I apologize, but it appears that when I filed the NOA yesterday, I used the template from the Notice of Appeal to create the COS and then did not alter the body. My apologies. I am attaching another COS attesting to the fact that the NOA was served on opposing counsel May 24th. Thank you very much.

Attached please find for filing the Notice of Appeal in this Post-Conviction Relief matter. The Applicant now appeals the Order of Dismissal filed in this case on April 22, 2022. I have served opposing counsel, Meghan Jameson by copy of this email with attachments. Thank you very much for your assistance with this filing.
