Ms. Kitchings,

The State is happy to have the issue decided on the briefs or would be available at the Courts request via WebEx or in person.

Ms. Frost,

So sorry for your symptoms. Hopefully they will not get any more severe than they already are for you and your husband. Feel better soon!

William Blitch

Mrs. Kitchings,

Thank you and our symptoms are more flu like than anything else. I don't think we will be in a position to do the Webex as our temperatures keep spiking. With that being said, if Attorney Blitch is in agreement, we are good with the panel deciding the case based on the briefs otherwise, we would respectfully request a continuance on the matter. Thank you again and look forward to hearing from you.

Dear Mrs. Frost,

I am SO sorry to hear that! I hope you are experiencing mild symptoms. The panel is inclined to convert this oral argument into a Webex hearing, if you think you might be feeling well enough. We would also consider a request for a continuance or to decide the case on the briefs, if that is what you would like to ask for. Please let us know.

Mrs. Kitchings,

I hope you had a good weekend. I wanted to follow up from our Friday conversation and let you know that Jack and I started experiencing Covid symptoms yesterday and my home test came back positive. I have attached a picture of the test results for you if necessary. Please note that I have not included attorney Blich on this email but am happy to send a separate email requesting a continuance and include all involved if that is what the SC Court of Appeals requires. Your guidance and understanding in this matter is greatly appreciated. I look forward to hearing from you soon.
