Motion Reinstatement for the Notice of Appeal

The Town of Summerville refused to allow me to renew my business license due to the reason of Summerville Police Department state that L&M was a "public nusenice" also that they had Responded to 32 reported which I pulled the reports and found the police lie to the Town and Jugde the evidence was submitted to the Courts.

) Business License is a personal property which the have no ground to refuse.

) The Honorable Diane Schafer Goodstein stated the decision would be made in 30days from her hearing the case in Feb..

The legal standard is unclear of the Town Council and the decision The Honorable Diane Schafer Goodstein when the Reports from the police during time frame 11/16/09-9/04/11 clearly show different from the town's claim.

The town has dirty L&M business name with lies, violate the business owner in legal process when their lawyer at that time told the lawyer I was trying get to have me come in that day of the special meeting and ask for a continuance which they refused. They didnt give me 30days that not due process, and violation of my rights. Its my right as a citizen to obtain a business license unless I cause a reason for revoking which myself nor the business have done and the police report history will back me up.

) The reason for asking for a jury trial was because I wanted a fair trial and with group of people to look at the evidence they would see the me and L&M right are being violation when they have falsified 32 responded police reports.

Just for that reason along should grant me and the business damages. They have caused finanical problem with the business, dirty my name as well as L&M and cause me attorney's fees and tons of emotional stress that needs to be compensated. Also was publicly posted in Summerville Journal newspaper.

) Proof that the Business is not LLC is Attached
