SC Court of Appeals

Re: Stivers Brothers Automotive, Inc. v. W. Warner Peacock
Appellate Case No. 2021-001489

Dear Ms. Kitchings:

I received an Order from the Court filed May 19, 2022, while I was on vacation last week.

I understand that the Court has ruled that certain matters shall not be included in the record on appeal *and shall not be referenced in Appellant's briefs*.

Of course, Appellant's initial brief has already been served and filed. Can you please confirm that the language referenced above applies to Appellant's final brief or briefs.

Sincerely,

J. Gregory Studemeyer
