my
17 car again, is on the very far side of the vehicle next to the
18 driver's -- it's the middle of the car?

19 A: It is, I'm just saying during the struggle, I don't know
20 how she moved, but, yes, sir, I understand where you're coming
21 from, correct.

22 Q: Okay. All right. Thank you. I have no further

24 MR. WILSON: Nothing further, Your Honor.

25 THE COURT: All right. And do you wish the witness to be

4 MR. SPRATLIN: No, Your Honor.

5 THE COURT: All right, sir, you're released from your

19 MS. MATTHEWS GARDNER: Demetria Matthews, last name M-A-

21 DIRECT EXAMINATION OF DEMETRIA MATTHEWS GARDNER BY MR. WILSON:

22 Q: Demetria, where do you live?

23 A: Where do I live?

24 Q: Yes, ma'am.

25 A: In Maryland.

1 Q: All right. Baltimore?

2 A: Baltimore.

3 Q: And have you lived there all your life?

4 A: Yes.

5 Q: All right. Now, let me ask you, are you related by blood

6 or marriage to Donnielle Matthews Green?

7 A: By blood.

8 Q: By blood, and what relationship is that?

9 A: That's my sister.

10 Q: She's your sister. All right. And let me ask you, and

11 I'm just gonna cut to the chase to get straight to the heart

12 of it. Did you come down to live with her for a period of

13 time when she was married or living with Dennis?

14 A: Yes.

15 Q: All right. And when -- about when was that that you came

16 down to live with her?

17 A: I think it was March or May 2012.

18 Q: Okay. And after you moved down here, did you meet her

19 family, her sisters, and mom and other people?

20 A: Yes.

21 Q: His, I apologize.

22 A: Yes.

23 Q: All right. And did you get to know them?

24 A: Yes.

25 Q: All right. And how long would you say that you actually

1 lived with Dennis and your sister?
2 A: About eight months.
3 Q: About eight months?
4 A: Yes.
5 Q: And do you recall where y'all were actually living at
6 that time?
7 A: We were living on Highway 90 in Longs, South Carolina;
8 they called it Poplar.
9 Q: Okay. All right. Now, why were you living with them
10 here?
11 A: Why?
12 Q: Yes, ma'am.
13 A: My sister asked me to just come down to stay with them
14 for a little while.
15 Q: Okay. All right. So, you came down and you were living
16 with them. Now, were you working anywhere during that time?
17 A: Yes, I got a job with his -- well, not with his mom, but
18 she was working at the Olive Garden on Highway 17, and she
19 told me they were hiring, and I got a job working there.
20 Q: Okay. So, you started working at the Olive Garden in
21 North Myrtle Beach?
22 A: Yes.
23 Q: Very well. And did you work there most of the time that
24 you were here with them?
25 A: Yes.

1 Q: Okay. Now, tell us about Dennis and your sister's
2 relationship during the time that you were there with them;
3 what did you observe?

4 A: They would go out all the time drinking, bringing women
5 home, different women. Depending on what type of night they
6 had, it would result in a fist fight. Just being around a lot
7 of different people that I didn't know -- I'm not sure my
8 sister knew them, but around a lot of gang members, and
9 sometimes we would go to like his family's house if they were
10 having like, you know, dinner or something like that, and they
11 would fight.

12 Q: Okay. So, tell me about the first fight that you
13 observed between them after you moved in with them?

14 A: The first time that they fought, probably was a month
15 after I moved with them. Me, Dennis, and Donnielle, and one
16 of Dennis' friends, we went out to a bar, and Dennis was
17 getting like really agitated at the bar, and he was ready to
18 leave, and me and Donnielle were like, well, we want to stay
19 for a little while, you know. Eventually, he ended up getting
20 us to leave. We left the bar, we get in the car, Dennis and
21 Donnielle started arguing. Donnielle was in the driver's
22 seat, Dennis is in the passenger seat, I'm in the back, his
23 friend is in the back. They were arguing and I think
24 Donnielle talked back to him. So, because she talked back to
25 him, he punched her in the face while she was driving. Me and

1 his friend, you know, broke -- you know, told them like stop,
2 you know, let's just go home. And they stopped and we ended
3 up leaving, going home. I'm not sure -- yeah. You want to
4 know about another fight?

5 Q: Yes, tell me about the fights that you observed?

6 A: There was another fight with them. We went out again,
7 and I think we went to a strip club, and because Donnielle is
8 like kind of like flirtatious, Dennis kind of was like, you
9 know, you need to stop talking with people, stop flirting with
10 people. We went from the strip club to somewhere else to
11 somewhere else, and by the time we got home, it was like okay,
12 I'm gonna slap you. So, he slaps her; she's, you know, trying
13 to fight him back, of course, but unsuccessful. I tried to
14 break them up, couldn't break them up.

15 There was another time that they fought. I had to go to
16 work in the morning, and they -- they came home from wherever
17 they went that night and I heard, when they -- because we had
18 cameras where we lived on the apartment, and I heard on the
19 camera inside of the house, them outside like yelling and
20 screaming at each other, and we had like ceramic tile on the
21 floor in the house. And when I, you know, came out my bedroom
22 to come out, I just heard something like hit the floor real
23 hard, and I knew that it was my sister being like thrown to
24 the floor from him throwing her. I tried to break them up
25 that time and, you know, he's pushing me, move, get out, you

1 know, whatever.

2 Then the very last time that I seen them fighting or that
3 they got into it, we were at another one of his friend's house

5 MR. SPRATLIN: Your Honor, I'm gonna object to this line
6 as narrative.

7 THE COURT: She's not responding to the question, Mr.
8 Wilson. If you want to ask her a question, I'll be glad for
9 you to do so.

10 BY MR. WILSON:

11 Q: Hold on a second. Let me ask you this. At some point in
12 time, you decided to move out from there?

13 A: I moved out because me and him ended up getting into a
14 fight.

15 Q: All right. Tell us about that. Tell us about why you
16 moved out.

17 A: Because one night we were at one of his friend's house,
18 and he was about to fight his cousin or his friend -- I'm not
19 sure. They might be cousins, they might be friends, I'm not
20 sure, but they were, you know, he was outside with him and
21 they were like yelling and screaming and -- and Dennis had a
22 gun in his hand, and Donnielle tried to go and, you know,
23 break the fight up and take the gun from him, and he, you
24 know, instantly turned on her. And he had another cousin that
25 was there, it was a female, she, you know, was trying to break

- 1 the fight up, and she actually took the gun from, you know,
2 because Donnielle took the gun from Dennis. Dennis -- I mean,
3 and then the girl took the gun from Donnielle and was trying
4 to break them up. But when I came outside, I ended up taking
5 the gun from the girl and throwing the gun. So, after we all
6 got in the car and were leaving, and Dennis is like, where is
7 my gun, and I was like, I threw it. And he pulled over in the
8 middle of the street and me and him started fighting. And
9 then that night I called my dad and I was like, you ---
10 Q: When y'all pulled over and you said fighting, did he
11 physically ---
12 A: He opened the car door -- I was sitting in the back seat.
13 He opened the car door and pulled me out of the car and
14 started like trying to like punch me.
15 Q: Okay.
16 A: So, after that I called my dad, and I was like you have
17 to come get me, I can't do it.
18 Q: So, how long would you say you stayed after that incident
19 when he tried to fight you?
20 A: Probably a month.
21 Q: All right. And then you went home?
22 A: Yes.
23 Q: Back to Baltimore?
24 A: Yes.
25 Q: All right. And did you ever come back to live with them

1 again?

2 A: Never.

3 Q: All right. Did -- let me ask you this. About -- did you
4 ever have any -- and you can't tell me the nature of the
5 conversation or the content -- did you ever have any
6 conversations with Dennis' family about what was going on?

7 A: Yes.

8 Q: All right. Which ones of his family members you actually
9 had conversations with about what was going on?

10 A: His sister, Sabrina.

11 Q: All right. I don't have any other questions. Answer any
12 questions the solicitor might have for you.

13 THE COURT: Cross-examination?

2 A: 2012.
3 Q: 2012?
4 A: March 2012. March or May.
5 Q: March or May?
6 A: I believe it was March.
7 Q: 2012?
8 A: Yes.
9 Q: So, at least five years before Dennis passed and nine
10 years from today, give or take?
11 A: Yes.
12 Q: All right. Okay. And you and Donnielle are blood
13 sisters, right?
14 A: Yes; that's correct.
15 Q: Yeah, you have the same mother and father?
16 A: Yes, that's correct.
17 Q: Some people just say sisters and girlfriends or that, but
18 y'all are actually blood sisters?
19 A: Yes.
20 Q: All right. You love your sister?
21 A: Of course.
22 Q: Of course, you grew up together, correct?
23 A: Correct.
24 Q: Okay. You have the same mother that would be suffering
25 if her daughter went to prison? Yes or no?

1 A: Of course, yes.

2 Q: Okay. You have the same father that would be suffering
3 if his daughter went to prison?

4 A: Yes.

5 Q: You love your sister?

6 A: Yes.

7 Q: You would do anything for your sister?

8 A: Not anything.

9 Q: Not anything. What wouldn't you do?

10 A: I wouldn't lie or something that -- well. and this is
11 anybody, sister, brother, cousin, father, mother; wrong is
12 wrong. So, I wouldn't lie, put my hand on the Bible to -- you
13 understand what I'm saying.

14 Q: I understand. You're saying you wouldn't lie for your
15 sister?

16 A: I wouldn't lie for anyone.

17 Q: But particularly, you're saying you wouldn't lie for your
18 sister?

19 A: I wouldn't lie for anyone.

20 Q: Okay. So, you don't tell any lies?

21 A: No, I don't.

22 Q: All right. Never told a lie in my life?

23 A: I have when I was younger.

24 Q: Last year you told a lie.

25 A: Okay.

1 Q: Have you told a lie?
2 A: No, I haven't.
3 Q: Okay. Your husband never asked you if he looked good in
4 a shirt and you told him yeah, no, you don't?
5 A: No.
6 Q: A hundred percent truth with you?
7 A: Okay.
8 Q: Yes or no?
9 A: Yes.
10 Q: All right. Not a single lie comes out of your mouth is
11 what you're telling this jury; is that right?
12 A: It has, but it's not now, that's what I'm telling the
13 jury.
14 Q: Okay. Well, okay. But you see, you just kind of said
15 something to protect your sister, didn't you?
16 A: What do you mean?
17 Q: You said you had never lied?
18 A: No. I said I wouldn't lie for anyone; that's what I
19 said.
20 Q: Okay. But then you said you did lie, a while ago, but
21 you lied?
22 A: When I was younger, that's what I said.
23 Q: Well, you said you'd lied --
24 A: When I was younger. So, I'm talking ten, 15 years ago?
25 Q: You haven't told a single lie in ten or 15 years is what

1 you're telling this Court?

2 A: No, I haven't.

3 Q: Okay. And you're saying that with the same veracity and
4 intensity that you're telling the story about how Dennis beat
5 Donnielle, aren't you?

6 A: Yeah. I'm sorry; yes, sir.

7 Q: That's fine. I'm not offended, trust me. I've been
8 called a lot worse.

9 When you -- how old were you when you lived with Dennis
10 and Donnielle?

11 A: Probably 19, 20.

12 Q: Nineteen, and you were going out to bars and strip clubs?

13 A: Yes.

14 Q: Okay. So, you didn't lie about your age to get into a
15 bar and a strip club?

16 A: No, I did not.

17 Q: So, 19 or 20, and you're living with Dennis and Donnielle
18 at some apartments in Poplar; is that correct?

19 A: Yes.

20 Q: Okay. These apartments, how many stories are there?

21 A: It was one story.

22 Q: One story. Did you have side neighbors?

23 A: Yes.

24 Q: Did you have side neighbors over here?

25 A: No.

- 1 Q: No. So, one neighbor. All right. And you're saying
2 that there was fighting regularly at that house, wasn't there?
- 3 A: I didn't say on the regular; I said the time that I was
4 there, that there had been four.
- 5 Q: Four. Okay. That's a little different, because you told
6 earlier, I think you said that they kept going out and getting
7 in fights like regularly?
- 8 A: No, that's not what I said. I said every time that they
9 would go out, there would be a fight.
- 10 Q: Okay. So, they only went out four times?
- 11 A: I'm sure how many times they went out.
- 12 Q: But you -- you just said there was only four fights, and
13 you said that ---
- 14 A: That I witnessed, yes.
- 15 Q: Okay. But you said that every time they go out, they get
16 in a fight?
- 17 A: That it's an argument or something. Honestly, I don't
18 remember -- I don't think I said that. I'll just say that.
- 19 Q: You don't think you said every time they go out, they get
20 in a fight?
- 21 A: I don't think I said that. I think I said every time
22 they went out, that it was a fight, which I said like four
23 times -- they got in four fights.
- 24 Q: So, they only went out on four -- okay. So, every time
25 they got in a fight, they went out is what you're saying?

1 A: Every time they went out, it was a fight. If they -- if
2 it was four times, then if they -- four times, then they went
3 out four times.

4 Q: Okay.

5 A: I wasn't there all the time every time that they went
6 out.

7 Q: Okay. But when you came home, Donnielle didn't have her
8 head bashed in, did she?

9 A: She had bruises and busted lip, busted nose. Yes, she
10 did.

11 Q: Pretty much every time she came home?

12 A: Not every -- no, not every time she home or every time I
13 came home, no.

14 Q: So, you're saying -- so, your story or what you're saying
15 now is four times?

16 A: That's what I said.

17 Q: Okay. I don't notice a whole lot of scars on your
18 sister's face, do you?

19 A: Of course not now.

20 Q: So, scars go away?

21 A: Right.

22 Q: Bruises go away; scars are for life?

23 A: It depends on what you do to remove them.

24 Q: Has your sister had some sort of cosmetic procedure that

3 A: No.

4 Q: You also threw out a word about gang members in there,
5 didn't you?

6 A: Yes.

7 Q: Okay. You're saying Dennis is in a gang is what you're
8 representing to the Court at this point?

9 A: That's what I said.

10 Q: Okay. Donnielle was with Dennis all the time; is that
11 correct?

12 A: No, not really.

13 Q: She wasn't with him all the time?

14 A: Not that I know of.

15 Q: So, he wasn't controlling her, making her go with him
16 everywhere?

17 A: Not that I know of.

18 Q: So, Donnielle was kind of able to do her own thing while
19 Dennis did his thing?

20 A: Not necessarily. She was to stay in the house. If he
21 wanted her to go with him, then she went with him.

22 Q: Okay.

23 A: If he didn't want her to go, then she had to stay in the
24 house. She didn't have freedom to roam around and do what she
25 wanted to do.

1 Q: Did you ever take Donnielle out, because you were able to
2 leave the house, weren't you?

3 A: I didn't have a license. So, no, I wasn't able to take
4 her anywhere.

5 Q: How did you get to work every day?

6 A: Donnielle and Dennis.

7 Q: So, Donnielle and Dennis, every single day, took you to
8 work?

9 A: Yep. Yes, that's correct.

10 Q: Never was just Donnielle?

11 A: No -- and picked me up.

12 Q: So, could Donnielle even drive a car as far as you know?

13 A: She can drive. I didn't say that she wasn't the one
14 driving, I said her and him were taking me to work.

15 Q: Okay. You testified about a time that your sister got, I
16 think you said, the equivalent of body slammed on a -- on a
17 tile floor?

18 A: Yes.

19 Q: All right. Did you ever call an ambulance for your
20 sister?

21 A: No, I did not.

22 Q: Did you ever call the police for your sister?

23 A: No, I did not.

24 Q: Did you ever try to help your sister in any way shape or

6 A: No.

8 A: No.
9 Q: And this is all in 2012?
10 A: Yes.
11 Q: Correct?
12 A: Yes.
13 Q: Okay. So, you went back to Baltimore, when was it, the
14 end of 2012?
15 A: Yes.

22 A: I didn't say he beat me; I said he punched me, that's
23 what I said.
24 Q: Okay. So, he stopped in the middle of a road, drug you
25 out of the car, and punched you?

10 Q: You don't know what she said happened today is what you

10 A: Yes.

11 Q: All right. Are you aware that your sister was, in her
12 own words, more into women than men?

13 A: Yes.

14 Q: So, was Dennis the only one bringing home, or was

20 Q: But sometimes Donnielle found them?

1 all pile in the car and just come to Myrtle Beach where the
2 perpetrator of all this violence lives?

3 A: Yeah, we came to come on vacation. We didn't come down
4 to drop her off to Dennis. She called Dennis; we didn't have
5 any control over that.

6 Q: Okay. But you left her down here?

7 A: She -- she stayed.

8 Q: She made her own choice and stayed?

9 A: Exactly.

10 Q: Okay. Did Donnielle ever tell you about Dennis having
11 relations with other women?

12 A: Yes.

13 Q: It made her a little jealous, didn't it?

14 A: No.

15 Q: She was fine with it?

16 A: Yeah.

17 Q: No issues?

18 A: None.

19 Q: As far as you know, having never told a lie in the last
20 15 months -- 15 years, your sister never had a single issue
21 with any woman that Dennis dated?

22 A: No.

23 MR. SPRATLIN: I have no further questions, Your Honor.

24 THE COURT: Redirect?

25 MR. WILSON: Nothing further, Your Honor.

2 MR. WILSON: Your Honor, the defense would rest.

3 THE COURT: All right. Reply witnesses from the state?

4 MR. OSKIN: Yes, sir, Your Honor.

5 THE COURT: All right.

6 MR. OSKIN: The state would call Dr. Robert Nelson.

7 THE COURT: I'm sorry, hold on a second. Y'all come and
8 talk to me for a minute.

9 (REPORTER'S NOTE: Bench conference is held off the record in

11 THE COURT: All right. Are they gonna get your witness?

12 MR. OSKIN: He's been present, Your Honor.

1 THE COURT: All right, Solicitor, go ahead.

2 DIRECT EXAMINATION OF ROBERT CHARLES NELSON BY MR. OSKIN:

3 Q: Dr. Nelson, who is your current employer, sir?

4 A: I am currently employed as a -- in the role of Regional
5 Clinical Director for CHE Senior Behavioral Services. I also
6 run a private practice, LLC, Upstate Diagnostics and
7 Evaluation Center.

8 Q: Upstate, is that the Greenville area, sir?

9 A: Yes, sir.

10 Q: All right. And you touched on it, but what type of work
11 do you do?

12 A: I'm a clinical psychologist and I have over the course of
13 my career, done many aspects of school psychology, you know,
14 psychological treatment, domestic violence treatment, a number
15 of, you know, specialties within the field, general field of
16 clinical psychology.

