Case No: 2022-CP-08-00173

This petition is to act as an emergency order to void the ejectment at 303 Pineview Drive, Goose Creek, SC 29445

Due to the passing of my father, on February 13, 2022, Theophilus Wright, has listed All of his children on his last Will in Testament including myself, Theola D. Patterson. I am currently residing in Daddy's home since January 2018 and during that time, until November 16th, 2020, Daddy has been in my care.

Upon my father's death, and since the estate has been filed in Probate court (March 18, 2022), this matter should be completed in Probate Court. The parties on this "notice to quit" order has changed from the beginning and the Power of Attorney is no longer valid.

The video that was heard by the Magistrate Court (in which the decision was made) was not heard by one that was in the Mental Health profession. They had never met my father and obviously he had been coerced into making certain statements. Prior to that video, the magistrate instructed the plaintiff that she would need to bring in a mental health professional to assess my father's mental state if he were to appear in court.
