Jaan,

Upon review of the Record on Appeal that was served May 9, 2022, it appears there are issues to be resolved before we can proceed to final briefing:

- (1) It appears that Seaquest's Memorandum in Opposition to Plaintiff's Motion to Stay and Compel Arbitration (filed Oct. 13, 2016) was included twice, once at ROA p. 122 and again at ROA p. 200. I attached the document that I believe should be substituted for the duplicate: Seaquest's Memorandum in Support of its Motion to Dismiss or Stay Proceedings (also filed Oct. 13, 2016). It appears this substitution will affect the pagination of the ROA.
- (2) The current version of the ROA does not appear to include the Initial Brief of Appellants filed Aug. 2, 2017 in Appellate Case No. 2017-001270, which was designated by the Respondents. I've attached that also.
- (3) The e-mail thread from Andy Lacour to Judge Young dated February 19, 2021 has a garbled portion. I attached a clean copy of that thread.

We ask that a complete and accurate version of the Record on Appeal be served to avoid a motion requesting correction. The deadlines for serving final briefs should be stayed until the updated ROA is served.

Thank you for your attention to this matter.
