Hi Ms. Falin,

I am in the receipt of the below email and letter that states that is case may be scheduled for oral argument; however, I am writing for clarification from the court because we previously received the attached correspondence on April 1, 2022, which indicated that this case was to be submitted on the record on appeal and briefs *without* oral argument. This letter was received via email from Ms. Carter, who I have cc'd to this email, in the event that she may be able to offer some insight.

Thanks so much,
Stephanie
