The State of South Carolina Respondent

v.

Kathryn Martin KeyPetitioner

MOTION FOR EXTENSION

Undersigned counsel respectfully requests a one month extension to file the initial brief and designation of matter in this case. The brief is currently due June 13, 2022. Counsel has been out of the office with Covid, caring for her children who contracted Covid, and caring for her children when childcare contracted Covid which resulted in counsel being out of the office for approximately three (3) weeks. Additionally, counsel hosted a previously scheduled celebration of life to honor her late father who passed away in 2020 which took a considerable amount of time to prepare. Counsel respectfully requests a due date of July 13, 2022. Counsel does not anticipate the need for an additional extension.
