Re: The State v. Jack Anderson
Appellate Case No. 2013-000555

Dear Counsel:

Upon reviewing your amended proof of service, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- Provide a proof of service showing the date the State was timely served with the notice of appeal. The proof of service should be in substantially the format shown in Form 7 to Appendix C, SCACR. The SCACR are available online at sccourts.org/courtReg.

The failure to correct this deficiency may result in the dismissal of your appeal pursuant to Rule 206(a), SCACR ("Whenever it appears that an appellant or petitioner has failed to comply with the requirements of these Rules, the clerk shall issue an order of dismissal, which shall have the same force and effect as an order of the appellate court.").

Very truly yours,

CLERK
