Re: The State v. Aaron M. Capers (2)  
Appellate Case No. 2019-000511

Dear Counsel:

The Court received your motion to amend the appellant's initial brief and designation of matter. You must file a proposed amended brief and designation of matter within ten days of the date of this letter, or your motion will not be considered. Given the age of this case and the number of extensions already granted to appellant's counsel, the appeal will be dismissed if the proposed brief and designation of matter are not filed with the Court within ten days of the date of this letter. The appeal is held in abeyance pending resolution of the appellant's motion.

Very truly yours,
