Re: The State v. Randy D. Marchbanks  
Appellate Case No. 2021-001533

Dear Ms. Kitchings:

The Initial Brief of Appellant and Designation of Matter in the above-referenced case was due to be served and filed with the Court on Monday, May 16, 2022. However, this date was inadvertently not calendared and Counsel did not file the extension on that date. The undersigned counsel requests the relaxation of Rule 263(b), SCACR, and allow leave in which to file this request for extension out of time. Undersigned counsel spoke with opposing counsel, William M. Blich, on May 19, 2022 by phone and opposing counsel does not oppose this request.

Due to my heavy workload, I am requesting a thirty-day extension until June 15, 2022 in which to serve and file this brief. No prior extensions have been requested in this case.

By copy of this letter, I am informing William M. Blich, Jr., Esquire, of the Attorney General's office of my request.

Please do not hesitate to contact me if you have any questions. Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in blue ink that reads "Victor R. Seeger".

Victor R. Seeger  
Appellate Defender