17 Q: All right. What states are licensed to practice
18 psychology?

19 A: I am licensed in South Carolina.

20 Q: So, as part of your practice, do you do consultations
21 with patients?

22 A: I do. I do consultations, I do treatment with patients,
23 I do psychological evaluations on treatment -- on patients. I
24 also didn't mean to leave out, but I also do criminal forensic
25 psychological consulting with the Behavioral Sciences Unit at

1 SLED.

2 Q: We all got letters behind our name and they're confusing.
3 What are the three letters behind your name?

4 A: It's Psy.D. It's a similar degree to a PhD. Probably 20
5 years ago, the field of psychology kind of moved away from
6 making everyone a PhD, which was considered to be a research
7 doctoral degree and they came up with the clinical doctoral
8 degree, which was called a Psy.D. It's just a clinical
9 psychology, rather than a research oriented psychologist.

10 Q: Yes, sir. Is that the same certification that Dr. Danso
11 would have?

12 A: I believe Dr. Danso is a PhD, if I'm correct, yes.

13 Q: I apologize. What is your educational background?

14 A: Twenty-four years of education overall, I guess. A
15 bachelor's degree and a triple major, theology, sociology, and
16 psychology many years ago. Many years later, I went back and
17 dual track a master's degree in marriage and family therapy,
18 with a clinical doctorate in clinical psychology at a
19 university in San Diego, and I got that degree in 2000.
20 Shortly after that, I'm not sure why, but I went back and got
21 two one-year licensure, extra credentials; one as a school
22 psychologist and one as a school administrator.

23 Q: Okay. And based off of those -- that work experience,
24 are you a member of any professional association?

25 A: Yes, sir. I am a member of the South Carolina

1 Psychological Association, two-time past president. I'm also
2 the Federal Advocacy Coordinator for the American
3 Psychological Association representing South Carolina on
4 mental health reform issues, and I'm a member of several
5 divisions of the APA, American Psychological Association.

6 Q: Do you have any published work?

7 A: My only published work is my doctoral dissertation, which
8 is in the archives, and it was on Understanding Homicidal
9 Adolescence; Why Kids Kill. I also have another publication
10 that has been pending publication, you know, for a couple of
11 years now, and that was co-authored with myself and Captain
12 Mike Prodan of the Behavioral Sciences Unit on Event Driven
13 Threats related to the Mother Emanuel Massacre and the state
14 flag issue.

15 Q: Yes, sir. Have you ever testified in a court of law
16 before as part of your work?

17 A: Yes, sir.

18 Q: How many times have you testified in court?

19 A: Lifetime, probably a hundred. As an expert, about ten.

20 Q: Were those ten times as a clinical psychologist?

21 A: I'm sorry, I should have been more clear. Lifetime over
22 a hundred times testifying in court in a number of capacities,
23 mostly law enforcement. Also, as an expert witness at that
24 time in narcotics investigation, crime scene analysis, various
25 elements of law enforcement. But, probably ten times

1 testifying as an expert witness here in South Carolina.

2 Q: Yes, sir.

3 MR. OSKIN: Your Honor, at this time, the state would
4 seek to tender Dr. Nelson's testimony as an expert opinion in
5 the field of clinical psychology.

6 THE COURT: Do you wish to voir dire the witness or
7 challenge his qualifications?

8 MR. WILSON: Thank you, Your Honor.

9 THE COURT: Yes, sir.

10 VOIR DIRE OF ROBERT CHARLES NELSON BY MR. WILSON:

11 Q: Doctor, looking at your -- your CV, your resume, do you
12 have any experience in dealing with battered women, period?

13 A: Yes, sir.

14 Q: All right. How many times have you testified in a
15 battered spouse or battered person case?

16 A: Once.

17 Q: I'm sorry?

18 A: Once.

19 Q: Once?

20 A: Yes, sir.

21 Q: All right. And when was that?

22 A: It was two years ago.

23 Q: All right. And so, at that point in time, did you
24 testify for the state, or did you testify for the defense?

25 A: I testified for the state.

1 Q: You testified for the state?

2 A: Yes, sir.

3 Q: So, that -- have you ever testified for the defense?

4 A: No, sir.

5 Q: In a battered spouse case?

6 A: No, sir.

7 Q: All right. And you -- in your clinical practice, do you
8 actually -- well, let me ask it this way. Do you have a
9 clinical practice?

10 A: Yes, sir.

11 Q: All right. So, you see patients regularly at your office
12 for ---

13 A: I currently don't have an office. I'm doing telehealth
14 for the last eight -- I'm currently telehealth, so it's
15 virtual.

16 Q: All right.

17 A: I've -- for the last eight years, I was specializing as a
18 geriatric clinical psychologist, and I have had a caseload of
19 about 300 patients in nine different facilities. So, I was
20 facility-based traveling to these different facilities to see
21 patients every day and did not have a need for an on ground
22 brick-and-mortar office.

23 Q: Okay. And so, when is the last time you had a clinical
24 practice where you actually had clients or patients come and
25 meet with them?

1 A: A year ago.

2 Q: I'm sorry?

3 A: A year ago.

4 Q: A year ago. Now, you said that you belonged to some
5 organizations did you say you belonged to?

6 A: The South Carolina Psychological Association and the
7 American Psychological Association.

8 Q: Okay. And how do you get to be a member, just by paying
9 a fee to be a member?

10 A: Well, you have to be a -- you have to be a credentialed
11 psychologist.

12 Q: Okay.

13 A: And yes, you pay a fee, an association membership fee,
14 yes.

15 Q: So, if you are a licensed psychologist and you just pay a
16 fee and you become a member?

17 A: Licensure is not necessary to be a member of a
18 psychological association; most of us are. I shouldn't say
19 most, many are, but licensure is not a requirement, but you
20 must be a doctoral level psychologist.

21 Q: Okay. And once you become at that level, then you just
22 pay a fee, and you can join that organization; is that what
23 you're saying?

24 A: Yes, sir. You have to remain in good standing.

25 Q: There are no academic requirements for that?

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - VOIR DIRE BY WILSON

733

1 A: Oh, there are, to be a member of the American
2 Psychological Association, you have to have obtained a
3 doctoral degree from an APA accredited school.

4 Q: Okay. So, as long as you have a doctorate degree and you
5 pay a fee, you can join?

6 A: Yes.

7 Q: Is that what you're saying?

8 A: Yes, sir.

9 Q: All right. All right. And one last thing, in regards to
10 your CV, tell me, I think it's -- you said that you were a
11 contract psychologist from 1999 to 2001; is that right?

12 A: Yes, sir.

13 Q: All right. And -- and in any of your -- in any of your
14 experience from the time you were licensed until now, involve
15 treating, assessing, battered women?

16 A: Yes, sir.

17 Q: All right. And is that just the one case you told me
18 about where you testified?

19 A: No, you asked me about testimony. No, I've seen -- I've
20 treated numbers of individuals that have been battered
21 spouses.

22 Q: All right. How many would you say you've seen?

23 A: Upwards to a hundred.

24 Q: I'm sorry?

25 A: Upwards to a hundred.

1 Q: Upwards to a hundred?

2 A: Yes, sir.

3 Q: And -- and you're saying that you've never testified in
4 any case for a battered spouse except for one time?

5 A: Yes, sir.

6 Q: Okay.

7 MR. WILSON: I don't have any other questions, Your
8 Honor, and I have no objections to his qualifications.

9 THE COURT: All right. Very good. He is qualified to
10 give his opinion in the field of clinical psychology.

11 You may proceed.

12 DIRECT EXAMINATION OF ROBERT CHARLES NELSON BY MR. OSKIN:

13 Q: Within the field of clinical psychology, does that
14 include such topics like posttraumatic stress syndrome, PTSD?

15 A: Yes, sir.

16 Q: Let's talk a little bit more about your qualifications.
17 I didn't just pull you out of thin air, did I?

18 A: No, sir.

19 Q: I met you at South Carolina Law Enforcement Division; is
20 that correct?

21 A: You did.

22 Q: This was years ago; is that correct?

23 A: Yes, sir.

24 Q: On a case that had nothing to do with this case; is that
25 also correct?

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

735

1 A: That's correct.

2 Q: You're a contract -- were you at that time a contract
3 clinical psychologist with their behavioral unit? Am I saying
4 that correctly, please clarify.

5 A: No, I do want to clarify it, if I may?

6 Q: Yes, sir. So, I am an advanced -- I'm a State Law
7 Enforcement Officer in the State of South Carolina, it's
8 called an Advanced State Constable. It is an eligibility
9 credential you can have by being former fulltime law
10 enforcement, going through an academy, passing certain
11 credentialing requirements. So, I'm an Advanced State
12 Constable with the State of South Carolina State Law
13 Enforcement, and as a result of my background in psychology
14 and some of my forensic studies, I was approached by the
15 captain of the Behavioral Sciences Unit and we have to
16 volunteer consultation hours to maintain the status of the
17 Advanced State Constable, and he has asked me to be
18 permanently assigned as a consultant to his Behavioral
19 Sciences Unit.

20 Q: Okay.

21 A: Did that clear it up?

22 Q: Yes, sir. You're wearing that badge today; is that
23 correct?

24 A: Yes, sir.

25 Q: Okay.

1 A: But I'm not -- I'm not on a contract with SLED was my
2 point.

3 Q: I understand, my apologies. And you stated you have a
4 law enforcement background; is that correct?

5 A: Yes, sir; over 20 years.

6 Q: Okay. During your time in law enforcement, did you ever
7 happen to come across circumstances that involved domestic
8 violence?

9 A: All the time.

10 Q: Are you familiar with the term battered women syndrome?

11 A: Yes, sir; I am.

12 Q: Is that a clinical diagnosis?

13 A: It is not.

14 Q: Okay. What ---

15 A: It is -- pardon me.

16 Q: I even picked up you're saying it's a legal term; is that
17 correct?

18 A: That's correct. It's a -- now it is -- it does have a
19 clinical orientation. Many clinicians have chosen to, based
20 off the work of Lenora Walker, to refer to battered spouse
21 syndrome, battered wife syndrome, battered person syndrome as
22 a constellation of symptoms that are related to individuals
23 experiencing significant and often repeated traumas. But, it
24 is not a diagnosis in the DISMISS-5, which is the Diagnostic
25 and Statistical Manual of Mental Disorders. It is considered

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

737

1 as a possible inclusion under PTSD, posttraumatic stress
2 disorder.

3 Q: And let me stop you there. What is and I think you just
4 explained it, but what is the DSM-5?

5 A: The DSM series of books ---

6 Q: What does that stand for, I don't know?

7 A: Diagnostic and Statistical Manual of Mental Disorders.
8 It's on Version 5, it's been around for many, many years.

9 It's a document published by the American Psychiatric
10 Association. It's similar to the ICD-9 or 10, if you've heard
11 that term, International Classification of Diseases. That is
12 a medical practices book that tries to get all the clinicians
13 to agree on what we're going to call a broken arm, high blood
14 pressure. They have a taxonomy of diagnoses so that everyone
15 that is talking about the same thing is on the same page. We
16 have a similar book in psychiatry and psychology called the
17 Diagnostic and Statistical Manual of Mental Disorders. It
18 gets revised every 10, 15, 20 years or so, and we're now on
19 Version 5.

20 Q: Okay. And you can find -- can you find the criterion for
21 PTSD in the DCM-5?

22 A: DSM-5, yes, you can.

23 Q: Okay.

24 A: It was also in the DSM-4.

25 Q: Okay.

1 A: Which was the predecessor.

2 Q: Right. And certainly, society has come a long way, but
3 what did they use to call what we now call PTSD; what would be
4 a layman's term for it?

5 A: Well, a lot of people, especially from the military,
6 would have referred to this many years ago as shell shock or,
7 you know, the kind of experiences that many soldiers that were
8 deployed in battle and were having bombs going off around them
9 had heard.

10 Q: Yes, sir. Now, as part of -- how long have you been
11 involved in this particular matter, State v. Donnielle
12 Matthews Green?

13 A: Over a year. I believe we had a consultation before,
14 sometime about a year ago, maybe more.

15 Q: I had a previous matter; is that correct?

16 A: Yes.

17 Q: Okay. So, you have had the opportunity to review the
18 complete discovery in this file?

19 A: Yes, sir.

20 Q: Okay. We're gonna get back to that. I want to focus on
21 the criterion for PTSD. Would you be able -- did you prepare
22 a PowerPoint that would assist in your testimony today in
23 regards to PTSD?

24 A: Yes, in particular to the differences between the
25 previous version and the current version because there were

739

1 some slight changes, yes.

2 MR. OSKIN: If I may approach the witness, Your Honor?

3 THE COURT: Yes, sir.

4 BY MR. OSKIN:

5 Q: I'm showing you what's marked as State's Exhibit Number
6 1-0 -- 104; do you recognize this?

7 A: Yes, I do; it's my flash drive.

8 Q: Okay. This is your personal flash drive?

9 A: No, it's the flash drive that was provided to me to
10 transfer my PowerPoint onto today.

11 Q: Did you create it?

12 A: Yes.

13 Q: And that is the sole contents on this flash drive?

14 A: Yes, sir.

15 Q: There has been no material edits, deletions, alterations,
16 changes; it is the PowerPoint as you made it?

17 A: Yes, sir.

18 MR. WILSON: I have no objections to the PowerPoint, Your
19 Honor.

20 MR. OSKIN: Your Honor, at this time, the state would
21 seek to admit into evidence, State's Exhibit Number 104?

22 THE COURT: Any objection?

23 MR. WILSON: No. No, sir.

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

741

1 Q: And where does battered spouse syndrome fit in comparison
2 to PTSD?

3 A: Well, it's not a diagnosis in the DSM-5 or the DMS-4. As
4 I said earlier, it is a legal term, but it is -- it is
5 believed by many clinicians to qualify under a subcategory of
6 posttraumatic stress disorder.

7 Q: Does it have all the same criteria as PTSD with the
8 exception of a spouse being the cause of it, or am I saying
9 that incorrectly?

10 A: It doesn't have the same criteria, diagnostic criteria,
11 because the posttraumatic stress disorder is actually a
12 clinical diagnosis that has a strict set of clinical
13 diagnoses. But the battered wife syndrome, battered spouse
14 syndrome research believes that it is a form of the traumatic
15 event qualifier or essential feature of PTSD.

16 Q: Okay. Would you please explain to this jury -- you don't
17 have to read every word unless it's necessary -- but how many
18 lettered criteria are in PTSD?

19 A: Well, we're gonna get to that in just a minute if I can
20 explain the taxonomy -- explain the taxonomy.

21 Q: Yes, sir.

22 A: Of what these mean.

23 Q: What is the diagnostic criterion A?

24 A: The diagnostic criterion A for PTSD is also called the
25 essential feature. Just as some background, in order to get

1 any diagnosis of a mental disorder out of the Diagnostic
2 Statistical Manual of Mental Disorders, you have to meet the
3 full diagnostic criteria for that disorder. We don't just
4 slap a diagnosis on somebody and there's no such thing as
5 being depressivish or anxietyish; you either have the
6 diagnostic criteria of the diagnosis or you don't get it. The
7 essential feature is usually called Criterion A or Criterion
8 1. And in this case, the essential feature for PTSD is
9 exposure to an actual or threatened death, serious injury or
10 sexual violence in one or more of the following ways. And
11 then they give you some examples, some ways you can get that
12 essential feature. It's important to know that if you don't
13 qualify for the essential feature of the diagnosis, you stop
14 counting. You may have several other symptoms and traits or
15 behaviors to add to the diagnostic criteria, if you don't have
16 the essential feature, that's kind of -- that's why it's
17 called essential.

18 So, exposure to actual or threatened death, serious
19 injury, sexual violence in one or more of the following ways:
20 Directly experiencing the trauma; Witnessing in person the
21 events, event or events as it occurred to others -- walking
22 across the street with my colleague and watching him getting
23 hit by a bus as we cross the street; Learning that the
24 traumatic event occurred to a close family member or close
25 friend and in cases of actual or threatened death of a family

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

743

1 member or friend, the events must have been violent or
2 accidental -- opposed to death; and then last, but not least,
3 Experiencing repeated or extreme exposure to aversive details
4 of a traumatic event (first responders collecting human
5 remains from disaster sites, 911 responders, you know, flood
6 responders, or police officers that are repeatedly exposed to
7 the details of child abuse and child sex crime
8 investigations.)

9 So, the essential feature is you've got to have
10 experienced actual -- exposure to actual or threatened death,
11 serious injury, or violence and it's got to be one of those
12 ways. Okay?

13 And now we can get on to the -- the other diagnostic
14 criterion that have to be involved.

15 Q: What is the diagnostic Criterion B?

16 A: Well, this is referring to what symptom sets you would
17 expect to see in a person who has posttraumatic stress
18 disorder. They've got the traumatic event; now how is it
19 gonna present itself; how do we know that it's troubling to
20 them. And there will be the presence of one or more of the
21 following what's called intrusion symptoms. These are
22 associated with the traumatic event or events, and they have
23 to begin after the traumatic event occurred. So, I experience
24 a trauma, and now I start showing evidence of these intrusion
25 symptoms, like recurrent, involuntary, and intrusive, and

1 distressing memories of the traumatic event, like reliving it.

2 Recurrent distressing dreams, in which the content and/or
3 effect of the dream are related to the trauma, the traumatic
4 event.

5 Dissociative reactions, this -- the example that the DSM
6 gives is flashbacks, which is a form of dissociative response,
7 but this -- this is what people refer to as having a flashback
8 of a war time scenario. Dissociative reactions in which the
9 individual feels or acts as if the traumatic events were
10 recurring, happening again. Such reactions can occur on
11 continuum with the most extreme expressions being a complete
12 loss of awareness of your present surroundings. So, sometimes
13 these dreams or these re-experiencing dissociative events can
14 be so real that you don't even feel like you're in your same
15 body or this is not a real thing.

16 4) Intense prolonged psychological distress on exposure
17 to either internal or external cues that symbolize or resemble
18 an aspect of the traumatic event. So, things that remind you
19 of something that was essential in that traumatic event might
20 cue you to have psychological distress.

21 Number 5, A marked physiological reaction to internal or
22 external cues. Same thing as I just read before, but one is
23 psychological distress and the other one is physiological.

