Re: Request for Re-issuance of Decision: Charles S. Blackmon v. SCDHEC  
Appellate Case No. 2017-002598

Dear Ms. Singleton:

We received a copy of the decision in this matter from the Court yesterday, May 25, 2022 and would like to call an error to your attention and respectfully request reissuance of the opinion with that error corrected. I was listed as attorney for the Respondent South Carolina Department of Health and Environmental Control on the opinion, however, as demonstrated in the attached Order from the Court dated September 8, 2020, I was substituted as counsel by Sara V. Martinez. My tenure with the Department ended in September 2019, before oral arguments in this matter, and I had no further representation of the agency after that time. Further, my current firm, Nexsen Pruet, has never represented the agency in any form in connection with this matter. I would respectfully request the opinion be re-issued with my name and firm removed.

Please let me know if you require any additional information. I appreciate your assistance in this matter.
