Re: Aracelis Santos v. Harris Investment Holdings, L.L.C.
Case Nos.: 2021-CP-08-00513;
Appellate Tracking Number: 2021-000768

Dear Ms. Kitchings,

The Appellant's Reply Brief is due on or before Monday, May 23, 2022. I have several circuit court deadlines that same day, which cannot be extended, and I was planning to attend a law school reunion that has been set for May 20th for a long time. I am, therefore, respectfully requesting a 30-day extension to file Appellant's initial Reply Brief. Prior to making this request, I consulted with opposing counsel who has no objection to this request. Since this is the first request for extension, I am making it by correspondence rather than a formal motion. If you require a formal motion, let me know, and I will file and serve one. I enclose our firm's check in the amount of \$50.00 to cover the filing fee, and by copy of this letter, I am advising opposing counsel of this request. Please let me know if you require anything further to consider this application. I thank you in advance for your attention to this. With kind regards, I am

Very truly yours,