24 So that's Criterion B. So, you've got to have the
25 essential feature and then the presence of one or more of

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

745

1 these. You don't have to have all five, just one; one will
2 get you in or more. Many people have multiple symptoms.

3 Q: Would you explain to this jury what diagnostic Criterion
4 C is?

5 A: Yes, we're stepping through what used to be a cluster of
6 three or four typical symptom responses in the DSM-4 before
7 they kind of refined it for this newer version of the book.
8 The diagnostic Criterion C is another symptom we're looking
9 for in this disorder to qualify for the diagnosis, and that is
10 persistent avoidance. So, the first criterion after you have
11 a trauma is this intrusion. Okay? Intrusive thoughts about
12 what happened. The second criterion is some sort of avoidance
13 behavior, persistent avoidance of any stimuli that's
14 associated with the traumatic event. This has to happen after
15 the traumatic event has occurred and continue forward as
16 evidence, but one or both of these two following methods. The
17 avoidance of or efforts to avoid distressing memories,
18 thoughts or feelings about or closely related with the trauma.
19 So, I'm trying to avoid thinking about or anything that, you
20 know, is gonna remind me of the event. Or, avoidance of or
21 efforts to avoid external reminders. So, this is not internal
22 memories; it's external events like people, places,
23 conversations, activities. If you were with somebody that got
24 killed in a bar, you don't want to go to bars. Maybe you
25 don't want to go where drinking is happening. It's avoidance

1 efforts to avoid external reminders like people, places,
2 conversations, objects, situations, that would arouse those
3 distressing memories of the trauma, if that makes sense.

4 Q: Okay. Please tell this jury what criterion is for
5 diagnostic Criterion D?

6 A: This is the third symptom set, behavioral or symptom set
7 that must be present to indicate that you are suffering from
8 posttraumatic stress disorder at that is called negative
9 alterations in cognition or mood. Cognition is just our
10 thoughts processes, how our brain works; it's our thinking.
11 Some negative alterations in our cognition or mood that are
12 associated with the traumatic event. Again, beginning or
13 worsening after the traumatic event happens to us, and moving
14 forward. As evidenced by one -- or by two or more of the
15 following. So, this is a longer list and it's gonna spill
16 over to the next line. So, we're looking for two or more
17 negative alterations in cognition and mood.

18 The first one is an inability to remember an important
19 aspect of the trauma, typically due to what they call
20 dissociative amnesia. Okay? I just don't -- I can't remember
21 that stuff. Typically due to dissociative amnesia and not to
22 other factors, such as head injury, alcohol or drugs. So,
23 this is a dissociative amnesia related just to the trauma, not
24 to a brain injury or substances.

25 Number 2, remember we're looking for, what did I say, two

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

747

1 or more? Yes. So, we've got a list. The second one is
2 persistent and exaggerated negative beliefs or expectations
3 about oneself or the world. I'm bad; no one can be trust; the
4 world is completely dangerous; I'm a failure and my nervous
5 system is permanently ruined. So, that would be an example of
6 exaggerated and persistent negative beliefs.

7 One of the things that you're gonna notice about most of
8 these symptoms, is they were referred to significant and
9 persistent; these are not things that just happen once and
10 don't happen again. These are things that continue to trouble
11 you.

12 Can we go ahead to the next -- we're still doing that
13 list of the third or the fourth criterion. Oh, there we are.
14 Thank you.

15 Or, Number 3, what you've got there is distant or
16 distorted cognitions about the cause or consequences of the
17 traumatic event that led the individual to blame himself,
18 herself or others. So, again, distant and distorted thinking
19 about what happened, how it happened and why it happened
20 related to blame.

21 Or, persistent negative emotional state, just
22 persistently in fear, experiencing things that seem like
23 horror, anger, guilt, shame, persistent negative emotional
24 state of horror, fear, anger, guilt.

25 Number 5 would be markedly diminished interest in

1 participation in significant activities. This is a person who
2 used to love to go roller skating, go out dancing, go to bars,
3 very, very active, and now they've had a complete marked and
4 diminished interest in doing those significant activities that
5 they were doing before. I could be going to church, it could
6 be anything, but this is a mood symptom of loss of interest in
7 doing those things that were so meaningful before.

8 Number 6, feelings of detachment or estrangement from
9 others. Again, this is just, you know, not being yourself,
10 not feeling the same way you did about relationships before.

11 And then the last one is persistent inability to
12 experience positive emotions. And the example they use is
13 inability to experience happiness, satisfaction of life, or
14 loving feelings.

15 Q: Would you please explain to this jury the diagnostic
16 Criterion E of PTSD?

17 A: Right. So, this is the fourth symptom set. Now, we're
18 calling it E, because the essential feature was A. Marked
19 alterations in arousal and reactivity associated with the
20 traumatic events beginning or worsening after the traumatic
21 events occurred, evidenced by two or more of the following.

22 What this -- what this symptom is referring to is the
23 arousal of our fight or flight instinct. It's a part of the
24 limbic system in the brain. It's a crude imprimitive, you
25 know, part of the brain that is looking to make sure we get up

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

749

1 early morning, if anything, it looks like -- and so we're
2 looking -- that's the arousal, the fight or flight that we
3 feel sometimes.

4 So, marked alterations in arousal and the activity
5 associated with traumatic events, irritable behavior and angry
6 outbursts with little or no provocation, typically expressed
7 as verbal or physical aggression towards people or objects.

8 It can also be present in reckless or self-destructive
9 behavior.

10 Hypervigilance, always hyper, always on the lookout,
11 walking on eggshells, looking for any potential threat or
12 fear. This is the person -- you maybe know someone like this
13 who is just always jumpy and just, you know, and just goes off
14 on a trigger in terms of fear.

15 Exaggerated startle responses, similar in some ways to
16 hypervigilance.

17 Or, problems with concentration. For some individuals
18 with these marked alterations of arousal, they can't seem to
19 concentrate. In some of my experience with patients, this has
20 been because they keep triggered reminders of the trauma and
21 that is interfering with their concentration.

22 And then last, but not least, sleep disturbance,
23 difficulty falling asleep, staying asleep, or restless sleep.

24 Q: Are there additional criteria?

25 A: There are additional criteria, and I'm gonna -- I'm

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

750

1 sorry, I'm boring y'all to death, but I just got to explain a
2 couple of those things about this. So, you've got the
3 essential feature, you've got the required number of symptom
4 sets that have to be present to get this diagnosis. Then,
5 many of the diagnoses in the big book have some sort of
6 duration requirement. The depressive episode has to be, you
7 know, symptoms more than two weeks or less than, you know --
8 so, there -- the duration requirement. And, for this
9 diagnosis of PTSD, the duration of a disturbance, that's the
10 essential feature plus, B, C, D, and E that we just went over,
11 have to be present together for a month -- for over a month.

12 So, you get the essential feature and those other
13 diagnostic criteria present for over a month, then you now are
14 on to your last step of giving somebody a diagnosis of
15 posttraumatic stress disorder. And this is the one that, in
16 my experience, a lot of psychology students struggle to
17 remember, the disturbance must cause clinically significant
18 distress or impairment in the individual's social,
19 occupational, or other important areas of functioning. You
20 can have all kinds of symptoms in different mental health
21 disorders, but if it's not clinically impairing your function
22 in your activities of daily living -- I mean, there are quite
23 honestly, there are a lot of people walking around with all
24 the diagnostic criteria for things that are quite functional
25 and doing just fine. So, a disturbance must cause a clinical

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

751

1 significant distress or impairment in social, occupational, or
2 other important areas of functioning.

3 And then this last one is a common disqualifier in a lot
4 of the diagnoses in the big book and that is this disturbance
5 is not better explained by the physiological effects of the
6 substance, medication, alcohol, or other medical condition.
7 So, this is kind of the rule-out clause in many of the things
8 that you have to look at in the book. Once we think we've got
9 the full diagnostic criteria met, is there some better other
10 explanation for it. And so, all of that is what you've got to
11 do to get to giving someone the diagnosis.

12 So, like I said, this is not something we do lightly.
13 You know, we're not just slapping diagnoses on people; they
14 have to meet the full criteria.

15 There are some specifiers in some of the diagnoses that
16 are in the big book, and I didn't list all of the things for
17 DSM-5 PTSD. But, one of the specifiers is, if you give the
18 person this diagnosis, you can also append a specifier with
19 the associative symptoms. And this is if the person is
20 experiencing depersonalization or derealization and those are
21 described there. So, if they also have that as well as
22 they're symptomatic, you know, clusters of symptoms, you would
23 specify with dissociative syndrome.

24 I think that's it. I'm sorry.

25 MR. OSKIN: I'll have him return, Your Honor.

1 BY MR. OSKIN:

2 Q: You can take a seat, Dr. Nelson. Thank you, sir.

3 While the solicitor is trying to remove that television,
4 through your expertise, are you also aware of what's been
5 described as the cycle of battered spouse syndrome in domestic
6 violence?

7 A: Yes, and in fact, some of the language in some of the
8 battered woman syndrome or battered person syndrome, some of
9 the language there is referencing some of the language in
10 traditional domestic violence treatment programs. It's called
11 the cycle of abuse or the cycle of violence.

12 Q: And what is that cycle of abuse -- let me ask the
13 question first, I'm sorry. What does that cycle of abuse --
14 what are those patterns?

15 A: The research goes back many, many years, but I was
16 trained in my doctoral studies on the Duluth model of domestic
17 violence perpetrator treatment programs, and I ran those
18 programs for a couple of years. The cycle of violence has to
19 do with some of the behaviors that an abuser, an abusive
20 spouse, or partner will use to control and diminish and,
21 basically, handicap their -- their partner. There are things
22 like financial abuse, physical isolation, obvious -- clearly
23 physical abuse, you know, shaming, there's a whole -- there's
24 wheel called the cycle of abuse that talks about the numerous
25 things that a batterer or an abusive spouse or partner will

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

753

1 use to gain control of their victim spouse. Typically, by
2 beating them, you know, psychologically, emotionally, and
3 maybe even physically beating them down to the point where
4 they have this learned helplessness or some other form of just
5 compliance.

6 Q: Can you please help me help this jury -- how does that
7 fit in with PTSD for the purposes of the matter at hand? If
8 that even -- does that make sense?

9 A: It does. I'm trying to think of a way to frame an answer
10 sort of simply. So, battered wife syndrome research and study
11 and what they call the pillars of battered wife, battered
12 spouse syndrome, some of the things that go into kind of the
13 legal understanding of the fact that many of these individuals
14 who experience the same things, present with similar symptoms.
15 Not all are always the same, but much of that is very similar
16 to the common findings we see in domestic violence
17 relationships where many of the spouses that are, you know,
18 involved in domestic violence are being isolated; they're
19 being controlled financially; they're being minimized; they're
20 being physically abused; they're sexually abused; a lot of
21 psychological and physiological abuse is going on. And, it's
22 -- it's common among the perpetrator group and the victim
23 group to report some of the same symptoms. So, that's -- sort
24 of like I said, that's why the battered spouse syndrome
25 research is very much akin to some of the things that we look

1 at and see in domestic violence treatment programs, the cycle
2 of violence and abuse. And also, there's a counterpart cycle
3 of healthy relationships that you're using to try and bring
4 individuals and couples that are in this relationship to some
5 point of healing.

6 Now, I think the last part of your question was how does
7 that relate to PTSD?

8 Q: That's correct, sir. How's does that relate to PTSD?

9 A: Okay. Well, and this is one of the things that can be a
10 difficult -- a difficult thing to kind of prove. My
11 understanding of the PTSD requirement, essential feature of
12 experiencing real or imagined death, or serious injury, or
13 sexual violence. Those were -- those were pretty high bars
14 originally set, and a lot of times people will misuse the
15 diagnosis of PTSD. People, I should -- I didn't say this
16 clearly. Many times, individuals will come looking for a
17 diagnosis of PTSD for some secondary gain, some sort of
18 benefit, like getting a disability finding for related to
19 work, or something like that. And there are -- there's an
20 array of different ways you can qualify for PTSD as we just --
21 as we just read. Traditionally, it has to be pretty serious
22 traumatic event.

23 Q: Okay.

24 A: And -- and so that's why that sort of opens the door to,
25 you know, is this kind of event that occurred to me qualifying

ROBERT CHARLES NELSON - DIRECT BY OSKIN

755

1 as a serious traumatic event similar to an imagined or real
2 death or experiencing somebody else having that happen?
3 Q: And to be clear for this jury, you sat here when Dr.
4 Danso testified; is that correct?
5 A: I did.
6 Q: And she is unable to diagnose Donnielle Matthews as
7 battered woman spouse, or battered spouse; is that correct?
8 A: Well, I believe I heard testimony to that effect, but
9 it's not a diagnosis.
10 Q: Right.
11 A: Okay, so ---
12 Q: So, you couldn't diagnose her with that either; is that
13 correct?
14 A: That's correct. I mean, we can refer to it as a symptom
15 that is concerning and needs treatment, and we can go on, but
16 it's not a diagnosis that's in our book of diagnoses, unless
17 you manage to qualify it as PTSD.
18 Q: Thank you. I think that was the simplification that I
19 needed.
20 A: Yeah. Okay.
21 Q: Let's focus on the matter at hand now. You told this
22 jury you became involved in the matter that we're here on,
23 State v. Donnielle Matthews?
24 A: Yes, sir.
25 Q: Did you -- you reviewed all the discovery in this case?

1 A: I was.

2 Q: Did that include all the interviews by law enforcement
3 with the defendant?

4 A: Yes.

5 Q: Did that include body-worn cameras from law enforcement
6 officers?

7 A: Yes, sir.

8 Q: Did some of those go hand in hand?

9 A: They did.

10 Q: And did you review medical records in this matter?

11 A: I did.

12 Q: Did you review and actually view Denny's Restaurant
13 surveillance footage?

14 A: I did.

15 Q: Did you listen to and hear other interviews from other
16 people present the night of the incident?

17 A: Yes, sir, all of them.

18 Q: Okay. Did you view the autopsy photos?

19 A: I did.

20 Q: Did you view the crime scene photos?

21 A: Yes, sir.

22 Q: Did you view all other evidence photos?

23 A: Yes, sir.

24 Q: Did you even read the search warrants?

25 A: I did.

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

757

1 Q: Did you read the Cellebrite reports?

2 A: Yes.

3 Q: Did you see and read the contents on those Cellebrite
4 reports?

5 A: I did.

6 Q: With regards to this defendant, based on your review of
7 the discovery, did she show -- you stated that fear was a big
8 part of PTSD; is that correct?

9 A: A fear response, yes, is very common, yes.

10 Q: Based off the evidence that you reviewed, did this
11 defendant exhibit behaviors that were consistent with fear?

12 A: From what I've seen from the evidence, the interviews,
13 the statements that were made, I don't see fear as much as I
14 see other behaviors that seem a little inconsistent to me with
15 a battering kind of response.

16 Q: And why is that? Or, how did you come to determine that?

17 A: Well, again, and I read numerous statements and numerous
18 reports and seen different interviews, but there were several
19 times where Ms. Matthews is -- has kind of a braggadocious
20 statement or says things about not being afraid of anybody and
21 I'd take a baseball bat to the people, and there have --
22 there's testimony and statements made of her growing up in a
23 rough neighborhood and that's just how life is, and ---

24 Q: In fact, she told some -- the clinical psychologist that
25 as well; is that correct?

1 A: Yes. I'm not afraid, and we fight like brothers and
2 sisters do, and I'm not afraid of him. So, again, that, you
3 know, may be a compensatory, you know, way of dealing with it,
4 but that does not seem to me like the fear, intimidation. And
5 again, I'm referring that to a stereotypical view of a
6 battered spouse, but I'm talking about the person that's
7 intimidated and kind of cowering in fear and afraid to speak
8 up or afraid to do anything.

9 Q: Does that include the type of person that is forced to be
10 in her home at all times?

11 A: Yes. That's the way they do.

12 Q: Does that include the type of person who is not allowed
13 to go anywhere without her husband's permission?

14 A: Right.

15 Q: Are those the behaviors that you're representing?

16 A: Yes, doesn't have a check, is not allowed to have a bank
17 account and money, can't go anywhere without my permission or
18 me being present, yes.

19 Q: And you saw some inconsistencies with the typical
20 battered spouse?

21 A: Well, I did. I saw what seemed to be contrary statements
22 of not being afraid, and you know, I'll just do this, I'll do
23 that.

24 Q: Okay. Would punching your abuser in the face, would that
25 be inconsistent with being ---

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

759

1 A: It depends on the circumstance. And what I mean by that
2 is if it's a self-defense punch in the face, that's one thing
3 if you're in the midst of being attacked. If it's a
4 provocation, a punch of somebody in the face, especially your
5 abuser, highly unlikely.

6 Q: And you've heard testimony about her initiating that
7 initial strike?

8 A: I have.

9 Q: Which -- what is that more consistent with; is that more
10 consistent with provoking or self-defense?

11 A: To me it's more consistent with provoking, you know, your
12 perpetrator.

13 Q: Okay. I believe even Dr. Danso said punching your abuser
14 would be taking it pretty far?

15 A: Yes.

16 Q: Let's talk about the word malingering. Do you know what
17 that means?

18 A: Yes.

19 Q: Okay. This part -- did you have an opportunity to review
20 the objective tests that were done on the defendant in this
21 matter?

22 A: I did.

23 Q: They were earlier testified to by Dr. Danso?

24 A: Yes, I did.

25 Q: Okay. I'm not trying to patronize you by any stretch,

1 but what does the word objective mean?

2 A: Objective is in contrast to subjective. An objective
3 test means it will give an objective revelation of what it is
4 you're trying to examine as opposed to a subjective test.
5 If I ask you to tell me what color my tie is, I'm gonna get a
6 subjective opinion from some of you, and some of you will say
7 green, it may look black, though. So, an objective test is
8 one where you're getting objective data back. Some
9 psychological tests are projective, I'm not gonna get into
10 that, though.

11 Q: Are you familiar the Minnesota Multiphasic Personality
12 Inventory-2?

13 A: Yes, I am.

14 Q: Would that include validity patterns?

15 A: Yes. It's got a number of clinical -- it's got a number
16 of validity scales, and the test also has a number of clinical
17 diagnostic scales. It's a 567-item test with questions that
18 repeat themselves throughout, and that's kind of how they get
19 some of their validity findings. If you answer the question
20 this way halfway through and not the same way at the end of
21 the thing, then it starts to show there's an inconsistency in
22 your answering. So, there are a number of validity scales
23 that help you tell whether or not you can rely on the results
24 of the examination.

