Re: South Atlantic v. GMK Associates
Appellate Case No. 2022-000636

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and each deficiency must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed:

- Your proof of service indicates the dates of service for a motion to dismiss. You will need to file an amended proof of service showing service of the notice of appeal.
- The required filing fee has not been submitted. The correct filing fee is \$250.00.
- The notice of appeal includes an appellate case number, 2020-001168, which is unrelated to this case. An amended notice of appeal must be served and filed which includes the correct lower court case number.

- You must provide proof of filing the notice of appeal with the clerk of the lower court.

Very truly yours,

CLERK
