SC Court of Appeals

My Name is Dana L. Dixon.

I am the Appellant for Case No. 2021-000696.

in the Order dated 05/26/2022, granting the

Respondents motion to Supplement the Record on

"Appeal With Matters previously designated but

Omitted from the Record on Appeal"

On Submitted Designation of Matter, filed on

August 27, 2021, is NOT listed on or in Respondents

(APAs) Designation of Matter they listed in their

reply (nine months later) filed on May 12, 2022.

the Respondents has been untruthful yet

again to this Court by stating documents were

ABSENT from Record on Appeal, just to get

more time to file their final brief, that should

have been filed within twenty days of service |

Of Record (As the Order dated 02/16/22, stated)  
And Respondents never complied to that order,  
then was allowed to file a Motion to Supplement  
Record on Appeal a month later. When in  
fact the documents (APAs) that Respondents  
has stated to this Court is ABSENT  
FROM THE AMENDED Record on Appeal, IS IN  
the AMENDED RECORD ON APPEAL

R.P. 223, 228, 364 Line 6, R.P. 396, Shows  
Respondents APA Submissions, they submitted  
to the lower Court.

Page Nos. 65-67. (Only) (R.P. 118, 130, ) The  
Malfeasance of the Respondents OF NOT

Being honest to this Court, just to get more time to file their final brief is another of their stall tactics, Respondents did not file a motion in March 2022, to ask for Extension of time to file final brief, they filed on April 06, 2022. So now that the Motion to Supplement has been granted for the identical documents submitted to this Court in the AMENDED RECORD ON APPEAL ON March 01, 2022, there would be no reasons to re-submit them again. And if I submitted Respondents filed Designation of matter and the listed ABSENT documents was it really a need for Respondents to file a Another Motion to Supplement Record on Appeal? Due to Index of Record on Appeal not being reviewed.