25 Q: Okay. And what does it mean if the invalid, if the

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

761

1 profile is invalid because the F is greater than 89?
2 A: There can be a number of -- I'm not gonna go into all of
3 them, but there can be a number of ways where you can get an
4 invalid profile. For example, if a person that's taking this
5 pamphlet with these 567 questions in there, if they get about
6 halfway through and they just stop answering questions and
7 turn it in; if there's a certain number of unanswered
8 questions, it will invalidate the profile. There's also a way
9 to tell if certain questions that were repeated throughout the
10 test are -- were answered consistently at first and then all
11 of a sudden, the answers just seem to be random, a, b, c, a,
12 b, c, it will show an inconsistency on the back half of the
13 test, which can invalidate the instrument, too, because you
14 want the person to take the whole test with integrity. So, if
15 they start bailing out, so to speak, at the end of the test,
16 it can invalidate your profile. Some of the scales that are
17 also included in the validity scales are a lie scale, where
18 the person is answering questions that are clearly -- can only
19 be answered obviously in a way and they answer them
20 differently. There is also a faking good scale, which is a
21 scale that identifies certain questions that indicate certain
22 pathological conditions.
23 Q: Let me stop you right there.
24 A: Yes, sir.
25 Q: Are you still referring to the MMPI-2?

1 A: Yes, the MMPI, Minnesota Multiphasic Personality
2 Inventory, yes.

3 Q: Proceed?

4 A: So, these -- these validity scales also include a scale
5 called faking bad. That is typically showing an individual
6 who is answering questions about having mental illness or
7 mental illness symptoms, when they don't really have them.
8 They're over endorsing things to make themselves look real
9 bad.

10 There's also a faking good, avoiding, you know, questions
11 that nobody can answer that way; I've never told a lie in my
12 life, you know.

13 Q: I'm gonna try to make this a little easier for the jury.
14 I apologize.

15 A: That's fine.

16 Q: Are you also aware of the Personality Assessment
17 Inventory?

18 A: I am.

19 Q: And again, you reviewed both of those, or reports as
20 given to you by Dr. Danso?

21 A: Yes.

22 Q: I guess simply asking, were there any concerns raised to
23 you based off the defendant's testing results in comparison to
24 what she said, not said, or what she's changed ---

25 A: Yes.

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - DIRECT BY OSKIN

763

1 Q: --- from the beginning of the case till now?

2 A: Yes.

3 Q: And I appreciate you bearing with me through all this
4 time. Would you please tell the jury what those concerns
5 were?

6 A: I had about three concerns. And one is the CAPS test is
7 an Clinician Administered Questionnaire Test, where I'm asking
8 you questions and you're answering my questions, and I'm
9 marking down your answers and I'm scoring it up. But, it's up
10 to you to tell me what you want me to hear when I ask you this
11 question. Obviously, that is dependent on the examinee's
12 honesty and ability to understand the questions.

13 The Minnesota Multiphasic Personality Inventory is
14 designed in such a way that the person may understand that
15 it's a personality test, but the questions are not always so
16 obvious as you know exactly what it's gonna mean if you say
17 this or that to it. So, there's a degree of objectivity to
18 it. But, again, when the profile is invalidated by a number
19 of, you know, lie responses, faking good responses, or
20 inconsistencies in answers, and that invalidates that profile,
21 then you would typically as Dr. Danso said, you would
22 typically go to your fall back measure of the PAI, a shorter
23 and less robust personality test as the MMPI as your backup.

24 Q: Okay. Did you find any inconsistencies or concerns come
25 from that testing method?

1 A: Yes, there were a number of ---

2 Q: I think you're getting ---

3 A: I'm sorry. I'm trying to talk shorter.

4 Q: That's all right.

5 A: There were a number -- there were a number of high score
6 items on the PAI as well, as well as some inconsistencies with
7 answers on some of the critical items. There are certain
8 questions on the exam that are more meaningful and
9 diagnostically relevant than others, and when those start to
10 trigger, you start to look for an overall consistency.

11 So, the one personality test was invalidated because of
12 problems with the response set that the examinee gave, Ms.
13 Matthews gave, and the PAI also had inconsistencies in terms
14 of many high pathological looking scores that you would want
15 to see some sort of corroborative confirmation of. That's why
16 we don't ever use just one instrument. We use multiple
17 instruments to test a person and they need to kind of converge
18 in order for you to feel like you're getting valid results.

19 I had a couple of other concerns and that is on the CAPS
20 questionnaire and Ms. Matthews responses to reports of abuse.
21 I was concerned that there did not appear to be any other
22 human collateral collaboration event evidence to support her
23 claims.

24 Q: Thank you. Does that mean -- does that mean that this
25 doctor only heard from the defendant herself instead of

1 collateral sources?

2 A: I'm just going off of her testimony, but I believe she
3 said she did not have access or time to get to some of the
4 family members that Ms. Matthews said she told about or warned
5 her about, or witnessed, or heard about, saw bruises.

6 Q: It purely came from her?

7 A: There was no -- there was no collateral corroboration.

8 Q: Right. And the objective test showed that she had a high
9 tendency for malingering?

10 A: I'm not looking at it now, but that was in the report
11 from her, yes.

12 Q: I guess just simplifying again, did those tests -- did
13 those objective tests test for deception?

14 A: Well, yes, that's what -- that's what -- that's what
15 malingering is, is deceptive answering to look a particular
16 way with some secondary gain.

17 Q: Deceptions or lies?

18 A: Yes.

19 Q: As a clinical psychologist, do you want the best for your
20 patients?

21 A: Absolutely.

22 Q: In your practice, have you had clients lie to you?

23 A: Often.

24 Q: If so, is it hard to properly diagnose them?

25 A: It depends on whether or not you have the opportunity to

1 administer, you know, valid assessment instruments and they
2 can be properly scored. But, yeah, it can be hard to -- to
3 make sense of and treat a patient that is lying, or not being
4 honest, or is keeping -- is being deceitful, or keeping
5 information from you.

6 Q: Do your client's motive affect that as well?

7 A: Yes.

8 Q: In your review of this evidence, is there -- is there any
9 evidence of any situations or people that would cause jealousy
10 on behalf of the defendant -- jealousy from the defendant?

11 A: I think there's evidence in the record of some real
12 concerns for the potential of jealous rage, yes.

13 Q: Where does that jealousy stem from in regards to the
14 evidence coming from that witness stand?

15 A: Well, it comes from some of Ms. Matthews reported
16 statements made in an investigative report a couple of years
17 ago about her early childhood, adolescence, young adulthood,
18 and who she was hanging around with, and how she was valued by
19 men. She talks about being, you know, a prize to these men
20 who would make provisions for her, and she doesn't need to
21 work. And there was a reference, and I believe it was to the
22 victim about when he chose her, he took her out to strip
23 clubs, bars, or whatever and was showing her off as his new
24 number one.

25 Q: Okay. Let's stop. So, they were -- it was the new

1 number one?

2 A: She was the new number one, that's how I read it.

3 Q: That didn't mean she was the only person based off of

4 what you read?

5 A: She's new and now she's number one.

6 Q: She knows there is potentially other women?

7 A: Yes.

8 Q: Okay.

9 A: And that's how I read it.

10 Q: Yes, sir.

11 A: But that's not why I was -- that's not the only reason I

12 was concerned.

13 Q: I understand. What were some of the few other reasons?

14 A: Later, there is discussion about, I want to say the name

15 is Alethia, being the girlfriend, who the wife and husband

16 brought into the relationship, and was primary, had children

17 with him, but now Ms. Matthews was the number one, and I'd

18 assume displaced Alethia.

19 Q: Okay.

20 A: And there's a third reference.

21 Q: What's the third one?

22 A: The night of the event when Ms. Matthews is reported to

23 have said to Antoinette, you're so beautiful, he should have

24 married you instead of me. And I don't -- I don't know if she

25 said you should be the new number one, but she did say or was

1 reported to have said, you're so beautiful, he should have
2 married you instead of me. My concern with the history of the
3 number ones was, was that a trigger of I'm about to be
4 displaced.

5 Q: If she told Antoinette, why don't you make her your wife;
6 would that be what you're referring to?

7 A: Yeah. Yes.

8 Q: Wrapping it up here, in reference to jealous rage, does
9 that have anything to do with impulse control?

10 A: Absolutely.

11 Q: Or perhaps lack thereof?

12 A: I mean, it doesn't always have to be a lack of impulse
13 control. Some jealous rage is carried about on what's called
14 a pathway to targeted violence, where it's very methodical and
15 planned out and -- and it's not just impulsive, but jealous
16 rage can -- can often be an impulsive response related to lack
17 of impulse control. Everybody loses their impulse control at
18 times, one time or another.

19 Q: Did you see the video from her interview in Orangeburg;
20 did you see that in its entirety?

21 A: Yes; I did.

22 Q: Was there a portion where there is a fly in the room
23 there?

24 A: Yes.

25 Q: How did the defendant respond when she saw a fly?

2 Q: Last thing.

3 MR. SPRATLIN: If I can approach this witness, Your

5 THE COURT: Yes, sir.

6 MR. WILSON: I have no objections.

7 BY MR. OSKIN:

8 Q: I'll still have you authenticate it.

9 A: All right.

10 Q: Do you recognize what that is, Doctor?

11 A: This is a copy of my CV, my Curriculum Vitae.

12 Q: Did I edit that or delete that or change anything to it?

13 A: No, sir.

14 Q: So, that's an accurate copy of your CV?

15 A: Yes.

16 MR. OSKIN: Your Honor, at this time, I'd seek to admit

1 Q: Dr. Nelson, please answer any questions of Mr. Wilson?

2 A: Yes, sir.

3 THE COURT: Cross-examination?

4 MR. WILSON: Thank you, Your Honor.

5 CROSS-EXAMINATION OF ROBERT CHARLES NELSON BY MR. WILSON:

6 Q: Doctor, now, as I understand it, you're testifying here
7 today as an expert for the state, right?

8 A: Yes, sir.

9 Q: All right. And you were hired by them to come in here
10 and listen to whatever happened during the course of the trial
11 and then give your message, dissertation, whatever you want to
12 call it, right?

13 A: I was retained to come in and consult on the behavioral
14 and psychological aspects of the case.

15 Q: Very well. Now, and you admit that you're employed or
16 you worked very closely with law enforcement here in South
17 Carolina, right?

18 A: I work with them, not as closely as I used to when I was
19 actually in law enforcement fulltime, no.

20 Q: I understand, but -- but you still, didn't you tell the
21 solicitor that the behavioral unit of SLED asked you to be
22 their consultant and work with them?

23 A: That's true.

24 Q: All right. So, you do work closely with them, right?

25 A: At times, yes, sir.

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - CROSS BY WILSON

771

1 Q: All right. And you came here -- let me ask you one
2 thing. You're a psychologist, right?

3 A: I am.

4 Q: And you're making a diagnosis without ever having talked
5 to the person that you're making the diagnosis about?

6 A: I did not make a diagnosis, sir.

7 Q: Well, you sitting here telling us that she didn't do this
8 and she didn't do that, right?

9 A: I am making ---

10 Q: And there's a concern about x, y, and z.

11 A: I'm making observations about behaviors that I observed
12 in the evidence. I did not make a diagnosis of her; I can't
13 do that.

14 Q: Right. In fact, that's against the rules for you, as a
15 psychiatrist or a psychologist or clinical psychologist, to
16 try and diagnose somebody that you never met?

17 A: Correct, which is why I did not.

18 Q: Okay. Go ahead?

19 A: Well, that's my answer, which is why I did not offer a
20 diagnosis of her. I can't do that, because I didn't evaluate
21 her.

22 Q: Didn't you just sit here and tell us that you had
23 concerns about things she said from the evidence that you say
24 you saw?

25 A: I did, and I do.

1 Q: And -- and those concerns -- but not one time, have you
2 ever met with her to hear her side of it before you made up
3 your mind about what your concerns are?

4 A: I heard a variety of her sides of it in the evidence that
5 was presented.

6 Q: When did you sit down and talk to her?

7 A: I did not sit down and talk to her. I was not given
8 access to her.

9 Q: Did you ask for access to talk to her?

10 A: That was up to the solicitor to do.

11 Q: Well, my question was, did you ask for access to talk to
12 her?

13 A: I believe early on I said I would appreciate getting a
14 chance to evaluate her.

15 Q: You told the solicitor that?

16 A: I believe so.

17 Q: You didn't tell me that, did you?

18 A: No, sir.

19 Q: All right. Did you tell Donnielle that?

20 A: Again, I did not have access to the defendant.

21 Q: All right. Now, you -- you say you've went through these
22 records that they showed you, right, and that when you went
23 through these records -- and the solicitor named off all the
24 records that you went through, right?

25 A: Say the last part ---

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - CROSS BY WILSON

773

1 Q: He asked you, didn't you see all of these records that we
2 have, and you said yeah, I went through them. I even went
3 through the search warrants, I went through everything, right?

4 A: Yes, sir.

5 Q: Now, in going through all that stuff, did you see those
6 statements, because one of the things you've said here is that
7 she was punched in the face -- that Dennis was punched in the
8 face and that she did it and that that caused you concern,
9 right, about whether or not she's a battered spouse?

10 A: No, I did not say that. The question to me about being
11 punched in the face was, is that a stereotypical provocation
12 or is that stereotypically something that a battered spouse
13 would do. I was asked about provocation?

14 Q: And how do you know that happened to make a judgment call
15 that it's a problem, when you don't know that it happened?

16 A: There was evidence presented that it did.

17 Q: So, you took the word of somebody who said it, but you
18 never asked her if she said it, right?

19 A: I heard her statements about it as well.

20 Q: At any point in time, did you or anybody else ask her if
21 she punched him in the face?

22 A: Again, Counselor, I don't have access to the defendant
23 and haven't.

24 Q: That wasn't what I asked you.

25 A: No, I did not ask her.

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - CROSS BY WILSON

774

- 1 Q: But you made -- you made that opinion anyway, right?
- 2 A: I can have an opinion without making a diagnosis.
- 3 Q: Okay. All right. Yeah, everybody has got an opinion,
- 4 right? Right, most people?
- 5 A: I can't speak for everybody.
- 6 Q: All right. Now, did you ever ask Dr. Danso for her
- 7 clinical notes?
- 8 A: I didn't get to meet Dr. Danso until about four hours
- 9 ago; so, no, I did not.
- 10 Q: That wasn't the question. My question was -- you said
- 11 you had been on this case for over a year. My question was,
- 12 did you ever ask Dr. Danso for her notes about her interviews
- 13 and her consultation with Donnielle?
- 14 A: No, I did not. I believe she became involved in this
- 15 case just a few months ago.
- 16 Q: Well, a few months ago. Did you ask a few months ago?
- 17 A: I did not.
- 18 Q: All right. You ain't never asked, to this day you never
- 19 asked. So, you don't know what the responses were that she
- 20 gave to her based on the notes that Dr. Danso created, right?
- 21 A: Correct, which is why she's here to testify.
- 22 Q: Now, you said that -- let me see, I want to get it right
- 23 here. Well, let me ask you this. What is -- what is masking;
- 24 do you know what that term means in -- in your profession?
- 25 What does it mean?

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - CROSS BY WILSON

775

1 A: It depends on the circumstance. If you're talking
2 masking with dementia is one thing; if you're talking masking
3 related to deceit and guilt, it means a different thing.
4 Masking just means trying to cover up an underlying symptom or
5 condition.

6 Q: All right. And does that ever happen where people can
7 mask, where if they are actually afraid to try to act like
8 they're not afraid? That happens all the time, doesn't it?

9 A: It happens.

10 Q: All right. It happens. All right. And you've never had
11 any experiences with Donnielle, so you don't know if she's
12 masking or if she's not masking or if she's -- or what's going
13 on with her, right?

14 A: That's correct.

15 Q: All right. Now, your thing is that, and you went through
16 this elaborate messaging on the screen with going through the
17 DMS for us, right, that's DMS, what 5 or 2?

18 A: The DSM-5.

19 Q: Right. You went through that with us and explained to us
20 what traumatic -- what posttraumatic stress disorder is,
21 right?

22 A: Yes.

23 Q: All right. And you're not saying -- you're not saying
24 that you've diagnosed her with or without posttraumatic stress
25 disorder, because you can't do that, right?

1 A: Correct.

2 Q: All right. And you're not saying that she is not a
3 battered spouse, because you can't say that either?

4 A: Correct.

5 Q: Right. So, all you can really tell us is, is is that
6 well, you know, I know that I don't like some of the things
7 that she said, which causes me some concern. That's what you
8 said.

9 A: No. That was not my testimony.

10 Q: All right. No, I'm asking the question.

11 A: Repeat the question, please?

12 Q: Let me ask you something else. What does ---

13 MR. OSKIN: Objection, Your Honor.

14 THE COURT: Excuse me?

15 MR. OSKIN: He didn't -- he asked the question and didn't
16 let him answer it.

17 THE COURT: Well, he's now ended the question and he's
18 gone on to something else. He can do that. Just forget the
19 question.

20 BY MR. WILSON:

21 Q: What does consistent reports of symptoms across measures
22 typically mean; what does that mean?

23 A: I think it speaks for itself, consistent reports of
24 symptoms across measures. If somebody has a symptom on one
25 measure of a particular thing, like depression, and you give

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - CROSS BY WILSON

777

1 them another equally valid assessment for depression, you
2 would expect to see symptoms reported there as well. If you
3 don't, then it could be the fact that the instrument is not as
4 valid or content valid as the other instrument. But, yes, you
5 would expect to see, if you're using multiple measures you
6 would expect to see symptoms for what you're looking for come
7 up on each.

8 Q: Would you agree with me that even with posttraumatic
9 stress disorder, if a person has it, they're not gonna have
10 every single one of those symptoms that you read on that
11 chart. They may have one, they may have two, they may have
12 five, they may have six, but very few have every last one of
13 them?

14 A: That's correct, but that's also why they have a required
15 number of symptoms that must be present with two or more of
16 the following, one or more of the following, but all the
17 diagnostic criteria must be met. You're right, they don't
18 have to have every single symptom.

19 Q: All right. And -- and so -- and in Donnielle's case, for
20 instance, since we're talking about her, if you had gotten Dr.
21 Danso's clinical notes, then you would be privy to whatever
22 other symptoms she might have had other than the tests
23 themselves, right?

