Dear Clerk of Courts,

I'm aware of the Supreme Order that states only SC lawyers may use email for E-filing to other lawyers. As a Self represented appellant, I know electronic filing via USB drive to a lawyer is acceptable, if the lawyer agrees to it. May I also do a file transfer of the document from my computer to the lawyer's computer via a cable, with their permission? If you would let me know all the methods of electronic filing allowed for a Pro Se litigant to a lawyer, I appreciate it.

Thank you,

Tara A. Gurry
