Good evening, Mr. Massalon,

I do apologize for you not receiving the transcript within the 60-day timeframe. I did fail to ask for an extension. Back in April my husband experienced a heart attack and then was hospitalized for a triple bypass surgery. At that time I thought I had asked for extensions for the jobs I knew I would not be able to complete within the 60 days allotted. I just missed your transcript request at that time. I did send it to you and Mr. Gowder just this evening. I hold a strong work ethic and am disappointed in myself for not following through in this instance.

Thank you for your understanding.