24 A: Perhaps. I don't know what I would have found in Dr.
25 Danso's notes. I assume that's why she's here testifying.

1 Q: That's right. You don't know. You don't know, and you
2 didn't know, and you still came in here and you made these
3 statements without knowing those things. And you have sit
4 here all week, did you not?

5 A: Yes, sir.

6 Q: You were here from Monday to Friday, sitting right there
7 behind the solicitor's office making notes copiously
8 throughout this process; were you not?

9 A: I was.

10 Q: All right. And anytime during this week, did you come to
11 my table and say may I speak with your client, anytime?

12 A: No, I did not. I believe that would be unethical in this
13 setting.

14 Q: Why? To ask the lawyer for the client, if you can speak
15 to her. It's not like you're gonna go directly to her and ask
16 her, right?

17 A: So, you're suggesting that's what I should've done?

18 Q: I'm asking you did you do it?

19 A: No.

20 Q: All right. Now, well let me ask you this. Do you
21 believe -- because this may be where the issue is. Do you
22 believe that there is something called battered spouse; do you
23 even believe that that exists in your mind?

24 A: I believe that the term is used to describe a condition
25 of symptoms that are common among women who are battered. I

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - CROSS BY WILSON

779

1 absolutely believe it is a thing. I'm concerned that it can
2 be a thing that gets misused.

3 Q: Okay. All right. You're concerned that it gets misused.
4 Have you ever counseled a black female battered spouse?

5 A: Yes, I have.

6 Q: All right. How many would you think over the years?

7 A: 20, 30.

8 Q: 20 or 30. All right. Did you ever go to court and
9 testify for a single one of them and say this is a battered
10 person?

11 A: My role was not to testify for them or against them; my
12 role was to be their therapist.

13 Q: That wasn't my question.

14 A: No, I did not go testify on behalf of them in court.

15 Q: All right.

16 A: They came to me for confidentiality and treatment.

17 Q: Because all of your experience or the vast majority has
18 been with law enforcement?

19 A: No; that's not correct. My first two doctoral, pre-
20 doctoral internships were working for a community mental
21 health system treating victims of domestic violence.

22 Q: Didn't you tell the solicitor that you had been working
23 for law enforcement for how many years? Indulge me. How many
24 years?

25 A: I believe 22, 23.

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - CROSS BY WILSON

780

1 Q: Twenty-two years. So, you're saying -- and how long have
2 you been in practice total?

3 A: Pardon me?

4 Q: A licensed psychologist with a PhD?

5 A: I've been in practice 22 years. As a licensed
6 psychologist in the State of South Carolina nine years.

7 Q: All right. And you've been with law enforcement 22 of
8 those years, right?

9 A: Yes, including some years part-time, yes.

10 Q: Okay. All right. Now, I just want to ask you, I think,
11 one more thing, and then I'm gonna sit down and leave you
12 alone. You know what we call a blind witness; do you know?

13 A: Do I know what a blind witness?

14 Q: That term, yes, sir, does it have any meaning?

15 A: I'm not sure what you mean.

16 Q: Okay. All right. So, you don't have it. A witness who
17 comes in and ---

18 THE COURT: Mr. Wilson, that's not a question; that's
19 testifying.

20 MR. WILSON: All right. All right. I withdraw the
21 question, Your Honor.

22 BY MR. WILSON:

23 Q: Now, I'm gonna ask you one last thing and then I'm gonna
24 sit down for sure. I promise. You were hired by the state,
25 right?

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - REDIRECT BY OSKIN

781

1 A: By the solicitor, yes.

2 Q: Okay. By the solicitor to come in here, right, and
3 you've been here all week?

4 A: Yes, sir.

5 Q: All right. I don't have any other questions.

6 THE COURT: Any redirect?

7 MR. OSKIN: Very, very briefly, Your Honor.

8 REDIRECT EXAMINATION OF ROBERT CHARLES NELSON BY MR. OSKIN:

9 Q: Again, just for clarity, Dr. Nelson. You were asked if
10 you were able to make an opinion in this matter, correct?

11 A: Yes.

12 Q: You were not asked if you could make a diagnosis by the
13 state; is that correct?

14 A: Correct.

15 Q: You also indicated that you had been involved in this
16 case since at least last year; is that right?

17 A: Yes, sir.

18 Q: All right. Did you previously testify that Dr. Danso
19 just got involved in this matter last month?

20 A: I believe so. I'm not sure it was exactly last month,
21 but yes.

22 Q: How about this, were you made aware that she was involved
23 in this matter?

24 A: Yes.

25 Q: At that time, did you immediately request for me to get

1 any information about the testing methods and results that she
2 would've done on the defendant?

3 A: Yes, sir.

4 Q: You don't have -- do you have any idea how many times I
5 asked Mr. Wilson or his staff to get those methods for you?

6 A: I don't.

7 Q: Okay. But you did finally get them; is that correct?

8 A: Yes.

9 Q: Did you very politely email Dr. Danso?

10 A: I did.

11 Q: And did she promptly turn them over to you?

12 A: She did, yes.

13 Q: Those were those objective tests; is that correct?

14 A: They were the scoring protocols from the tests.

15 Q: Oh, I'm sorry. Okay. The test that said -- those tests
16 indicated that she was, I get the words confused, malingering?

17 A: That was the reference in one of the protocols, yes.

18 Q: That she gave you?

19 A: That she provided, yes.

20 Q: Okay. Last two or three questions. I want lie and say
21 it's just one. Did you previously tell Mr. Wilson that you
22 had treated 20 to 30 African American females who had dealt
23 with battered spouse syndrome?

24 A: Yes, sir, over the course of my career, yes.

25 Q: Okay. He asked you if you ever had to testify in court

State v. Matthews Green - 2017-GS-26-04252
ROBERT CHARLES NELSON - RECROSS BY WILSON

783

1 for any of them; is that correct?

2 A: Yes.

3 Q: Did any of those 20 or 30 women kill their husband?

4 A: No.

5 MR. OSKIN: Nothing further, Your Honor.

6 THE COURT: Anything on those questions, Mr. Wilson?

7 MR. WILSON: Yes, sir.

8 RECROSS-EXAMINATION OF ROBERT CHARLES NELSON BY MR. WILSON:

9 Q: Were they beaten?

10 A: They were physically assaulted, yes. I don't know how
11 you characterize beating, but yes.

12 Q: Thank you.

13 THE COURT: All right. Do you wish the witness to be
14 excused?

15 MR. OSKIN: Yes, sir, Your Honor.

16 THE COURT: Any objection?

17 MR. WILSON: None, Your Honor.

18 THE COURT: All right, sir, you may step down and you are
19 released from your subpoena.

20 DR. NELSON: Thank you, Your Honor.

21 THE COURT: Further witnesses from the state?

22 MR. SPRATLIN: Your Honor, the state would rest for
23 rebuttals.

24 THE COURT: All right. Very good.

25 BY THE COURT:

State v. Matthews Green - 2017-GS-26-04252
BY THE COURT

784

1 THE COURT: All right, ladies and gentlemen, that
2 concludes the testimony and evidentiary portion of this trial.
3 There will be no other evidence presented to you in this case.
4 What remains are the closing arguments, my giving you the law
5 that you will apply to the facts and evidence you've heard in
6 this case, and then your deliberations, and ultimately, your
7 unanimous decision in this particular matter.

8 As at the end of the state's case, there are matters of
9 law I have to take up outside your presence. We're gonna go
10 into the closing arguments, charge on the law, your
11 deliberations tomorrow morning. We'll start back again
12 tomorrow morning at 9:30. So, I'll see you back tomorrow
13 morning 9:30. Please report when the bailiff tells you to
14 report.

15 Don't talk about the case. Don't allow anybody to talk
16 to you about it. Leave your pads and pens. Thank you.

17 (REPORTER'S NOTE: Jury exits courtroom @ 6:05 p.m. The
18 following takes place outside the presence of the jury.)

19 THE COURT: All right. We'll take a short break for five
20 minutes and then we'll come back in and I'll hear the motions
21 from the defense and we'll go over any other matters that we
22 need to. All right.

23 MR. WILSON: Thank you, Your Honor.

24 THE COURT: Thank you very much.

1 *****OFF THE RECORD*****

2 ON THE RECORD - 6:57 P.M.

3 MOTIONS:

4 THE COURT: All right. Mr. Wilson, be glad to hear your
5 motions.

6 MR. WILSON: Thank you, Your Honor. Your Honor, I would
7 renew my motion from the end of the state's case and for a
8 directed verdict as to the issue of murder. Your Honor, I
9 don't believe that the state has proven the elements of
10 malice. And I said earlier, that the only, and I know the
11 Court last night told me or said that in its ruling that there
12 was information about the telephone call and whether that
13 represented malice, and I would submit to the Court, we don't
14 think that that call is -- is malice or forms malice, or is
15 evidence of malice. And I don't think that -- the only thing
16 that could possibly be malice in my humble opinion, Your
17 Honor, is that the -- the hitting of the victim, if that
18 occurred. And I understand this is in the light most
19 favorable to the state. First our contention is that that did
20 not occur, but my point is, even if it did occur, just for the
21 sake of argument, let's say that it did occur, I don't think
22 that it could form malice for something that happened 20
23 minutes later or 30 minutes later when we don't know if
24 they're related at all. We don't know, because we don't know
25 what happened after that until what had been put in the record

1 today by this defendant. And this defendant has said that he
2 grabbed her and pulled her forward and assaulted her. And --
3 and so -- and if it happened that way, then that's clearly
4 evidence of self-defense. So, even if that phone call, I'm
5 sorry, that -- that hit, assuming she hit him, which again, we
6 contend that she did not, but assuming she did, if 20 minutes
7 later there she's in the back seat of the car and he grabs her
8 and jerks her forward and into the -- the floorboard of the
9 car, and she is defending herself by grabbing a knife and
10 stabbing him, that is self-defense. Obviously, she had no
11 other means of escape from the vehicle because they're in the
12 vehicle and it's moving and she is in the back seat. And so
13 -- so -- and clearly, you know, if based on her testimony,
14 which is the only testimony about what happened after that --
15 after they left Denny's when that lick was supposed to have
16 occurred a few minutes, several -- however many minutes later.
17 There's nobody, there is nobody who disputes that. There's
18 nothing in the record which disputes the fact of what she said
19 happened in that car at that time.

20 My -- now, I understand that the solicitor might have a
21 theory, but that's all it is. It is not evidence. His theory
22 about what she did or might she might have done; it's not
23 evidence. And there is nothing in this record after she
24 testified about how it went down in that car, not one single
25 thing. And so, I would submit to the Court, Your Honor, that

State v. Matthews Green - 2017-GS-26-04252
MOTIONS

787

1 -- that at that point, this whole idea -- because it's remote
2 in time. There are at least 15, 20 minutes from the time she
3 was supposed to have hit him in the car, till the time that --
4 more than that, by the time they get to the hospital actually,
5 and nobody really knows the exact time of the -- of the -- of
6 the stabbing, but we do know that when she got to the hospital
7 at, I think it was 5:19, if I'm able to -- I think it was
8 5:19, and -- and based on what the -- Antoinette said, that
9 they would've left her house around 5:03, because she says
10 that 5:13, about seven to ten minutes later, she texted him,
11 and that's a guess, too. But my point simply is, is that
12 there is nothing. And so, I would submit to the Court that
13 the state has not disproven self-defense. There is certainly
14 nothing in this record which disproves her self-defense
15 argument. There is nothing in the record, which disproves
16 that. And the burden is on them at this stage to disprove
17 that or at least put some -- some evidence in the record to
18 show that it is not self-defense, and there is nothing. There
19 is absolutely nothing in this record to show that it was not
20 self-defense. So, I think that, Your Honor, we're entitled to
21 a directed verdict on the charge of murder.

22 THE COURT: All right.

23 Solicitor?

24 MR. SPRATLIN: Yes, sir, Your Honor. As Your Honor as
25 already stated previously, at the directed verdict stage, the

1 evidence is to be viewed in the light most favorable to the
2 state, and the Court is concerned with the presence of any
3 evidence. Murder is defined as the killing of another with
4 malice aforethought. As Mr. Wilson stated, his complaints
5 with the state's case is with malice. Obviously, in the light
6 most favorable to the state, the defendant's version of the
7 facts would not be the facts that would be in the light most
8 favorable to the state. The fact that the defendant stated
9 that she acted in self-defense alone could be believed or not
10 believed by the jury. There is evidence in the record to
11 suggest that she did not act in self-defense, and that a
12 reasonable jury could find beyond a reasonable doubt that she
13 didn't act in self-defense. There are photos of injuries at
14 the hospital, which are very minor, if any. There is a
15 testimony from Seacoast Hospital right after the stabbing that
16 she had no injuries on her by two independent witnesses,
17 saying that they did not observe anything on her face.

18 Additionally, Your Honor, as the Court previously stated,
19 malice is expressed in this case in that text message from
20 May, where she states she wants to kill the victim.

21 As the Court stated previously, the Court's not concerned
22 with whether it was in jest or not at this phase; it's looked
23 at in the light most favorable to the state. She said two
24 months prior to this, she wanted to kill him. Furthermore,
25 this very night, she showed ill will, hatred, and intent or

State v. Matthews Green - 2017-GS-26-04252
MOTIONS

789

1 ill will and hatred. She texted her father, mere minutes
2 before stabbing him asking her father to do bodily harm to him
3 when she took him to Baltimore next. That was mere minutes
4 before she walked into Seacoast Hospital with him with two
5 stab wounds. There is testimony from the defense's own expert
6 that grabbing the knife is consistent with someone acting with
7 such hatred and aggression that they are just grabbing that
8 knife so hard that is leaving bruises on their hands.

9 There is plenty of evidence in the record to support that
10 the defendant killed the victim with malice aforethought. As
11 to the elements of self-defense, I would submit that the
12 defense has not proven the elements of self-defense and
13 haven't even raised all of them, because the defense has to
14 raise all of them. And one of them the defense has not raised
15 was the fear of great bodily injury or death. I believe the
16 only testimony was that the defendant was in concern for her
17 safety or her health. There was no mention of her receiving a
18 great bodily injury or the fact that she thought she was gonna
19 die. There has been nothing raised in the record of evidence
20 here to find the second prong of self-defense has even been
21 raised by the defense. Even if the Court does find that self-
22 defense has been raised, the evidence in the light most
23 favorable to the state is the defendant punched the victim
24 minutes before stabbing him. The evidence in the light most
25 favorable to the state is the defendant had no injuries on

1 her. So, the fear of great bodily injury or death is not one
2 that a reasonable person would have and is not one that was in
3 her mind at the time. In the light most favorable to the
4 state, we have disproven self-defense in every way. And I
5 would submit the defense has not even properly raised it. So,
6 I would ask the Court to allow us to go to the jury on the
7 murder charge. I believe it is appropriate and I would ask
8 the Court to deny the directed verdict motion.

9 THE COURT: Mr. Wilson?

10 MR. WILSON: Your Honor, you can -- you can replay -- I
11 specifically asked her whether or not she in fear and whether
12 she was in fear of serious bodily injury. That was exactly
13 what I asked her and -- and the court reporter can play it
14 back, because I knew that I needed to ask her that, and I
15 asked her that when she was on the stand.

16 MR. SPRATLIN: Your Honor, I'll concede that if Mr.
17 Wilson remembers it, but my argument still stands as is.

18 THE COURT: All right. Hold on a second. My notes
19 indicate that she said she was in fear of my safety and
20 wellbeing. That's my notes from her direct examination. I do
21 believe that she said that.

22 All right. Again, the directed verdict stage, whether
23 it's at the end of the state's case, or at the end of the
24 presentation of all the evidence, look at it in the light most
25 favorable to the non-moving party, that here is the state.

State v. Matthews Green - 2017-GS-26-04252
MOTIONS

791

1 Again, not my job to judge the credibility or the
2 believability of the testimony and the evidence presented. My
3 job is to look at whether or not the evidence exists.

4 Now, murder, as we have all said, the state has to prove
5 beyond a reasonable doubt the defendant killed another person
6 with malice aforethought. Malice being hatred, ill will,
7 hostility towards another person. Intentionally doing of a
8 wrongful act without just cause or excuse with an intent to
9 inflict an injury or under circumstances that the law would
10 infer evil intent. Malicious killing is where the act is done
11 without legal justification or excuse, and it indicates a
12 wicked or depraved spirit intent on doing wrong.

13 The evidence that I have referred to at the end of the
14 state's case, and again the statement of the -- that was
15 testified to by the -- the witness, that being Ms. Verlene
16 Antoinette Vereen, comment made by, she said, the defendant at
17 the Dockside. She was ready to kill. The jury can believe
18 whether or not that occurred at all, but she said it; the
19 photographs maybe indicating a lack of injury of the
20 defendant; the testimony of the witnesses at the hospital,
21 both hospitals; text messages she sent to her father; again,
22 witness testified that she hit the defendant in the parking
23 lot at Denny's, she said it. The jury may totally disregard
24 that, but not my job to judge credibility or believability.
25 It was said; it's in evidence. As pointed out by the state,

State v. Matthews Green - 2017-GS-26-04252
BY THE COURT

792

1 testimony of the expert witness about the crime scene,
2 grabbing the knife so hard that it could cause bruising, could
3 indicate a number of things: self-defense, fear, jealous rage.
4 Again, that's their job, they got to decipher all of that; the
5 evidence exists.

6 So, I'm just pointing those out. That's not the only
7 things I'm looking at. I'm incorporating all of the evidence
8 that's been presented in this case, but I'm just pointing
9 those or highlighting those. Based upon all of the evidence
10 presented in this matter, I'm gonna respectfully decline to
11 grant your motion for directed verdict.

12 Other motions by the state -- I mean by the defense, I'm
13 sorry?

14 MR. WILSON: Your Honor, I'd just ask that any objections
15 that I made during the course of the trial be preserved.

16 THE COURT: Certainly, I mean they are, and the Court's
17 rulings, so you -- you know, certainly they are. There's no
18 question about that. Any objections and requests of the Court
19 and the rulings, they're part of the record.

20 BY THE COURT:

21 THE COURT: All right. So, the verdict form. What's the
22 state's position as to the verdict form; what should be
23 presented to this jury?

24 MR. SPRATLIN: Your Honor, the state believes there
25 should be a lessor included offense of voluntary manslaughter

BY THE COURT

793

1 submitted to the jury. Based upon the evidence in this case,
2 there is evidence that the defendant was seeing her husband
3 flirting and being with another woman that night. That is a
4 provocation that could make a person be so overcome with rage
5 and jealousy that they basically acted on impulse as required
6 in *State v. Sims*, which discusses -- *State v. Sims*, 426 S.C.
7 115. I believe and the state believes that there is evidence
8 in the record supporting a finding that the defendant acted in
9 -- on impulse in a rage by justifying -- justifiable heat of
10 passion. And for that reason, we would ask for the lesser
11 included offense of voluntary manslaughter.

