Ms Stacy thank you for that, but I'm not paying that no attention there's more than just this statement of 2022 you guys been falsifying and changing numbers and giving false balances from at least 2013, is when know you guys begin to finagle wiggle and steal money from my policy if you don't get it straightened out like I said in 30 days you will deal with a class action suit because I'm coming after you guys again State farm is crooked and you know it.

Mr. Clemons,

This email is being sent in response to your phone call on Wednesday, June 1, 2022, to State Farm Life Insurance Company regarding your life policy, LF-xxxx-9088.

In our phone call you stated the policy values were not calculated correctly and requested them to be corrected.

Your policy has performed accurately according to the policy contract and the values stated on your recent 2022 Annual Notice and the Policy Values Detailed chart are accurate.

As the Owner of your policy, you have the right to seek a second opinion by reviewing it with a financial advisor or legal counsel.

We would be glad to review a written statement or explanation and documentation to

support your position regarding the policy values.

Should you have future questions regarding your policy please send an email directly to me or you can send a written request to my attention at PO Box 2364, Bloomington IL 61702-2364, and we will respond as appropriate.