12 THE COURT: All right. Mr. Wilson, what's your position
13 about the verdict form gonna the jury?

14 MR. WILSON: I disagree, Your Honor. I don't think that
15 there's any evidence of any sudden heat of passion in this
16 case. There's no testimony about any sudden heat of passion,
17 and there's certainly no testimony about a sufficient legal
18 provocation to reduce the charge from murder to manslaughter.
19 There is no testimony in this record about that. And I don't
20 think that there is evidence of it either. So, I think that
21 the Court -- I would submit that the Court should charge
22 murder, and self-defense, not guilty.

23 THE COURT: All right, sir. I'm going to charge
24 voluntary manslaughter. I do believe there is some evidence
25 in the record to -- there is evidence in the record that it

State v. Matthews Green - 2017-GS-26-04252
BY THE COURT

794

1 could've occurred based on the heat of passion and sufficient
2 legal provocation. Again, referring to some of the testimony
3 that I talked about at the -- in denying the motion for
4 directed verdict, that same evidence would also indicate
5 voluntary manslaughter, and I'm going to charge that to the
6 jury and charge that them to as lessor included offense.

7 Anything else as to the verdict form from the state?

8 MR. SPRATLIN: No, Your Honor, we believe that will be
9 sufficient.

10 THE COURT: Understanding that's what I'm gonna do, Mr.
11 Wilson, would you ask the Court to do anything else?

12 MR. WILSON: Your Honor, I sent -- I think I filed some
13 charges that I wanted to go to the jury, but I know you're not
14 asking about the jury charges yet.

15 THE COURT: Well, we will in just a minute. I'm just
16 right now, I'm just talking about the verdict form,
17 understanding that I'm gonna present voluntary manslaughter to
18 the jury, do you want me to do anything else?

19 MR. WILSON: No, sir, and, Your Honor, just -- I
20 apologize, but I am not trying to belabor this, but I take
21 exception to the Court's ruling. And the reason that I do
22 that is, is that, and is that based on, and I know the Court
23 has said what its facts are and what information it says is in
24 the record but -- well, I'm not gonna go into it. I'll just
25 say that I take exception to the Court's ruling.

State v. Matthews Green - 2017-GS-26-04252
BY THE COURT

795

1 THE COURT: I mean, if you think I said something in
2 error, that I have stated some evidence incorrectly, I'll be
3 glad for you to point it out to me.

4 MR. WILSON: Your Honor, it's just that, and if the Court
5 will allow me, I know that I pulled the *Price* case, because I
6 think that it is very, very, similar. I think her name was
7 Price. I think that the issue was almost identical to this
8 and it's not Price -- what was her married name. *Sims*. And
9 in that particular case, and I ---

10 THE COURT: Can you give me a copy of it?

11 MR. WILSON: The solicitor has a copy.

12 THE COURT: Okay. Well, how about ---

13 MR. SPRATLIN: I can photocopy it.

14 THE COURT: All right. Very good. All right. Go ahead,
15 sir.

16 MR. WILSON: Your Honor, my -- I think that case is very
17 similar to our case in the sense that in that particular case,
18 the -- the state wanted to charge murder and manslaughter, and
19 actually the Court charged murder and manslaughter. The
20 defense objected to the charge of manslaughter indicating that
21 there was no evidence in the record to support: one, the --
22 the sudden heat of passion element of the crime; and two, that
23 there was no evidence to support a sufficient legal
24 provocation for it. And -- and so, what my argument is, is
25 that in that this particular case, I don't see the evidence of

State v. Matthews Green - 2017-GS-26-04252
BY THE COURT

796

1 sudden heat and passion. There has been no testimony about
2 that and I know that the state is trying to find some way to
3 -- to show that there was some sudden heat and anger and
4 passion. Not one single witness said, oh, she was all angry
5 and literally ready to stab him. Nobody said that and -- and
6 nobody said that, oh, she was just out of control and -- and
7 -- and everything else. I just don't -- I don't see the
8 sudden heat and passion, and I don't see the sufficient legal
9 provocation. I mean, what is the -- what is the legal
10 provocation? If there's sudden heat and passion, which I say
11 there is not, what is the legal provocation to stab him, and
12 none of that is in this record.

13 THE COURT: And, I'm sorry, Mr. Wilson.

14 MR. WILSON: No, sir. I'm finished, Your Honor.

15 THE COURT: All right. Very good. Does the state want
16 to say anything else?

17 MR. SPRATLIN: Your Honor, I would just add that the
18 legal provocation in this case is probably the most classic,
19 lawful example of voluntary manslaughter. Seeing your spouse
20 involved with another person; seeing your spouse romantic with
21 another person; having that or seeing your lover, whether it
22 was the man or the woman that she was upset about, seeing your
23 lover involved with another person. And the heat of passion,
24 we believe, can be shown based upon the testimony about the
25 jealous rage that was discussed by the person -- by the crime

State v. Matthews Green - 2017-GS-26-04252
BY THE COURT

797

1 scene expert of the defense. And, Your Honor, even with the
2 -- the *Sims* case states that even fear resulting from an act,
3 can constitute a basis for voluntary manslaughter. However,
4 the presence of fear does not in the inquiry regarding the
5 propriety of voluntary manslaughter. The fear must be the
6 result of sufficient legal provocation and cause the defendant
7 to lose control and create an uncontrollable impulse to do
8 violence. Her own statement is that she doesn't know what
9 happened. Her -- her last statement to Detective Lynch was, I
10 don't know how I stabbed him, I just stabbed him. That was
11 the equivalent of that last statement. That is in and of
12 itself showing that she was acting under the uncontrollable
13 impulse, which *Sims* talks about, and for that reason, Your
14 Honor, I believe voluntary manslaughter is appropriate to
15 charge.

16 MR. WILSON: Your Honor, saying that you don't know what
17 happened is not the same as sudden heat and passion. It is
18 not the same thing in any sense of the word.

19 THE COURT: All right.

20 MR. WILSON: And, Your Honor, one last thing then I'm
21 gonna be done.

22 THE COURT: Sure.

23 MR. WILSON: The solicitor can't have it both ways. On
24 the one hand they're saying, okay, she just stabbed him for no
25 reason. But then at the same time say, well, yeah, but we

State v. Matthews Green - 2017-GS-26-04252
BY THE COURT

798

1 want to hedge our bet so we'll say, well maybe if she didn't
2 do it because she was just mad at him, and she just stabbed
3 him for no reason, then maybe she did it because she was --
4 she was in a sudden heat and passion. There is nothing in
5 this record that says that.

6 THE COURT: All right, sir.

7 All right. Again, we have to talk about the -- some of
8 the things that happened that are in evidence. Don't know if
9 they happened or not, but there's evidence. Again, you go
10 back to the statement testified and what the defendant said at
11 the -- at the Dockside. Then, you combine that with her text
12 message to her father; how she acted at that time; testimony
13 she hit the defendant; testimony that the knife grabbing;
14 plausible explanation; self-defense or jealous rage. She's
15 testified that the defendant -- the defendant testified that
16 the victim hit her. Well, the jury could believe it's not
17 self-defense, her actions after she got hit. So, all that
18 indicates, along with all the other evidence, photographs,
19 testimony of all the parties, and taking it all into
20 consideration, indicates that the jury could believe sudden
21 heat of passion based on sufficient legal provocation.

22 Now, I appreciate the arguments, but I am going to charge
23 voluntary manslaughter to the jury and the jury form will
24 reflect that. So, it'll just have murder and voluntary
25 manslaughter on the verdict form. There have been no requests

State v. Matthews Green - 2017-GS-26-04252
CHARGE CONFERENCE

799

1 for anything else.

2 CHARGE CONFERENCE:

3 All right. Mr. Wilson, you indicated and you did hand up
4 to the Court certain requests to charge. Did the state have
5 any?

6 MR. SPRATLIN: Your Honor, we just ask for the standard
7 charges ---

8 THE COURT: All right.

9 MR. SPRATLIN: --- in this case.

10 THE COURT: Okay. Now, you had a -- while I'm not going
11 to charge it exactly as you have requested, Mr. Wilson.

12 MR. WILSON: Yes, sir.

13 THE COURT: Clearly, the Court is going to charge self-
14 defense, you know the classic self-defense, but also include
15 in that the issues about battered person syndrome. That, you
16 know, if the defendant killed her abuser during a
17 confrontation when the abuser clearly is the aggressor, the
18 element is satisfied. It may also be possible to characterize
19 a battered person as the victim of a continuing assault and
20 hands of the batterer. When this is the case, the first
21 element of self-defense could be satisfied, even though the
22 battered person acts at a time when the batterer was not being
23 physically abusive. Continuing on with the standard elements
24 of self-defense, in battered person syndrome, a battered
25 person actually is in imminent danger of violence when they

1 act. Depending on the facts of the case, the defendant may
2 act in self-defense if they believe they're in imminent danger
3 of death or serious bodily harm even though the batterer is
4 not being physically abusive when the defendant's act, this is
5 because the battered person can experience a heightened sense
6 of imminent danger arising from the terror of physical and
7 mental abuse. Often the terror does not decrease even when
8 the batterer is absent or asleep. Where torture appears
9 interminable and escape impossible, the belief that only the
10 death of the batterer can provide relief may be reasonable in
11 the mind of a person of ordinary firmness and belief.

12 Obviously, prior difficulties, size and age, the victim's
13 violent reputation, prior violence by the victim. And the
14 final part regarding battered person syndrome, continuing on
15 with the regular self-defense charge, a battered person is
16 held hostage by the batterer may have no other means of
17 avoiding a battering than to kill the batterer in self-
18 defense. A battered person who acts while on their own
19 premises or property has no duty to retreat.

20 So, that's -- and obviously continue until the threat of
21 harm is imminent.

22 So, that's the Court's intention.

23 Now, as to that, is there anything else you want me to
24 add from the request to charge that you presented to me?

25 MR. WILSON: No, sir, I think that covers it. The only

State v. Matthews Green - 2017-GS-26-04252
CHARGE CONFERENCE

801

1 thing with the battered spouse syndrome request that I made,
2 Your Honor, I understand the Court is charging a good portion
3 of that, but not all of it, and I would simply ask the Court
4 to charge it in its entirety.

5 THE COURT: Okay. I'm sorry, go ahead?

6 MR. WILSON: That's the only other thing. I'm fine with
7 the other charges without question.

8 THE COURT: And I understand that. The reason I'm not
9 charging it word for word is, I believe the charge as
10 requested ventures into the Court telling the jury what to do
11 ---

12 MR. WILSON: Yes, sir.

13 THE COURT: --- and how it's worded. That was my issue
14 with how it was presented and why I'm not giving it to them
15 word for word, but as I have indicated, because I believe the
16 charge, if I gave it that way would then be more of a
17 direction to the jury, you should do this, and rather than
18 leading the question to them and just explaining the law to
19 them, and so that's why I am not charging it as specifically
20 you have set forth.

21 MR. WILSON: Yes, sir. And, Your Honor, again, not to
22 belabor it or -- or disapprove of the Court, I am suggesting
23 that it be charged in its entirety because I do believe that
24 that that -- and that's what I'm asking is that if I think
25 it's similar to self-defense, that if you make it out -- if

1 you make out the elements for battered spouse syndrome, and
2 the jury finds that, then they are at that point obligated to
3 find the person not guilty. So, that's why I am saying yes, I
4 do believe that it should be charged in its entirety because
5 you are directing them that if -- just like you would with
6 self-defense. If you find self-defense, then you must find
7 the defendant not guilty. If you find the elements that's in
8 this charge of battered spouse, then you must find the
9 defendant not guilty. So, that -- that is what I am saying.

10 THE COURT: Well, at the very beginning, and I did say
11 this, you know, I am gonna tell them that the defendant's
12 raised self-defense, and in there in charge I will tell them
13 it's the state's burden to disprove it, so that -- that will
14 definitely be in there. But in saying it's been raised, I
15 will tell them that self-defense is a complete defense and, if
16 it is established, you must find the defendant guilty and that
17 includes the defense of battered person's syndrome. So, I
18 will state that and then follow that up immediately by saying
19 the state has the burden of disproving this defense by proof
20 beyond a reasonable doubt. Okay? So, at the very beginning,
21 I'm gonna be telling them that, and so it will, I believe,
22 hopefully they'll listen, but I'm certainly gonna be telling
23 them that it's a complete defense and the state has the burden
24 of disproving it. So, I will definitely say that at the very
25 beginning of self-defense.

CHARGE CONFERENCE

1 MR. WILSON: Thank you, Your Honor.

2 THE COURT: Before I go into the explanation.

3 MR. WILSON: I understand your ruling. I, you know, I
4 take exception, but I understand your ruling about what you're
5 gonna charge.

6 THE COURT: All right. Thank you very much.

7 MR. WILSON: Thank you, sir.

8 THE COURT: All right. Anything else from the state?

9 MR. SPRATLIN: Your Honor, the Court would just ask for
10 clarification. It's been a little while since I've tried a
11 criminal case where the defense has introduced evidence as a
12 prosecutor. I would just ask is the Court intending to follow
13 *State v. Davie* regarding ---

14 THE COURT: What we're gonna do in that is the defendant
15 has presented evidence, so the state must open in full. The
16 defense gives their full and complete argument, then the state
17 may reply to new matters or new arguments made by the defense.

18 MR. SPRATLIN: Yes, sir.

19 THE COURT: Not repeating of course. You have to open in
20 full and give them your complete argument, but you do have the
21 opportunity to reply to the defense.

22 MR. SPRATLIN: Yes, sir, Your Honor. And lastly, earlier
23 in the trial ---

24 THE COURT: Do you agree with that, Mr. Wilson?

25 MR. WILSON: Yes, sir, I agree with that. What I was

3 THE COURT: Was it your intentions to have both of you do
4 it?

5 MR. OSKIN: Mr. Oskin is gonna be doing it.

6 THE COURT: All right. Very good. Okay.

7 MR. WILSON: Fair enough.

8 MR. SPRATLIN: Your Honor, lastly, earlier in the trial,
9 there was an exhibit entered into evidence, the statement of
10 the defendant to Greg Lent and Jack Johnson in Orangeburg.
11 The defense had an objection to the first, I think -- in the
12 first like five minutes of it. There was 40 seconds and
13 during the playing of that video, I actually silenced it so
14 the jury could not hear it. I prepared a copy, which has
15 redacted out that portion for the jury to take back with them
16 to the jury room. If Mr. Wilson wishes to review it?

17 MR. WILSON: I trust them. I have no objection.

18 MR. SPRATLIN: I'm gonna review it one more time just to
19 make sure.

20 THE COURT: All right. Do that and then the court
21 reporter will substitute out the new one.

22 MR. SPRATLIN: Yes, sir, Your Honor. Thank you.

23 THE COURT: All right. Anything else then from the
24 state?

25 MR. SPRATLIN: No, sir.

1 THE COURT: From the defense?

2 MR. WILSON: No, sir.

3 THE COURT: All right. Just so your client is prepared,
4 Mr. Wilson ---

5 MR. WILSON: Yes, sir.

6 THE COURT: You know my standard practice that once the
7 jury retires to deliberate, the defendant is delivered into
8 the custody and control of the sheriff's office.

9 MR. WILSON: Yes, sir. We understand.

10 THE COURT: All right. Very good. So, with that, I will
11 see y'all back at 9:15 tomorrow morning then.

12 MR. WILSON: Thank you, Your Honor.

13 MR. SPRATLIN: Thank you, Your Honor.

14 THE COURT: Thank y'all very much.

17 *****OFF THE RECORD*****

18 **JUNE 18, 2021 - DAY FIVE**

19 **ON THE RECORD - 9:32 A.M.**

20 BY THE COURT:

21 THE COURT: All right. Yesterday we were talking about
22 murder and voluntary manslaughter, and there's two notes that
23 I have put down and I forgot to put them in the record.
24 Again, I'm referring to all of the evidence in the case when I
25 made those decisions about charging murder and voluntary

1 manslaughter. But I did want to note there were two other
2 comments or statements that were made in this case by the
3 witness, and basically, the third party involved that night
4 when she indicated that at the -- leaving the Denny's, when
5 she said that the defendant struck the victim. She also made
6 the comment that you should have married her and not me. And
7 then when they got to the -- her residence and they dropped
8 her off, she asked the defendant, are you getting into the
9 seat, into the front seat and the defendant answered, no, with
10 an attitude. So, all that just goes to those things that we
11 talked about in deciding about murder and voluntary
12 manslaughter.

13 Is the state ready for the jury to come in?

14 MR. OSKIN: Yes, sir, Your Honor.

15 THE COURT: Defense?

16 MR. WILSON: Your Honor, in response to your remarks, if
17 I could, what I would like to do is -- and I know handed up to
18 the Court a copy of -- of the *Sims* case on yesterday.

19 THE COURT: Yes, sir.

20 MR. WILSON: And what I'd didn't ask to do was to make it
21 part of the record.

22 THE COURT: Well, go ahead and state the name of the case
23 and its cite for the record?

24 MR. WILSON: Yes, sir. It's *State of South Carolina v.*
25 *Heather Elizabeth Sims*, and this is dated -- it was heard on

1 April, I'm sorry, on December 4, 2018 and it was filed
2 February 27, 2019.

3 THE COURT: All right.

4 MR. WILSON: And, Your Honor, also I had filed a request
5 for the battered spouse syndrome charge with the Court, and
6 actually I filed it with the clerk's office and I know the
7 Court was sent a copy of it. However, I don't know that it's
8 been filed with this clerk and made a part of this record.
9 So, I'm asking the Court to allow me to put both of these
10 documents into the record.

11 THE COURT: Well, you cited the case, so I don't know
12 that you need to ---

13 MR. WILSON: This is not a case, Your Honor.

14 THE COURT: No, the first thing you talked about.

15 MR. WILSON: Yes, sir.

16 THE COURT: You cited the case, so and you've made
17 reference to it. So, I don't think you to make that a copy of
18 the case in the file, and let's just start with that.

19 MR. WILSON: All right, sir.

20 THE COURT: I read the case, gone through it. I
21 understand the facts of that case, and I understand the facts
22 of this case.

23 MR. WILSON: Yes, sir.

24 THE COURT: And I find that the facts of this case do
25 warrant the presenting to the jury murder and voluntary

1 manslaughter, but I want the record to reflect that I've gone
2 through several times that case and read through it and just
3 do not find that it is appropriate to the facts of this case.

4 MR. WILSON: I understand, Your Honor.

5 THE COURT: And the other one, just mark that as a
6 defendant's exhibit for identification.

7 MR. WILSON: Yes, sir, this is just a request to charge.

8 THE COURT: A request to charge, yes, sir.

9 MR. WILSON: Yes, sir.

10 THE COURT: Mark that a defendant's exhibit for
11 identification.

12 MR. WILSON: Thank you, Your Honor.

13 DEFENDANT'S EXHIBIT NUMBER 27

14 MARKED FOR IDENTIFICATION

15 THE COURT: All right. So, with that, is the defense
16 ready for the jury to come in?

17 MR. WILSON: Yes, sir.

18 THE COURT: Ask the jury to come in, please.

19 (REPORTER'S NOTE: Jury enters courtroom @ 9:39 a.m.)

20 THE COURT: All right, ladies and gentlemen, as I told
21 you yesterday, we have concluded the evidentiary portion of
22 the trial. There's gonna be no more evidence that is
23 presented to you in this particular matter. We're now gonna
24 go into the closing arguments of counsel. I'll remind you, as
25 I told you at the very beginning, opening statements, closing

1 arguments, that's not evidence. The evidence has already been
2 presented to you. Now, closing arguments are important. They
3 are each side's summation of what they believe the evidence
4 has shown to you during the course of the trial. Remembering
5 of course, that you are the judges of the facts of this case
6 and what they say to you is not evidence. After that, I will
7 charge the law, the law that you will apply to the facts and
8 evidence you've heard in the case, and then I'll give the case
9 to you for your deliberations and unanimous decision.

10 So, with that, from the state?

11 MR. OSKIN: Yes, sir, Your Honor, may it please the
12 Court?

13 THE COURT: Yes, sir.

14 CLOSING BY OSKIN:

1 bar, in the presence of Antoinette Vereen, the defendant said
2 I'm gonna have to kill, or something to that effect. And a
3 couple of hours later, she committed an act that did in fact
4 kill her husband, Dennis Green. She stabbed him twice in the
5 right side of his rib cage, pierced his liver, pierced his
6 heart.

7 She was jealous of a lady that they were out with that
8 night, Antoinette Vereen, and in an act of jealous rage she
9 killed her husband. She wasn't gonna let him break her heart,
10 leave her for somebody that he looked better with. Those
11 aren't my words; those are the defendant's words. You heard
12 that through the evidence presented in this trial.

13 You've been here all week, you've heard a lot of evidence
14 being admitted into the trial before you, and we've now
15 reached the time where you're about to get the case and
16 analyze all that evidence and apply it to the law in this case
17 as His Honor is gonna charge it to you.

18 Let me tell you about the law that you're gonna be
19 dealing with in deciding these matters today. As you know,
20 you've been witness -- or you've been jurors for a murder
21 trial. In the State of South Carolina, murder is the
22 intentional killing of another with malice aforethought,
23 expressed or implied.

24 You're also gonna be charged with voluntary manslaughter.
25 Voluntary manslaughter is the killing of another in the heat

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

811

1 of passion with sufficient -- with sufficient legal
2 provocation.

3 You're also gonna be charged, and as you can tell, you're
4 gonna have to consider from the defense, self-defense --
5 you're gonna have to consider the concept of self-defense.
6 What is self-defense? Self-defense states that the defendant
7 must be without fault in bringing about the difficulty. She
8 must be in imminent danger of serious bodily injury or death.
9 There's no other way to avoid the danger than to act in a
10 manner that the defendant did, and there's no duty to retreat.

11 So, I want to go ahead and clarify this for you right now
12 -- and again, if I say anything different than His Honor does,
13 you lean on him; he's the man in the robe for a reason. But
14 and it's my burden to disprove self-defense beyond a
15 reasonable doubt and I'm confident that the evidence does
16 that, but I want to tell you how that fits. We have to
17 disprove -- the four elements that I just told you, and if we
18 disprove one of them, we disprove all of them. Imagine it --
19 compare it to a four-legged chair. If you can kick one of
20 those legs out, the chair isn't working and we can't sit in
21 it. But here we can prove beyond a reasonable doubt all
22 elements of self-defense. And beyond a reasonable doubt, just
23 so you understand what your job is, proof beyond a reasonable
24 doubt is doubt that leaves you firmly convinced of the
25 defendant's guilt, and you have that in this trial. We don't

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

812

1 know everything for certain without any doubt; I'm firmly
2 convinced that when we wake up tomorrow, the sky isn't going
3 to be an off color or some color we've never seen before.
4 It's probably more than likely -- I firmly convinced it's
5 gonna be a shade of blue or something compatible with the
6 weather that we have going on. I don't need to go down that
7 rabbit hole too much; you know what I mean. It's probably not
8 gonna snow tomorrow in July in South Carolina; how about that.
9 I'm firmly convinced of that.

10 You're also gonna hear about battered spouse and how that
11 fits in to the law in our state, and how it applies to self-
12 defense. And when, again, lean on His Honor for those
13 descriptions. But when we disprove any one of those elements,
14 you disprove the whole thing, and it's our burden to do so,
15 and the evidence has done that.

16 Throughout this trial, again, you have heard testimony
17 from that witness stand and you have seen videos, interviews
18 of the defendant from the moment -- from the moments leading
19 up to the stabbing, several hours after, to even a day. I
20 know you heard everything, but it's important for me to walk
21 you through those events so I can show you how they apply to
22 the law that's gonna be charged to you.

23 The defendant and her husband, on the night of -- early
24 morning hours of the 6th going into the 7th, they picked up
25 Antoinette Vereen. Dennis had been with Antoinette Vereen

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

813

1 previously in a romantic way because they were in an open
2 marriage, that being the defendant and Dennis. This was the
3 night to meet Antoinette and to see where or if and how she
4 fit into their relationship. Would -- would it pop off and
5 they become all into each other that night; they didn't.
6 Antoinette didn't expect it. Donnielle told you that's, even
7 if the defendant agreed, that it was just more of a feeling
8 out thing. But when they were together, they started off at
9 his family's house briefly.

10 They picked her up -- they picked up Antoinette, and
11 Antoinette sat in the front seat. Donnielle was in the back.
12 And that was out of courtesy; that could be true. Antoinette
13 said it was a little awkward sitting in the front seat of a
14 married man's car. I think we'll agree it's an interesting
15 situation, an interesting relationship dynamic. And the
16 defendant even later said herself that what may offend
17 Detective Lent or what matter to him or upset him, it wouldn't
18 upset her. So, they ride from his family's house to Ricky's
19 Dockside Bar, and they're having some drinks there. And
20 that's when she first said something to the effect of, I'm
21 gonna have to kill him. They go to Thee DollHouse. They're
22 having fun. The night is progressing. They go to the
23 restroom. Antoinette told you a little more about some
24 personal issues she had going on at the time, so they're in
25 the bathroom for a little bit. She also stated that the

1 defendant tried to kiss her at Thee DollHouse, and she said
2 she kind of -- she said she wasn't feeling that in that
3 moment; it was a little -- it was just a little much.

4 When they left Thee DollHouse they went to Denny's
5 Restaurant in North Myrtle Beach. And you see the
6 surveillance video of the three of them going into Denny's.
7 You see them sitting at that table there towards the back
8 corner. Again, the ladies go to the restroom, and they're
9 there for a while. And again, you'll recall Antoinette saying
10 a little bit more reason as to why she was in there.
11 Donnielle said it was to see some nipple piercings as well.
12 Again, they're at the table, and the defendant is sitting by
13 Antoinette. Antoinette is kind of pushed up against the --
14 she's in the corner towards the wall there. They're talking
15 and they're conversing. You'll see from the video, their
16 interactions. And it's mostly friendly, but Antoinette said
17 they reached a point where the defendant put her arm around
18 her head and kissed her, and that she couldn't kind of get
19 away from it, if she did, she would hit her head on the back
20 of the glass. I don't know if the kiss was two seconds or two
21 minutes, but you'll see from the video, you'll see the video
22 showed that.

23 At that point, Dennis Green, the victim in this matter
24 said, give her some space. Chill out, just don't be extra.
25 That upset Donnielle. You see from that video -- I will

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

815

1 submit to you, on that video, you see her demeanor change, her
2 posture change. It's not the fun, pushing, shoving, talking,
3 laughing; it gets a little more directed at Dennis. And she
4 even calls her dad. They get into some sort of verbal
5 argument where, even she admitted it was almost kind of like a
6 child's argument, you know, you're showing off, you know,
7 don't be a bitch. Well, your momma is a bitch; then your
8 daddy is a bitch; if my daddy is a bitch, I'm gonna call him
9 right now. And then she calls her dad to tell him -- so
10 Dennis could say it to him, I think that's what she said. The
11 call was only for like 22 seconds. They didn't talk at that
12 time, and that was inching closer to 5 o'clock. And you're
13 gonna see from that Denny's video that they leave around
14 approximately 4:57 a.m. You heard from all parties involved
15 that they sat in the parking lot for roughly five minutes;
16 that would put that about 5:02. And when they're in that car,
17 the defendant punches Dennis Green while he's sitting in the
18 driver's seat. I didn't make that up; Antoinette Green told
19 you that from this witness stand. She also told you that
20 Dennis looked at her -- once he was punched, he goes, really;
21 that was his response. Antoinette is still in the front seat.
22 They leave Denny's, let's say around 5:02; it could've been
23 5:01 and a half, it could've been 5:03. Let's say it's around
24 5:02. She stated that it was roughly, you know, around a
25 nine-minute drive. You heard some other testimony about how

1 long that drive takes. It can really be depending on traffic,
2 red lights, stop signs, following traffic rules. It could be
3 anywhere from six to nine minutes to get to her house. I
4 mean, you guys understand that having been in different
5 traffic patterns at different times; I don't have to explain
6 that to you. So, that would put -- that would put Antoinette
7 getting to her house at 5:10. What happened in between the
8 times? The defendant is still in the backseat stewing, mad,
9 angry at Dennis. How do you know that; the text message at
10 5:06. That's the one you heard about a couple of times that
11 said you showing off for another B; I told him he ain't no
12 man, and he called me a bitch. I said his momma and he said
13 my daddy. So, I wanted you to tell him yourself. And the
14 next time I bring him to Baltimore, I want you to beat his
15 ass. That's at 5:06. She's still mad from punching him
16 moments earlier in the parking lot before they left Denny's.
17 Antoinette gets inside. And you see from the video, she was
18 dressed for a night out. She wasn't out in her pajamas; she
19 wasn't out in cheerleading shorts and a tank top; she was
20 dressed to the nines, she had her hair done, she was looking
21 good, she was feeling good, she had some strapped up shoes.
22 What I'm saying is, those shoes weren't easy to take off. So,
23 as soon as she gets those shoes off and does get into her
24 pajamas or gets ready for bed, she texts Dennis Green, and she
25 says, you know -- this is at 5:13 -- she remembered sending it

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

817

1 but you see the evidence -- you've heard the evidence that she
2 did. She said, you know, I still got love for you. You know,
3 I ain't mad at you for what happened tonight, but I don't want
4 to be around all the dumb shit. She specifically said I can't
5 be around the dumb shit. And she told you, that the dumb shit
6 was the argument at the table; it was her sitting in a car
7 with a married couple and seeing her physically punch him.

8 If it's not abundantly obvious, it's important to remind
9 you that Antoinette said that he didn't punch her back. She
10 still had love for him. She didn't hide from the fact that
11 she was very interested in him or that she had been sexually
12 involved with him. She admits -- she clearly stated all of
13 that. So, at 5:15 she sent that text.

14 Do you remember Antoinette getting out of that car,
15 though? Do you remember her stepping outside that two-door
16 vehicle? And you're gonna see a photo of it; it's a two-door
17 car. Okay? A smaller car, not an Escalade, not a Mercedes
18 SUV, it's not a big floor plan and all that; it's a small two-
19 door type car. She had the seat open for Donnielle to get
20 out. And, granted, the defendant said she could just climb
21 through and that's fine, but she didn't. She said
22 specifically, I'm not sitting up there with his ass.

23 Antoinette said, you know what, that's fine. The
24 night's over, I'm getting to bed, and she texted him at 5:13.
25 So the defendant was still in the back seat when she texted

1 him. What did the defendant see at 5:13? She saw another
2 woman text Dennis that I still love you. I didn't want to be
3 around that dumb shit, but I still got love for you. A woman
4 who rebuffed some of her advances earlier, certainly not a
5 woman that was more into her than the defendant was into her.
6 There might've been some playful flirting and hanging out;
7 there was no question. But you heard from Antoinette Vereen,
8 her intentions, her impressions of the night, and it's proven
9 that an altercation happened at that table started by the
10 defendant through her text message. And why is that text so
11 important? Because sitting in the back seat, the defendant
12 saw it, and that caused her to explode into a jealous rage on
13 top of the malice that she had been formulating for some time.
14 And that's an important part to tell that in South Carolina,
15 premeditation is not an element for murder. You can have
16 premeditation, but you don't have to have it. Malice
17 aforethought is the time that the evil act, or the hostility,
18 or the ill will, it's the time that that act was conceived.
19 I submit to you that this, in addition to previous statements
20 and proof of her thoughts, all came together here. Sometimes
21 premeditation happens months before; sometimes it's weeks
22 before. And if it's only moments before, that's enough. Here
23 you have proof of all of it. Back in May by if I could kill
24 him and bring him back to life, he's dead five times a week.
25 Same with the Facebook status, I'll kill you and cry for your

1 funeral -- I'll kill you and cry real tears at your funeral; I
2 apologize. Hours before, I'm gonna have to kill him. That's
3 exactly what she ended up doing.

4 At 5:19, Dennis Green walks into or gets into Seacoast
5 Hospital the best he can. He's holding his right side. He's
6 wearing a white shirt like I am. You can see this video, if
7 you haven't already -- well, you have, but you'll be able to
8 see it in its entirety. He walks in, he's holding his side.
9 They're trying to get support staff for him. You see him --
10 you see some people respond. You see Dennis go to face the
11 camera this way, and you see him fall out on the ground. You
12 see his hand removed from his wounds. These wounds. State's
13 27, the right side, piercing his liver and his heart. That's
14 what the white shirt became when he fell out on the floor.

15 He's transported from Seacoast Hospital to Grand Strand
16 Hospital, and he's rushed into emergency surgery. Dennis
17 didn't make it. He died because of those stab wounds again,
18 to his right side.

19 It doesn't matter the context -- the context always
20 matters, but Donnielle is unable to bring him back from her
21 actions.

22 Mr. Spratlin told you when this trial started, life can
23 change in an instant, and here it did. In that car, you heard
24 the defendant say that Dennis said, Tink, I can't believe you
25 stabbed me. That's not the only thing she told law

1 enforcement. At Seacoast Hospital, when Mark Martin arrived,
2 he saw her in the hospital, he was trying to ask her what
3 happened. That's when the first version of her story came up,
4 later to be false. She said they stopped at a BP gas station
5 or a gas station in North Myrtle Beach, and he went in to buy
6 cigarettes, and when he did, he got stabbed. He knows who did
7 it, and he didn't never tell. She was right about two of
8 those things, but he didn't get stabbed by a stranger or
9 adversary at the BP. She knew that when she said it.

10 She goes to Grand Strand Hospital where he's moved to.
11 Officer Beaudoin then questioned her. She's responsive, she's
12 aware of her rights, and she's a little calmer there. But you
13 remember at Seacoast Hospital, she was probably anything but
14 calm. The officer is trying to figure out what's going on and
15 he told her to shut up and calm down. That's when she
16 responded quickly, you shut your f-ing mouth, to a uniformed
17 officer. And they reached a point, you'll see it on the
18 video, where she's talking and he's not understanding her or
19 not following her, and she again snaps into a -- snaps into a
20 fit of anger.

21 When she gets to Grand Strand, she talks to Officer
22 Beaudoin. She again tells the story about him being stabbed.
23 She didn't know where it was, but he got stabbed in the side,
24 and she had to drive him. More officers come from North
25 Myrtle Beach, and she tells them the same thing. And I want

821

1 you to watch that video when she's -- when she's sticking --
2 when she's telling that story. When she's telling that. At
3 first it was I don't know what happened. The second it was,
4 he got stabbed by somebody at a gas station. And when she's
5 telling that to the North Myrtle Beach officer, she walks
6 outside with them, she smokes a cigarette. And when she's
7 told to -- that she can't smoke right there at the entrance in
8 the hospital, she gets up quick and she about moonwalks out of
9 the way to go smoke her cigarette. She's talking, she's
10 responsive, she's very, very active. She's a high energy
11 person; she's moving, talking. I guess the fact that Officer
12 Beaudoin -- Officer Martin at Seacoast mentioned that he
13 didn't see any scratches, bruises, markings on her. She
14 didn't know if she had any on her at Grand Strand Hospital.
15 In fact, Beaudoin told her, is that a scratch on you? And
16 there was a little -- there was a scratch on the side of her
17 cheek there.

18 As I stated, Dennis didn't make it through surgery. He
19 died. And the defendant around that time, went to Orangeburg
20 to be -- to be with family, and Horry County Police went down
21 there to talk to her again. Because at this point, they had
22 followed up on some of the leads that she had said. They had
23 checked out some of those gas stations. They had done the
24 drive, they had heard from medics how fast that car was
25 driving to get to the hospital. They start to confront the

1 defendant with the inconsistencies in her story.

2 But I want to talk to you about some of the other things
3 she said in that statement that are very, very, very important
4 to the matter at hand. She said, fighting with Dennis is like
5 fighting with my brothers. It wasn't no bumps and bruises or
6 anything, wasn't no reason to get the police involved. I tell
7 his momma and my momma, you know, we mean kids, we bad
8 children, but our relationship ain't his momma's business, our
9 relationship ain't my momma's business; it's up to us. We do
10 these things. We fuss, we fight, we argue. I'll fuss with
11 anybody; I'll fuss with a brick wall. Later you see a fly
12 come in there, and she instantly is ready to fight.

13 She's confronted with a lot of her inconsistencies.
14 What's the major thing she does in that story? She forgot all
15 about Antoinette Vereen. Why did she do that? Because
16 Antoinette Vereen knew what happened in the minutes before
17 Dennis was stabbed. She knew that Antoinette Vereen had
18 texted Dennis saying she wasn't into dumb shit. How do you
19 know that? Just go back to the body cam footage Bandon
20 Beaudoin. The defendant specifically, at some point, talking
21 to him says, yeah, we were out earlier, and she might've been
22 referencing Ricky's Dockside, but she says almost verbatim
23 that she wasn't with the dumb shit, and it wasn't in regards
24 to any interaction with them, it was just something else going
25 on that night or why they left that place. The video will say

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

823

1 why she said it, but it was eerie that she said thing that
2 Antoinette had texted to Dennis minutes before she stabbed
3 him. But I want you to notice that.

4 She's hiding the fact -- she's hiding Antoinette Vereen.
5 She is selectively forgetting Antoinette Vereen was there.
6 And she's being confronted with more inconsistencies. She's
7 given every opportunity after being made well aware of her
8 rights. She's given every opportunity to explain what
9 happened, what are some more dynamics of the relationship, and
10 she continues to say that, yeah, it's all good with me and
11 him. Our relationship is different. You know we do this, but
12 it ain't that bad. It's all -- it's all fair in love and war.
13 We got each other; we're Bonnie and Clyde. She said except
14 Bonnie didn't kill Clyde or Bonnie didn't love Clyde, but
15 Bonnie and Clyde knew what every -- what each other were
16 doing. The defendant knew everything she did that night. She
17 knew everything Dennis was doing up until that moment. And
18 then she finally -- she finally states that she stabbed him.
19 She says she don't know how she stabbed him, or how she got
20 him, but she was swinging that knife and she got him. She's
21 again asked to give more detail, but that's all she has.

22 She said that they had poked and prodded each other
23 before. He buys her knives, he buys her guns. But, you fast
24 forward to the trial now, and now she tells the fourth story.
25 Maybe the fifth story depending on how you want to break it

1 down. She didn't know -- he got stabbed at the gas station by
2 a guy when he was buying cigarettes. She stabbed him, but she
3 didn't know how she stabbed him. Now, she stabbed him because
4 he was beating at her and she's a battered woman; that's what
5 she's claiming.

6 She claims that he was -- she was going to grab her aux
7 cord in the car or change the volume, and then that time slams
8 on the breaks and throws her into the floorboard of the car,
9 and as we had it demonstrated here, she said that in this two-
10 door car with the glove box and console right there, she said
11 that she was face down in that car, getting attached. She was
12 in fear for her life. If she was in that position, in fact
13 getting hit -- if she's getting hit, where is she getting hit
14 at? Her back, her legs, not her shoulders, not the body
15 language she displayed after finally telling the truth that
16 she stabbed him in Orangeburg. Watch that video, too, and
17 compare that to how she was acting at the hospital again moon
18 walking for a cigarette. But after she told us she did it,
19 then it was aching and moving. And they took photos at the
20 hospital, at Grand Strand, no -- yeah, at Grand Strand of the
21 left cheek, no black eyes, no busted nose, not a busted lip.
22 The took more pictures in Orangeburg. It shows how that
23 scratch on her cheek had healed and where it was, in fact.
24 There's her lip. You have to decide if that's busted or
25 blackened to you. I submit to you that it's obvious that it's

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

825

1 not. Now, she did have most of her nails broken off, and the
2 nails were found mostly in the car. She gave a lot of
3 explanations for those nails, too. I think she something to
4 the effect that knocked -- two got knocked off messing around,
5 and so she just took the rest of them off that she could. And
6 then it became they all popped off when I was getting beat
7 fighting back.

8 That's a lot of inconsistencies. It's calculated
9 consistencies. It's stories. And what are those; they're
10 lies.

11 You heard her testify. You heard our exchange. In that
12 exchange, she admitted to stabbing him twice. She said a lot
13 of other things too. This goes to the crux of the issue,
14 because it's obvious from the evidence that she stabbed him,
15 that she meant to do it and that she was acting in malice or
16 acting with malice aforethought. But, then she started adding
17 more stuff that she had never said before when she had
18 opportunities to. She started talking more about their
19 relationship on the stand about how she was battered woman.

20 Keep in mind that when she gave this statement to
21 Orangeburg, she was fully aware that he had passed away,
22 completely aware, yet she still didn't tell the truth. She
23 didn't say anything about it then, to the extent that she did
24 here today or this week.

25 You heard testimony about her leaving and going to

1 Baltimore to get away, finally having that ability. Listen to
2 that interview in Orangeburg, you're gonna hear her say that
3 at the beginning, we weren't being honest about seeing other
4 people. So, I'd get mad, and I'd run back home to Baltimore
5 and teach him a lesson. Then he'd call and say he'd got it
6 together. There's another explanation as to why she went to
7 Baltimore. It wasn't to get away from him; it was to get
8 even. Again, in these relationship dynamics, I won't pretend
9 to understand them all, but that's why she left.

10 And you heard testimony from her sister that she was
11 beaten, and everybody knew it. But you also heard that
12 Donnielle got in the car with her sister and her dad and drove
13 to down here. Who would take a vacation at a place where the
14 person who is beating your sister senseless all the time and
15 abusing her -- who would take a vacation there and put -- give
16 that abuser any potential chance in finding her, hurting her,
17 assaulting her? These are things you're gonna have to decide
18 and compare. Strictly based off the evidence, but important
19 points to make.

20 Donnielle said she was in Baltimore and they stayed in
21 touch. Baltimore is about -- no less than at least eight
22 hours up 95; a straight shot -- long shot, long drive,
23 especially if you get stuck in D.C. traffic, but it's a very
24 long ways away. Block a number, delete a Facebook, if you're
25 in such fear for your life from a person. You are eight to

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

827

1 nine hours away, but you come back. Why did she come back?
2 Because Donnielle was used to dating people that made
3 provisions for her. That means they provided for her. She
4 might -- she had no intentions of working at that time. She
5 wasn't stuck in the house and having to listen to every demand
6 that Dennis had. She wasn't. She clearly stated, that was in
7 March of 2018, that she said that, almost a year after he
8 passed. Those are the type of relationships she had been in.

9 She stated that she's from Baltimore. Her person that
10 evaluated her said she had a tough upbringing, but that's not
11 because of her relationship with Dennis -- or it's not -- her
12 relation to Dennis isn't the sole reason for all that. She
13 had a lot puppies. She stayed back with the dogs; she had
14 dogs to take care of. Who would take care of the dogs if she
15 left every weekend with him? That's a lot to take care of.
16 She also stated those puppies could, you know, jump up on you
17 excited. That could be the explanation for some scratches and
18 bruises. She wasn't forced or confined to that house; long
19 story short is what I'm saying.

20 She knew who she dated. She chose to be with him. She
21 enjoyed being with him even though the relationship, again, it
22 had its dynamics that's not for everybody.

23 She texted her friend, Lafayette, and she said, we're
24 mean kids, you know, we do stuff to each other whether it be
25 verbal or physical fights. We do mean stuff to each other,

State v. Matthews Green - 2017-GS-26-04252

828

1 but we get over it, and it's up to us to work it out. I'm not
2 sitting up here and saying that they never fussed, fight,
3 argued, pushed, shoved, punched each other, or that Dennis
4 didn't engage in that; I'm not saying that he didn't. But
5 what I am saying is that, the night that he was stabbed and
6 killed, it was done with malice by the defendant. He proved
7 how unexpected it was by saying Tink, you stabbed me.

8 You also heard some witness testimony to the relationship
9 and where they lived. You heard from Alethia Price, the
10 mother of two of his children. She stated that -- she stated
11 that she was never physically harmed by him. She was never --
12 that Alethia was never physically harmed by Dennis. She was
13 never physically assaulted by him, and she was never in fear
14 for her life around Dennis. Now, I think she did say, she
15 wished that Dennis was a better dad. She did say that she
16 wishes -- she wished that, you know, Donnielle wouldn't have
17 been with the kids; she wishes that he would have done more.
18 I think she also stated that she wished it would've been them.
19 But when he met Donnielle, he met her, and he chose her. That
20 was his new number one and Dennis was her number one, although
21 she still had other boyfriends, girlfriends, people that they
22 would bring in. They reached a point where Alethia lived with
23 them in the house, and again, she stated that she was not
24 physically assaulted or harmed in that house or in fear for
25 her life, nor did she see anything happen to the defendant

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

829

1 that made her fear for the defendant's life or being
2 physically assaulted. She also said that, when she got too
3 close to either one of them, that the other person would be
4 jealous. If she was hanging around Dennis too much and the
5 kids and doing the white picket fence family life thing, the
6 defendant would get mad. If they were having too much girl
7 time and not hanging around him as well, he would get mad.
8 She was in the middle of something, and she was forced to be
9 in the middle of by circumstance, and she enjoyed some parts
10 of it too. Don't get me wrong. She -- they were sexually
11 involved. They were romantically involved. She might've
12 naively hoped that, you know, Dennis would have picked her and
13 the kids, but he didn't do that; he wasn't gonna do that, but
14 that's where she was and when she got tired of the jealousy on
15 both sides, and certainly felt the jealousy the defendant,
16 she left the house. So, and before you testified there was
17 illusions that the reason Alethia left him was because he beat
18 her, he had had this pattern, and it wasn't true; you heard it
19 from Alethia herself.

20 Ladies and gentlemen, the facts of this case as they
21 apply to the law, prove that she is not a battered spouse.
22 The testimony that proved that came from the defendant. It
23 was inconsistent. She told lie after lie after lie after lie.
24 And after almost four years, she finally told a story that's
25 plausible according to their expert, as to how it happened.

1 If I could kill him and bring him back to life, he would be
2 dying five times a week. Said in jest, but it became too
3 real. You've seen all the testimony. There's no doubt she
4 said them and there's no doubt that she did that in the car
5 minutes after sending a text to her father about how upset she
6 was. He was showing off for another woman, showing off,
7 embarrassed her, and made her jealous. She told that same
8 woman that they looked better together and they -- she
9 shouldn't have even married him; Dennis should just leave her
10 right now and marry Antoinette. Again, Antoinette's
11 credibility proven by the text message. She punched him
12 minutes before she sent that to her dad at 5:06.

13 The defendant wants you to believe that she stabbed him
14 because he was beating her. I want you to look at the photos
15 of this car that was searched. There's a lot there. You saw
16 Mr. Spratlin and Mr. Wilson counting through it. There was a
17 lot of cars -- a lot of pictures of that car and how it was
18 processed. I want you to look at it. Does that car look like
19 a place where a vicious beating occurred? Is there a broken
20 shifter; is the radio busted; is there blood in the car from
21 her face hit it allegedly and threw her into the seat? How
22 could you even be face down, grab a knife from the cup holder,
23 stab the guy, while you're getting pounded and plummeted? How
24 can that happen? Evidence from those photos, I submit to you
25 will show you that it can't. Did she grab that knife as she

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

831

1 was getting pulled into the front with her face down? Was it
2 like the matrix? No broken cup holder? Again, the Denny's
3 video moments prior, the text from Antoinette do not lie about
4 the motive, unlike some other witnesses.

5 Again, why would she lie about Antoinette being there?
6 Because Antoinette knew the truth. That punch was out of
7 jealousy because of her anger, and she showed it to Dennis
8 that night. The defendant's statements -- she knows the gig
9 is up in Orangeburg. She knows that. She knows they knows --
10 they know -- she knows that they know she did it, and she
11 keeps on lying. She finally admits to stabbing him. She
12 tells them a version that doesn't line up with the events.
13 So, now, four years later, which is a long time, she's came up
14 with a story that's plausible with her evidence.

15 Ladies and gentlemen, I submit to you the truth is not in
16 it for the defendant, not then, not four weeks ago when she
17 met Dr. Danso, and not yesterday. The truth isn't being told
18 because the truth is she was angry, she was upset, she was
19 gonna lose the man that was providing for her because he
20 looked better with Antoinette, and they had feelings for each
21 other that really didn't involve the defendant as far as
22 Antoinette was concerned. This is obviously malice because it
23 was raised, it stemmed from jealousy, anger, hatred, and ill
24 will, and she stabbed him twice.

25 Interesting way, again like I said earlier, is the aches

1 and pains that she tells Detective Lynch she hurts all day,
2 but the day before she's moving fine. She was not beaten that
3 night. She was not abused by Dennis. Her nails did not break
4 off because he's beating her senseless. She had some marks on
5 her, but I submit to you that scratch -- look at Dennis'
6 hands. Does he have any nails? Did he have a defensive wound
7 on his thumb? Could he have been driving a car and trying to
8 bat away a knife? Would that have scratched someone's face
9 when they're in close proximity to you stabbing you? Could
10 that have been where that came from? The officers didn't see
11 that at Seacoast.

12 Let's talk about our expert witness, the expert on
13 battered spouse syndrome. I know -- I know that battered
14 spouse syndrome is a thing. It's not a diagnosis, but it
15 exists. I will not belittle that. I will not belittle women
16 that go through that, sometimes men, but I will not belittle
17 the women that go through that. But I am telling you that the
18 evidence proves that that's not the defendant. Their expert
19 said it best. It was her job -- it wasn't her job to
20 diagnose; it wasn't her job to verify. She said she didn't
21 talk to anyone other than the defendant. She only looked at
22 statements from the defendant. She only relied on statements
23 from the defendant. A defendant who has been proven and who
24 has admitted to telling multiple lies, and the way that
25 compares to the battered spouse syndrome is an objective test

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

833

1 she took and administered by her own psychologist, by their
2 own expert show that she's malingering, faking bad. She also
3 said that it was okay because still you have to rely on what
4 the defendant said. She was doing her job with what she had.
5 She was doing the best that she could. But the objective test
6 proved that she exaggerated and that she was faking.

7 The Defendant's other expert crime scene inferred the
8 defendant came up with a plausible story after four years
9 looking at the evidence. He also said that it was plausible
10 that her nails were broken off because of the rage that she
11 had, that the knife could've been longer, or the rage that she
12 had in grabbing the knife. He also said her hand could be
13 bruised from grabbing the knife so hard as she was stabbing
14 Dennis.

15 Her little sister did the best she could, but beating her
16 four times, every time they go out, and having these body
17 slams in proportion to the times they go out, it just didn't
18 line up. I know she said she never lied, but Mr. Spratlin had
19 her in a situation where two of the three things couldn't have
20 been true, but she held firm that they were all true, that she
21 didn't lie. But, maybe she didn't remember lying. And if you
22 never remember lying, then sure, you never lied.

23 She also told you an eerily similar statement. She said
24 that Dennis had beat her in the car, and this was the first
25 time we heard any of that. He had beat her in the car, and

1 then she had to call her dad. Sound familiar?

2 Ladies and gentlemen, it's time for you to take in
3 everything. Murder is the intentional killing of another with
4 malice aforethought. Malice is an ill will, displayed
5 hostility towards another, anger, depraved heart, wicked
6 spirit. Jealous rage could lead to ill will. You can
7 demonstrate ill will by the messages sent at 5:06 to her dad
8 that she wanted his ass beat. Earlier she said that she was
9 gonna have to kill. Months earlier, she was saying she was
10 not scared of him, and that if she could, she'd kill him and
11 bring him back to life. She can't bring him back to life.
12 The evidence is gonna make her be accountable for her actions.

13 I suspect you'll have to decide -- malice is the biggest
14 thing you will have to decide. What happened in that car,
15 only Donnielle and Dennis know, and only one of them is here
16 to tell about it. She stated that there was a fight in that
17 car. I submit to you, she started it and she damned sure
18 ended it.

19 Is that the heat of passion? Is that sufficient legal
20 provocation? Potentially. Bur, if you add malice, you have
21 murder. If you have malice, you have murder. You can get
22 those elements confused, but if the circumstances can show
23 that once you have malice, you have murder.

24 She did not act in self-defense. She provoked, attacked.
25 Even her own expert said punching your abuser would be taking

State v. Matthews Green - 2017-GS-26-04252
CLOSING BY OSKIN

835

1 it a little bit too far. Battered spouse syndrome or self-
2 defense would say that the abuser was doing the act, started
3 the act, initiated an act that would give the defendant no
4 other choice. No other choice than to act like how she did.
5 Serious bodily injury or death. She said she was concerned
6 for her wellbeing. She murdered him in that car. She killed
7 him in that car. She can't undo it, no matter how hard she
8 tries; she can't bring him back. All the evidence you need to
9 find her guilty is there.

10 You've heard from officers, myself, Mr. Spratlin,
11 Attorney Wilson, experts. What you really need in this matter
12 you've had for a long time, common sense. You need to utilize
13 and piece it together. There's a theory in philosophy that's
14 called Occam's razor, I believe. It says that if you have two
15 different choices but one makes you make a lot of
16 presumptions, you pick the simpler explanation. The simple
17 explanation is that the defendant was jealous of Antoinette
18 that night. When she saw the text that Antionette still loved
19 him, didn't want to be around the bull shit, that sent her
20 into a jealous rage. That rage is malice. She stabbed him,
21 and that stabbing led to his death. She killed him. Because
22 of that and all the evidence that came from that stand -- it's
23 on this table. I want you to look at all of it. Take as much
24 time as you need. You do that -- just do what your job is to
25 do, which is to apply the evidence to the law as His Honor

1 gives it to you. Don't check your common sense at the door.
2 Everything you need is in front of you. Return the verdict
3 that the evidence demands; that verdict is guilty.

4 I'll be back after Mr. Wilson's closing.

5 THE COURT: All right. Mr. Wilson?

6 MR. WILSON: Thank you very much, Your Honor.

7 CLOSING BY WILSON:

8 MR. WILSON: When, when, when is enough enough? When is
9 enough enough? When does a woman have the right to defend
10 herself, when? When -- when does that occur or do they?
11 When? How much? How much is enough till you can say no more;
12 it ain't happening no more, not even one more time. When?
13 When? Is there any wonder why people don't come forward and
14 say, oh, I've been raped, or I've been abused, or I'm a beaten
15 wife; is there any wonder? When you listen at what is
16 happening in this courtroom this week, what you have to go
17 through? No, they don't report it. Maybe they should; I wish
18 that they would. I wish that every woman who has been hit by
19 a man would come into this courtroom and testify and tell it.
20 I wish they wouldn't hide it. I wish they wouldn't be ashamed
21 of it. I wish they wouldn't be afraid of their batterer.
22 That's what I wish. But that's not the world we live in.
23 That is not the world we live in.

24 Ladies and gentlemen, I know this is the last opportunity
25 I will have to speak with you. And I want to say publicly,
